This *Queen Bees And Wannabes*, as one of the most committed sellers here will unquestionably be in the middle of the best options to review.

Every father can make a huge difference in his daughter's life. As the primary male role model in a girl's life, fathers influence their daughters in profound ways, from how they see themselves to what they come to expect from men and the world at large. But men often don't realize the importance of their

interactions or may shy away from too close involvement because of their inexperience, or conditioning. Especially as girls move into adolescence, fathers may find themselves feeling distant from their daughters or awkward with the changing dynamic. Communication becomes difficult and parenting issues more complicated. But this is also the time when daughters most need their fathers to be an even greater presence in their lives. *Dads and Daughters* is a tool to bridge that gap and build a rewarding and joyful father-daughter relationship. From father to father and with insights from many other dads, Joe Kelly shows men how they can strengthen their relationships with their daughters and explores the tremendous rewards this relationship can bring. Starting with a self-assessment quiz titled "How Am I Doing as My Daughter's Father?" dads can immediately see what kind of role they play in their daughter's life. To educate fathers and offer solutions when problems arise, *Dads and Daughters* then offers thoughtful coverage of the most pivotal issues today's girls face, such as sex and dating, body image, alcohol and drugs, media culture and violence, money and responsibility, and the future. In doing so he both illuminates the culture our daughters live in and shows fathers how to guide their daughters toward rewarding, healthy lives. From the New York Times bestselling author of *Think Twice* and *Look Again* comes an emotionally powerful novel about a split-second choice, agonizing consequences, and the need for justice. Rose McKenna volunteers as a lunch mom in her daughter Melly's school in order to keep an eye on Amanda, a mean girl who's been bullying her daughter. Her fears come true when the bullying begins, sending Melly to the bathroom in tears. Just as Rose is about to follow after her daughter, a massive explosion goes off in the kitchen, sending the room into chaos. Rose finds herself faced with the horrifying decision of whether or not to run to the bathroom to rescue her daughter or usher Amanda to safety. She believes she has accomplished both, only to discover that Amanda, for an unknown reason, ran back into the school once out of Rose's sight. In an instance, Rose goes from hero to villain as the small community blames Amanda's injuries on her. In the days that follow, Rose's life starts to fall to pieces, Amanda's mother decides to sue, her marriage is put to the test, and worse, when her daughter returns to school, the bullying only intensifies. Rose must take matters into her own hands and get down to the truth of what really happened that fateful day in

order to save herself, her marriage and her family. In the way that Look Again had readers questioning everything they thought they knew about family, Save Me will have readers wondering just how far they would go to save the ones they love. Lisa Scottoline is writing about real issues that resonate with real women, and the results are emotional, heartbreaking and honest. The bestselling author of UnSelfie offers 7 teachable traits that will safeguard our kids for the future. We think we have to push our kids to do more, achieve more, BE more. But we're modeling the wrong traits—like rule-following and caution—and research shows it's NOT working. This kind of "Striver" mindset isn't just making kids unhappier, says Dr. Michele Borba...it's actually the opposite of what it takes to thrive in the uncertain world ahead. Thrivers are different: they flourish in our fast-paced, digital-driven, often uncertain world. Why? Through her in-depth research, Dr. Borba discovered that the difference comes down not to grades or test scores, but to seven character traits that set Thrivers apart—confidence, empathy, self-control, integrity, curiosity, perseverance, and optimism. The even better news: these traits can be taught to children at any age...in fact, parents and educators must do so. In Thrivers, Dr. Borba offers practical, actionable ways to develop these traits in children from preschool through high school, showing how to teach kids how to cope today so they can thrive tomorrow. Playdates can be amazing! They help kids make connections with others, can be the start of fantastic friendships that last, and are also the perfect place to work on building and practicing social skills. But sometimes it's hard for kids to have playdates. They don't go well, and it feels like they'll never make any friends or ever have a successful social interaction. This book explains how playdates help kids learn social skills, and includes simple tips for setting up successful playdates and a playful home. Plus, I talk about how those imperfect moments are the perfect learning opportunity! There are over 50 play ideas, designed for two children, and conveniently indexed by social skill, mess level, indoor vs. outdoor, and age range. Playdate ideas include: \* Pretend play\* Arts & crafts\* Indoor & outdoor games\* Board games and card games made for 2

**BONUS:** The book is in Dyslexie font, specifically designed to make reading easier for those with Dyslexia. Written by Janine Halloran, LMHC author of the best-selling Coping Skills for Kids Workbook What happens to Queen

*Bees and Wannabes when they grow up? Even the most well-adjusted moms and dads can experience peer pressure and conflicts with other adults that make them act like they're back in seventh grade. In Queen Bee Moms & Kingpin Dads, Rosalind Wiseman gives us the tools to handle difficult situations involving teachers and other parents with grace. Reassuring, funny, and unfailingly honest, Wiseman reveals:*

