THRILLERS 'An unmissable, breakneck ride' James Swallow 'Great action sequences . . . breathtaking twists and turns' Anthony Horowitz 'Exhilarating, high-stakes action' Lesley Kara John le Carré's Post-Cold War Fiction Mar 08 2023 This is an analysis of the first 10 post—Cold War novels of one of the most significant ethicists in contemporary fiction. This book challenges distinctions between “popular” and “serious” literature by recognizing le Carré as one of the most significant ethicists in contemporary fiction, contributing to an overdue reassessment of his literary stature. Le Carré's ten post-Cold War novels constitute a distinctive subset of his espionage fiction in their response to the momentous changes in geopolitics that began in the 1990s. Through a close reading of these novels, Snyder traces how—amid the “War on Terror” and transnationalism—le Carré weighs what is at stake in this conflict of deeply invested ideologies.

Agent Running in the Field Jan 18 2024 “[Le Carré's] novels are so brilliant because they're emotionally and psychologically absolutely true, but of course they're novels.” —New York Times Book Review A thrilling tale for our times from the undisputed master of the spy genre Nat, a 47 year-old veteran of Britain's Secret Intelligence Service, believes his years as an agent runner are over. He is back in London with his wife, the long-suffering Prue. But with the growing threat from Moscow Centre, the office has one more job for him. Nat is to take over The Haven, a defunct substation of London General with a rag-tag band of spies. The only bright light on the team is young Florence, who has her eye on Russia Department and a Ukrainian oligarch with a finger in the Russia pie. Nat is not only a spy, he is a passionate badminton player. His regular Monday evening opponent is half his age: the introspective and solitary Ed. Ed hates Brexit, hates Trump and hates his job at some soulless media agency. And it is Ed, of all unlikely people, who will take Prue, Florence and Nat himself down the path of political anger that will ensnare them all. *Agent Running in the Field* is a chilling portrait of our time, now heartbreaking, now darkly humorous, told to us with unflagging tension by the greatest chronicler of our age.

The Naïve and Sentimental Lover Dec 05 2022 From the New York Times bestselling author of *Tinker, Tailor, Soldier, Spy*; *The Spy Who Came in from the Cold*; and *The Night Manager*, now a television series starring Tom Hiddleston. John le Carré's *The Naïve and Sentimental Lover* offers a dark and ribald send-up of both middle-class bohemian pretensions that will astonish and delight his many fans. The Mission Song Jun 23 2024 Full of politics, heart, and the sort of suspense that nobody in the world does better, *The Mission Song* turns John Le Carre's laser eye for the complexity of the modern world on turmoil and conspiracy in Africa. Abandoned by both his Irish father and Congolese mother, Bruno Salvador has long looked for someone to guide his life. He has found it in Mr. Anderson of British Intelligence. Bruno's African upbringing, and fluency in numerous African languages, has made him a top interpreter in London, useful to businesses, hospitals, diplomats -- and spies. Working for Anderson in a clandestine facility known as the "Chat Room," Salvo (as he's known) translates intercepted phone calls, bugged recordings, and snatched voice mail messages. When Anderson sends him to a mysterious island to interpret during a secret conference between Central African warlords, Bruno thinks he is helping Britain bring peace to a bloody corner of the world. But then he hears something he should not have... By turns thriller, love story, and comic allegory of our times, *The Mission Song* is a crowning achievement, recounting an interpreter's heroically naive journey out of the dark of Western hypocrisy and into the heart of lightness.

A Legacy of Spies Oct 15 2023 #1 NEW YORK TIMES BESTSELLER The undisputed master returns with his first Smiley novel in more than twenty-five years--a #1 New York Times bestseller and ideal holiday gift. Peter Guillam, staunch colleague and disciple of George Smiley of the British Secret Service, otherwise known as the Circus, is living out his old age on the family farmstead on the south coast of Brittany when a letter from his old Service summons him to London. The reason? His Cold War past has come back to claim him. Intelligence operations that were once the toast of secret London, and involved such characters as Alec Leamas, Jim Prideaux, George Smiley and Peter Guillam himself, are to be scrutinized by a generation with no memory of the Cold War and no patience with its justifications. Interweaving past with present so that each may tell its own intense story, John le Carré has spun a single plot as ingenious and thrilling as the two predecessors on which it looks back: *The Spy Who Came in from the Cold* and *Tinker Tailor Soldier Spy*. In a story resonating with tension, humor and moral ambivalence, le Carré and his narrator Peter Guillam present the reader with a legacy of unforgettable characters old and new.

