Rebel Born Jun 06 2024

*The Rebel and the Thief Jul 03 2021 From the
internationally bestselling author of *The Art of
Hearing Heartbeats*, a moving tale of forbidden
love and extraordinary courage in the face of
disaster. Eighteen-year-old Niri and his family
live a modest but secure life working in the
villa of the wealthy Benzes. But when the
pandemic comes, they are all let go, and left*

staring into the abyss of abject poverty. As their situation grows increasingly desperate, the once rule-abiding monastery student decides he won't wait at the mercy of a corrupt, indifferent government, and rebels against his father's resigned acceptance. Sneaking through the locked-down city at night, past the military patrols, Niri returns to the villa to take what his family needs to survive. Waiting for him there is his childhood friend—and the Benzes' daughter—Mary, who has a bigger plan that will change their lives forever. A universal story of love across social classes, *The Rebel and the Thief* poignantly shows how adversity can teach us what matters most: courage to resist, will to change, and unconditional trust in each other.

Rebel Lions Jan 26 2021 *Rebel Lions*, Michael McClure's first book of poetry since the retrospective *Selected Poems* (1985), spans a decade of profound personal change and poetic evolution for the author. In an introductory note, he provides a backdrop for the collection, which moves from old life to new. McClure's work bursts forth from the matrix of the physical and spiritual. "Poetry is one of the edges of consciousness," he asserts. "And consciousness is a real thing like the hoof of a deer or the smell of a bush of blackberries at the roadside in the sun." In the first section of *Rebel Lions*, "Old Flames," the poems range from the realistic ("Awakening and Recalling a Summer Hike") to the metaphorical ("The Silken Stitching"), as the

poet addresses a life on the verge of transformation. The second section, "Rose Rain," exults in a life transformed through love's alchemy. Rebel Lions closes with "New Brain," poems affirming the freedom of all humankind and matter in the eternal now.

Born a Rebel Feb 19 2023 When Dewey's best friend is killed. Dewey joins a special force unit to go after the Evil Panda Gangsters. His first mission in months he is training his little brother. The Panda Gangsters take Dewey hostage and does a experiment on him. Will he find a way to escape. Read to find out what Dewey is up against in the first book of the Rebel series.

Rebel of the Sands Jan 09 2022 The New York Times bestselling novel by the Goodreads Choice Awards Best Debut Author of 2016, published in 15 countries! Mortals rule the desert nation of Miraji, but mythical beasts still roam the wild and remote areas, and rumor has it that somewhere, djinn still perform their magic. For humans, it's an unforgiving place, especially if you're poor, orphaned, or female. Amani Al'Hiza is all three. She's a gifted gunslinger with perfect aim, but she can't shoot her way out of Dustwalk, the back-country town where she's destined to wind up wed or dead. Then she meets Jin, a rakish foreigner, in a shooting contest, and sees him as the perfect escape route. But though she's spent years dreaming of leaving Dustwalk, she never imagined she'd gallop away on mythical horse—or that it would take a foreign

fugitive to show her the heart of the desert she thought she knew. This startlingly original Middle-East-meets-Wild-West fantasy reveals what happens when a dream deferred explodes—in the fires of rebellion, of romantic passion, and the all-consuming inferno of a girl finally embracing her power.

Rebel Feb 27 2021 A riveting and compelling account of Nate's initial Civil War experience—its battles, romances and divided loyalties When Richmond landowner Washington Faulconer snatches young Nate Starbuck from the grip of a Yankee-hating mob, Nate is both grateful and awed by his idealistic rescuer. Turning his back forever on the life he left in Boston, Nate agrees to join the newly formed Faulconer's Legion, even though it means fighting against his native North. But Nate's dilemma is only one of many within the Legion. Faulconer's own son cannot bring himself to fight, while his daughter's cheating fiancée plots for control of the Faulconer family fortune. As they come together to march into battle, the men are prepared to start a war...but they aren't ready for how they—and the nation—will be forever changed by the oaths they have sworn for their beloved South.

