Retail Food Safety Jeffrey Farber, Jackie Crichton, O. Peter Snyder, Jr., 2014-10-07 Currently there is no one book or textbook that covers all aspects of retail food safety It is becoming apparent that a number of issues relating to retail food safety have come to the forefront in some jurisdictions of late For example a recent USDA risk assessment has pointed out that issues occurring at USA retail appear to be critical in terms of contamination of deli meat As well a large listeriosis outbreak in Quebec pointed to retail cross contamination as a key issue In terms of sanitation a number of advances have been made but these have not all been synthesized together in one chapter with a focus on retail In addition the whole area of private standards and the Global Food Safety Initiative GFSI have come to the forefront of late and these as well will be explored in great detail Other aspects related to the safety of important food commodities such as seafood meat produce and dairy will also be discussed and salient areas addressed
