Part of the slide-and-see series, introduce budding scientists to a fun STEM topic -- poop! This interactive board book features riddles about the different poops of the animal kingdom, and images that transform as you turn the page to reveal the answer. Includes fact-packed educational notes about poop and what we can learn from it. A satisfyingly silly picture book sing-along about pooping—a topic kids find hilarious and parents find necessary! Discover how cats, pelicans, space aliens, and even dinosaurs poop in this rollicking, rhyming verse that's sure to elicit giggles. With plenty of hilarious pictures and a catchy chorus that encourages young children to use the toilet, this laugh-out-loud story is the go-to potty training book that every family needs. • A playful approach to potty training • Full of humor that is silly, not disgusting • From the bestselling author of Pete the Cat: I Love my White Shoes Everybody's pooping all day long. That's why we sing the pooping song! A former elementary school teacher, Eric Litwin's books interweave traditional reading methods with music and

movement to make learning fun and effective. • Children's books for kids ages 2-4 • Perfect for families potty training • Great for fans of silly picture books "The Poop Book is a work of fart." - The Wallsheet Journal You're either stepping in it, dealing with it, or going through it. Now it's time to read about it. As a #2 NYT Bestselling book, it won't be a waste of your time. Children's book discussing what a well-functioning digestive tract behaves like and details what its end product, poop, should be like. It educates on dietary choices that influence a healthy GI tract, in turn helping to create a healthy body and "normal" poop. Also, highlighted in the book is the product, Squatty Potty due to its unique ability to aide and assist the pooping process naturally. This book is about shit. Not the shit you have in your closet or those lying around the house or the shit in your car, but it is about shit. The stuff that comes out of your body when you have to go to the bathroom. Not the stuff that comes out the front side, but the stuff that comes out of your butt. It doesnt matter how poor you are, how rich you are, how ugly you are, or how beautiful you are. It doesnt matter if you are skinny or overweight. And no matter what you may think, your shit does stink sometimes. This book is for all of you who have ever admired your dirty deed. For those of you whose brother made you run to the bathroom because you thought someone had died, only to see the longest turd ever in the stool. A satisfyingly silly picture book sing-along about pooping—a topic kids find hilarious and parents find necessary! Discover how cats, pelicans, space aliens, and even dinosaurs poop in this rollicking, rhyming verse that's sure to elicit giggles. With plenty of hilarious pictures and a catchy chorus that encourages young children to use the toilet, this laugh-out-loud story is the go-to potty training book that every family needs. • A playful approach to potty training • Full of humor that is silly, not disgusting • From the bestselling author of Pete the Cat: I Love my

White Shoes Everybody's pooping all day long. That's why we sing the pooping song! A former elementary school teacher, Eric Litwin's books interweave traditional reading methods with music and movement to make learning fun and effective. • Children's books for kids ages 2-4 • Perfect for families potty training • Great for fans of silly picture books They come into our homes. They see us in our most fragile moments. Plumbers are a fixture in our lives. When a toilet clogs, a faucet leaks, or a sewer line plugs, we call those unsung heroes, desperately seeking help. They scoop out our poop and pull underwear, toothbrushes and cotton balls out of our toilets, doing whatever it takes to get the job done. On a late Wednesday evening, after my toilet clogged, I asked our plumber to share his top five "greatest hits." The stories were so hilarious, I had to share them with the world. The Poop Diaries features true stories told by my plumber, and many other plumbers, about the most memorable service jobs they have worked on and most unique people they have helped. Whether it's nudity, rats, fake vaginas, dildos, snakes, weapons and so much more, these plumbers have seen and smelled it all. "With universal appeal (everyone poops, after all), this witty, illustrated description of over two dozen dookies (each with a medical explanation written by a doctor) details what one can learn about health and well-being by studying what's in the bowl. A floater? It's probably due to a buildup of gas. Now think back on last night's dinner, a burrito perhaps? . . .All the greatest hits are here: The Log Jam, The Glass Shard, The Deja Poo, The Hanging Chad ... the list goes on. Sidebars, trivia, over 60 euphemisms for number 2, and unusual case histories all make this the ultimate bathroom reader. Who knew you could learn so much from your poo?"--Publisher website (October 2007) Potty training becomes a funny, interactive game of discovery in this rhyming pull-the-tab book. Kids will laugh out loud as they make each animal's poop appear by sliding the tab — and learn where they should go! The Great Big Poop Party is writer Samantha Berger and illustrator Manny Galán's hilarious picture book about a little boy who wants a special theme for his birthday party—and the poop-centric silliness that ensues. Julian's birthday is fast approaching. For his party, his