Fortunate Son May 30 2022 The long-awaited memoir from John Fogerty, the legendary singer-songwriter and creative force behind Creedence Clearwater Revival. Creedence Clearwater Revival is one of the most important and beloved bands in the history of rock, and John Fogerty wrote, sang, and produced their instantly recognizable classics: "Proud Mary," "Bad Moon Rising," "Born on the Bayou," and more. Now he reveals how he brought CCR to number one in the world, eclipsing even the Beatles in 1969. By the next year, though, Creedence was falling apart; their amazing, enduring success exploded and faded in just a few short years. *Fortunate Son* takes readers from Fogerty's Northern California roots, through Creedence's success and the retreat from music and public life, to his hard-won revival as a solo artist who finally found love. *The Song of Brotherhood. And Other Verses* Feb 12 2021

The Art and Thought of John La Farge May 18 2021 *The Art and Thought of John La Farge: Picturing Authenticity in Gilded Age America* offers an unprecedented portrait of one of the most celebrated artists of the Gilded Age and opens a window onto nineteenth-century American culture. The book reveals how the work of John La Farge contributed to a rich philosophical dialogue concerning the trustworthiness of human perception. In his struggle against a 'common truth' of iconic symbols presented by a new mass visual culture, La Farge developed a subversive

approach to visual representation that focused attention not on the artwork itself, but on the complex, real encounter of artist, subject and medium from which the artwork came. Katie Kresser charts La Farge's efforts to assert his own reality - his own intrinsic uniqueness - in a postwar society that increasingly based personal identity on standardized vocational labels and economic productivity. La Farge's work is contrasted with that of Kenyon Cox, James Whistler and Henry Adams, all of whom (for La Farge) had fallen prey to the crass new visual environment - albeit in very different ways. This innovative study suggests that La Farge dealt with issues still relevant in a world characterized by ubiquitous mass media and the proliferation of 'normative' visions.

Tinker, Tailor, Soldier, Spy May 10 2023 George Smiley is assigned to uncover the identity of the double agent operating in the highest levels of British Intelligence.

A Delicate Truth Feb 19 2024 From the New York Times bestselling author of *A Legacy of Spies*. "A novel that beckons us beyond any and all expectations."—Jonathan Yardley, *The Washington Post* A counter-terrorist operation, code-named *Wildlife*, is being mounted on the British crown colony of Gibraltar. Its purpose: to capture and abduct a high-value jihadist arms buyer. Its authors: an ambitious Foreign Office Minister, a private defense contractor who is also his bosom friend, and a shady American CIA operative of the evangelical far-right. So delicate is the operation that even the Minister's personal private secretary, Toby Bell, is not cleared for it. Three years later, a disgraced Special Forces Soldier delivers a message from the dead. Was Operation *Wildlife* the success it was cracked up to be—or a human tragedy that was ruthlessly covered up? Summoned by Sir Christopher "Kit" Probyn, retired British diplomat, to his decaying Cornish manor house, and closely observed by Kit's daughter, Emily, Toby must choose between his conscience and duty to his Service. If the only thing necessary for the triumph of evil is that good men do nothing, how can he keep silent?

"John La Farge, A Biographical and Critical Study" Jul 20 2021 John La Farge, A Biographical and Critical Study is the first biography in a century of the American painter, illustrator, muralist, stained-glass artist, and writer. Examining La Farge's career from his youth to his late rebound as a decorative artist—from New York City and New England to Europe to Japan to the South Seas—this is also the only biography to date composed independently of the artist and his estate. Drawing on primary documentation culled from archives and contemporary

newspapers and journals, the biography thoroughly documents La Farge's career and artwork. Earlier biographies avoided the darker aspects of his complex and conflicted life, which had dramatic effects on his work. The study also offers critical analysis of the artist's works, showing influences from other artists and giving contemporary and modern responses. La Farge authority James L. Yarnall scrutinizes how posterity has viewed the artist throughout the century since his death. The book is copiously illustrated with black-and-white and color images.

A Perfect Spy Apr 28 2022 “The best English novel since the war.” -- Philip Roth Over the course of his seemingly impeccable life, Magnus Pym has been all things to all people: a devoted family man, a trusted colleague, a loyal friend—and the perfect spy. But in the wake of his estranged father’s death, Magnus vanishes, and the British Secret Service is up in arms. Is it grief, or is the reason for his disappearance more sinister? And who is the mysterious man with the sad moustache who also seems to be looking for Magnus? In *A Perfect Spy*, John le Carré has crafted one of his crowning masterpieces, interweaving a moving and unusual coming-of-age story with a morally tangled chronicle of modern espionage.

