2 Peter Dave Edwins,2015-04-13 Living in the Light of God s Promises Today we often throw around the word promise just as superficially as we might use the word hope and in effect these words have been watered down from their real meaning and weight God s promise is sure as is the hope we can have in believing He will fulfill His promises Faced with the challenge of false teaching Peter seeks to encourage his friends to keep growing and developing in their love and knowledge of Jesus He tells them to wait patiently and confidently assured that God s promises would be fulfilled Whatever our challenges are today we too can find encouragement and hope to keep boldly on with our journey of faith Part of the Cover to Cover Bible Study Series it includes 7 sessions with Leader s notes it is ideal for individual or small group use and it is a part of Small Group Central

Life's 'Answer' Richard Broadhurst, 2012-08-22 Everyone needs a reason to get up in the morning they need a driving force or motive within themselves to spur and encourage them every day Ultimately people are looking for some form of gain adventure fulfilment enjoyment or challenge and this may be expressed as a search for the answer to a worthwhile life and this book points the way to it 63 It includes how to get the best out of life or make a new start and shows the steps to be taken using a personal not formal approach However many others make the above claims but the pathway given here is progressive offers positive hope and security and is based on the Christian Faith 54 117 The second part of the book provides backing for the earlier claims and goes much further by taking a detailed look at the Christian Faith using biblical scriptures notes and quotations to explain the main elements of the Faith It assumes no prior knowledge and avoids jargon 47 164