- Why PTA meetings and Back-to-School nights tap into parents' deepest insecurities*
- How to recognize the archetypal moms and dads—from Caveman Dad to Hovercraft Mom*
- How and when to step in and step out of your child's conflicts with other children, parents, teachers, or coaches*
- How to interpret the code phrases other parents use to avoid (or provoke) confrontation*
- Why too many well-meaning dads sit on the sidelines, and how vital it is that they step up to the plate*
- What to do and say when the playing field becomes an arena for people to bully and dominate other kids and adults*
- How to have respectful yet honest conversations with other parents about sex and drugs when your values are in conflict*
- How the way you handle parties, risky behavior, and academic performance affects your child*
- How unspoken assumptions about race, religion, and other hot-button subjects sabotage parents' ability to work together*

*Queen Bee Moms & Kingpin Dads is filled with the kind of true stories that made Wiseman's New York Times bestselling book Queen Bees & Wannabes impossible to put down. There are tales of hardworking parents with whom any of us can identify, along with tales of outrageously bad parents—the kind we all have to reckon with. For instance, what do you do when parents donate a large sum of money to a school and their child is promptly transferred into the honors program—while your son with better grades doesn't make the cut? What about the mother who helps her daughter compose poison-pen e-mails to yours? And what do you say to the parent-coach who screams at your child when the team is losing? Wiseman offers practical advice on avoiding the most common parenting “land mines” and useful scripts to help you navigate difficult but necessary conversations. Queen Bee Moms & Kingpin Dads is essential reading for parents today. It offers us the tools to become wiser, more relaxed parents—and the inspiration to speak out, act according to our values, show humility, and set the kind of example that will make a real difference in our children's lives. Also available as a Random House AudioBook and as an eBook*

*Worried about mean girls? Help your daughter respond and*

react to bullying where it starts---in elementary school As experts in developmental psychology and each a mother of three, Dr. Michelle Anthony and Dr. Reyna Lindert began noticing an alarming pattern of social struggle among girls as young as five, including their own daughters. In today's world, it is likely that your daughter has been faced with bullying and friendship issues, too---and perhaps you're at a loss for how to guide her through these situations effectively. *Little Girls Can Be Mean* is the first book to tackle the unique social struggles of elementary-aged girls, giving you the tools you need to help your daughter become stronger, happier, and better able to enjoy her friendships at school and beyond. Dr. Anthony and Dr. Lindert offer an easy-to-follow, 4-step plan to help you become a problem-solving partner with your child, including tips and insights that girls can use on their own to confront social difficulties in an empowered way. Whether your daughter is just starting grade school or is already on her way to junior high, you'll learn how to: OBSERVE the social situation with new eyes CONNECT with your child in a new way GUIDE your child with simple, compassionate strategies SUPPORT your daughter to act more independently to face the social issue By focusing squarely on the issues and needs of girls in the years before adolescence, *Little Girls Can Be Mean* is the essential, go-to guide for any parent or educator of girls in grades K-6. Leslie Sanchez -- strategist, writer and political seer -- spent much of 2008 as an analyst on CNN, examining, investigating and deciphering the historic moment for women and politics that was the presidential election. And what she sees in the future is a landscape changed drastically for women the world over and their expectations. In *You've Come a Long Way, Maybe*, she debunks the cultural and political myths surrounding women, and looks at the wide range of reactions Hillary, Michelle and Sarah provoked from the small towns to the big city salons to the Sunday talk shows. She pays special attention to those most active and most examined during the election: the disappointed Hillary supporters, the rabid Sarah Palin fans, and everyone else wondering about the role of the new First Lady. Along the way, Leslie takes a hard look at what the election will mean for women now and in the future, and also at what leaders might emerge in 2012, and beyond. An empowering handbook on how to have candid conversations around race and become a better advocate, written by a Black woman and a white woman who ask and

answer 20 common, uncomfortable-but-critical questions about racism. Many people struggle to have honest conversations about race, even those who consider themselves allies or identify as anti-racist. For anyone who wants to have better, more productive discussions, *COURAGEOUS DISCOMFORT* is an empowering handbook that teaches you how to do just that. In these pages, authors (and best friends), Shanterra McBride, who is Black, and Rosalind Wiseman, who is white, discuss their own friendship and tap into their decades of anti-racism work to answer the 20 uncomfortable-but-critical questions about race they get asked most often, including: • Should I see color? • I'm a good person—how can I be racist? • What if I say something wrong? • What kind of apology makes a difference? These 20 questions-as-chapters invite you into the conversation without judgment and inspire thoughtful reflection and discussion. There will be moments when you will laugh or cringe at the ridiculous or awkward things you read. But the truth is, there is no perfect solution or script for every maybe-racist, sort-of-racist, or blatantly racist situation. And that's OK: making mistakes is just an opportunity to do better next time. But doing this work will empower us to have the relationships we really want to have, including the relationship we want to have with ourselves.