Rebel Youth Jun 25 2023 This first-of-its-kind collection presents photographer Karlheinz Weinberger's influential portraits of rebel youth of the sixties. While Karlheinz Weinberger is known as a pioneer of male erotic imagery, the

Swiss amateur photographer also left an indelible mark on the fashion world with his decades-long documenting of vibrant rebel youth culture. These working-class teenagers created looks that fused iconic American pop culture imagery—biker jackets, denim jeans, bouffant hairdos, James Dean insouciance—with their own idiosyncratic sensibilities. From the late 1950s through the '60s, Weinberger captured the defiant glamour of these youths with a keen eye for their provocative handmade designs. Inspired by the rebel youth's pop playfulness and fierce individuality, a legion of contemporary fashion-industry leaders have been profoundly influenced by the photographs collected in this stunning volume.

Traitor Born May 25 2023 The Wall Street Journal bestselling sequel to *Secondborn*. In the *Fates Republic*... Firstborns reign supreme. Secondborns kneel in servitude. Thirdborns face death. And Census shadows them all. Secondborn Roselle St. Sismode was pressed into military service to battle the rebel uprising threatening the society that enslaves her. Now, powerful factions conspire to subvert the lines of succession, positioning Roselle to replace her mother as leader of the Republic's armed forces. But the woman who bore her would sooner see Roselle dead than let her usurp her firstborn brother's command. The deadly war of intrigue between her new masters and her ruthless family is but one conflict challenging Roselle. A soldier for the

rebellion has drawn her into a rogue army's plot to overthrow the Republic and shatter its brutal caste system. Targeted by assassins and torn between allies, Roselle will have her loyalty, love, and honor tested in the greatest battle of--and for--her life.

Born to Rebel Oct 18 2022 A New York Times Notable Book of the Year "An important and valuable study that will define research agendas for years to come. It is also hugely fun to read." --Boston Globe Why do people raised in the same families often differ more dramatically in personality than those from different families? What made Charles Darwin, Benjamin Franklin, and Voltaire uniquely suited to challenge the conventional wisdom of their times? This pioneering inquiry into the significance of birth order answers both these questions with a conceptual boldness that has made critics compare it with the work of Freud and of Darwin himself. Frank J. Sulloway envisions families as ecosystems in which siblings compete for parental favor by occupying specialized niches. Combing through thousands of biographies in politics, science, and religion, he demonstrates that firstborn children are more likely to identify with authority whereas their younger siblings are predisposed to rise against it. Family dynamics, Sulloway concludes, is a primary engine of historical change. Elegantly written, masterfully researched, Born to Rebel is a grand achievement that has galvanized historians and social

scientists and will fascinate anyone who has ever pondered the enigma of human character. "Daring . . . a stunning achievement. " --The New York Times Book Review

Americanized: Rebel Without a Green Card Aug 16 2022 In development as a television series from Reese Witherspoon's Hello Sunshine production company and ABC Studios! This hilarious, poignant and true story of one teen's experience growing up in America as an undocumented immigrant from the Middle East is an increasingly necessary read in today's divisive world. Perfect for fans of Mindy Kaling and Trevor Noah's books. "Very funny but never flippant, Saedi mixes '90s pop culture references, adolescent angst and Iranian history into an intimate, informative narrative." --The New York Times At thirteen, bright-eyed, straight-
A student Sara Saedi uncovered a terrible family secret: she was breaking the law simply by living in the United States. Only two years old when her parents fled Iran, she didn't learn of her undocumented status until her older sister wanted to apply for an after-school job, but couldn't because she didn't have a Social Security number. Fear of deportation kept Sara up at night, but it didn't keep her from being a teenager. She desperately wanted a green card, along with clear skin, her own car, and a boyfriend. Americanized follows Sara's progress toward getting her green card, but that's only a portion of her experiences as an Iranian-"American" teenager. From discovering that her parents secretly

divorced to facilitate her mother's green card application to learning how to tame her unibrow, Sara pivots gracefully from the terrifying prospect that she might be kicked out of the country at any time to the almost-as-terrifying possibility that she might be the only one of her friends without a date to the prom. This moving, often hilarious story is for anyone who has ever shared either fear. **FEATURED ON NPR'S FRESH AIR A NYPL BEST BOOK OF THE YEAR A CHICAGO PUBLIC LIBRARY BEST OF THE BEST BOOK SELECTION A SCHOOL LIBRARY JOURNAL BEST BOOK OF THE YEAR FOUR STARRED REVIEWS!** "A must-read, vitally important memoir. . . . Poignant and often LOL funny, *Americanized* is utterly of the moment."—*Bustle* "Read Saedi's memoir to push out the poison."—*Teen Vogue* "A funny, poignant must read for the times we are living in today."—*Pop Sugar Rebel* Winter Mar 11 2022 On the brutal battlefields of the 41st millennium, the life of an Imperial Guardsman is harsh and short, yet they take their place in the massed ranks of the Emperors armies and against all enemies--at all costs. Original.