parents promise he can have any theme he wants. Maybe superheroes or skateboards? Dinosaurs or dogs? But Julian has another idea. He wants a poop party. With his family's help, Julian throws the biggest, brownest, most creative poop party ever! Presents encouragement for children reluctant to use the potty in the form of a talking poop wishing to be set free from his confinement in diapers so that he can join his poop friends in the sewer. Everything I Know About Poop gives parents an innovative and fun way to help their toddlers achieve toilet-training success, especially the stubborn ones. It uses a hilarious story and charming drawings to engage kids and help them understand, verbalize and accept that people need to poop, animals need to poop, we all need to poop! Poop is a normal kid, with normal problems— you know, parents, homework, bullies. He used to have a normal name, too. But then he moved to a new school, and everything went down the toilet. That's the bad news. The good news: Turns out some names are special. Some names come with powers. Turns out those bullies really stepped in it. SOMETIMES BEING A KID CAN REALLY STINK. Will Poupé becomes the new target of bullies at his middle school. All day long, they call him Poop. However, when Icky the Janitor reveals himself to be a wizard in disguise, Will learns that there are Names of Power - if you are given one of these names, you gain certain abilities. Poop is one of those names. He now has powers that he could use to get back at the bullies! But power - even poop power - is exactly what can turn someone into a bully. With some help from his friends, Will must find a way to use his fantastic farting magic for good. An original graphic novel. In the vein of Please Don't Eat Me and We Don't Eat Our Classmates, I Eat Poop. by Mark Pett is a heartwarming and hilarious picture book about friendship, fitting in, and accepting each other's differences. Dougie has a secret: he's not a ground beetle. He's a dung beetle, and he loves eating poop. Dougie knows he should be proud. Dung beetles help process waste and do other extraordinary things! But Dougie also knows that if anyone at school saw his lunch, he'd be an outcast. One day, the lunchroom bugs out over a classmate eating poop, and Dougie must make a choice. Can he

stand up for his friend—and for his true self? *I Eat Poop*. is packed with important social emotional learning themes and is great for classroom or at home discussion. Read *I Eat Poop*. for conversations about: - Bullying and being kind - Standing up for your friends and speaking up for your beliefs - Being proud of your culture and heritage - Embracing diversity and accepting and celebrating differences The book also includes incredible, STEM-related facts about bugs. Celebrate all things sparkly, including unicorn poop, with this rainbow-filled, humorous story! Did you know that when a unicorn poops, rainbows arch across the sky? And when they toot, shiny bubbles float all around! What happens when a unicorn sneezes or spits or cries? More magical whimsy occurs when unicorns do all these things, of course. Just don't step in their poop-eww! Complete with stunning, bright, and magical full-color illustrations, *When Unicorns Poop* is sure to delight kids as well as be the perfect gift for any unicorn-crazed adult. A little book with a big message..... when life hits us with a splat Someday a bird will poop on all of us. But that's okay. In a world of bad news, fake news, delays, disappointments, trash talk, and tweets, things are bound to get a little poopy. What matters is not how big the mess is--but how well you react to it. Someday a Bird Will Poop on You is a modern parable about life hitting us with something unexpected--and the perfect gift for anyone leaving home without an umbrella. *Softy the Poop* explains about the normal characteristics of poop, and encourages children to use the bathroom regularly to avoid becoming constipated. Follow scientist Heather L. Montgomery into science labs, forests, hospitals, and landfills, as she asks: Who uses poo? Poop is disgusting, but it's also packed with potential. One scientist spent months training a dog to track dung to better understand elephant birthing patterns. Another discovered that mastodon poop years ago is the reason we enjoy pumpkin pie today. And every week, some folks deliver their own poop to medical facilities, where it is swirled, separated, and shipped off to a hospital to be transplanted into another human. There's even a train full of human poop sludge that's stuck without a home in Alabama! This irreverent and engaging narrative