*TIMELY BUT PERENNIAL TOPIC:* Social justice is a longstanding, perennial issue but has entered the vanguard of national discourse in recent years. For anyone hungry for resources related to being an advocate for diversity and inclusion, *COURAGEOUS DISCOMFORT* provides an accessible, empowering playbook to follow as you confront and reckon with race-related issues and questions, now and moving forward.

*ACCESSIBLE APPROACH:* This beautifully designed book stands out from the more academic books in this category like *WHITE FRAGILITY* and *HOW TO BE AN ANTIRACIST*. With accessible writing, an organizing principle that invites you into the conversation, and a lovely package, *COURAGEOUS DISCOMFORT* is user-friendly and can even be given as an inoffensive, helpful gift to friends, relatives, and recent grads.

*BLACK AUTHOR + WHITE AUTHOR:* Written by a Black and white author pair who have both published books before, this handbook is authentic and credible, but also approachable. The authors' tone and the organization of the book make it feel as if you are part of their candid conversation on race, with someone asking all the uncomfortable, awkward questions that you have asked yourself, or your friends are too scared to ask of

you. This Q&A format applies to readers, whether they identify as white or non-white, who have found themselves in similar conversations, unsure of how to handle them. GREAT FOR BOOK CLUBS: Inspired by a webinar, featuring chapters-as-questions, this book is primed for book clubs. The organization lends itself perfectly to discussion-clubs can pose each question/chapter title, review the thought prompts, and share personal experiences for an enlightening, educational, and productive conversation. Perfect for: • People who want to have better, more productive conversations around race and racial issues • White people who want to be better allies • Anyone who is focused on social justice, particularly millennials and members of Gen Z • People who read books like WHITE FRAGILITY, CASTE, and HOW TO BE AN ANTIRACIST In this Queen Bees and Wannabes for the elementary and middle school set, child and adolescent psychotherapist Katie Hurley shows parents of young girls how to nip mean girl behavior in the bud. Once upon a time, mean girls primarily existed in high school, while elementary school-aged girls spent hours at play and enjoyed friendships without much drama. But in this fast-paced world in which young girls are exposed to negative behaviors on TV and social media from the moment they enter school, they are also becoming caught up in social hierarchies much earlier. No More Mean Girls is a guide for parents to help their young daughters navigate tricky territories such as friendship building, creating an authentic self, standing up for themselves and others, and expressing themselves in a healthy way. The need to be liked by others certainly isn't new, but this generation of girls is growing up in an age when the "like" button shows the world just how well-liked they are. When girls acknowledge that they possess positive traits that make them interesting, strong, and likeable, however, the focus shifts and their self-confidence soars; "likes" lose their importance. This book offers actionable steps to help parents empower young girls to be kind, confident leaders who work together and build each other up. A debut novel from the bestselling author of Queen Bees and Wannabes! Charlie Healy just wants a drama-free year, but it doesn't seem like she's going to get it. After surviving a middle school packed with mean girls, Charlie is ready to leave all that behind in high school. But then, on her very first day, she runs into her former best friend, Will, who moved away years ago. Now he's back, he's HOT, and he's popular. And

he takes Charlie back into the danger zone of the popular crowd. But when a hazing prank goes wrong, Charlie has to decide where her loyalties lie. Empower students to stand up for what matters Created in collaboration with children and teens, *Owning Up* helps young people identify and be critical of social issues in their lives—from bullying and harassment in the classroom to systems of power and oppression in the world around them. While there is no one-size-fits-all curriculum, *Owning Up* takes us leaps forward by: Designing sessions to be easily facilitated by a school counselor, teacher, leader, or other professional in small group settings Combining discussions, games, and role-playing to engage adolescents in the complexities of social culture Exploring critical topics such as media analysis, gender, sexual harassment, racism, gossip, and self-image A generation gap has emerged between parents and their girls. The mothers and fathers of tomorrow's women have little idea what their daughters are up to sexually or how they feel about it. Drawing on in-depth interviews with more than seventy young women and a wide range of psychologists, academics, and experts, renowned journalist Peggy Orenstein goes where most others fear to tread, pulling back the curtain on the hidden truths, hard lessons, and important possibilities of girls' sex lives in the modern world. When Rosalind Wiseman published her bestseller *'Queen Bees and Wannabes'*, it fundamentally changed the way that parents, educators and the media looked at the impact of girls' social dynamics and created a road map for girls to develop better relationships and higher self-esteem. Now, Rosalind turns her attention to the tricky terrain of boys. Drawing on 20 years of work with boys and her own experience as a mother of two sons, Rosalind helps parents to understand their tween and teenage sons better. "If I could only read one writer from now until the end of my life, it would be Dorothea Benton Frank." —Elin Hilderbrand, the New York Times bestselling author Immerse yourself in the enchanting world of New York Times bestselling author Dorothea Benton Frank's *Carolina Lowcountry* in this evocative tale that returns at long last to her beloved *Sullivans Island*. Beekeeper Holly McNee Jensen quietly lives in a world of her own on *Sullivans Island*, tending her hives and working at the local island library. Holly calls her mother *The Queen Bee* because she's a demanding hulk of a woman. Her mother, a devoted hypochondriac, might be unaware that she's quite ill but that doesn't stop her from tormenting Holly. To escape the

