Poets through the ages offer interpretations of love's changing moods and forms. Warm illustrations spice up this rhythmical ode to the joys of family and food — full, full, full of pleasures. For the youngest member of an exuberant extended family, Sunday dinner at Grannie's can be full indeed — full of hugs and kisses, full of tasty dishes, full to the brim with happy faces, and full, full, full of love. With a special focus on the bond between little Jay Jay and his grannie, Trish Cooke introduces us to a gregarious family we are sure to want more, more, more of. The Little Book of Love is the perfect gift for a loved one, someone you are in love with or anyone looking for love. This book will inspire us to nurture our relationships through passionate and thoughtful thinking and will remind us that love is not only out there, but all around us. From inspiring quotes to practical exercises and advice, this book

guides us through the many forms that love takes shape throughout our lives and reminds us that true love takes time to find and patience to grow. But above all, it teaches us that if we respect our commitments and bonds to our loved ones—our loving relationships can last a lifetime. In the Buddhist tradition, love is not just a feeling but a way of being present with ourselves and others. This book offers practical advice on how to cultivate love, how to deepen it, and how to let it flower in our lives. We may feel great love for our partners, our children, and our friends, but how do we put that love into action so that others are nurtured by it? And what about loving ourselves? How can we develop greater self-acceptance and self-compassion? Meditation teacher Moh Hardin offers key insights and practices from the Buddhist tradition for deepening our relationships and finding true fulfillment in our lives. Topics include: • Simple Buddhist practices for awakening the heart • How and why to become your own best friend • Finding freedom from destructive patterns in relationships • Listening and speaking with love • Loving and letting go Hardin ultimately introduces the inspiring idea of becoming a "bodhisattva warrior," a person who commits to living open-heartedly and working to ease the suffering of the world. Written with unusual clarity, simplicity, and warmth, this little book contains a wealth of wisdom and guidance that could change your life. **NEW YORK TIMES BESTSELLER** • A powerful memoir of a love that leads two people to find a courageous way to part—and a woman's struggle to go forward in the face of loss—that "enriches the reader's life with urgency and gratitude" (The Washington Post) "A pleasure to read . . . Rarely has a memoir about death been so full of life. . . . Bloom has a talent for mixing the prosaic and profound, the slapstick and the serious."—USA Today **ONE OF THE BEST BOOKS OF THE YEAR**: NPR Amy Bloom began to notice changes in her husband, Brian: He retired early from a new job he loved; he withdrew from close friendships; he talked mostly about the past. Suddenly, it seemed there was a glass wall between them, and their long walks and talks stopped. Their world was altered forever when an MRI confirmed what they could no longer ignore: Brian had Alzheimer's disease. Forced to confront the truth of the diagnosis and its impact on the future he had envisioned, Brian was determined to die on his feet, not live on his knees. Supporting each other in their last journey together, Brian and Amy made the unimaginably difficult and painful decision to go to Dignitas, an organization based in Switzerland that empowers a person to end their own life with dignity and peace. In this heartbreaking and surprising memoir, Bloom sheds light on a part of life we

so often shy away from discussing—its ending. Written in Bloom's captivating, insightful voice and with her trademark wit and candor, *In Love* is an unforgettable portrait of a beautiful marriage, and a boundary-defying love. Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language—quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called *A Love Language Minute* that can be heard on more than 150 radio stations as well as the weekly syndicated program *Building Relationships with Gary Chapman*, which can both be heard on fivelovelanguages.com. *The Five Love Languages* is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running! Over 20 million copies sold! A perennial New York Times bestseller for over a decade! Falling in love is easy. Staying in love—that's the challenge. How can you keep your relationship fresh and growing amid the demands, conflicts, and just plain boredom of everyday life? In the #1 New York Times international bestseller *The 5 Love Languages®*, you'll discover the secret that has transformed millions of relationships worldwide. Whether your relationship is flourishing or failing, Dr. Gary Chapman's proven approach to showing and receiving love will help you experience deeper and richer levels of intimacy with your partner—starting today. *The 5 Love Languages®* is as practical as it is insightful. Updated to reflect the complexities of relationships today, this new edition reveals intrinsic truths and applies relevant, actionable wisdom in ways that work. Includes the Love Language assessment so you can discover your love language and that of your loved one. * A record of worldwide scientific research on hope* Including a selection of ten of the world's most hopeful projects* Full of inspiring examples After the worldwide success of *The World Book of Happiness* and *The World Book of Love*, author Leo