nonfiction book shows that poop isn't just waste--and that dealing with it responsibly is our duty. This book is about shit. Not the shit you have in your closet or those lying around the house or the shit in your car, but it is about shit. The stuff that comes out of your body when you have to go to the bathroom. Not the stuff that comes out the front side but the stuff that comes out of your butt. It doesn't matter how poor you are, how rich you are, how ugly you are, or how beautiful you are. It doesn't matter if you are skinny or overweight. And no matter what you may think, your shit does stink sometimes. This book is for all of you who have ever admired your dirty deed. For those of you whose brother made you run to the bathroom because you thought someone had died only to see the longest turd ever in the stool. How is yak dung turned into fuel for cooking in Tibet? Can manure from dairy farms really be used to produce electricity? And could your car one day be powered by your own family's poop? With plenty of poop being produced every day, many people around the world are using this unwanted material as fuel to create energy. This new *Science Slam!* title will engross readers—and gross them out! Filled with information perfectly suited to the abilities and interests of an early elementary audience, this colorful, fact-filled book gives readers a chance not only to learn, but also to develop their powers of observation and critical thinking. With fascinating photographs and surprising, high-interest facts about a material that we don't usually read about, the book makes learning about excrement poop-sitively amazing! Potty time fun! Elephant poops on the grass. Fish poops in the water. Snake poops on the sand. Where do you poop? You poop here! In a potty, of course! Fun pictures of animals--an ant, an alligator, a bat, and more--make this a perfect potty training book--and more! It's especially appropriate for inquisitive, science-minded toddlers and preschoolers who are curious about how their bodies work. With an author's note about "What is poop?" and fun facts about the animals featured in this book. Potty training book for toddlers ages 1-3 Why do rabbits and guinea pigs feed on their own droppings? How is munching on hyena dung helpful to an African leopard tortoise? And why might you spot

scientists carrying buckets of fox poop and dirty diapers into the woods? To humans, eating poop sounds disgusting, but many members of the animal kingdom regularly chow down on poop! This new Science Slam! title will engross readers—and gross them out! Filled with information perfectly suited to the abilities and interests of an early elementary audience, this colorful, fact-filled book gives readers a chance not only to learn, but also to develop their powers of observation and critical thinking. With fascinating photographs and surprising, high-interest facts about a material that we don't usually read about, the book makes learning about excrement poop-sitively amazing! Gramma Debbie is Deb Callery, a freelance poet who specializes in writing children's books with a message. She decided to write a book that toddlers would find fun while helping their mothers give basic value. The inspiration for this book came from her grandson, Tobey. His determination to poop in a diaper became a funny story. You are certain to enjoy reading *The Poop Book* as much as Gramma Debbie loved writing it. A seriously ridiculous book about text-messaging and pooping This book is the documenting of all my life stories in the bathroom and anywhere related to bathroom behavior. I, like many humans, have many experiences and stories and have enjoyed sharing them in the book. The observations are from many years and many places I have had the opportunity to visit as I've traveled throughout the US and other countries. We don't plan the memorable events that happen in the bathroom, but they happen to all of us without exception. The difference is the people who can find the humor in the event and are willing to share. Find out what happens to all of the poo at the zoo in this funny and factual picture book! There are so many different kinds of animals at the zoo, and they each make lots and lots (and sometimes LOTS!) of poo. So what do zoos do with all of that poo? This zany, fact-filled romp explores zoo poo, from cube-shaped wombat poo to white hyena scat, and all of the places it ends up, including in science labs and elephant-poo paper—even backyard gardens! Dr. Poo tackles such subjects as "Portrait of a Perfect Poop", "Curing Constipation" and "In Search of the Perfect Fiber Supplement". What's in poop is