drama, Holly's sister Leslie married and moved away, wanting little to do with island life. Holly's escape is to submerge herself in the lives of the two young boys next door and their widowed father, Archie. Her world is upended when the more flamboyant Leslie returns and both sisters, polar opposites, fixate on what's happening in their neighbor's home. Is Archie really in love with that awful ice queen of a woman? If Archie marries her, what will become of his little boys? Restless Leslie is desperate for validation after her imploded marriage, squandering her favors on any and all takers. Their mother ups her game in an uproarious and theatrical downward spiral. Scandalized Holly is talking to her honey bees a mile a minute, as though they'll give her a solution to all the chaos. Maybe they will. Queen Bee is a classic Lowcountry Tale—warm, wise and hilarious, it roars with humanity and a dropperful of whodunit added for good measure by an unseen hand. In her twentieth novel, Dorothea Benton Frank brings us back to her beloved island with an unforgettable story where the Lowcountry magic of the natural world collides with the beat of the human heart. Olivia Gardner, a northern California teenager, was severely taunted and cyber-bullied by her classmates for more than two years. News of her bullying spread, eventually reaching two teenage girls from a neighboring town, sisters Emily and Sarah Buder. The girls were so moved by Olivia's story that they initiated a letter-writing campaign to help lift her spirits. It was a tender gesture of solidarity that set off an overwhelming chain reaction of support, encouragement, and love. In *Letters to a Bullied Girl*, Olivia and the Buder sisters share an inspiring selection of messages that arrived from across America—the personal, often painful remembrances of former targets, remorseful bullies, and sympathetic bystanders. *Letters to a Bullied Girl* examines our national bullying epidemic from a variety of angles and perspectives, and includes practical guidance from bullying expert Barbara Coloroso, author of *The Bully, the Bullied, and the Bystander*. Though addressed to Olivia, the letters speak to all young people who have been bullied, offer advice and hope to those who suffer, and provide a wake-up call to all who have ever been involved in bullying. Describes female bullying and aggression, examines why it is often overlooked, and makes specific suggestions for curbing the behavior. Typescript, dated Rehearsal Draft April 7, 2018. Without music. Unmarked typescript of a musical that opened

April 8, 2018, at the August Wilson Theatre, New York, N.Y., directed by Casy Nicholaw. The world's leading authority on adolescence presents original new research that explains, as no one has before, how this stage of life has changed and how to steer teenagers through its risks and toward its rewards. Please note: This is a companion version & not the original book.

Sample Book Insights: #1 Parents give their children access to technology so easily because they believe that if their child has a cell phone, they can reach them at any time and know where they are at all times. However, they don't realize the other consequences of this technology, including the spread and intensity of gossip, humiliation, and drama. #2 The effects of technology on our society are widespread and far-reaching. It allows people to be mean and vicious without ever having to face the consequences. #3 You should know your child's password, and make sure they don't share it with anyone. You can check to see if your child is texting at 2 A. M. by looking at your phone or cable bill. #4 The rules of engagement are the same for technology and for your children. You must not use it to humiliate, embarrass, send personal information, misrepresent yourself or someone else, or use passwords without their permission. Two clinical social workers offer clinicians, educators, coaches, and other youth counselors the first professional book that focuses on engaging authentically with teens in order to create lasting change. Anyone who works with teens should read this book. If you work with teens, you know they are notoriously challenging to communicate with. And when teens are resistant to help, they may respond by acting defiant, guarded, defensive, rude, or even outright hostile. In turn, you may respond by reasserting your authority—resulting in an endless power struggle. So how can you break the cycle and start connecting? In *What Works with Teens*, you'll discover the core skills that research shows underlie all effective work with teens. You'll learn how to engage authentically with teens, create an atmosphere of mutual respect, and use humor to establish a deeper connection. Many books offer evidence-based approaches to treating teens, but very little information on how to establish and maintain a productive working relationship. This is the first trans-therapeutic book to provide real tools for creating a positive relationship with teens to help bolster effective treatment. Whether your background is in cognitive behavioral therapy (CBT), dialectical behavior therapy (DBT),