The Scientist as Rebel Feb 02 2024 33 essays on the fads and fantasies of science and scientists—including climate prediction, genetic engineering, space colonization, and paranormal phenomena—by "the iconoclastic physicist who has become one of science's most eloquent interpreters" (*New York Times*) "Provocative, touching, and always surprising." —*Wired Magazine*

From Galileo to today's amateur astronomers, scientists have been rebels, writes Freeman Dyson. Like artists and poets, they are free spirits who resist the restrictions their cultures impose on them. In their pursuit of nature's truths, they are guided as much by imagination as by reason, and their greatest theories have the uniqueness and beauty of great works of art. Dyson argues that the best way to understand science is by understanding those who practice it. He tells stories of scientists at work, ranging from Isaac Newton's absorption in physics, alchemy, theology, and politics, to Ernest Rutherford's discovery of the structure of the atom, to Albert Einstein's stubborn hostility to the idea of black holes. His descriptions of brilliant physicists like Edward Teller and Richard Feynman are enlivened by his own reminiscences of them. He looks with a skeptical eye at fashionable scientific fads and fantasies, and speculates on the future of climate prediction, genetic engineering, the colonization of space, and the possibility that paranormal phenomena may exist yet not be scientifically verifiable. Dyson also looks beyond particular scientific questions to reflect on broader philosophical issues, such as the limits of reductionism, the morality of strategic bombing and nuclear weapons, the preservation of the environment, and the relationship between science and religion. These essays, by a distinguished physicist who is also a prolific writer, offer

informed insights into the history of science and fresh perspectives on contentious current debates about science, ethics, and faith.

Rebel Rose Sep 16 2022 Happily ever after is only the beginning in this epic YA reimagining of the princesses as young rulers of their lands, aided by a mystical group of women called the Queen's Council, whose job it is to advise queens throughout history.

The Second Rebel *May 13 2022 Linden A. Lewis returns with this next installment of The First Sister Trilogy, perfect for fans of Red Rising, The Handmaid's Tale, and The Expanse. Astrid has reclaimed her name and her voice, and now seeks to bring down the Sisterhood from within. Throwing herself into the lioness' den, Astrid must confront and challenge the Aunts who run the Gean religious institution, but she quickly discovers that the business of politics is far deadlier than she ever expected. Meanwhile, on an outlaw colony station deep in space, Hiro val Akira seeks to bring a dangerous ally into the rebellion. Whispers of a digital woman fuel Hiro's search, but they are not the only person looking for this link to the mysterious race of Synthetics. Lito sol Lucious continues to grow into his role as a lead revolutionary and is tasked with rescuing an Aster operative from deep within an Icarii prison. With danger around every corner, Lito, his partner Ofiera, and the newly freed operative must flee in order to keep dangerous secrets out of enemy hands. Back on*

Venus, Lito's sister Lucinia must carry on after her brother's disappearance and accusation of treason by Icarrii authorities. Despite being under the thumb of Souji val Akira, Lucinia manages to keep her nose clean...that is until an Aster revolutionary shows up with news about her brother's fate, and an opportunity to join the fight. This captivating, spellbinding second installment to The First Sister series picks up right where The First Sister left off and is a must-read for science fiction fans everywhere.

