The Healthy Compulsive Gary Trosclair, 2020-02-08 Gary Trosclair explores the power of the driven personality and the positive outcomes those with obsessive compulsive personality disorder can achieve through a mindful program of harnessing the skills that can work and altering those that serve no one If you were born with a compulsive personality you may become rigid controlling and self righteous But you also may become productive energetic and conscientious Same disposition but very different ways of expressing it What determines the difference Some of the most successful and happy people in the world are compelled by powerful inner urges that are almost impossible to resist They re compulsive They re driven But some people with a driven personality feel compelled by shame or insecurity to use their compulsive energy to prove their worth and they lose control of the wheel of their own life They become inflexible and critical perfectionists who need to wield control and they lose the point of everything they do in the process A healthy compulsive is one whose energy and talents for achievement are used consciously in the service of passion love and purpose An unhealthy compulsive is one whose energy and talents for achievement have been hijacked by fear and its henchman anger Both are driven one by meaning the other by dread The Healthy Compulsive Healing Obsessive Compulsive Personality Disorder and Taking the Wheel of the Driven Personality will serve as the ultimate user s guide for those with a driven personality including those who have slid into obsessive compulsive personality disorder OCPD Unlike OCD which results in specific symptoms such as repetitive hand washing and intrusive thoughts OCPD permeates the entire personality and dramatically affects relationships It also requires a different approach to healing Both scientifically informed and practical The Healthy Compulsive describes how compulsives get off track and outlines a four step program to help them consciously cultivate the talents and passions that are the truly compelling sources of the driven personality Drawing from his 25 years of clinical experience as a psychotherapist and Jungian psychoanalyst and his own personal experience as someone with a driven personality Trosclair offers understanding inspiring stories of change and hope to compulsives and their partners about how to move to the healthy end of the compulsive spectrum

[Economics: The User's Guide](#) Ha-Joon Chang, 2015-10-20 From the internationally bestselling author and prizewinning economist a highly original guide to the global economy In his bestselling 23 Things They Don t Tell You About Capitalism Cambridge economist Ha Joon Chang brilliantly debunked many of the predominant myths of neoclassical economics Now in an entertaining and accessible primer he explains how the global economy actually works in real world terms Writing with irreverent wit a deep knowledge of history and a disregard for conventional economic pieties Chang offers insights that will never be found in the textbooks Unlike many economists who present only one view of their discipline Chang introduces a wide range of economic theories from classical to Keynesian revealing how each has its strengths and weaknesses and why there is no one way to explain economic behavior Instead by ignoring the received wisdom and exposing the myriad forces that shape our financial world Chang gives us the tools we

need to understand our increasingly global and interconnected world often driven by economics From the future of the Euro inequality in China or the condition of the American manufacturing industry here in the United States Economics The User s Guide is a concise and expertly crafted guide to economic fundamentals that offers a clear and accurate picture of the global economy and how and why it affects our daily lives
