Desiring the Kingdom (Cultural Liturgies) James K. A. Smith,2009-08-01 Malls, stadiums and universities are actually liturgical structures that influence and shape our thoughts and affections. Humans, as Augustine noted, are desiring agents full of longings and passions. In brief, we are what we love. James K. A. Smith focuses on the themes of liturgy and desire in *Desiring the Kingdom*, the first book in what will be a three-volume set on the theology of culture. Core Christianity Michael Horton,2016-04-05 What beliefs are core to the Christian faith? This book is here to help you understand the reason for your hope as a Christian so that you can see it with fresh sight and invite others into the conversation. A lot of Christians take their story, the narratives that give rise to their beliefs, for granted. They pray, go to church, perhaps even read their Bible. But they might be stuck if a stranger asked them to explain what they believe and why they believe it. Author, pastor, and theologian Mike Horton unpacks the essential and basic beliefs that all Christians share in a way that is easy to understand and applicable to our lives today. And in a way that will make you excited to be a Christian. *Core Christianity* covers topics like Jesus as both fully God and fully man, the doctrine of the Trinity, the goodness of God despite a broken world, the ways God speaks, the meaning of salvation, and what is the Christian calling. Includes discussion questions for individual or group use. This introduction to the basic doctrines of Christianity is perfect for those who are new to the faith as well as those who have an interest in deepening their understanding of what it means to be a follower of Jesus Christ
