Dear [Mr./Ms./Mx.] [Hiring Manager's Last Name],

I'm writing to apply for the post of Civil Engineer listed on [Website Name]. With over 8 years of experience in both public and private infrastructure projects, I'm known for providing technical support and guidance to project teams and overseeing projects from start to finish with considerable care and attention to detail.

In my current role, I maintain inventory levels, perform preventive maintenance checks, inspect and monitor work areas to ensure safety, and supervise and train project employees, including in-house, external, and sub-contractors. I firmly believe my knowledge and experience gained as a Civil Engineer will add value to this position, and ultimately, your organization.

As an ambitious and capable individual, I have gained expertise in almost every corner of the construction profession. I would greatly appreciate the opportunity to join an esteemed and reputable construction firm such as yours.

Please have a look at my enclosed resume for detailed information about my work experience and education. I'm looking forward to discussing more in person.

Sincerely,

David Pérez