Nathan Bedford Forrest Nov 30 2023 Amid the aristocratic ranks of the Confederate cavalry, Nathan Bedford Forrest was untutored, all but unlettered, and regarded as no more than a guerrilla. His tactic was the headlong charge, mounted with such swiftness and ferocity that General Sherman called him a "devil" who should "be hunted down and killed if it costs 10,000 lives and bankrupts the treasury." And in a war in which officers prided themselves on their decorum, Forrest habitually issued surrender-or-die ultimatums to the enemy and often intimidated his own superiors. After being in command at the notorious Fort Pillow Massacre, he went on to haunt the South as the first grand wizard of the Ku Klux Klan. Now this epic figure is restored to human dimensions in an exemplary biography that puts both Forrest's genius and his savagery into the context of his time, chronicling his rise from frontiersman to slave trader, private to lieutenant general, Klansman to—eventually—New

South businessman and racial moderate.

Unflinching in its analysis and with extensive new research, Nathan Bedford Forrest is an invaluable and immensely readable addition to the literature of the Civil War.

Sylvia Pankhurst Jan 21 2023 'A wonderful book ... Holmes sublimely illuminates Sylvia's extraordinary life' The Times 'A masterpiece' Vanessa Redgrave _____ Born into one of Britain's most famous activist families, Sylvia Pankhurst was a natural rebel. A free spirit and radical visionary, history placed her in the shadow of her famous mother, Emmeline, and elder sister, Christabel. Yet artist Sylvia Pankhurst was the most revolutionary of them all. Sylvia found her voice fighting for votes for women, imprisoned and tortured in Holloway prison more than any other suffragette. But the vote was just the beginning of her lifelong defence of human rights. She engaged with political giants, warned of fascism in Europe, championed the liberation struggles in Africa and India and became an Ethiopian patriot. Her intimate life was no less controversial. The rupture between Sylvia, Emmeline and Christabel became worldwide news, while her romantic life drew public speculation and condemnation. Rachel Holmes interweaves the personal and political in an extraordinary celebration of a life in resistance, painting a compelling portrait of one of the greatest unsung political figures of the twentieth century. 'A monument to an astonishing life' Daily Telegraph,

Best Biographies of 2020 'A robust and sensitive biography' Sunday Times, History Books of the Year 'A moving, powerful biography' Guardian

Once a Rebel Mar 23 2023 The bestselling author delivers a Regency tale "that deftly balances fascinating historical detail, adventure, and menace with a passionate romance" (Library Journal). As Washington burns, Callista Brooke is trapped in the battle between her native England and her adopted homeland. She is on the verge of losing everything, including her life, when a handsome Englishman cuts through the violent crowd to claim that she is his. Callie falls into her protector's arms, recognizing that he is no stranger, but the boy she'd once loved, a lifetime ago. Lord George Gordon Audley had been Callie's best friend, and it was to Gordon she turned in desperation to avoid a loathsome arranged marriage. But the repercussions of his gallant attempt to rescue her sent Callie packing to Jamaica, and Gordon on a one-way trip to the penal colony of Australia. Against all odds, Gordon survived. Finding Callie is like reclaiming his tarnished soul, and once again he vows to do whatever is necessary to protect her and those she loves. But the innocent friendship they shared as children has become a dangerous passion that may save or destroy them when they challenge the aristocratic society that exiled them both . . . Praise for New York Times bestselling author Mary Jo Putney and the Rogues Redeemed series "Putney's endearing characters

and warm-hearted stories never fail to inspire and delight."—Sabrina Jeffries "An impeccably written book that realistically integrates the cost of the Napoleonic Wars into a compelling story that neatly balances dangerous adventures and passionate romance."—Booklist "A thrilling, romantic tale."—Bookpage, Top Pick of the Month

Nathan Bedford Forrest Nov 18 2022 Nathan Bedford Forrest's critics have called him everything from a violent backwoodsman, illiterate redneck, and cruel slaver, to a crooked politician, unfaithful husband, and simple-minded hillbilly. However, traditional unreconstructed writers, like Southern historian and award-winning Tennessee author Lochlainn Seabrook, know that General Forrest was none of these things. In fact, he was quite the opposite, as is revealed in Mr. Seabrook's classic work: "Nathan Bedford Forrest: Southern Hero, American Patriot." As we learn in this enlightening little book, far from being an inhumane slave owner and trader, Forrest granted most of his servants their freedom even before Lincoln's War. Others he enlisted in his own command (half of dozen who served as his personal guards), then emancipated them in the fall of 1863 - the same year Lincoln issued his "military measure," the fake and illegal Emancipation Proclamation (which freed no slaves in either the North or the South). Forrest never separated servant families, refused to sell to cruel slavers, and was even responsible for reuniting divided black families. Unlike Lincoln

