The David Story: A Translation with Commentary of 1 and 2 Samuel Robert Alter, 2009-10-21 A masterpiece of contemporary Bible translation and commentary Los Angeles Times Book Review Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary The David Story is a fresh vivid rendition of one of the great works in Western literature Robert Alter's brilliant translation gives us David the beautiful musical hero who slays Goliath and through his struggles with Saul advances to the kingship of Israel But this David is also fully human an ambitious calculating man who navigates his life's course with a flawed moral vision The consequences for him his family and his nation are tragic and bloody Historical personage and full blooded imagining David is the creation of a literary artist comparable to the Shakespeare of the history plays *The Daily Bible® - In Chronological Order (NIV®)* F. LaGard Smith, 2013-12-30 Unlike Any Other Bible You Have Read Reading through the Bible can be a challenge as you try to navigate the traditional arrangement of its 66 books The Daily Bible makes it simple by organizing the whole of Scripture in chronological order as well as presenting Proverbs topically and the Psalms by themes This beloved presentation of the New International Version NIV includes introductory narration that sets the scene for each passage and provides rich spiritual insights As you journey through the 365 daily readings you will grasp the historical context and unfolding story of Scripture more clearly accomplish your goal of reading through the entire Bible in a year find your relationship with God strengthened and nourished as never before The Daily Bible is designed to be read from cover to cover and understood The Biblical Life of King David Freddie L. Butler, 2021-11-19 The Biblical Life of King David is the story of the greatest king Israel has ever known It is titled as such because the only source used for this story is your Bible Bible scriptures have been interwoven into the story to encourage group Bible study However the narrative reads like a novel King David had a humble beginning as a shepherd boy Yet God testified regarding the heart of David as having a heart like God Acts 13:22 When reading this story you will become very aware of why God testified this way about David Just to clue you in on three possible reasons King David was quick to repent when he knew he had made a mistake Though King David was accused of having blood on his hands he never killed a person off the battlefield King David's judgments as king were righteous before God I pray that you enjoy reading The Biblical Life of King David as much as I enjoyed the study and writing of this story King David Jonathan Kirsch, 2009-07-22 David King of the Jews possessed every flaw and failing a mortal is capable of yet men and women adored him and God showered him with many more blessings than he did Abraham or Moses His sexual appetite and prowess were matched only by his violence both on the battlefield and in the bedroom A charismatic leader exalted as a man after God's own heart he was also capable of deep cunning deceit and betrayal Now in King David The Real Life of the Man Who Ruled Israel bestselling author Jonathan Kirsch reveals this commanding individual in all his glory and fallibility In a taut dramatic narrative Kirsch brings

new depth and psychological complexity to the familiar events of David's life: his slaying of the giant Goliath and his swift challenge to the weak rule of Saul, the first Jewish king; his tragic relationship with Saul's son Jonathan, David's cherished friend and possibly lover; his celebrated reign in Jerusalem where his dynasty would hold sway for generations. Yet for all his greatness, David was also a man in thrall to his passions: a voracious lover who secured the favors of his beautiful mistress Bathsheba by secretly arranging the death of her innocent husband; a merciless warrior who triumphed through cruelty at a troubled father who failed to protect his daughter from rape and whose beloved son Absalom rose against him in armed insurrection. Weaving together biblical texts with centuries of interpretation and commentary, Jonathan Kirsch brings King David to life in these pages with extraordinary freshness, intimacy, and vividness of detail. At the center of this inspiring narrative stands a hero of flesh and blood, not the cartoon giant slayer of sermons and Sunday school stories or the immaculate ruler of legend and art, but a magnetic, disturbingly familiar man, as vibrant and compelling today as he has been for millennia.

