Reports of Cases Decided by the English Courts [1870-1883] Jul 30 2021

Iranians in London Jan 28 2024 This book explores the psychosocial significance of loss and exclusion in the lives of many Iranian immigrants living in London since the Iranian revolution of 1979. It addresses the experiences of middle-class Iranians who left Iran in both 'voluntary' contexts (immigration) and in 'enforced' contexts (exile). The author elucidates the experiences of 'ordinary' middle-class Iranians who chose to leave Iran given the socio-politico-cultural context of the changes wrought by the Islamic Republic in Iranian society. Mahnaz Sekechi argues that losses of country, liberty and security in Iran combined with varying degrees of social exclusion and downward mobility in London have led to an encapsulated sadness for many, despite their capacity for creative living. The book also demonstrates the value of psychosocial analysis in understanding dislocations in general and their effects on wellbeing.

Financial Accounting Apr 30 2024 Financial Accounting 7th edition continues the strong reputation established by this leading Australian text as the most comprehensive book for students studying introductory accounting in undergraduate or postgraduate programs. The new edition is ideal for accounting and non-accounting majors alike, illustrating the applications of accounting and its role in business decision making. Accordingly, information on the accounting process and the regulatory environment has been thoroughly updated in line with recent changes to AIFRS and the Framework as per developments with the International Accounting Standards Board. A new, four colour design provides students with a more reader-friendly text, enhancing their understanding of concepts and their experience of the text. The text builds on the thorough and reliable explanation of the accounting process through the addition of new 'Link to business' chapter vignettes that apply the principles to practice. Previous editions were renowned for the number of exercises and problems, and the new edition builds upon this superior teaching feature. The end-of-chapter activities will encourage student confidence in using accounting through the development of skills in decision-making, critical thinking, ethical thinking, analysis and communication.

Paramedic Principles and Practice in the UK - E-Book May 27 2021 Paramedic Principles and Practice in the UK is a key textbook designed to support paramedicine students in this country throughout their studies. The volume takes a practical approach, with case histories covering a broad range of clinical presentations and treatments, all incorporating a patient-centric perspective that acknowledges the longer patient journey. This must-have textbook will not only arm readers with technical knowledge and expertise, but also with the non-technical principles of the profession, developing future paramedics who are able to provide a safe and effective management plan in the out-of-hospital environment. Aligned to UK paramedicine curricula More than 40 detailed case studies covering essential pathologies most commonly seen by UK paramedics, as well as less typical scenarios Evidence-based clinical decision-making models to support paramedics in practice Essential physiological concepts to help readers bridge the gap from principles to practice Focus on the wellbeing of both the patient and the paramedic Useful appendices including medications commonly encountered in paramedic settings

Law Books in Print Jan 04 2022

Financial Accounting, Google eBook Mar 30 2024 Accounting has long been the benchmark by which all other introductory accounting textbooks are measured. It is well known as a comprehensive, authoritative and reliable textbook that has supported students studying introductory accounting for over 20 years. The clarity of explanation and thorough illustration of the accounting process supports learning and prepares students for future study in commerce, and beyond into professional practice. The new edition is ideally suited to accounting and non-accounting majors alike, illustrating accounting procedures and applying accounting information to business and business decision making. Accordingly, changes required under accounting standards and the regulatory environment as a consequence of International Accounting Standards Board (IASB) initiatives and the Conceptual Framework in Financial Reporting have been thoroughly updated in line with recent changes to AIFRS and the Framework. The four-colour design provides students with a more reader-friendly text, enhancing their understanding of concepts and ensuring learning outcomes are achieved. The text builds on the thorough and reliable explanation of the accounting process through the addition of new 'Link to business' chapter vignettes that apply the principles to practice. Previous editions were renowned for the number of exercises and problems, and the new edition builds upon this superior teaching feature. The end-of-chapter activities encourages the development of skills in decision-making, critical thinking, ethical thinking, analysis and communication, building student confidence for success in their course.

Youth Work Aug 23 2023 Professional practice is at the heart of youth work training but integrating the theory learned in class with the reality of placements can sometimes require extra support. This comprehensive textbook is designed to help students working with young people become competent and ethical practitioners, able to reflect on their learning and interventions in young people's lives. Divided into three parts, this core text: provides an understanding of and commitment to the principles of youth work explores how contexts shape youth work demonstrates the core practice skills that are required to make a meaningful impact on the lives of young people. Engaging and practice-driven, this is an essential text for all students learning about working with young people, whether on youth work or allied courses. It includes case-studies, tasks, further reading and reflective questions to help readers make connections between their own knowledge and practice.

