Management, 4th Canadian Edition Loose-Leaf Print Companion Jun 06 2024

The Law of Torts in Canada Sep 16 2022 This work is a comprehensive account of the law of torts in Canada and provides complete coverage of the substantive law of torts in common law Canada. The second edition has been completely revised and consolidated into one volume. The chapter on negligence has been divided into several distinct chapters. Previously well-known torts have been reconsidered in light of new decisions appearing in the past ten years, such as those on negligent misrepresentation and qualified privilege.

Canadian Business and the Law Mar 30 2021

Basics of Social Research Jun 25 2023 With its enhanced design and increased Canadian content, Basics of Social Research:

Qualitative and Quantitative Approaches sets a new standard in social research methods. The improved layout makes a difficult subject easier to understand, with a new four-colour, visually enhanced presentation. Updated Canadian content focuses on real research examples from Canadian studies to make social research accessible to students and demonstrate how social research has applications in the real world. Themed boxes and new end-of-chapter questions increases student learning and provides a foundation for further learning about social research methods.

Accounting Principles Fourth Canadian Edition Part 1 Working Papers Mar 23 2023 The fourth Canadian edition of Weyandt, Kieso, Kimmel, Trenholm, Kinnear Accounting Principles has been carefully developed to build upon the highly regarded "Student Success" foundation for which it has become known over the years. The book has been praised by students and instructors across the country for its outstanding visual design, its carefully integrated pedagogy, and its excellent writing style and clarity of presentation; these key elements have been further enhanced in the fourth edition. Our ongoing series of workshops, "Ensuring Student Success in Principles of Accounting", has provided an understanding of how instructors teach and how they use the materials we provide. This knowledge has allowed us to introduce a series of critical upgrades that will help you teach in more innovative and efficient ways. Just roll to the new edition of Weyandt and benefit from a whole new set of resources and problems. This is the best Weyandt package we have ever produced!

New Media Aug 28 2023 Now in its fourth Canadian edition, *New Media: An Introduction* surveys the social, political, and economic impacts of new media, from the early days of the telegraph to the latest mobile and network technologies. Drawing on the most recent research in the field, the text explores crucial topics such as social networking and participatory cultures, gaming and mobile technologies, creative industries, and internet law, policy, and governance. Featuring an in-depth treatment of new media theories, engaging case studies, and Canadian examples throughout, *New Media* offers students a comprehensive introduction from a Canadian perspective. This fourth edition sees the combination of Chapter 6 (Games) and Chapter 7 (Creative Industries) to accommodate the inclusion of a brand-new chapter on truth and misinformation in the post-truth era, which covers topics such as fake news, the rise of deepfakes, and the ways in which the field of journalism has had to adapt to a new age of technology. This new edition will be the most up-to-date new media text on the market, including the latest discussion on current issues and topics, including media archaeology, surveillance, e-waste, labour practices, the politics of data, biases in algorithmic media, and the gig economy. Now with more headings to help readers navigate topics easily, *New Media* is the best text available for introductory students learning about the Canadian media landscape.

Parliamentary Procedure and Practice Jan 09 2022

Psychology Around Us Mar 03 2024 This exciting new textbook for introductory psychology helps to open students' minds to the idea that psychology is all around us. Authors RON COMER and LIZ GOULD encourage students to examine what they know about human behaviour and how they know it; and open them up to an appreciation of psychology outside of the classroom. Psychology Around Us helps students see the big picture by stressing the interconnected nature of psychological science. Almost every chapter within this first edition helps open students' minds to comprehend the big picture with sections that highlight how the different fields of psychology are connected to each other and how they connect to everyday life. This text highlights human development, brain function, abnormal psychology, and the individual differences in each area as cut-across themes to demonstrate these connections. Also included are two-page art spreads to demonstrate exactly What Happens In The Brain When we engage in everyday activities such as eat pizza, study psychology, or listen to music. The art featured in these spreads have been created especially for Psychology Around Us by an award-winning artist with input from faculty on how it will contribute to teaching and learning. Features: Cut Across Connections - Almost every chapter helps students comprehend the big picture with sections that highlight how the different fields of psychology are connected to each other and how they connect to everyday life. What Happens in the Brain When... These two-page art spreads demonstrate exactly what happens in the brain when we engage in everyday activities such as eating pizza, studying psychology, or listening to music. Chapter Opening Vignettes - Every chapter begins with a vignette that shows the power of psychology in understanding a whole range of human behaviour. This theme is reinforced throughout the chapter, celebrating the extraordinary processes that make the everyday possible. Special topics on psychology around us - Each chapter highlights interesting news stories, current controversies in psychology, and relevant research findings that demonstrate psychology around us. The Practically Speaking box emphasizes the practical application of everyday psychology. Helpful study tools - Key Terms; Marginal Definitions; Marginal Notes; Chapter Summaries.

Auditing May 05 2024