- who throughout his life repeatedly blocked black civil rights and aggressively campaigned for American apartheid and the deportation of all blacks out of the U.S. - after the War Forrest happily hired back his original servants with full civil rights, then called for the South to repopulate herself with new African immigrants. Neither the founder or leader of the KKK as pro-North and New South historians disingenuously teach, Forrest closed the anti-Yankee organization down in 1869 when it began to take on racist overtones. These and many other captivating facts are presented clearly and concisely by Mr. Seabrook, a cousin of Forrest, in this rousing defense of the Wizard of the Saddle, one of the greatest, most inspiring, beloved, romantic, complex, and intriguing figures in American history. Lavishly illustrated and written in an easy-to-read style, at 120 pages this new hardcover edition is perfect for Civil War museum shops, historic homes, or any tourist hot spot. Makes a great gift as well. "Nathan Bedford Forrest" includes 139 footnotes, a bibliography, and an index. The Foreword is by bestselling Southern educator James Ronald Kennedy, author of "The South Was Right!" Civil War scholar Lochlainn Seabrook, a cousin of General Forrest, is the most prolific and popular pro-South writer in the world today. Known as the "new Shelby Foote," he is an award-winning author of over 45 books. A seventh-generation Kentuckian of Appalachian heritage, Mr. Seabrook has a forty-

year background in American and Southern history, and is the author of the runaway bestseller "Everything You Were Taught About the Civil War is Wrong, Ask a Southerner!" He has penned eight books on Forrest, more than any other writer, and his screenplay of his book "A Rebel Born" is being turned into a major motion picture. His other titles include: "The Great Yankee Coverup: What the North Doesn't Want You to Know About Lincoln's War"; "Confederacy 101: Amazing Facts You Never Knew About America's Oldest Political Tradition"; "Confederate Flag Facts"; "Everything You Were Taught About American Slavery is Wrong, Ask a Southerner!" "Give This Book to a Yankee: A Southern Guide to the Civil War for Northerners" and "Honest Jeff and Dishonest Abe: A Southern Children's Guide to the Civil War."

R Is for Rebel Apr 23 2023 "An empowering and timely story about resistance." -Booklist
Princess Academy meets Megan Whalen Turner in this stunning novel about a girl who won't let anything tame her spirit—not the government that conquered her people, and definitely not reform school! Malley has led the constables on a merry chase across her once-peaceful country. With her parents in prison for their part in a failed resistance movement, the government wants to send her to a national school—but they'll have to capture her first. And capture her they do. Malley is carted off to be reformed as a proper subject of the conquering empire, reeducated, and made suitable for domestic service. That's the government's plan, anyway. But Malley will not go down without a fight. She's determined to rally

her fellow students to form a rebellion of their own. The government can lock these girls up in reform school. Whether it can break them is another matter entirely...

A Rebel Born Mar 03 2024 Lochlainn Seabrook's powerful screenplay "A Rebel Born," based on his awarding-winning book of the same name, covers the highlights of the extraordinary life of Southern icon Nathan Bedford Forrest.

The Rebel Nun Aug 04 2021 Marj Charlier's The Rebel Nun is based on the true story of Clotild, the daughter of a sixth-century king and his concubine, who leads a rebellion of nuns against the rising misogyny and patriarchy of the medieval church. At that time, women are afforded few choices in life: prostitution, motherhood, or the cloister. Only the latter offers them any kind of independence. By the end of the sixth century, even this is eroding as the church begins to eject women from the clergy and declares them too unclean to touch sacramental objects or even their priest-husbands. Craving the legitimacy thwarted by her bastard status, Clotild seeks to become the next abbess of the female Monastery of the Holy Cross, the most famous of the women's cloisters of the early Middle Ages. When the bishop of Poitiers blocks her appointment and seeks to control the nunnery himself, Clotild masterminds an escape, leading a group of nuns on a dangerous pilgrimage to beg her royal relatives to intercede on their behalf. But the bishop refuses to back down, and a bloody

battle ensues. Will Clotild and her sisters succeed with their quest, or will they face excommunication, possibly even death? In the only historical novel written about the incident, *The Rebel Nun* is a richly imagined story about a truly remarkable heroine.

