Braving the Wilderness Brené Brown, 2019-08-27 1 NEW YORK TIMES BESTSELLER REESE S BOOK CLUB PICK A timely and important book that challenges everything we think we know about cultivating true belonging in our communities organizations and culture from the 1 bestselling author of *Rising Strong* *Daring Greatly* and *The Gifts of Imperfection* Don't miss the five part Max docuseries Brené Brown Atlas of the Heart True belonging doesn't require us to change who we are It requires us to be who we are Social scientist Brené Brown PhD MSW has sparked a global conversation about the experiences that bring meaning to our lives experiences of courage vulnerability love belonging shame and empathy In *Braving the Wilderness* Brown redefines what it means to truly belong in an age of increased polarization With her trademark mix of research storytelling and honesty Brown will again change the cultural conversation while mapping a clear path to true belonging Brown argues that we're experiencing a spiritual crisis of disconnection and introduces four practices of true belonging that challenge everything we believe about ourselves and each other She writes True belonging requires us to believe in and belong to ourselves so fully that we can find sacredness both in being a part of something and in standing alone when necessary But in a culture that's rife with perfectionism and pleasing and with the erosion of civility it's easy to stay quiet hide in our ideological bunkers or fit in rather than show up as our true selves and brave the wilderness of uncertainty and criticism But true belonging is not something we negotiate or accomplish with others it's a daily practice that demands integrity and authenticity It's a personal commitment that we carry in our hearts Brown offers us the clarity and courage we need to find our way back to ourselves and to each other And that path cuts right through the wilderness Brown writes The wilderness is an untamed unpredictable place of solitude and searching It is a place as dangerous as it is breathtaking a place as sought after as it is feared But it turns out to be the place of true belonging and it's the bravest and most sacred place you will ever stand **Boundary Boss** Terri Cole, MSW, LCSW, 2021-04-20 Break Free From Over