His Story Stuart Hacking,2014-08-18 We all love stories whether printed passed down orally from generation to generation or made into films We love stories whether they are fictional true mythical or legendary Stories are part of our human history and they help us understand being human But there is one story that underpins all other stories the story of why we exist All great human stories must interact with this story His Story explores this fundamental story by retelling the story of the Bible His Story tells the Biblical story of how God has opened up a doorway into our universe and how this impacts the metanarrative of all of our lives If you want to read the overarching story of the Bible in one short book then His Story is for you If you want to know the backstory of your life His Story is for you His Story is simply written but doesn't oversimplify It is a book for people who might call themselves Christians but also for all those who are curious about the ultimate story His Story the story of why we are here **Hebrew History** Henry Cowles,2023-11-20 Reprint of the original first published in 1875 Thru the Bible Vol. 13: History of Israel (1 and 2 Kings) J. Vernon McGee,1997-04-21 Radio messages from J Vernon McGee delighted and enthralled listeners for years with simple straightforward language and clear understanding of the Scripture Now enjoy his personable yet scholarly style in a 60 volume set of commentaries that takes you from Genesis to Revelation with new understanding and insight Each volume includes introductory sections detailed outlines and a thorough paragraph by paragraph discussion of the text A great choice for pastors and even better choice for the average Bible reader and student Very affordable in a size that can go anywhere it's available as a complete 60 volume series in Old Testament or New Testament sets or individually *Practicing Midrash* F. Timothy Moore,2018-07-24 Have you ever been puzzled by contradictions in the Bible Or wondered why there are four Gospels three sets of Ten Commandments or two creation stories at the beginning of Genesis Beginning with the first pages of Genesis the Bible tells most of its stories through multiple versions which contain both similarities and disagreements The inherent arguments in Scripture did not seem to bother the Jewish faith A practice called midrash developed in Judaism sometime before the days of Jesus Rabbis and scholars sparred over opposing passages developed theological arguments and filled gaps in biblical stories with their own understandings This book will use the threefold prayer of St John of the Cross to allow the divergent voices in Scripture to speak and practice midrash with each other enabling the reader to join the conversation The contradictions and arguments have a divine purpose Not only did they prompt the Bible's evolution over hundreds of years but have enabled it to remain a living word for thousands of years This pluralism in the Bible is good news for the faithful living in a multi cultural pluralistic age *The Kingdom of All-Israel. Its History, Literature, and Worship* James Sime,2024-02-28 Reprint of the original first published in 1883 *NLT, New Spirit-Filled Life Bible* Thomas Nelson,2013-06-18 Find the Holy Spirit throughout the Bible Dr Jack Hayford founding pastor of The Church on the Way has led a team of anointed leaders to produce the New Spirit Filled Life Bible This outstanding resource offers a fresh look at the Scriptures and the work of the Holy Spirit This Bible addresses important issues of Spirit filled living in the context of solid biblical scholarship Features

An Illustrated History of the Holy Bible John Kitto,1872 **Kingship and Memory in Ancient Judah** Ian Douglas Wilson,2017 Kingship and Memory in Ancient Judah investigates kingship in Judean discourse particularly in the early Second Temple era In doing so it contributes to our knowledge of literature and literary culture in ancient Judah and also makes a significant contribution to questions of history and historiographical method in biblical studies *The Scripture Chronology Demonstrated by Astronomical Calculations* Arthur Bedford,1730 **1 & 2 Samuel** David H. Jensen,2015-08-24 The episodes in 1 and 2 Samuel are striking in their depiction of human characters priests soldiers kings prophets and royal advisers but also significant in how they narrate the central character of this history the God of Israel History in these books is not simply an accounting of royal intrigue military battles and socio economic struggle but the stage upon which God reveals God s very self First and Second Samuel relay some of the most memorable vignettes in all Scripture the call of Samuel David s battle with Goliath and David s seizure of Bathsheeba as his wife and discover in them the hand of God from the introduction First and Second Samuel describe the beginnings of monarchy in ancient Israel and introduce us to intriguing characters Samuel prophet priest and judge Saul the tragic figure who becomes Israel s first king and David Saul s celebrated successor and Israel s key leader whose influence endured for generations But as Jensen makes clear in his splendid commentary there is another figure who is a central character God Throughout his theologically rich treatment of these biblical books Jensen explores what makes these texts important for us He suggests that we read 1 and 2 Samuel because they reveal the complexities of the human person the ambiguities of our social arrangements as nations and God s agency in a conflicted world Jensen notes that as we are shaped by and grapple with the biblical stories we are invited to find our own stories within them What keeps us coming back to faith he says is its stories stories that tell the truth about the human condition our shared corporate life and the life God gives to the world
