Stories That Changed America Muckrakers Of The 20th Century

Stories that Changed America Carl Jensen, 2011-01-04 Exuberantly written highly informative Jensen's *Stories That Changed America* examines the work of twenty one investigative writers and how their efforts forever changed our country Here are the pioneering muckrakers like Upton Sinclair author of the fact based novel *The Jungle* that inspired Theodore Roosevelt to sign the Pure Food and Drug Act into law Queen of the Muckrakers Ida Mae Tarbell whose McClure magazine exposé led to the dissolution of Standard Oil's monopoly and Lincoln Steffens a reporter who unearthed corruption in both municipal and federal governments You'll also meet Margaret Sanger the former nurse who coined the term birth control George Seldes the most censored journalist in American history Nobel Prize winning novelist John Steinbeck environmentalist Rachel Carson National Organization of Women founder Betty Friedan African American activist Malcolm X consumer advocate Ralph Nader and Bob Woodward and Carl Bernstein the Pulitzer Prize winning reporters whose Watergate break in coverage brought down President Richard Nixon The courageous writers Jensen includes in this deftly researched volume dedicated their lives to fight for social civil political and environmental rights with their mighty pens

The Muckrakers Arthur Weinberg, Lila Shaffer Weinberg, 2001 As the twentieth century opened Americans were jolted out of their laissez faire complacency by detailed exposures in journalism and fiction of the corruption underlying the country's greatest institutions This rude awakening was the work of the muckrakers as Theodore Roosevelt christened these press agents for reform From 1902 when it latched onto such mass circulation magazines as *Collier's* and *McClure's* until it merged into the Progressive movement in 1912 muckraking relentlessly pricked the nation's social conscience by exposing the abuses of industry and politics Ranging in tone from the scholarly to the sensational muckraking articles attacked food adulteration unscrupulous insurance practices fraudulent claims for patent medicines and links between government and vice When muckrakers raised their voices against child labor graft monopoly unsafe mill conditions and the white slave trade of poor immigrant girls they found a receptive audience I aimed at the public's heart wrote Upton Sinclair about *The Jungle* and by accident I hit it in the stomach Gathering the most significant pieces published during the heyday of the muckraking movement *The Muckrakers* brings vividly to life this unique era of exposure and self examination For each article Arthur and Lila Weinberg provide concise commentary on the background of its subject and the specific and long range repercussions of its publication The volume features the work of both journalists and fiction writers including Ida Tarbell Lincoln Steffens Upton Sinclair Ray Stannard Baker Samuel Hopkins Adams Thomas W Lawson Charles Edward Russell and Mark Sullivan Eloquent and uncompromising the muckrakers shocked America from a state of lethargy into Progressive reform This generous volume vividly captures the urgency of their quest

Exposés and Excess Cecelia Tichi, 2013-03-01 From robber barons to titanic CEOs from the labor unrest of the 1880s to the mass layoffs of the 1990s two American Gilded Ages one in the early 1900s another in the final years of the twentieth century mirror each other in their laissez faire excess and rampant social crises Both eras have ignited the civic passions of investigative writers who have drafted diagnostic blueprints for urgently needed change The compelling narratives of the muckrakers Upton Sinclair Ida Tarbell Lincoln Steffens and Ray Stannard Baker among them became bestsellers and prizewinners a hundred years ago today Cecelia Tichi notes they have found their worthy successors in writers such as Barbara Ehrenreich Eric Schlosser and Naomi Klein In *Exposés and Excess* Tichi explores the two Gilded Ages through the lens of their muckrakers Drawing from her considerable and wide ranging work in American studies Tichi details how the writers of the first muckraking generation used fact based narratives in magazines such as *McClure's* to rouse the U S public to civic action in an era of unbridled industrial capitalism and fear of the immigrant dangerous classes Offering a damning cultural analysis of the new Gilded Age Tichi depicts a booming insecure fortress America of bulked up baby strollers McMansion housing and an obsession with money as lifeline in an era of deregulation yawning income gaps and idolatry of the market and its rock star CEOs No one has captured this period of corrosive boom more acutely than the group of nonfiction writers who burst on the scene in the late 1990s with their exposés of the fast food industry the world of low wage work inadequate health care corporate branding and the multibillion dollar prison industry And nowhere have these authors Ehrenreich Schlosser Klein Laurie Garrett and Joseph Hallinan revealed more about their emergence as writers and the connections between journalism and literary narrative than in the rich and insightful interviews that round out the book With passion and wit *Exposés and Excess* brings a literary genre up to date at a moment when America has gone back to the future

The Muckrakers Aileen Gallagher, 2006-01-15 Learn about the journalists who helped change America

Muckraking! Judith Serrin, William Serrin, 2002 Does journalism matter Here is a book that documents an alternative journalistic tradition one marked by depth of vision passion for change and remarkable bravery In collecting the kind of reportage that all too rarely appears in this age of media triviality and corporate conglomeration Muckraking makes clear that American journalists have changed the country for the better Ranging across three centuries from the Stamp Act to the abolition movement to the Vietnam War from the integration of baseball to Watergate this book contains more than 125 greatest works of American Journalism Cover

Muckrakers Ann Bausum, 2007 Tells how investigative reporting began with the muckrakers in the early 20th century

The Muckrakers Louis Filler, 1993 This edition of Louis Filler's classic account carries the muckraking tradition through World War II McCarthyism the civil rights movement Korea Vietnam Ralph Nader and Watergate

