Bengali Harlem and the Lost Histories of South Asian America Vivek Bald, 2013-01-07 Winner of the Theodore Saloutos Memorial Book Award Winner of the Association for Asian American Studies Book Award for History A Times Literary Supplement Book of the Year A Saveur Essential Food Books That Define New York City Selection In the final years of the nineteenth century small groups of Muslim peddlers arrived at Ellis Island every summer bags heavy with embroidered silks from their home villages in Bengal The American demand for Oriental goods took these migrants on a curious path from New Jersey s beach boardwalks into the heart of the segregated South Two decades later hundreds of Indian Muslim seamen began jumping ship in New York and Baltimore escaping the engine rooms of British steamers to find less brutal work onshore As factory owners sought their labor and anti Asian immigration laws closed in around them these men built clandestine networks that stretched from the northeastern waterfront across the industrial Midwest The stories of these early working class migrants vividly contrast with our typical understanding of immigration Vivek Bald s meticulous reconstruction reveals a lost history of South Asian sojourning and life making in the United States At a time when Asian immigrants were vilified and criminalized Bengali Muslims quietly became part of some of America s most iconic neighborhoods of color from Trem in New Orleans to Detroit s Black Bottom from West Baltimore to Harlem Many started families with Creole Puerto Rican and African American women As steel and auto workers in the Midwest as traders in the South and as halal hot dog vendors on 125th Street these immigrants created lives as remarkable as they are unknown Their stories of ingenuity and intermixture challenge assumptions about assimilation and reveal cross racial affinities beneath the surface of early twentieth century America

Day of a Stranger Thomas Merton, 1981

The Cinema of Me Alisa Lebow, 2012-05-29 When a filmmaker makes a film with herself as a subject she is already divided as both the subject matter of the film and the subject making the film The two senses of the word are immediately in play the matter and the maker thus the two ways of being subjectified as both subject and object Subjectivity finds its filmic expression not surprisingly in very personal ways yet it is nonetheless shaped by and in relation to collective expressions of identity that can transform the cinema of me into the cinema of we Leading scholars and practitioners of first person film are brought together in this groundbreaking collection to consider the theoretical ideological and aesthetic challenges wrought by this form of filmmaking in its diverse cultural geographical and political contexts

Screening Reality Jon Wilkman, 2020-02-18 A towering achievement and a volume I know I ll be consulting on a regular basis Leonard Maltin Authoritative accessible and elegantly written *Screening Reality* is the history of American documentary film we have been waiting for Kenneth Turan Los Angeles Times film critic From Edison to IMAX Ken Burns to

The Holly Julian Rubinstein,2021-05-11 An award winning journalist s dramatic account of a shooting that shook a community to its core with important implications for the future On the last evening of summer in 2013 five shots rang out in a part of northeast Denver known as the Holly Long a destination for African American families fleeing the Jim Crow South the area had become an invisible city within a historically white metropolis While shootings there weren t uncommon the identity of the shooter that night came as a shock Terrance Roberts was a revered anti gang activist His attempts to bring peace to his community had won the accolades of both his neighbors and the state s most important power brokers Why had he just fired a gun In The Holly the award winning Denver based journalist Julian Rubinstein reconstructs the events that left a local gang member paralyzed and Roberts facing

the possibility of life in prison Much more than a crime story The Holly is a multigenerational saga of race and politics that runs from the civil rights movement to Black Lives Matter With a cast that includes billionaires elected officials cops developers and street kids the book explores the porous boundaries between a city s elites and its most disadvantaged citizens It also probes the fraught relationships between police confidential informants activists gang members and ex gang members as they struggle to put their pasts behind them In The Holly we see how well intentioned efforts to curb violence and improve neighborhoods can go badly awry and we track the interactions of law enforcement with gang members who conceive of themselves as defenders of a neighborhood When Roberts goes on trial the city s fault lines are fully exposed In a time of national reckoning over race policing and the uses and abuses of power Rubinstein offers a dramatic and humane illumination of what s at stake