frequently on the no-no list to talk about, especially with younger children, just the opposite of what you will learn in this book. Admittedly, "So, how is your poop..." is probably never going to become a favorite topic of dinner conversation. Yet, after you read this book you will not only be able to poo easier and healthier, you will naturally feel good about one of your body's most important daily productions. From potty-training expert and social worker Jamie Glowacki, who's already helped over half a million families successfully toilet train their preschoolers, comes a newly revised and updated guide that's "straight-up, parent-tested, and funny to boot" (Amber Dusick, author of *Parenting: Illustrated with Crappy Pictures*). Worried about potty training? Let Jamie Glowacki, potty-training expert, show you how it's done. Her six-step, proven process to get your toddler out of diapers and onto the toilet has already worked for tens of thousands of kids and their parents. Here's the good news: your child is probably ready to be potty trained EARLIER than you think (ideally, between 20–30 months), and it can be done FASTER than you expect (most kids get the basics in a few days—but Jamie's got you covered even if it takes a little longer). If you've ever said to yourself: -How do I know if my kid is ready? -Why won't my child poop in the potty? -How do I avoid "potty power struggles"? -How can I get their daycare provider on board? -My kid was doing so well—why is he regressing? -And what about nighttime?! Oh Crap! Potty Training can solve all of these (and other) common issues. This isn't theory, you're not bribing with candy, and there are no gimmicks. This is real-world, from-the-trenches potty training information—all the questions and all the answers you need to do it once and be done with diapers for good. iParenting Media Award Winner Ryan is scared to use the potty. He is afraid to have a poop, because he's afraid it's going to hurt. He does NOT want to go. This story, along with Ryan's "poop program," will help young children gain the confidence they need to overcome this common problem and establish healthy habits. Includes a Note to Parents by the author, From the Note to Parents: The book includes a "poop program" that I use with children between the ages of 3 and 6. While the program is ostensibly

for the main character, my hope is that your child will want to follow these steps as well. How you approach the program will vary somewhat depending on your child's age. Most 3- to 4-year-olds do not need to do the program in a formal way. Instead, you can incorporate parts of the program into your daily routine—make the needed dietary changes, reward successful pooping with stickers, and consider reviewing how poops come out of the body. Most 5- to 6-year-olds are interested in doing the full program, though it is still important to be flexible. For example, if a 5-year-old does not want to do Potty Practice, I would adjust things accordingly. Presents fascinating, unusual, and gross facts about excrement. The beloved, bestselling potty-training classic, now re-released for a new generation! An elephant makes a big poop. A mouse makes a tiny poop. Everyone eats, so of course: everyone poops! Taro Gomi's classic, go-to picture book for straight-talk on all things "number 2" is back, as fresh and funny as ever. • Both a matter-of-fact, educational guide and a hilarious romp through poop territory • Filled with timeless OMG moments for both kids and adults • Colorful and content-rich picture book The concept of going to the bathroom is made concrete through this illustrated narrative that is both verbally and visually engaging. Everyone Poops is just right for potty-training and everyday reading with smart, curious readers. • Perfect for children ages 0 to 3 years old • Equal parts educational and entertaining, this makes a great book for parents and grandparents who are potty-training their toddler. • You'll love this book if you love books like P is for Potty! (Sesame Street) by Naomi Kleinberg, Potty by Leslie Patricelli, The Potty Train by David Hochman and Ruth Kennison. The scoop on animal poop! Animals poop, that's a given. But what does this natural output say about what's going on inside an animal? Ask Sarah Putnam, the "Poop Sleuth" at Smithsonian's National Zoo. Sarah and the other scientists and assistants in her lab study animal scat—what it looks like, smells like, is made of—to learn about the health and well-being of the animals under their care and to help with the conversation of endangered animals in the wild. Get the scoop on lady poop with this surprising and hilarious combination of feminism and fecal