Bormans has spent two years studying the scientific research on hope and meeting the most prominent experts in the field. Hope is not a luxury of the privileged few. It represents a universal psychological resource that can be found in all corners of the world. Hope is all of this: a tool for envisioning definable goals, a coping resource, an expression of trust and openness as well as a spiritual gift earned by faith or ritual. In the course of a lifetime every individual is apt to experience these different shades of hope. The World Book of Hope is an inspiring quest to the breadth and depth of hope. It offers a universal framework for understanding and using the most powerful tool of mankind: hope. Without hope there is no life. In this book, 100 professional researchers from all over the world share what we know about hope. Not spiritual philosophy but evidence-based knowledge of recent experiments and life-long research, set in a language everybody understands. This book unveils the secret power of hope in love and relationships, study and work, health and illness, education and care, freedom and prison, management and leadership, therapy and economy, youth and old age. It even shows how we can make pessimism work and how we can benefit from post-traumatic growth: one door closes, another one opens. “Jonah Lehrer has a lot to offer the world....The book is interesting on nearly every page....Good writers make writing look easy, but what people like Lehrer do is not easy at all.” —David Brooks, The New York Times Book Review Science writer

Jonah Lehrer explores the mysterious subject of love. Weaving together scientific studies from clinical psychologists, longitudinal studies of health and happiness, historical accounts and literary depictions, child-rearing manuals, and the language of online dating sites, Jonah Lehrer’s *A Book About Love* plumbs the most mysterious, most formative, most important impulse governing our lives. Love confuses and compels us—and it can destroy and define us. It has inspired our greatest poetry, defined our societies and our beliefs, and governs our biology. From the way infants attach to their parents, to the way we fall in love with another person, to the way some find a love for God or their pets, to the way we remember and mourn love after it ends, this book focuses on research that attempts, even in glancing ways, to deal with the long-term and the everyday. The most dangerous myth of love is that it’s easy, that we fall into the feeling and then the feeling takes care of itself. While we can easily measure the dopamine that causes the initial feelings of “falling” in love, the partnerships and devotions that last decades or longer remain a mystery. This book is about that mystery. Love, Lehrer argues, is not built solely on overwhelming passion, but, fascinatingly, on a

set of skills to be cultivated over a lifetime. “Radical and revolutionary.” —Jonny Sun, New York Times bestselling author of *Goodbye, Again* A collection of powerful interconnected essays and affirmations that follow Mimi Zhu’s journey toward embodying and re-learning love after a violent romantic relationship, a stunning and provocative book that will guide and inspire readers to lean into love with softness In their early twenties, Mimi Zhu was a survivor of intimate-partner abuse. This left them broken, in search of healing and ways to re-learn love. This work is a testament to the strength and adaptability all humans possess, a tribute to love. *Be Not Afraid of Love* explores the intersections of love and fear in self-esteem, friendship, family dynamics, and romantic relationships, and extends out to its effects on society and the greater political realm. In sharing their own intimate encounters with oppression, healing, joy, and community, Mimi invites readers to reflect deeply on their own experiences as well, with the intention of acting as a guide to undoing the hurt or uncertainty within them. In this heartrending and revolutionary book, Mimi reminds us, be not afraid of love. Western culture has endlessly represented the ways in which love miraculously erupts in people’s lives, the mythical moment in which one knows someone is destined for us, the feverish waiting for a phone call or an email, the thrill that runs down our spine at the mere thought of him or her. Yet, a culture that has so much to say about love is virtually silent on the no less mysterious moments when we avoid falling in love, where we fall out of love, when the one who kept us awake at night now leaves us indifferent, or when we hurry away from those who excited us a few months or even a few hours before. In *The End of Love*, Eva Illouz documents the multifarious ways in which relationships end. She argues that if modern love was once marked by the freedom to enter sexual and emotional bonds according to one’s will and choice, contemporary love has now become characterized by practices of non-choice, the freedom to withdraw from relationships. Illouz dubs this process by which relationships fade, evaporate, dissolve, and break down “unloving.” While sociology has classically focused on the formation of social bonds, *The End of Love* makes a powerful case for studying why and how social bonds collapse and dissolve. Particularly striking is the role that capitalism plays in practices of non-choice and “unloving.” The unmaking of social bonds, she argues, is connected to contemporary capitalism which is characterized by practices of non-commitment and non-choice, practices that enable the quick withdrawal from a transaction and the quick realignment of prices and the breaking of loyalties. Unloving and non-choice have in turn a