acceptance and commitment therapy (ACT), psychotherapy, or any other treatment background, if you are looking for more effective ways to connect with teens and are ready for a program that really works, this book is a vital addition to your professional library. *Tripping the Prom Queen* is a groundbreaking investigation into the dark secret of female friendship: rivalry. Susan Shapiro Barash has exploded the myth that women help one another, are supportive of one another, and want each other to succeed. Based on interviews with women across a broad social spectrum, she has discovered that the competition between women is more vicious precisely because it is covert. She tells us: \* Why women can't and won't admit to rivalry. \* How women are trained from an early age to compete with one another. \* In which areas women most heatedly compete. \* How rivalry is different among women than among men. \* The differences between competition, envy, and jealousy. \* When competition is healthy and when it isn't. \* Why women find it irresistible to "trip the prom queen." \* Useful strategies to stop the competition and forge a new kind of relationship with other women. Whether you've tripped the prom queen or been tripped yourself, you will discover an engrossing exploration of this female phenomenon, as well as a beacon of hope for better, more fulfilling relationships. Get ready to roll with Pea, Bee, & Jay in this brand-new early reader graphic novel series by Brian "Smitty" Smith, perfect for fans of *Narwhal & Jelly*, emerging readers, and comic lovers alike! Who knew being queen could sting so much? All Bee really wants to do is play with her two best friends, Pea and Jay. But when she's replaced by Lenny—an ambitious bee hungry for power—as queen of her hive, the friends set out to prove Lenny isn't exactly who he seems to be. Can Bee, with the help of her friends, regain her crown and throne, or has the Reign of Lenny officially begun? Praise for *Pea, Bee, & Jay*: Kirkus Best Books of 2020 SLJ Best Books of 2020 Fall 2020 Indie Next List Amazon Best Books of 2020 Junior Library Guild Selection 2021 Texas Library Association's Little Maverick Graphic Novels Reading List Selection "Is it wrong that I wanted to underline every single word in this book? Simmons brilliantly crystallizes contemporary girls' dilemma: the way old expectations and new imperatives collide; how a narrow, virtually unattainable vision of 'success' comes at the expense of self-worth and well-being. Enough As She is a must-read." —Peggy Orenstein, author of *Girls & Sex From the New York Times*

bestselling author of *Odd Girl Out*, a deeply urgent book that gives adults the tools to help girls in high school and college reject "supergirl" pressure, overcome a toxic stress culture, and become resilient adults with healthy, happy, and fulfilling lives. For many girls today, the drive to achieve is fueled by brutal self-criticism and an acute fear of failure. Though young women have never been more "successful"-outpacing boys in GPAs and college enrollment-they have also never struggled more. On the surface, girls may seem exceptional, but in reality, they are anxious and overwhelmed, feeling that, no matter how hard they try, they will never be smart enough, successful enough, pretty enough, thin enough, popular enough, or sexy enough. Rachel Simmons has been researching young women for two decades, and her research plainly shows that girl competence does not equal girl confidence-nor does it equal happiness, resilience, or self-worth. Backed by vivid case studies, Simmons warns that we have raised a generation of young women so focused on achieving that they avoid healthy risks, overthink setbacks, and suffer from imposter syndrome, believing they are frauds. As they spend more time projecting an image of effortless perfection on social media, these girls are prone to withdraw from the essential relationships that offer solace and support and bolster self-esteem. Deeply empathetic and meticulously researched, *Enough As She Is* offers a clear understanding of this devastating problem and provides practical parenting advice-including teaching girls self-compassion as an alternative to self-criticism, how to manage overthinking, resist the constant urge to compare themselves to peers, take healthy risks, navigate toxic elements of social media, prioritize self-care, and seek support when they need it. *Enough As She Is* sounds an alarm to parents and educators, arguing that young women can do more than survive adolescence. They can thrive. *Enough As She Is* shows us how. 'Text me when you get home.' After joyful nights out together, female friends say this to one another as a way of cementing their love. It's about safety but, more than that, it's about solidarity. A validation of female friendship unlike any that's ever existed before, *Text Me When You Get Home* is a mix of historical research, the author's own personal experience, and conversations about friendships with women across the country. Everything Schaefer uncovers reveals that these ties are making us, both as individuals and as society as a whole, stronger than ever

