With them are two backcountry guides—along with a psychic and a paranormal photographer who are there to investigate rumors that the town is haunted. But Abigail and her companions are about to learn that the town's ghosts are the least of their worries. Twenty miles from civilization, with a blizzard bearing down, they realize they are not alone. The ordeal that follows will test this small team past the breaking point as they battle the elements and human foes alike—and discover that the town's secrets still have the power to kill. What's outside is a thousand times worse. Welcome to Wayward Pines, the last town. Secret Service agent Ethan Burke arrived in Wayward Pines, Idaho, three weeks ago. And now that secret is about to come storming through the fence to wipe out this last, fragile remnant of humanity. The Last Town at last pitches Ethan Burke and his fellow residents into all-out war against the forces outside the town's gates—and in doing so delivers every bit the riotously

horrific, breathlessly action-packed conclusion that the Wayward Pines trilogy deserves.

The Temporary Gentleman Aug 01 2022 A stunning new novel from the two-time Man Booker shortlisted author of *The Secret Scripture*. Sebastian Barry's latest novel, *A Thousand Moons*, is now available. Irishman Jack McNulty is a "temporary gentleman"—an Irishman whose commission in the British army in World War II was never permanent. Sitting in his lodgings in Accra, Ghana, in 1957, he's writing the story of his life with desperate urgency. He cannot take one step further without examining all the extraordinary events that he has seen. A lifetime of war and world travel—as a soldier in World War II, an engineer, a UN observer—has brought him to this point. But the memory that weighs heaviest on his heart is that of the beautiful Mai Kirwan, and their tempestuous, heartbreaking marriage. Mai was once the great beauty of Sligo, a magnetic yet unstable woman who, after sharing a life with Jack, gradually slipped from his grasp. Award-winning author Sebastian Barry's *The Temporary Gentleman* is the sixth book in his cycle of separate yet interconnected novels that brilliantly

reimagine characters from Barry's own family.

*The Paradox Hotel* Oct 23 2021 "Time travel, murder, corruption, restless baby dinosaurs, and a snarky robot named Ruby collide in this excellent, noir-inflected, humor-infused, science-fiction thriller."—The Boston Globe An impossible crime. A detective on the edge of madness. The future

of time travel at stake. From the author of The Warehouse . . . ONE OF THE BEST BOOKS OF THE YEAR: NPR, Kirkus Reviews January Cole's job just got a whole lot harder. Not that running security at the Paradox was ever really easy. Nothing's simple at a hotel where the ultra-wealthy tourists arrive costumed for a dozen different time periods, all eagerly waiting to catch their "flights" to the past. Or where proximity to the timeport makes the clocks run backward on occasion—and, rumor has it, allows ghosts to stroll the halls. None of that compares to the corpse in room 526. The one that seems to be both there and not there. The one that somehow only January can see. On top of that, some very important new guests have just checked in. Because the U.S. government is about to privatize time-travel technology—and the world's most powerful people are on hand to stake their claims. January is sure the timing isn't a coincidence. Neither are those "accidents" that start stalking their bidders. There's a reason January can glimpse what others can't. A reason why she's the only one who can catch a killer who's operating invisibly and in plain sight, all at once. But her ability is also destroying her grip on

reality—and as her past, present, and future collide, she finds herself confronting not just the hotel's dark secrets but her own. At once a dazzlingly time-twisting murder mystery and a story about grief, memory, and what it means to—literally—come face-to-face with our ghosts, *The Paradox Hotel* is another unforgettable speculative thrill ride from acclaimed author Rob Hart.

*Stirred* Apr 16 2021 Lt. Jacqueline "Jack" Daniels has seen humanity at its most depraved and terrifying. Luther Kite is humanity at its most depraved and terrifying. But with a baby on the way, Jack is at her most vulnerable.

The Fold Apr 28 2022 A page-turning science-fiction thriller from the author of Paradox Bound and the Ex-Heroes series. Step into the fold. It's perfectly safe. The folks in Mike Erikson's small New England town would say he's just your average, everyday guy. And that's exactly how Mike likes it. Sure, the life he's chosen isn't much of a challenge to someone with his unique gifts, but he's content with his quiet and peaceful existence. That is, until an old friend presents him with an irresistible mystery, one that Mike is uniquely qualified to solve: far out in the California desert, a team of DARPA scientists has invented a device they affectionately call the Albuquerque Door. Using a cryptic computer equation and magnetic fields to "fold" dimensions, it shrinks distances so that a traveler can travel hundreds of feet with a single step. The invention promises to make

mankind's dreams of teleportation a reality. And, the scientists insist, traveling through the Door is completely safe. Yet evidence is mounting that this miraculous machine isn't quite what it seems—and that its creators are harboring a dangerous secret. As his investigations draw him deeper into the puzzle, Mike begins to fear there's only one answer that makes sense. And if he's right, it may only be a matter of time before the project destroys...everything. A cunningly inventive mystery featuring a hero worthy of Sherlock Holmes and a terrifying final twist you'll never see coming, *The Fold* is that rarest of things: a genuinely page-turning science-fiction thriller.