profound impact on society and economics as they explain why people may be having fewer children, increasingly living alone, and having less sex. *The End of Love* presents a profound and original analysis of the effects of capitalism and consumer culture on personal relationships and of what the dissolution of personal relationships means for capitalism. Their odds were 100,000 to one. Her faith was 1 in a million. In *The Gift of Love*, bestselling fiction author Amy Clipston shares her story of almost losing the love of her life to kidney disease and the ultimate sacrifice that kept their family together. An ordinary woman who cherishes family above all else, Amy was challenged in every way—from her strength of character to the depths of her faith to the close-knit family that surrounds her. Enduring the good, the bad, and the really bad, she was determined to help her husband once again be the husband and father their family needed. Amy’s story will give hope and encouragement to anyone who finds themselves waiting on God. Staring down adversity, Amy and her family received the most important gift of all, the gift of love. And regardless of your situation, this gift can be yours too.

An inspirational story of strength and determination, *The Gift of Love* is the triumph of one woman’s faith against all odds, and a soul-filling reminder that no matter how hard life gets, it is worth fighting for. A follow-up to her successful debut *Charleston* and set in the world’s most glamorous landscapes, this moving new love story from Margaret Bradham Thornton draws on a metaphor of entanglement theory to ask: when two people collide, are they forever attached no matter where they are? Helen Gibbs, a British journalist on assignment on the west coast of Mexico, meets Christopher Delavaux, an intriguing half-French, half-American lawyer-turned-financier who has come alone to surf. Living lives that never stop moving, from their first encounter in Bermeja to marriage in London and travels to such places as Saint-Tropez, Tangier, and Santa Clara, Helen and Christopher must decide how much they exist for themselves and how much they exist for each other. In an effort to build his firm, Christopher leads a life full of speed and ambition with little time for Helen and even less when he suspects his business partner of illegal activity. Helen, a reluctant voyeur to Christopher’s world of power and position, searches far and wide for reporting work that will “take a bite out of her soul”—refugees in Calais, a mountain climber in Chamonix, an orphaned circus performer in Cuba. *A Theory of Love* captures the ambivalence at the center of human experience: does one reside in the familiar comforts of solitude or dare to open one’s heart and risk having it broken? Set in some of the most picturesque places in the world, this novel

questions what it means to love someone and leaves us wondering—can nothing save us but a fall? The renowned French philosopher’s “ode to love’s power to unite in the face of eternity, and its optimism in the face of pain” (Publishers Weekly). In a world rife with consumerism, where online dating promises risk-free romance and love is all too often seen as a mere variant of desire and hedonism, Alain Badiou believes that love is under threat. Taking to heart Rimbaud’s famous line “love needs reinventing,” In Praise of Love is the celebrated French intellectual’s passionate treatise in defense of love. For Badiou, love is an existential project, a constantly unfolding quest for truth. This quest begins with the chance encounter, an event that forever changes two individuals, challenging them “to see the world from the point of view of two rather than one.” This, Badiou believes, is love’s most essential transforming power. Through thought-provoking dialogue edited from a conversation between Badiou and Truong, a vibrant cast of thinkers are invoked: Kierkegaard, Plato, de Beauvoir, Proust, and more, create a new narrative of love in the face of twenty-first-century modernity. Moving, zealous, and wise, Badiou’s “paean to the anticapitalist, antiessentialist, unifying power of love” urges us not to fear it but to see it as a magnificent undertaking that compels us to explore others and to move away from an obsession with ourselves (Publishers Weekly). “Finally, the cure for the pornographic, utilitarian exchange of favors to which love has been reduced in America. Alain Badiou is our philosopher of love.” —Simon Critchley, author of *The Faith of the Faithless* “At the touch of a lover, everyone becomes a poet.” —Plato “Who, being loved, is poor?” —Oscar Wilde Love is all around us, and it has inspired the most moving words ever spoken or set to the page. National Book Award Finalist • A superb novel that delicately unearths the myriad manifestations of extraordinary love between ordinary people, from "one of our most gifted writers" (Chicago Tribune) and the winner of the PEN/Malamud Award "A near perfect book, as deep as it is broad in its humaneness, comedy and wisdom." —The Washington Post

