[The Bob Hope Memorial Book](#) Xulon Press, Incorporated,2003-08 [One More Step](#) Rachel Wojo,2015-10-20 We've all had situations in our lives

where we just couldn't see how we'd make it through another day. With this book you'll be encouraged and lifted up by Rachel, a friend who understands how to seek God's strength and healing in the midst of the pain.

Lysa TerKeurst, author of *It's Not Supposed to Be This Way*: Learn to overcome obstacles one step at a time through your faith in God. Life often sends hard things our way: illness, financial struggles, broken relationships, and so many kinds of loss. Sometimes we can't imagine a way forward. So how do we keep going when everything is going wrong? Rachel Wojo has learned that hope rises to greet us when we find the strength to take *One More Step*. Like you, Rachel has faced experiences that crushed her dreams of the perfect life: a failing marriage, a daughter's heartbreaking diagnosis, and more. In this book she transparently shares her pain and empathizes with yours, then points you to the path of God's Word where you'll find hope to carry you forward. *One More Step* gives you permission to ache freely and helps you believe that life won't always be this hard. No matter the circumstances you face through these pages you'll learn to run to God's Word when discouragement strikes, replace feelings of despair with the truth of Scripture, persevere through out-of-control circumstances, and gain a more intimate relationship with Jesus. Rachel identifies the reasons you may be tempted to quit and shows you where to find the courage to keep going, one step at a time. You're not alone. So don't give up. God won't let you down. That's a promise.

Hands Free Mama, Rachel Macy Stafford, 2014-01-07: Discover the power, joy, and love of living a present, authentic, and intentional life despite a world full of distractions. If technology is the new addiction, then multitasking is the new marching order. We check our email while cooking dinner, send a text while bathing the kids, and spend more time looking into electronic screens than into the eyes of our loved ones. With our never-ending to-do lists and jam-packed schedules, it's no wonder we're distracted. But this isn't the way it has to be. Special education teacher, *New York Times* bestselling author, and mother Rachel Macy Stafford says enough is enough. Tired of losing track of what matters most in life, Rachel began practicing simple strategies that enabled her to momentarily let go of largely meaningless distractions and engage in meaningful, soul-to-soul connections. Finding balance doesn't mean giving up all technology forever. And it doesn't mean forgoing our jobs and responsibilities. What it does mean is seizing the little moments that life offers us to engage in real and meaningful interaction. In these pages Rachel guides you through how to acknowledge the cost of your distraction, make purposeful connections with your family, give your kids the gift of your undivided attention, silence your inner critic, let go of the guilt from past mistakes, and move forward with compassion and gratefulness. So join Rachel and go hands free. Discover what happens when you choose to open your heart and your hands to the possibilities of each God-given moment.