before. *NEW YORK TIMES BESTSELLER* • The parenting classic that inspired *Mean Girls*, now fully revised and updated with new material on gender expression, cancel culture, social media, and bullying based on feedback from today's teenagers More than twenty years ago, *Queen Bees and Wannabes* let parents inside the secret world of their adolescent daughters' female relationships, giving us a new vocabulary for these fickle social dynamics as well as invaluable strategies for helping our daughters navigate them. Since then, nationally recognized thought leader and speaker Rosalind Wiseman has interviewed and listened to thousands of girls talk about the powerful role cliques play in shaping what they wear and say, how they respond to boys, and how they feel about themselves. This fully revised and greatly updated edition of this parenting classic now reflects the pressures unique to today's girls—including the role that social media and gender as a spectrum play in adolescent life. With input and stories from dozens of girls experiencing these dynamics today, Wiseman takes readers into "Girl World" to analyze teasing, gossip, and reputations; beauty and fashion; alcohol and drugs; boys and sex; and more, plus how cliques play a role in every situation. Full of sample scripts, strategies, and pointed advice, this book will equip adults with all the tools needed to build the right foundation to help a young woman make smarter choices and empower her during this baffling, tumultuous time of life. Written in a down-to-earth style and packed with examples and tips, this is a guide to the secret world of girls' cliques and the roles they play. It analyzes their teasing and gossip and provides advice to enable parents to empower both their daughters and themselves.

*BESTSELLER - BASIS FOR THE POPULAR MOVE "MEAN GIRLS". NEW YORK TIMES BESTSELLER* • An award-winning guide to the sometimes erratic and confusing behavior of teenage girls that explains what's going on, prepares parents for what's to come, and lets them know when it's time to worry. Look for *Under Pressure*, the companion guide to coping with stress and anxiety among girls, available now. In this sane, highly engaging, and informed guide for parents of daughters, Dr. Damour draws on decades of experience and the latest research to reveal the seven distinct—and absolutely normal—developmental transitions that turn girls into grown-ups, including *Parting with Childhood*, *Contending with Adult Authority*, *Entering the Romantic World*, and *Caring for Herself*. Providing realistic scenarios and

welcome advice on how to engage daughters in smart, constructive ways, *Untangled* gives parents a broad framework for understanding their daughters while addressing their most common questions, including • My thirteen-year-old rolls her eyes when I try to talk to her, and only does it more when I get angry with her about it. How should I respond? • Do I tell my teen daughter that I'm checking her phone? • My daughter suffers from test anxiety. What can I do to help her? • Where's the line between healthy eating and having an eating disorder? • My teenage daughter wants to know why I'm against pot when it's legal in some states. What should I say? • My daughter's friend is cutting herself. Do I call the girl's mother to let her know? Perhaps most important, *Untangled* helps mothers and fathers understand, connect, and grow with their daughters. When parents know what makes their daughter tick, they can embrace and enjoy the challenge of raising a healthy, happy young woman. BOOKS FOR A BETTER LIFE AWARD WINNER "Finally, there's some good news for puzzled parents of adolescent girls, and psychologist Lisa Damour is the bearer of that happy news. [*Untangled*] is the most down-to-earth, readable parenting book I've come across in a long time."—*The Washington Post* "Anna Freud wrote in 1958, 'There are few situations in life which are more difficult to cope with than an adolescent son or daughter during the attempt to liberate themselves.' In the intervening decades, the transition doesn't appear to have gotten any easier which makes *Untangled* such a welcome new resource."—*The Boston Globe* "My daughter used to be so wonderful. Now I can barely stand her and she won't tell me anything. How can I find out what's going on?" "There's a clique in my daughter's grade that's making her life miserable. She doesn't want to go to school anymore. Her own supposed friends are turning on her, and she's too afraid to do anything. What can I do?" Welcome to the wonderful world of your daughter's adolescence. A world in which she comes to school one day to find that her friends have suddenly decided that she no longer belongs. Or she's teased mercilessly for wearing the wrong outfit or having the wrong friend. Or branded with a reputation she can't shake. Or pressured into conforming so she won't be kicked out of the group. For better or worse, your daughter's friendships are the key to enduring adolescence—as well as the biggest threat to her well-being. In her groundbreaking book, *Queen Bees and Wannabes*, Empower cofounder Rosalind Wiseman takes you inside the secret world of girls'