The Feast of Love is just that—a sumptuous work of fiction about the thing that most distracts and delights us. In a re-imagined Midsummer Night's Dream, men and women speak of and desire their ideal mates; parents seek out their lost children; adult children try to come to terms with their own parents and, in some cases, find new ones. In vignettes both comic and sexy, the owner of a coffee shop recalls the day his first wife seemed to achieve a moment of simple perfection, while she remembers the women's softball game during which she was stricken by the beauty of the shortstop. A young couple spends hours at the coffee shop fueling the idea of their fierce love. A professor of philosophy, stopping by for a cup of coffee, makes a valiant attempt to explain what he knows to be the inexplicable workings of the human heart. Their voices resonate with each other—disparate people joined by the meanderings of love—and come together in a tapestry that depicts the most irresistible arena of life. Crafted with subtlety, grace, and power, The Feast of Love is a masterful novel. Jen Hatmaker reveals how to practice kindness, grace, truthfulness, vision, and love to ourselves and those around us. "Beautifully written, a highly literate story of friendship, parenthood, and every other kind of love you can imagine." —Marisa de los Santos, author of Love Walked In When Jill becomes both pregnant and single at the end of one spring semester, she and her two closest friends plunge into an experiment in tri-parenting, tri-schooling, and trihabitating as grad students in Seattle. Naturally, everything goes wrong, but in ways no one sees coming. Janey Duncan narrates the adventure of this modern family with hilarity and wisdom and shows how three lives are forever changed by (un)cooperative

parenting, literature, and a tiny baby named Atlas who upends and uplifts their entire world. In this sparkling and wise debut novel, *The Atlas of Love*, Frankel's unforgettable heroines prove that home is simply where the love is. An anthology of more than two hundred excerpts of poetry, fiction, and memoirs, both classic and contemporary, pertaining to the many moods of love • Practical and inspiring ways to practice a Jesus-centered life • Foreword by Michael B. Curry, Presiding Bishop of The Episcopal Church

So often we think of the Christian faith as an obligation or as a set of beliefs that we must hold. With this outlook, we can lose sight of what is most important: the invitation to experience a loving, personal relationship with God. It's a relationship we can trust, where we can find refuge and solid ground upon which to stand. *The Way of Love* set forth by the Episcopal Church's Presiding Bishop Michael Bruce Curry is the journey of a lifetime. It's a way of knowing God, receiving and sharing Jesus' love, and being a blessing to the world. Mariann Edgar Budde shares her thoughts on how the reader can come to know--to receive--Jesus more deeply in practicing the *Way of Love*. Through the seven practices that have been put before us: to turn, to learn, to pray and to worship, to bless, to go, and to rest, she will share biblical stories, wisdom from the Christian tradition, and her own personal stories of spiritual growth. This heartwarming follow-up to *An Awesome Book!* explores the many faces of love, from self-published sensation Dallas Clayton *Take a walk on the loving side* as each page of *An Awesome Book of Love* perfectly details just how your heart feels in loving moments. There are so many different kinds of love—the way you love your husband or wife, the way you love your child, the way you love your parents—and Dallas Clayton knows just how to describe them all. Filled with colorful and vivacious illustrations, this hardcover is a perfect gift for Valentine's Day—or really for any day you'd like to tell someone special how much you care. One of E! News' 13 Books to Read This September | One of Bookish's Debuts to Read in the Second Half of 2021 | One of Medium's Best Releases Out Today “Hazel Hayes writes with such honesty and casual confidence and flowing dialogue, you feel you are overhearing it rather than reading it. The writing sparkles with wit and a poignant emotional reality. I love it.”—Matt Haig, bestselling author of *The Midnight Library* “A smart, touching, time-bending romance. Funny and affecting.”—David Nicholls, bestselling author of *One Day* and *Sweet Sorrow* For anyone who has loved and lost, and lived to tell the tale, this gorgeously written debut is a love story told in reverse, a modern novel with the heart of a classic: truthful, tragic, and