Madam C.J. Walker Builds a Business Nov 06 2021
From the world of *Good Night Stories for Rebel Girls* comes a story based on the life of Madam C.J. Walker, America's first female self-made millionaire. Sarah is the first person in her family who wasn't born into slavery in Delta, Louisiana. But being free doesn't mean that Sarah doesn't have to work. She cooks, she cleans, she picks cotton, she does laundry, and she babysits. And when she works, she wraps up her hair. One day, Sarah's hair starts to fall out! It's itchy, crunchy, patchy, and won't grow. Instead of giving up, Sarah searches for the right products. And then she invents something better than any shampoo or hair oil she's used before. Her hair grows and grows! That's when she decides to rebrand herself as "Madam C. J. Walker," and begins her business empire. *Madam C. J. Walker Builds a Business* is the story of a leader in the hair care industry, but it's also an inspiring tale about the importance of empowering women to become economically independent. This historical fiction chapter book includes additional text on Madam C. J. Walker's lasting legacy, as well as educational activities designed to encourage entrepreneurship. About the Rebel Girls Chapter

Book Series Meet extraordinary real-life heroines in the Good Night Stories for Rebel Girls chapter book series! Introducing stories based on the lives of extraordinary women in global history, each stunningly designed chapter book features beautiful illustrations from a female artist as well as bonus activities in the backmatter to encourage kids to explore the various fields in which each of these women thrived. The perfect gift to inspire any young reader!

A Rebel in Time Aug 28 2023 A classic time-travel adventure about altering the outcome of the War Between the States. On the fields where Civil War battles have yet to be fought, a black sergeant takes on a mad colonel with a machine gun and \$25 million in gold--with the winner to determine the course of history.

Rebel Daughter Jun 01 2021 National Jewish Book Award Winner • Christy Award Finalist A young woman survives the unthinkable in this stunning and emotionally satisfying tale of family, love, and resilience, set against the destruction of Jerusalem in 70 CE. Esther dreams of so much more than the marriage her parents have arranged to a prosperous silversmith. Always curious and eager to explore, she must accept the burden of being the dutiful daughter. Yet she is torn between her family responsibilities and her own desires; she longs for the handsome Jacob, even though he treats her like a child, and is confused by her attraction to the Roman freedman Tiberius, a man who should be her sworn enemy. Meanwhile, the

growing turmoil threatens to tear apart not only her beloved city, Jerusalem, but also her own family. As the streets turn into a bloody battleground between rebels and Romans, Esther's journey becomes one of survival. She remains fiercely devoted to her family, and braves famine, siege, and slavery to protect those she loves. This emotional and impassioned saga, based on real characters and meticulous research, seamlessly blends the fascinating story of the Jewish people with a timeless protagonist determined to take charge of her own life against all odds.

Born Rebel, Renewed Warrior Oct 30 2023 Have you ever been left in the desert to fight life by yourself, wondering how someone you love could betray you? Did you grow up in a dysfunctional family with abuse of any kind but knew you were destined to do great things? Do you have low self-esteem, were you critical of yourself, or did you think that God is just out to punish you? In this book, real-life experience and circumstances brought me to a place that shook me to the core, tore down all I believed as true, and forced me to rise like a phoenix from the ashes or burn in all the many mistakes. How did I survive extreme abuse of every kind? How did I go from drug addict to college graduate? Do you want to go from a born rebel to a renewed warrior? Read on .

Rebel Rebel Dec 20 2022 Thirty-four essays and interviews with some of the greatest individuals,

malcontents and free thinkers of the last 150 years - including Louise Brooks, Richard Pryor, David Bowie, Liam Gallagher and Daniel Day-Lewis - this is a collection that exonerates the maverick and celebrates the individual. It is an essential read for the left of field.

Born a Crime Sep 28 2023 #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A "brilliant" (Lupita Nyong'o, Time), "poignant" (Entertainment Weekly), "soul-nourishing" (USA Today) memoir about coming of age during the twilight of apartheid "Noah's childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa's history that must never be forgotten."—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah's unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South

Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

Born to Rebel Jan 01 2024 Why do people raised in the same families often differ more dramatically in personality than those from different families? What made Charles Darwin, Benjamin Franklin and Voltaire uniquely suited to challenge the conventional wisdom of their times?