facts, a perfect bathroom book for any feminist. Everybody poops, and that means every body. Women are no strangers to time on the can, but for centuries women have been pressured to avoid mention, reference, and especially smell. It's time to reclaim our right to let some sh*t go! - Did you know that women's colons are TEN CENTIMETERS longer than men's? - Did you know that your toilet is TOO TALL, built for the invented height of the average male? - Did you know that your period actually makes you poop MORE? Women Don't Poop and Other Lies offers a humorous look at the history and trivia around this most basic bodily function. From the pioneer days when women had to create pop-up port-a-Johns with their skirts to modern-day workday bathroom anxiety, this giftable book is packed full of surprisingly adorable and informative color illustrations and poop pub trivia. Nevertheless, we poop! Everybody poops, and every child has weird, wild, and hilarious adventures with poop. Join Timmy and his family in one of the funniest stories as they encounter ridiculous, disgusting, epic turds that just will not move! This is the perfect children's book to combat the crushing news we receive every day. We don't need a teaching book right now. What we need is the sound of laughter, and smiles all around. This is the bedtime story that will put a smile on your child's face every night! The Kids Book of Poop: A Funny Read Aloud Picture Book For Kids Of All Ages About Poop and Pooping When it comes to poop, Professor Poopy McDooDoo knows it all. Now young readers can too! Loads of stinky details about poop and pooping are in the pages of this book. With The Kids Book of Poop, kids everywhere can get a quick education on a very important and funny topic . . . POOP! This book is appropriate for all ages who don't mind a little bathroom humor. With engaging, sly illustrations, laugh-out-loud text, and even a special kid-friendly poop joke, get ready for loads of laughs and giggles with every page of this hilarious book. Kids will want to read this fun, silly book over and over again! This book is available in paperback and Kindle formats. Add it to your shopping cart now and your child will be having fun reading about one very funny topic . . . poop! Every runner knows how important it is to prevent an unfortunate bathroom accident midrun. This

book can show you how. For any runner who wants a quick, easy reference guide to every running issue under the sun, look no further. With tips on training, nutrition, gear, motivation, health, and racing, Runner's World How to Make Yourself Poop is essential reading for runners who want to improve their performance. From "The Best Way to Tie Your Shoes" to "9 Tactics for Busting Out of a Running Rut" and everything in between, these short, easy-to-use tips from reliable experts are the perfect gift for any runner in your life. Read Along or Enhanced eBook: Poop! Ewwww! No, don't say "Ewwww." Ask, "Whose poop is that?" This simple, and yes, charming book asks this question about seven examples of animal poop. By investigating visual clues, young readers can learn to identify the animal through its droppings. For instance, find a sample of poop with bits of bone and tufts of hair. Turn the page to learn it came from a fox! Kelsey Oseid's illustrations are both accurate and beautiful. Backmatter includes further information about the poop and what scientists can learn from an animal's droppings. From the Hardcover edition. Who poops? Everyone poops! Where do we poop? On the potty! Sly, funny illustrations teach kids how every creature, big and small, poops--even grown-ups! Kids learn about how pets, animals in the wild, and animals underwater, poop. Whimsical illustrations raise the question of how unicorns, dragons, and aliens poop, too! Each page emphasizes that wherever animals may poop, humans poop on the potty. Have more fun with the downloadable app, including games and facts! - Available for iPhone and Android, smartphone and tablet. The perfect book to make parents and kids laugh during potty training!