A children's entertainer in Devon is hauled to his local bank late at night to explain a monumental influx of cash. A Russian freighter is arrested in the Black Sea. The logical connection of these events is one of the many pleasures of this extraordinary new novel of love, deceit and the triumph of humanity. *Single and Single* is a thrilling journey of the human heart - intimate, magical and riotous, revealing le Carré at the height of his dramatic and creative powers.

The Pigeon Tunnel Feb 07 2023 DON'T MISS THE PIGEON TUNNEL DOCUMENTARY—IN SELECT THEATERS AND STREAMING ON AppleTV+ OCTOBER 20TH! The New York Times bestselling memoir from John le Carré, the legendary author of *A Legacy of Spies*. “Recounted with the storytelling élan of a master raconteur—by turns dramatic and funny, charming, tart and melancholy.” –Michiko Kakutani, *The New York Times* From his years serving in British Intelligence during the Cold War, to a career as a writer that took him from war-torn Cambodia to Beirut on the cusp of the 1982 Israeli invasion to Russia before and after the collapse of the Berlin Wall, le Carré has always written from the heart of modern times. In this, his first memoir, le Carré is as funny as he is incisive, reading into the events he witnesses the same moral ambiguity with which he imbues his novels. Whether he's writing about the parrot at a Beirut hotel that could perfectly mimic machine gun fire or the opening bars of Beethoven's Fifth; visiting Rwanda's museums of the unburied dead in the aftermath of the genocide; celebrating New Year's Eve 1982 with Yasser Arafat and his high command; interviewing a German woman terrorist in her desert prison in the Negev; listening to the wisdoms of the great physicist, dissident, and Nobel Prize winner Andrei Sakharov; meeting with two former heads of the KGB; watching Alec Guinness prepare for his role as George Smiley in the legendary BBC TV adaptations of *Tinker, Tailor, Soldier, Spy* and *Smiley's People*; or describing the female aid worker who inspired the main character in *The Constant Gardener*, le Carré endows each happening with vividness and humor, now making us laugh out loud, now inviting us to think anew about events and people we believed we understood. Best of all, le Carré gives us a glimpse of a writer's journey over more than six decades, and his own hunt for the human spark that has given so much life and heart to his fictional characters.

The Mission Song May 22 2024 "Gripping and moving. . . . A marvelous return to the John le Carre of old, with all the captivating characters, finely rendered landscapes, and messy complexities that have always powered his best work." -*San Francisco Chronicle* Hailed everywhere as a masterpiece of suspense, John le Carre's return to Africa is the story of Bruno Salvador (aka Salvo), the 25-year-old orphaned love child of an Irish missionary and a Congolese woman. Quickly rising to the top of his profession as an interpreter, Salvo is dispatched by British Intelligence to a top-secret meeting between Western financiers and East Congolese warlords, where he hears things not intended for his ears--and is forced to interpret matters never intended for his reawoken African conscience. By turns thriller, love story, and comic allegory of our times, *The Mission Song* recounts Salvo's heroically naive journey out of the dark of Western hypocrisy and into the heart of lightness. "Entertaining... Salvo may be the author's most naive creation to date, but he is also one of the most fascinating and engaging... The atmosphere of intrigue builds nicely and convincingly."-*Baltimore Sun* "An incendiary tale... Le Carre's understanding of how the world ticks is, as always, machete sharp." -*USA TODAY* "To categorize Le Carre, as many do, as a 'spy' novelist is to do him a disservice; he uses the world of cloak-and-dagger much as Conrad used the sea--to explore the dark places in human nature." -*Washington Post Book World* "Le Carre's insight into the dense, dangerous nexus of corporate and government interests is chillingly assured." -*New York Times Book Review* "Engaging, masterfully told... *The Mission Song* offers an emotional resonance that stays with a reader long after the book is done." -*Cleveland Plain Dealer*