The Saskatchewan Law Reports Aug 30 2021

Sport Funding and Finance Oct 13 2022 Sport Funding and Finance provides a complete introduction to the macro-level and micro-level aspects of sport finance. It describes the evolution of sport from a kitchen-table operation into the sophisticated, boardroom-driven global financial industry that it is today. It uses the professional sports leagues of the US and Europe as an international benchmark, and explains why the financial context is so important for all managers working in sport. The book also provides a step-by-step introduction to the principles and practice of effective financial management, providing the reader with a complete set of professional tools and skills for use in the sport industry. Now in a fully revised and updated new edition, the book develops the reader's understanding by first explaining basic concepts in finance and accounting before progressing to more complex issues and ideas. It covers every key topic in financial management, including: Planning and strategy Budgeting Financial projections Fundraising Pricing Costing Feasibility studies Economic impact analysis Ratio analysis Every chapter includes a blend of theory, contextual material and real-world data and case studies from around the world, clearly linking principles to practice, as well as review questions and problem-solving exercises to test the reader's understanding. Sport Funding and Finance is the perfect foundation text for any degree-level course in sport finance, and an invaluable reference for any sport management professional looking to deepen their understanding of funding and finance.

Anglo-Saxon Graves and Grave Goods of the 6th and 7th Centuries AD Jan 21 2021 The Early Anglo-Saxon Period is characterized archaeologically by the regular deposition of artefacts in human graves in England. The scope for dating these objects and graves has long been studied, but it has typically proved easier to identify and enumerate the chronological problems of the material than to

solve them. Prior to the work of the project reported on here, therefore, there was no comprehensive chronological framework for Early Anglo-Saxon Archaeology, and the level of detail and precision in dates that could be suggested was low. The evidence has now been studied afresh using a co-ordinated suite of dating techniques, both traditional and new: a review and revision of artefact-typology; seriation of grave-assemblages using correspondence analysis; high-precision radiocarbon dating of selected bone samples; and Bayesian modelling using the results of all of these. These were focussed primarily on the later part of the Early Anglo-Saxon Period, starting in the 6th century. This research has produced a new chronological framework, consisting of sequences of phases that are separate for male and female burials but nevertheless mutually consistent and coordinated. These will allow archaeologists to assign grave-assemblages and a wide range of individual artefact-types to defined phases that are associated with calendrical date-ranges whose limits are expressed to a specific degree of probability. Important unresolved issues include a precise adjustment for dietary effects on radiocarbon dates from human skeletal material. Nonetheless the results of this project suggest the cessation of regular burial with grave goods in Anglo-Saxon England two decades or even more before the end of the seventh century. That creates a limited but important discrepancy with the current numismatic chronology of early English sceattas. The wider implications of the results for key topics in Anglo-Saxon archaeology and social, economic and religious history are discussed to conclude the report.

Mental Health Law in England and Wales May 08 2022 *Mental Health Law in England and Wales* is a comprehensive guide to the Mental Health Act 1983 for any mental health professional - from social workers, psychologists and occupational therapists, to doctors and nurses. The book aims to simplify mental health law so that it's accessible to busy professionals at all stages of practice as well as those affected by mental health law. Key chapters include details on who operates the Act, who is affected by it, how the law governs issues of capacity and consent to treatment, how to appeal against compulsion, and the role of the nearest relative. There are also important chapters on advocacy, children and human rights issues, as well as extensive appendices which provide access to the 1983 Act itself, important rules and regulations, and a summary of key cases. This Fifth Edition includes: - Practical advice and checklists for working with the Act. - An updated text of the Mental Health Act and relevant Rules and Regulations. - Recent case law including the Devon judgment on Mental Health Act assessments. - A summary of the Human Rights Act 1998. - Guidance on the interface between the Mental Health Act and the Mental Capacity Act. - Recent case law concerning the 'relevant information' when assessing for incapacity.

