In the late '60s, underground comix changed the way comics readers saw the medium — but there was an important pronoun missing from the revolution. In 1972, ten women cartoonists got together in San Francisco to rectify the situation and produce the first and longest-lasting all-woman comics anthology, *Wimmen's Comix*. Within two years the *Wimmen's Comix* Collective had introduced cartoonists like Roberta Gregory and Melinda Gebbie to the comics-reading public, and would go on to publish some of the most talented women cartoonists in America — Carol Tyler, Mary Fleener, Dori Seda, Phoebe Gloeckner, and many others. In its twenty year run, the women of *Wimmen's* tackled subjects the guys wouldn't touch with a ten-foot pole: abortion, menstruation, masturbation, castration,

lesbians, witches, murderesses, and feminists. Most issues of Wimmen's Comix have been long out of print, so it's about time these pioneering cartoonists' work received their due. The stories all revolve around gals who are seriously stacked in this omnibus edition of erotic tales by one of Japan's most popular ero-manga artists, Yukiyanagi. As with her evocative debut book, *Black is the Color*, Julia Gfrörer's delicate, gothic drawing style perfectly complements the period era of the book's setting, bringing the lyricism and romanticism of her prose to the fore. Lorna, a Barbarella-like space adventurer, travels the galaxy accompanied by two droids, fighting the crime lord Mouse and enjoying sexual encounters with a variety of aliens. In 1976, a fledgling magazine held forth the idea that comics could be art. In 2016, comics intended for an adult readership are reviewed favorably in the *New York Times*, enjoy panels devoted to them at Book Expo America, and sell in bookstores comparable to prose efforts of similar weight and intent. *We Told You So: Comics as Art* is an oral history about Fantagraphics Books' key role in helping build and shape an art movement around a discredited, ignored and fading expression of Americana. Collecting 101 noir movie posters of, arguably, the greatest noir films ever made (including classics *The Maltese*

The odyssey of Exether Mega, a young military pilot caught up in an interplanetary conflict between humans — under the banner of the Planetary United States — and the Krommiums. After narrowly escaping an attack by an enemy patrol, Mega begins a perilous journey across enemy lines. Through a series of encounters —with both friends and foes — Mega discovers she's at the center of a complex, secret experiment to create the ultimate weapon of war. As further clues to her role, identity, and destiny are revealed to her, the powers that be ramp up their efforts to capture her. A spectacular and riveting space opera by the creator of Leo Roa and the illustrator of The Metabarons saga. R. Kikuo Johnson has created an intimate and compelling graphic novel-length drama of young men on the cusp of adulthood. First-rate prep school, S.U.V., and a dream house in the heights: This was the island paradise handed to Loren Foster when he moved to Hawaii with his father six years ago. Now, with the end of high school just around the corner, his best friend, Shane, has grown distant. The rumors say it's hard drugs, and Loren suspects that Shane has left him behind for a new group of friends. What sets Johnson's drama apart is the naturalistic ease with which he explores the relationships of his characters. It is at once an unsentimental portrait of that most awkward period between adolescence and young adulthood and that rarest of things: a mature depiction of immature lives. When digital photography nerd Tomonori Tsuda accidentally shoots an up skirt

photo of classmate Hikaru Ohno, he discovers that (a) she has the Britney Spears approach to panties and (b) she's far more of a freak than anyone ever knew -- there's... THINGS up in there He gamely tries to use the photo to pressure the statuesque (six foot one of fun fun fun ) Hikaru into sex, only to have the tables turned on him as they embark on a wild, woolly, and very wet sexual relationship in which games, domination and humiliation play an enormous part. Soon Hikaru's older-but-immature sister Kei, Hikaru's jealous childhood rival Ryoko, and her (very lucky) boyfriend Koichi are drawn into the vortex of lust and perversion, resulting in three-ways, four-ways, and five-ways, with penetration combinations you have to see to believe, and more money shots per square inch than any other MangErotica comic (we counted ). DOMIN-8 ME is the second book (after the smash hit PINK SNIPER) in our series of all-new hentai graphic novels presented in a super-authentic facsimile format, including the back-to-front right-to-left reading of the original. What if three young girls begged you to take their virginity? If your new live-in maid turned out to be a nymphomaniac? If your cute young cousin grew up but still wanted to "play"? If your stacked sister ignored you at school, but paid you way too much attention at home? Select any one of the ten stories in this volume and enjoy the superb artwork of one of Japan's best-selling erotic manga artists. Traditional right-to-left manga format, with a full-color prologue. Re-releasing the crazed adventure from Kevin Eastman and Simon Bisley! This new edition will feature artwork re-mastered by Kevin Eastman, all-new colors, and a plethora of sketches, process work, and other bonus material. Fans and comedy cognoscenti alike have made Thrizzle the smash hit humor comic of the decade. And now the first four issues of Michael Kupperman's revered series are finally collected into one deluxe hardcover. Kyosuke Toyo is tired of masturbating. But when the girl next door comes knocking, you know things are going to get complicated. In the battle for Kyosuke's love, will silicone and sex win out? Also included in this volume is The Dirty Triangle, a teenage tale of unrequited love and the lengths we'll go through to be with that special someone even if it means you're the third wheel. Kazuma Takeuchi explores the boundaries of human desire and the ways we satisfy those desires. Take in the gorgeous curves and revel in the glory of the female form. Bountiful bosoms abound in this raunchy romance! \*\*This book is uncensored. Everything that you need to know about reading, making, and understanding comics can be found in a single Nancy strip by Ernie Bushmiller from August 8, 1959. Paul Karasik and Mark Newgarden's groundbreaking work How to Read Nancy ingeniously isolates the separate building blocks of the language of comics through the deconstruction of a single strip. No other book on comics has taken such a simple yet methodical approach to laying bare how the comics medium really works. No other book of any kind has taken a single work by any artist and minutely (and entertainingly) pulled it apart like this. How to Read Nancy is a completely new approach towards deep-reading art. In addition, How to Read Nancy is a thoroughly researched history of how comics are made, from their creation at the drawing board to their ultimate destination at the bookstore. Textbook, art book, monogram, dissection, How to Read Nancy is a game changer in understanding how the "simplest" drawings grab us and never leave. Perfect for students, academics, scholars, and casual fans.
