[The Cairo Puzzle](#) Laurence O'Bryan, 2017 From the award winning bestselling author of *The Istanbul Puzzle* For those who want to understand where the latest real headline grabbing revelations from the Great Pyramid of Giza will lead us Read as a stand alone or start the series with *The Istanbul Puzzle* Henry warned her If you go to Cairo you'll get yourself killed But what choice does Isabel have She has to find Sean her missing husband and she's discovered that a hospital in Cairo treated an American patient recently flown to Cairo from Germany for some unexplained reason But she's arrived at the wrong moment A mass uprising is being crushed in Tahrir Square The next day an Egyptian billionaire announces a discovery at the Great Pyramid of Giza Isabel decides to talk to him He might help her find Sean She ends up deep in the desert at a camp run by the Muslim Brotherhood They murder her driver in front of her then ask her to carry one simple task They will lead her to Sean if she agrees But what they are asking goes against everything she believes in And time is running out The Great Pyramid of Giza provides the final piece of the puzzle which Isabel and Sean first encountered in Istanbul In a fabled hall assumed by most to be an ancient myth Isabel finds out what happened to her husband She also discovers what lies beneath the Great Pyramid based on real ground penetrating archaeology which will undermine what millions cherish as the truth Reviews for other novels in the Puzzle series 5.0 out of 5 stars for this guy's stories and plots Kindle CustomerFormat Kindle Edition Verified Purchase Love this guy's stories I have read all volumes of this series and was not disappointed with any of them Looking forward to the next one 5.0 out of 5 stars Kindle CustomerFormat Kindle Edition Verified Purchase Could not put this book away held my attention from the first page to the last one Can't wait to read more from this author Kindle CustomerFormat Kindle Edition Verified Purchase

[The Road To The Bridge](#) Laurence O'Bryan, 2019-12-04 Torn between love and duty Constantine faces disaster Juliana his mistress has been kidnapped by a raiding party and taken to northern Germania out of reach of his legions Ignoring his mother's demands for him to marry quickly Constantine assembles a Roman cavalry cohort and heads into the endless forest Somewhere far ahead is the meeting place of the tribes where Juliana is facing a fight to the death among a people who collect skulls as ornaments and are ruled by a queen with a strong blood lust Constantine then

finds out that his young son has been taken to Rome as a hostage His only hope of rescuing him is to march on the city Battered and in disarray he and his legions finally reach the city walls His Saxon allies have defected He is seriously injured and every key battle his army has won was because of his personal intervention Then his closest friend the leader of the Christians in Rome also defects to the enemy Is this the end for Constantine The Battle of the Milvian Bridge was one of the most important in history This story tells us what could have happened that stormy day in 312 A D and who the women were who changed the course of the battle *The Mandaean Book of John* Charles G. Häberl, James F. McGrath, 2019-11-18 Given the degree of popular fascination with Gnostic religions it is surprising how few pay attention to the one such religion that has survived from antiquity until the present day Mandaism Mandaean who esteem John the Baptist as the most famous adherent to their religion have in our time found themselves driven from their historic homelands by war and oppression Today they are a community in crisis but they provide us with unparalleled access to a library of ancient Gnostic scriptures as part of the living tradition that has sustained them across the centuries Gnostic texts such as these have caught popular interest in recent times as traditional assumptions about the original forms and cultural contexts of related religious traditions such as Judaism Christianity and Islam have been called into question However we can learn only so much from texts in isolation from their own contexts Mandaean literature uniquely allows us not only to increase our knowledge about Gnosticism and by extension all these other religions but also to observe the relationship between Gnostic texts rituals beliefs and living practices both historically and in the present day *Science and Application of High-Intensity Interval Training* Laursen, Paul, Buchheit, Martin, 2019 The popularity of high intensity interval training HIIT which consists primarily of repeated bursts of high intensity exercise continues to soar because its effectiveness and efficiency have been proven in use by both elite athletes and general fitness enthusiasts Surprisingly few resources have attempted to explain both the science behind the HIIT movement and its sport specific application to athlete training That's why *Science and Application of High Intensity Interval Training* is a must have resource for sport coaches strength and conditioning professionals personal trainers and exercise physiologists as well as for researchers and sport scientists who study high intensity interval training

Inconceivable Beasts Asa Simon Mittman, Susan M. Kim, 2013 Bound with Beowulf the Old English Wonders of the East a catalogue of marvelous beings describes the very creatures it depicts as ungebraegelicu unheard of inconceivable Insistently these representations both visual and textual provoke questions about the nature and possibility of representation itself In doing so they also destabilize the notion of scholarship as being able to provide final concrete meanings even as they suggest the possibility for other ways of approaching meanings including the question of what it meant and means to be a monster and thus to be human Containing the first color facsimile of the Wonders transcription translation and extensive commentary this volume should be of interest to students and scholars of Old English literature Anglo Saxon art and monster studies Book jacket