Company Accounting Mar 18 2023 *Company Accounting* 7th edition continues to be the authoritative textbook on corporate financial reporting. The new edition has been thoroughly updated to reflect the numerous and ongoing reforms as a result of Australia's adoption of IFRSs. The text succinctly documents recent adjustments by the IASB/AASB in respect to the presentation of financial statements, accounting for intangible assets, accounting for income tax and the new reporting recommendations for business combinations under Phase II. The text provides students with a comprehensive and practical grounding in the practice and principles of company accounting, essential information on why and how company accounting entries and disclosures are made, and the process of business combination for a corporate group. New to this Edition New chapters on Corporate Governance, Leases and Equity Accounting. Chapter 8 Business Combinations - outlines proposed changes to ASSB3 as a result of the Exposure Draft of Proposed Amendments to IFRS3. Revised to accord with changes in AASB as a consequence of continuing reforms with IFRS. More 'Learning Check' summaries in all chapters reiterate and summarise important concepts. New 'Student Activity Section' in each chapter contains a summary, demonstration problems, discussion questions, case studies, graded exercises and problems. Reorganised end-of-chapter sections contains more diverse activity scenarios for students in an attempt to develop a broader skill base. Features 'Learning Checks' support chapter learning objectives and summarise key knowledge for students. They appear throughout each chapter and are ideal for self-study purposes. Thorough illustrative examples and demonstration problems with various examples supported with step-by-

step narrations.

Dimensions of Human Behavior Jun 20 2023 Dimensions of Human Behavior: Person and Environment presents a current and comprehensive examination of human behavior using a multidimensional framework. Author Elizabeth D. Hutchison explores the biological dimension and the social factors that affect human development and behavior, encouraging readers to connect their own personal experiences with social trends in order to recognize the unity of person and environment. Aligned with the 2015 curriculum guidelines set forth by the Council on Social Work Education (CSWE), the substantially updated Sixth Edition includes a greater emphasis on culture and diversity, immigration, neuroscience, and the impact of technology. Twelve new case studies illustrate a balanced breadth and depth of coverage to help readers apply theory and general social work knowledge to unique practice situations.

The Principle of the Welfare of the Child Nov 13 2022 This book traces the evolution of the welfare interests of the child principle over the centuries in England & Wales to provide a record of the key milestones in its development. It does so by comparing and contrasting the part it has played in the public - care, protection and control - and in the private - matrimonial, adoption etc - sectors of family law. By analysing the content of the principle this book discloses the essence of what has been termed 'the golden thread running through the common law'. By considering the ways in which the legal system has shaped and been shaped by the principle, it reveals its structural influence. By identifying and assessing the significance of its operational role and functions, it shows how this

principle has changed the law relating to children. In addition to a digest of cases and legislation that tracks the evolution of this legal principle, academics and other researchers will find a wealth of information on how that evolution reflects the corresponding changes in social mores. For those interested in the ethics and morality, there is much illuminating evidence on how the law has balanced this principle relative to others within both civil and criminal contexts.

Psychosocial Studies Mar 25 2021 There is expanding global interest in the relationship between the psychological and the social. The bringing together of affect, emotion and feeling with social, political and cultural forces offers a creative, innovative and rich set of ways of understanding what Charles Wright Mills called the links between personal troubles and public issues. This book is an introduction to psychosocial studies. Drawing on different approaches to the field, the book introduces the main theoretical influences on psychosocial studies and their development and impact, through - for example - concepts such as the unconscious, self and identity, affect, emotion and the cultural and social unconscious. It explores the theoretical frameworks of psychosocial studies, and psychosocial research methods. The book offers examples of case studies which illustrate the diversity of psychosocial studies and what makes it distinctive. It asks: what is social about the inner worlds of the psychological? What is psychological and psychic about social worlds and social life? This clear, accessible introduction will be of interest to students and researchers across the social sciences and humanities, in particular in sociology, psychology, cultural geography, social policy and politics and cultural studies.

Principles of Family Law Jul 22 2023 The fifth edition of this work on family law includes extensive rewriting of the section on child law to reflect the changes of the Children Act 1989. This book is designed to be used by all those involved in the practice of family law and by students and teachers of the subject.