The Muckrakers: Crusading Journalists who Changed America Fred J. Cook, 1972 Account of some of the journalists who between 1902 and 1912 probed and exposed the injustices and corruptions of contemporary American society

The Era of the Muckrakers Cornelius C. Regier, 1932

The Brass Check Upton Sinclair,2015-12-15 A muckraking expos of corruption in American journalism from the Pulitzer Prize winning author of The Jungle Upton Sinclair dedicated his life to documenting the destructive force of unbridled capitalism In this influential study he takes on the effect of money and power on mass media arguing that the newspapers magazines and wire services of the Progressive era formed a class institution serving the rich and spurning the poor In the early twentieth century a brass check was a token purchased by brothel patrons By drawing a comparison between journalists and prostitutes Sinclair highlights the total control publishers such as William Randolph Hearst exerted over their empires Reporters and editors were paid to service the financial and political interests of their bosses even if that meant misrepresenting the facts or outright lying Sinclair documents specific cases including the Ludlow Massacre of 1914 and the Red Scare whipped up by Hearst s New York Journal and other newspapers in which major news outlets ignored the truth in favor of tabloid sensationalism Sinclair considered The Brass Check to be his most important and most dangerous book Nearly a century later his impassioned call for reform is timelier than ever This ebook has been authorized by the estate of Upton Sinclair

The Muckrakers ,1961

The Muckrakers and American Society Herbert Shapiro,1968

Digging Up Dirt Sean Price,2009-07-10 Describes the impact investigative journalists had upon societal change in the United States in the early twentieth century

The Muckrakers Arthur Weinberg,1964

Muckrakers Edd Applegate,2008 During the 1800s the United States progressed at a remarkable rate Commerce gave rise to regional specialization and contributed to the growth of cities By 1860 the nation had prospered to the extent that it no longer depended on Europe to purchase its goods Innovations in technology helped increase production especially in textiles and transportation projects helped reduce costs of certain products As the country progressed so did its citizenry and their attention to certain interests movements on issues like women s rights capital punishment workers rights education and mental health swept across the country As these groups advanced their causes a kind of journalism began to capture readers attention the exposZ Although examples similar to it had appeared occasionally in various publications years before it became more prevalent at the turn of the century In the spring of 1906 President Theodore Roosevelt delivered a speech in which he compared certain crusading journalists to a character in John Bunyan s Pilgrim s Progress There is filth on the floor and it must be scraped up with the muckrake and there are times and places where this service is the most needed of all the services that can be performed In *Muckrakers A Biographical Dictionary of Writers and Editors* Professor Edd Applegate profiles the men and women who either wrote muckraking journalism or edited publications that featured muckraking articles Some of the most important figures of journalism are here including Nellie Bly Upton Sinclair Lincoln Steffens George Kennan Jack London Frank Norris Rachel Carson George Seldes and I F Stone The book contains more than fifty entries each discussing the subject s professional career and major works In some cases comments about the subject s work by others have been included as well as suggestions for further reading As a resource guide *Muckrakers* will be of interest to professors scholars and students interested in learning more about the individuals who played such significant roles in muckraking journalism

The Muckrakers and the Progressive Era Laurie Collier Hillstrom,2010 Provides a detailed account of the muckraking movement in early twentieth century American journalism and its contribution to progressive reforms Explores how the muckraking tradition and progressive political ideas have continued through the modern era Features include a narrative overview biographies primary sources chronology glossary bibliography and index Provided by publisher

The Brass Check Upton Sinclair,2019-06-23 Turning his muckraking talents to journalism itself Upton Sinclair exposes a variety of the news media s ingrained biases and its agenda serving corruption Upton Sinclair became famous for exposing filthy and inhumane conditions in the American meat packing industry at the turn of the 20th century Following these revelations new laws were made protecting factory workers and their conditions Sinclair afterwards became a figure for condemnation his personal life was scrutinized and subjected to spurious gossip and rumor the cause being that the vast majority of newspaper corporations opposed his pro worker pro regulation views The title of this book alludes to a common practice in brothels those frequenting these establishments would buy brass checks to hand to the woman of their choice Sinclair draws a parallel between such customers and the proprietors of the media who delegate the promotion of their political financial and social agendas to journalists willing to propagate such ideas

The Era of the Muckrakers Cornelius C 1884- Regier,2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Journalistic Advocates and Muckrakers Edd Applegate,1997 Advocacy has been a feature of journalism since the early days of the profession with columnists and editors attempting to sway popular opinion and influence public policy through their writings Though it is quite different in format muckraking or investigative journalism is an outgrowth of the advocacy movement Muckrakers first came into prominence in the early part of the twentieth century investigating corruption and influencing opinion and policy through the power of their exposes H L Mencken Jack Anderson Rachel Carson William F Buckley Karl Marx Gloria Steinem Tad Szulc and David Wise are just a few of the over 100 writers and editors profiled in this work The writers major works are the focus but their overall careers and those who influenced them are also fully detailed The biographies include vital dates and information on the journalist s family education and other pertinent details

Muckrakers : the era in journalism that moved America to reform- the most significant magazine articles of 1902-1912 Arthur Myron ed Weinberg,1961

The Enigmatic Realm of **Stories That Changed America Muckrakers Of The 20th Century**: Unleashing the Language is Inner Magic