This pioneering inquiry into the significance of birth order answers both these questions with a conceptional boldness that has made critics compare it with the work of Freud and of Darwin himself. During Frank Sulloway's 20-year-research, he combed through thousands of lives in politics, science and religion, demonstrating that first-born children are more likely to identify with authority whereas their younger siblings are predisposed to rise against it. Family dynamics, Sulloway concludes, is a primary engine of historical change. Elegantly written, masterfully researched, BORN TO REBEL is a grand achievement that has galvanised historians and social scientists and will fascinate anyone who has ever pondered the enigma of human character.

Rebel Cinderella Jul 15 2022 Rose Pastor arrived in New York City in 1903, a Jewish refugee from Russia who had worked in cigar factories since the age of eleven. Two years later, she captured headlines across the globe when she married James Graham Phelps Stokes, scion of one of the legendary 400 families of New York high society. Together, this unusual couple joined the burgeoning Socialist Party and, over the next dozen years, moved among the liveliest group of activists and dreamers this country has ever seen. Their friends and houseguests included Emma Goldman, Big Bill Haywood, Eugene V. Debs, John Reed, Margaret Sanger, Jack London, and W.E.B. Du Bois. Rose stirred audiences to tears and led strikes of restaurant waiters and garment

workers. She campaigned alongside the country's earliest feminists to publicly defy laws against distributing information about birth control, earning her notoriety as "one of the dangerous influences of the country" from President Woodrow Wilson. But in a way no one foresaw, her too-short life would end in the same abject poverty with which it began.

Good Night Stories for Rebel Girls: 100 Tales of Extraordinary Women Feb 07 2022 A contemporary classic, *Good Night Stories for Rebel Girls* reinvents fairy tales, inspiring girls with the stories of 100 heroic women. Plus, scannable codes inside unlock audio stories from the Rebel Girls app!

Born to Rebel Apr 04 2024 Born the son of a sharecropper in 1894 near Ninety Six, South Carolina, Benjamin E. Mays went on to serve as president of Morehouse College for twenty-seven years and as the first president of the Atlanta School Board. His earliest memory, of a lynching party storming through his county, taunting but not killing his father, became for Mays an enduring image of black-white relations in the South. *Born to Rebel* is the moving chronicle of his life, a story that interlaces achievement

with the rebuke he continually confronted.

Rebel Seoul Mar 30 2021 Pacific Rim meets Korean action dramas in this mind-blowing sci-fi novel set in New Seoul in the year 2199.

Born to Rebel Jul 27 2023 Harriet Boyd was the first woman to lead an archaeological excavation in the Aegean. At a time when few women traveled on their own, she discovered, excavated and published an account of the Minoan town of Gournia in Crete. She was the first woman to lecture to the Archaeological Institute of America - ten times in fourteen days in January 1902. While prominent as a lecturer and teacher, archaeology was only a part of her life: in 1897 she was nursing with the Red Cross in the Greco-Turkish war, in 1915 she was nursing Serbian typhoid victims on Corfu, and by 1917 she was in Northern France setting up a rehabilitation center within sound of the front. While the past and its arts were her profession, the present and the future were her passionate interest - whether local social problems in her home town of Boston or international affairs which took her to lunch with Mrs Roosevelt at the White House. Mary Allsebrook's lighthearted and extremely readable account of her mother's extraordinary experiences shows Harriet Boyd to be truly one of America's pioneers.

The Library of Ever Sep 04 2021 Named a best book of the year by Kirkus Reviews, *The Library of Ever* is an instant classic for middle grade readers and booklovers everywhere—an adventure