ultimately full of hope. *Out of Love* begins at the end. A couple call it quits after nearly five years, and while holding a box of her ex-boyfriend's belongings, the young woman wonders: How could they have spent so long together? When did they fall out of love? Were there good times before the bad? These are the questions we obsess over when a relationship ends, even when obsessing can do no good. But instead of moving forward through the emotional fallout of a break-up, *Out of Love* moves backward in time, weaving together an already unraveled tapestry, from tragic ending to magical first kiss. Each chapter jumps further into the past, mining their history for the days and details that might help us understand love; how it happens and why it sometimes falls apart. Readers of *Normal People*; *Goodbye, Vitamin*; and *One Day* will adore this bittersweet romance, a sparkling debut that you won't want to miss.

- Reflections follow the practices of *The Way of Love*—Turn, Learn, Pray, Worship, Bless, Go, Rest
- Each devotion includes a passage of scripture, a story, and reflection questions
- Perfect during Lent or any time of year

"*Living the Way of Love*" offers forty brief reflections about the seven Jesus-centered practices identified by Presiding Bishop Michael Curry in "The Way of Love" initiative. Sullivan tells stories from her own and others' experiences as a starting point for discussion about how to seek and find a deeper connection to God. Rotating through each practice so that each is covered once a week, going deeper into the practice throughout the forty days, each reflection ends with questions designed to spur further discussion and assist readers in making the practices their own. Perfect for using as a Lenten devotional or at any time of the year, the book includes a guide for creating a personal rule of life, and a downloadable Facilitator's Guide. Once there was a gospel written in Christ's own hand: a treasure of almost unimaginable magnitude, referred to by the Cathars of medieval France as *The Book of Love*... Fresh from her successful search for the long-hidden scrolls written by Mary Magdalene, journalist Maureen Pascal now finds herself on the trail of the legendary lost gospel known as the *Book of Love*. But just as there were those who would stop at nothing to seize and suppress the *Book of Love* seven centuries ago, so there are those today who are equally determined that its radical message should never be revealed. In a race across Italy and France, new dangers await Maureen and her lover Sinclair as they begin to uncover secrets and shine new light on the hidden corners of Christianity. Combining expert research with dazzling plot twists, *The Book of Love* is sure to thrill readers as they follow Maureen's search for clues through some of the world's

greatest art, architecture and history, until a potentially fatal encounter reveals the Book of Love to her -- and to us. Real life, encouraging stories embodying the bold, brave, beautiful choice to love. “To last for the long haul and through the stresses and complexities of life, love has to be more than something we feel. It has to be something we do. We have to demonstrate it concretely in our marriages and families, among our friends and acquaintances, and, yes, even among our enemies. And that's what this book is about. In its pages, you'll see examples of people just like you—like all of us—who learned to take the obstacles, the lemons they face in life, and turn them into satisfying, emotional thirst-quenching nectar. These are the success stories that make you want to go out and discover the power of love.” Gary Chapman If you're feeling weary or burdened by the call to love, you'll find strength and hope in the pages of this book. A Counting of Love, is a book about love in all her facets, wearing all her faces and in all her seasons, harsh and beautiful. 'Love has a way of finding you in the long grass, when you are not looking for her--not searching for anything other than yourself. That's when love walks in on soft feet, taps you on the shoulder, sits down with you and whispers your name. Isn't this a beautiful mystery--how love is an anchor, a compass, a map and a home.'

