**Up there on the hill** Gustav Mahler,1920      **Unmistakable** Srinivas Rao,2016 Stop trying to beat everyone else True success is playing by your own rules creating work that no one can replicate Don't be the best be the only You're on the conventional path checking off accomplishments You might be doing okay by normal standards but you still feel restless bored and limited Srinivas Rao gets it As a new business school graduate Srinivas's dreams were crushed by a soulless job that demanded only conformity Sick of struggling to keep his head above water Srinivas quit his job and took to the waves pursuing his dream of learning to surf He also found the freedom to chart his own course Interviewing more than five hundred creative people on his Unmistakable Creative podcast was the ultimate education He heard how guests including Seth Godin Elle Luna Tim Ferriss Simon Sinek and Danielle LaPorte blazed their own trails Srinivas blends his own story with theirs to tell you You can find that courage too Don't be just one among many be the only Be unmistakable Trying to be the best will chain you to others definition of success Unmistakable work on the other hand could only have been created by one person so competition is irrelevant Like Banksy's art or Tim Burton's films unmistakable work needs no signature and has no precedent Whether you're a business owner an artist or just someone who wants to leave your mark on the world Unmistakable will inspire you to create your own path and define your own success