friendships. Wiseman has spent more than a decade listening to thousands of girls talk about the powerful role cliques play in shaping what they wear and say, how they respond to boys, and how they feel about themselves. In this candid, insightful book, she dissects each role in the clique: Queen Bees, Wannabes, Messengers, Bankers, Targets, Torn Bystanders, and more. She discusses girls' power plays, from birthday invitations to cafeteria seating arrangements and illicit parties. She takes readers into "Girl World" to analyze teasing, gossip, and reputations; beauty and fashion; alcohol and drugs; boys and sex; and more, and how cliques play a role in every situation. Each chapter includes "Check Your Baggage" sections to help you identify how your own background and biases affect how you see your daughter. "What You Can Do to Help" sections offer extensive sample scripts, bulleted lists, and other easy-to-use advice to get you inside your daughter's world and help you help her. It's not just about helping your daughter make it alive out of junior high. This book will help you understand how your daughter's relationship with friends and cliques sets the stage for other intimate relationships as she grows and guides her when she has tougher choices to make about intimacy, drinking and drugs, and other hazards. With its revealing look into the secret world of teenage girls and cliques, enlivened with the voices of dozens of girls and a much-needed sense of humor, Queen Bees and Wannabes will equip you with all the tools you need to build the right foundation to help your daughter make smarter choices and empower her during this baffling, tumultuous time of life. When you've got great questions like these, you need great answers—ASAP! But where do you find them? Right here in *The Girls' Q & A Book on Friendship: 50 Ways to Fix a Friendship Without the DRAMA* ; 50 puzzling friendship questions from real girls, each one insightfully illustrated ; 50 clear answers to help you make your next best move ; 25 Super Friend secrets from older girls ; 5 Quizzes to test your friendship skills

Annie Fox has written a book that gives 8-12-year-old girls the tools and confidence to handle any friendship challenge with courage, empathy and respect. Because that's the kind of girl the world needs more of! A landmark book that reveals the way boys think and that shows parents, educators and coaches how to reach out and help boys overcome their most common and difficult challenges -- by the bestselling author who changed our conception of adolescent girls. Do you constantly

struggle to pull information from your son, student, or athlete, only to encounter mumbling or evasive assurances such as "It's nothing" or "I'm good?" Do you sense that the boy you care about is being bullied, but that he'll do anything to avoid your "help?" Have you repeatedly reminded him that schoolwork and chores come before video games only to spy him reaching for the controller as soon as you leave the room? Have you watched with frustration as your boy flounders with girls? Welcome to Boy World. It's a place where asking for help or showing emotional pain often feels impossible. Where sports and video games can mean everything, but working hard in school frequently earns ridicule from "the guys" even as they ask to copy assignments. Where "masterminds" dominate and friends ruthlessly insult each other but can never object when someone steps over the line. Where hiding problems from adults is the ironclad rule because their involvement only makes situations worse. Boy world is governed by social hierarchies and a powerful set of unwritten rules that have huge implications for your boy's relationships, his interactions with you, and the man he'll become. If you want what's best for him, you need to know what these rules are and how to work with them effectively. What you'll find in *Masterminds and Wingmen* is critically important for every parent - or anyone who cares about boys - to know. Collaborating with a large team of middle- and high-school-age editors, Rosalind Wiseman has created an unprecedented guide to the life your boy is actually experiencing - his on-the-ground reality. Not only does Wiseman challenge you to examine your assumptions, she offers innovative coping strategies aimed at helping your boy develop a positive, authentic, and strong sense of self. An NPR Best Book of 2022 One of The Millions' Most Anticipated Books of 2022 A CrimeReads Most Anticipated Crime Fiction of 2022 Selection "Ingenious....a superb literary suspense novel that calls to mind an earlier such debut, Donna Tartt's *The Secret History*." -Maureen Corrigan, Washington Post A contemporary reimagining of the Daphne and Apollo myth, *The Latinist* is a page-turning exploration of power, ambition, and the intertwining of love and obsession. Tessa Templeton has thrived at Oxford University under the tutelage and praise of esteemed classics professor Christopher Eccles. And now, his support is the one thing she can rely on: her job search has yielded nothing, and her devotion to her work has just cost her her boyfriend, Ben. Yet shortly before her thesis defense, Tessa