Following the success of her debut volume of poetry, Stripped, Glasgow poet Liezel Graham's distinct voice continues in her second collection of poems, A Counting of Love. With her trademark honesty, Graham explores motherhood, autism, relationships, grief and loss, her relationship with faith and spirituality, and nature. She writes with a raw and vulnerable voice, leaving the reader with a sense of the beauty that might be found at the heart of any struggle. 'Writing of difficult things with the kind of wisdom that only comes from walking the difficult road, from carrying a weight of sorrows, she shines dignity and truth in dark places, her words make grief a less lonely place, they spur the weary on. She manages to capture joy and the ability to see beauty still in the depths of sorrow. Brave, broken, beautiful, with a soulful joy that feels like a rebellion, there are loads of days I think she's the best thing on the internet.' -- Vicky W. '...a beautiful well-worn heart that shows through in each of her poems. She is a gifted poet and storyteller, weaving a parachute of hope from heartache, trauma and loss.' -- Bethany H.

Inspired by her hugely popular Plumdog Blog, this charming story explores how to deal with feelings of jealousy. "Among the many flavours of children's books, that of Emma Chichester Clark's – funny, elegant and delicious" – Quentin Blake An inspiring chronicle of life-changing encounters, personal transformation and a vision of love that transcends the everyday definition, to embrace universal kindness and compassion, based on the knowledge that all beings are one family and that our capacity to love is one of the world's most hidden yet powerful resources. The book is groundbreaking in its affirmation of love as a pathway for people of widely differing viewpoints. Unexpectedly changed by love, Fran Grace went on a journey to learn more about its power to transform and heal. She interviewed renowned spiritual teachers, scientists, activists and artists, all chosen with the help of her spiritual teacher. Each encounter helped her overcome obstacles on her path. The book gives readers a direct encounter with teachers

of love in the world today. From diverse faiths and fields of work, they reveal the power of love to be the next frontier of global consciousness, suggesting many ways to uncover it and live it. Includes photographs and unique contributions from: Dr. David R. and Susan Hawkins - H. H. the 17th Karmapa - Father Pavlos of Sinai - Llewellyn and Anat Vaughan-Lee - Mona Polacca and The International Council of the 13 Indigenous Grandmothers - Betty J. Fran Grace's personal narrative is pulsed by her encounters with the pioneering teachers of love listed above, each of whom has a chapter that includes a brief biography, excerpts from their dialogue with the author, and her sense of how the encounter helped her to overcome the many obstacles to love. The book takes readers on a journey into Buddhist and Hindu monasteries in India, an Indigenous Grandmothers' fire circle in the Black Hills, Mother Teresa's Homes for the Poor in Rome, Calcutta, and Tijuana, laboratory of a Stanford physicist, home of a Sufi sheikh, largest meditation hall in N. America, and a college classroom in California. She interviews those familiar with the stark Sinai desert, slave dungeons in Ghana, and near-death experiences. In the end, love is found to animate every moment of ordinary life. Inspiring story of personal transformation. Compelling account of how the world is transformed through everyday acts of kindness. A rich resource of teachings on love, healing and compassion from a wide range of spiritual traditions, with a rare inside view of some of the world's most respected teachers. Includes index, biographical profiles, bibliography, endnotes. No matter how much is learned, if that learning remains in our heads, it is not enough. Unless learning touches our hearts, it's never going to bring us the wisdom we seek, the peace we desire, or the intimacy and connection for which we yearn. A new and more receptive way of knowing is needed, and is found in this course for the heart. "A Course of Love" was received by Mari Perron and given to be a "new" course in miracles. It is for the heart what "A Course in Miracles" is for the mind. For many, it is the next step in a journey already begun. "There are so many people and things I love. My Mum and Dad, my friends, a special treat-- or just a big hug. This delightfully illustrated book introduces children to different aspects of love-- from both the giving and receiving end. A special page for parents is included at the back"--P. [4] of cover.