Accounting Essentials for Hospitality Managers Jul 10 2022 For non-accountant hospitality managers, accounting and financial management is often perceived as an inaccessible part of the business. Yet having a grasp of accounting basics is a key part of management. Using an 'easy to read' style, this book provides a comprehensive overview of the most relevant accounting information for hospitality managers. It demonstrates how to organise and analyse accounting data to help make informed decisions with confidence. With its highly practical approach, this new Edition: Quickly develops the reader's ability to adeptly use and interpret accounting information to further organisational decision making and control Demonstrates how an appropriate analysis of financial reports can drive your business strategy forward from a well-informed base Develops mastery of key accounting concepts through financial decision making cases that take a hospitality manager's perspective on business issues Presents accounting problems in the context of a range of countries and currencies Includes a new chapter that addresses a range of financial management topics that include share market workings, agency issues, dividend policy as well as operating and financial leverage Includes a further new chapter that provides a financial perspective on revenue management Includes accounting problems at the end of each chapter to be used to test knowledge and apply understanding to real life situations Offers extensive web support for instructors and students that includes powerpoint slides, solutions to end of chapter problems, test bank and additional exercises. The book is written in an accessible and engaging style and structured logically with useful features throughout to aid students' learning and understanding. It is a key resource for all future hospitality managers.

Local Government May 20 2023 Since first publication in 1982, Howard Elcock's Local Government has established a reputation as a comprehensive and unbiased account of how British local government really works. This respected textbook has been completely revised and rewritten for its third edition, to take account of changes in local government and in the circumstances in which it operates. The third edition examines new management structures and accountabilities that follow

the policy initiatives of the central Conservative administration. It appraises the impact of the three-pronged reform of the Thatcher years: impact on local authorities' financial resources, new structures of local government and new pressure to contract services out to the private and voluntary sectors.

Law Books in Print Aug 11 2022

Emergency Medicine Dec 15 2022 *Emergency Medicine: Diagnosis and Management* incorporates the latest ideas and evidence base underpinning best practice emergency medicine care. This book covers a wide variety of emergencies, including general medical, critical care, infectious disease, foreign travel, acid-base and electrolytes to surgical, orthopaedic, paediatric, obstetrics and gynaecology, ophthalmic, ENT and psychiatric, as well as toxicology, practical procedures and administrative and legal issues. Presented in an easy-to-read format, the book includes succinct bullet point text, synoptic tables, charts and diagrams to find key information quickly, in a new edition aimed as much for use at the bedside as it is for studying. Every emergency topic is approached in the same standardized format covering first the Diagnosis and then Management. Diagnosis includes essential knowledge to elicit in the history including background and epidemiology, characteristic features on examination including vital signs and organ-specific findings, and investigations such as bedside testing, laboratory testing, and radiology. Management then covers general supportive measures, specific treatment, and the disposal decision including whether time-critical, to which specialty and conversely who may safely go home. The text is supported by a wealth of additional online material at www.lifeinthefastlane.com including high-resolution clinical images, videos, case-based questions, examination material and links to online references. This edition is completely revised and contains up-to-date evidence on every topic, including the latest 2015 CPR guidelines, sepsis guidelines, major trauma management, HIV care and many other newly released treatment protocols.

Performance Management in Nonprofit Organizations Jan 16 2023 With increased competition for external funding, technological advancement, and public expectations for transparency, not-for-profit and non-governmental organizations are facing new challenges and pressures. While research has explored the roles of accounting, accountability, and performance management in nonprofit organizations, we still lack evidence on the best practices these organizations implement in the areas of accountability and performance management. This book collects and presents that evidence for the first time, offering insights to help nonprofits face these new challenges head-on. *Performance Management in Nonprofit Organizations* focuses on both conventional and contemporary issues facing nonprofits, presenting evidence-based insights from leading scholars in the field. Chapters examine the design, implementation, and working of accounting, accountability,

offsite.creighton.edu

governance, and performance management measures, providing both retrospective and contemporary views, as well as critical commentaries on accounting and performance related issues in nonprofit organizations. The book's contributors also offer critical commentaries on the changing role of accounting and performance management in this sector. This research-based collection is an interesting and useful read for academics, practitioners, students, and consultants in nonprofit organizations, and is highly accessible to accounting and non-accounting audiences alike.

The Sustainability of Financial Innovation in E-Payment Systems Apr 26 2021 The financial system is the heart of an economy and payment systems are the nerves. As we shift towards a cashless economy, it is essential to understand the perception of customers towards digital transactions to design effective and viable E-Payment Systems (EPSs).