across time and space, as a young girl becomes a warrior for the forces of knowledge. With her parents off traveling the globe, Lenora is bored, bored, bored—until she discovers a secret doorway into the ultimate library. Mazelike and reality-bending, the library contains all the universe's wisdom. Every book ever written, and every fact ever known, can be found within its walls. And Lenora becomes its newly appointed Fourth Assistant Apprentice Librarian. She rockets to the stars, travels to a future filled with robots, and faces down a dark nothingness that wants to destroy all knowledge. To save the library, Lenora will have to test her limits and uncover secrets hidden among its shelves. An Imprint Book An Amazon Best Book of the Month One of Kirkus Reviews' Best Books of the Year "Unusually clever." —Kirkus Reviews, starred review "Zeno Alexander's *The Library of Ever* reads like someone mixed Neil Gaiman with Chris Grabenstein, then threw in an extra dash of charm. Reading it is like getting lost in an entire library full of books, and never wanting to leave!" —James Riley, *New York Times* bestselling author of the *Story Thieves* series "Full of whimsy and pluck, *The Library of Ever* is a total delight!" —Wendy Mass, *New York Times* bestselling author

The Rebel Apr 11 2022

Royal Rebel Oct 06 2021 Hi! I'm Lily and I'm going to be a TOTALLY AWESOME FASHION VLOGGER! There's just one thing that might stand in my way. I'M A PRINCESS. But a princess can do whatever she wants, right? WRONG. Because one day I'll be Queen of Waldenburg. And if there is one thing a future queen DOES NOT DO, it's vlog about fashion... So I just have to make sure I DON'T GET CAUGHT - but keeping a secret this big isn't easy... Royally yours, Lily xoxo THIS PRINCESS IS FASHIONING HER OWN FUTURE - WHATEVER IT TAKES!

Rebel! Jun 13 2022 When the General marches into Burma to take over, one student is brave enough to rebel.

A Rebel Born May 05 2024 General Nathan Bedford Forrest was a brave and ingenious Confederate officer who won all but one of the battles he led; a philanthropist who gave generously to family, friends, and charities; and a humanitarian who not only spared the lives of numerous Yankees on the battlefield, but who freed his slaves years before Lincoln reluctantly issued his fake and illegal Emancipation Proclamation. And unlike our liberal sixteenth president, who purposefully delayed abolition, hindered black social and political advancement, and campaigned throughout his life to have all blacks deported out of the U.S., after the War conservative Forrest crusaded to bring new African immigrants into the South-with full civil rights. No one would know any of this by reading the typical works on Forrest, however, nearly all which are written and published by enemies of the South. In fact, according to most Northern and New South authors Forrest was a violent redneck, an unregenerate racist, a barbaric slave trader, a philandering husband, an illiterate hillbilly, the founder and grand wizard of the KKK, and "the butcher of Fort Pillow." None of this is true, but it continues to be presented in our history books as fact. In "A Rebel Born: A Defense of Nathan Bedford Forrest"-winner of the prestigious Jefferson Davis Historical Gold Medal-unreconstructed Southern historian, Tennessee author, and Forrest scholar Lochlainn Seabrook reveals the truth about one of history's most

fascinating, charismatic, complex, romantic, and unique individuals. In this refreshingly positive appraisal of Forrest, widely acclaimed as Seabrook's "masterpiece," the author corrects the many falsehoods about him, and, using well researched documentation, shows that the modern negative image of the General derives solely from slanderous myths created 150 years ago by Lincoln's anti-South propaganda machine. The longest book ever written on Forrest, this newly revised Civil War Sesquicentennial hardcover edition includes his life story, over 2,000 footnotes, hundreds of photos and illustrations (many never before seen by the public), a list of Forrest's military engagements, a Forrest life calendar, Forrest and Montgomery family trees, an 800-book bibliography, a detailed index, and more. Learn the facts about Forrest, facts that have been wantonly suppressed by anti-South proponents. The Foreword is by Dr. Clyde N. Wilson, Distinguished Professor Emeritus of History, University of South Carolina, and author of "Defending Dixie: Essays in Southern History and Culture." Civil War scholar Lochlainn Seabrook, a cousin of General Forrest, is the most prolific and popular pro-South writer in the world today. Known as the "new Shelby Foote," he is an award-winning author of over 45 books. A seventh-generation Kentuckian of Appalachian heritage, Mr. Seabrook has a forty-year background in American and Southern history, and is the author of the runaway bestseller

"Everything You Were Taught About the Civil War is Wrong, Ask a Southerner!" He is the author of eight books on Forrest, more than any other writer, and his screenplay of his book "A Rebel Born" is being turned into a major motion picture.