Silverview Mar 20 2024 An instant *New York Times* bestseller! In his last completed novel, John le Carré turns his focus to the world that occupied his writing for the past sixty years—the secret world itself. “[Le Carré] was often considered one of the finest novelists, period, since World War II. It’s not that he ‘transcended the genre,’ as the tired saying goes; it’s that he elevated the level of play... [Silverview’s] sense of moral ambivalence remains exquisitely

calibrated.” —The New York Times Book Review Julian Lawndesley has renounced his high-flying job in the city for a simpler life running a bookshop in a small English seaside town. But only a couple of months into his new career, Julian’s evening is disrupted by a visitor. Edward, a Polish émigré living in Silverview, the big house on the edge of town, seems to know a lot about Julian’s family and is rather too interested in the inner workings of his modest new enterprise. When a letter turns up at the door of a spy chief in London warning him of a dangerous leak, the investigations lead him to this quiet town by the sea . . . Silverview is the mesmerizing story of an encounter between innocence and experience and between public duty and private morals. Nearly a year later, his drunken promise returns to haunt him. A reluctant Barley is quickly trained by British Intelligence and sent to Moscow to liaise with a go-between, the beautiful Katya. Both are lonely and disillusioned. Each is increasingly certain that if the human race is to have any future, all must betray their countries ... Memoirs of a British Agent Feb 24 2022 When first published in 1932, this memoir was an immediate classic, both as a unique eyewitness account of Revolutionary Russia and as one man's story of struggle, and tragedy set against the background of great events. Aged 25, Lockhart became the British Vice-Consul to Moscow in 1912. With revolution in the air, it was dangerous, decadent posting. The 'Boy Ambassador' became an eyewitness to pivotal events and in 1918 was charged with establishing a diplomatic understanding with the Bolsheviks, to ensure that Russia remained in the war against Germany. It was a precarious mission: Whitehall could not be seen support revolutionaries; Lockhart grew wary of his masters' secret machinations; while Lenin and Trotsky's cordial relations with the British agent never quite dispelled their mistrust of the nation he represented. When Lockhart met Moura Budberg, who became the great love of his life, he was in an increasingly vulnerable position. In September 1918 he would be falsely accused of a counter-revolutionary plot to overthrow the Bolsheviks, and sent to the Loubianka. His account even inspired a Hollywood movie. From his evocative descriptions of revolutionary Moscow, where the champagne flowed as the bourgeoisie trembled, to his audiences with Trotsky and his brushes with death, this is a vivid, unique memoir.

Absolute Friends Jan 06 2023 Today, Mundy is a down-at-the-heels tour guide in southern Germany, dodging creditors, supporting a new family, and keeping an eye out for trouble while in spare moments vigorously questioning the actions of the country he once bravely served. And trouble finds him, as it has before, in the shape of an old German student friend, radical, and onetime fellow spy, the crippled Sasha, seeker after absolutes, dreamer, and chaos addict. After years of trawling the Middle East and Asia as an itinerant university lecturer, Sasha has yet again discovered the true, the only, answer to life—this time in the form of a mysterious billionaire philanthropist named Dimitri. Thanks to Dimitri, both Mundy and Sasha will find a path out of poverty, and with it their chance to change a world that both believe is going to the devil. Or will they? Who is Dimitri? Why does Dimitri's gold pour in from mysterious Middle Eastern bank accounts? And why does his apparently noble venture reek less of starry idealism than of treachery and fear? Some gifts are too expensive to accept. Could this be one of them? With a cooler head than Sasha's, Mundy is inclined to think it could. In *Absolute Friends*, John le Carré delivers the masterpiece he has been building to since the fall of communism: an epic tale of loyalty and betrayal that spans the lives of two friends from the riot-torn West Berlin of the 1960s to the grimy looking-glass of Cold War Europe to the present day of terrorism and new alliances. This is the novel le Carré fans have been waiting for, a brilliant, ferocious,

heartbreaking work for the ages.

Call for the Dead Jul 12 2023 The first of his peerless novels of Cold War espionage and international intrigue, *Call for the Dead* is also the debut of John le Carré's masterful creation George Smiley. "Go back to Whitehall and look for more spies on your drawing boards." George Smiley is no one's idea of a spy—which is perhaps why he's such a natural. But Smiley apparently made a mistake. After a routine security interview, he concluded that the affable Samuel Fennan had nothing to hide. Why, then, did the man from the Foreign Office shoot himself in the head only hours later? Or did he? The heart-stopping tale of intrigue that launched both novelist and spy, *Call for the Dead* is an essential introduction to le Carré's chillingly amoral universe.

Old enemies now yield to glasnost and perestroika. The killing shadows of the Cold War are flooded with light. The future is unfathomable. To train new spies for this uncertain future, one must show them the past. Enter the man called Ned, the loyal and shrewd veteran of the Circus. With the inspiration of his inscrutable mentor George Smiley, Ned thrills all as he recounts forty exhilarating years of Cold War espionage across Europe and the Far East—an electrifying, clandestine tour of honorable old knights and notorious traitors, triumph and failure, passion and hate, suspicion, sudden death, and old secrets that haunt us still.
