hundred Harley Davidson motorcycles produced since 1903 Cadet Life at West Point Hugh T Reed,2021-04-14 I was not
more than eight years old when I first heard about West Point and then I was told that it was Uncle Sam s Military School
that the young men there were called cadets that they were soldiers and that they wore pretty uniforms with brass buttons
on them The impression made upon me at the time was such that I never tired talking and asking questions about West Point
I soon learned to indicate the site on the map and I longed to go there that I might be a cadet and wear brass buttons I talked
about it so much that my good mother made me a coat generous with brass buttons I called it my cadet coat and wore it
constantly Ah for the day I should be a big boy and be a real cadet With a wooden gun I played soldier and when the war
broke out and the soldiers camped in our old fair grounds I was in their camp at every opportunity The camp was about half
way between our home farm and father s store in town and many is the time I have been scolded for being so much at the
camp My only regret at that time was that I was not old enough to enlist for I loved to watch the drills and linger around the
camp fires listening to stories of the war **Science and Technology Annual Reference Review** ,1991