learns that Chris has sabotaged her career—and realizes their relationship is not at all what she believed. Driven by what he mistakes as love for Tessa, Chris has ensured that no other institution will offer her a position, keeping her at Oxford with him. His tactics grow more invasive as he determines to prove he has her best interests at heart. Meanwhile, Tessa scrambles to undo the damage—and in the process makes a startling discovery about an obscure second-century Latin poet that could launch her into academic stardom, finally freeing her from Chris's influence. A contemporary reimagining of the Daphne and Apollo myth, *The Latinist* is a page-turning exploration of power, ambition, and the intertwining of love and obsession. The beloved bestseller from Newbery Medalist and National Book Award winner Louis Sachar (*Holes*), with a brand-new cover! "Give me a dollar or I'll spit on you." That's Bradley Chalkers for you. He's the oldest kid in the fifth grade. He tells enormous lies. He picks fights with girls, and the teachers say he has serious behavior problems. No one likes him—except Carla, the new school counselor. She thinks Bradley is sensitive and generous, and she even enjoys his far-fetched stories. Carla knows that Bradley could change, if only he weren't afraid to try. But when you feel like the most hated kid in the whole school, believing in yourself can be the hardest thing in the world. . . . Now in paperback comes the intoxicating debut novel of "one motherless daughter's discovery of . . . the strange and wondrous places we find love" (*The Washington Post*). Sue Monk Kidd's ravishing work is set in South Carolina in 1964. Celebrate Tina Fey's *Mean Girls* with this illustrated adaptation of the cult classic script, retold in Shakespearean verse by the best-selling author of William Shakespeare's *Star Wars*. On Wednesdays we array ourselves in pink! *Mean Girls* gets an Elizabethan makeover in this totally fetch comedy of manners about North Shore High's queen bees, wannabes, misfits, and nerds. Written in the style of the Bard of Avon, William Shakespeare's *Much Ado About Mean Girls* tells the story of Cady Heron's rise from home-schooled jungle freak to one of the most popular girls in school. Every scene and line of dialogue from the iconic script is reimagined in authentic Shakespearean rhyme, meter and stage directions, complete with dramatic asides from Janis, Damian, Gretchen, and Karen. By the end, you'll be surprised that Shakespeare didn't pen this classic story of rivalries, betrayal, jealousy, obsession, and fastidious rule-making about when one can and

cannot wear sweatpants. *NEW YORK TIMES BESTSELLER* • The parenting classic that inspired *Mean Girls*, now fully revised and updated with new material on gender expression, cancel culture, social media, and bullying based on feedback from today's teenagers More than twenty years ago, *Queen Bees and Wannabes* let parents inside the secret world of their adolescent daughters' female relationships, giving us a new vocabulary for these fickle social dynamics as well as invaluable strategies for helping our daughters navigate them. Since then, nationally recognized thought leader and speaker Rosalind Wiseman has interviewed and listened to thousands of girls talk about the powerful role cliques play in shaping what they wear and say, how they respond to boys, and how they feel about themselves. This fully revised and greatly updated edition of this parenting classic now reflects the pressures unique to today's girls—including the role that social media and gender as a spectrum play in adolescent life. With input and stories from dozens of girls experiencing these dynamics today, Wiseman takes readers into "Girl World" to analyze teasing, gossip, and reputations; beauty and fashion; alcohol and drugs; boys and sex; and more, plus how cliques play a role in every situation. Full of sample scripts, strategies, and pointed advice, this book will equip adults with all the tools needed to build the right foundation to help a young woman make smarter choices and empower her during this baffling, tumultuous time of life. Almost every woman has experienced bullying. Whether her role was that of victim, aggressor, or bystander, the pain of relational aggression (female bullying) lasts long after the incident has passed. In *Mean Girls Grown Up*, Cheryl Dellasega explores why women are often their own worst enemies, offering practical advice for a variety of situations. Drawing upon extensive research and interviews, she shares real-life stories from women as well as the knowledge of experts who have helped women overcome the negative effects of aggression. Readers will hear how adult women can be just as vicious as their younger counterparts, learn strategies for dealing with adult bullies, how to avoid being involved in relational aggression, and more. Dellasega outlines how women can change their behavior successfully by shifting away from aggression and embracing a spirit of cooperation in interactions with others. After getting her special powers under control over the summer in order to be just one of the crowd at her new middle school, Haley gets the

surprise of her life when another student with very similar powers, Alexa Harmon, makes her presence known by using her powers to embarrass and humiliate all her new classmates, especially Haley! Tween. The first installment in the Ava and Pip series, perfect for aspiring writers and anyone that loves palindromes and word play. Ava and Pip is a funny and heartfelt story of Ava, an outgoing girl who wants to help her sister come out of her shell, and become a writer when she grows up. "A love letter to language."—The New York Times Meet outgoing Ava Wren, a fun fifth grader who tries not to lose patience with her shy big sister. She can't understand why Pip is so reserved and never seems to make friends with others, and decides to use her writing talents to help her sister overcome her shyness. She writes a short story based on the girl that ruined her sister's birthday party ... but it doesn't quite go over like she wanted it to. Can Ava and her new friend help Pip come out of her shell? And can Ava get out of the mess she has made, and really be a real writer like she always dreamed? Great for parents, educators and librarians looking for: A heartwarming read that has messages of sisterhood, identity, and friendship Funny books for girls ages 9 to 12 A story that incorporates word play (especially palindromes!) A story with a character wants to be a writer, perfect for aspiring young authors
