Nathaniel John Saul,1984-07-01 For a hundred years the people of Prairie Bend have whispered Nathaniel s name in wonder and fear Some say he is a folktale created to frighten children on cold winter nights Some swear he is a terrifying spirit returned to avenge the past But soon very soon some will learn that Nathaniel lives still that he is darkly horrifyingly real Nathaniel he is the voice that calls to young Michael Hall across the prairie night the voice that draws the boy into the shadowy depths of the old crumbling forbidden barn that chanting compelling voice he will follow faithfully beyond the edge of terror

Second Child John Saul, 1991 One hundred years ago in the beautiful village of Secret Cove Maine on the night of the annual August Moon Ball a shy and lovely servant girl committed an act so unspeakably violent that its legacy still lives Now the blood drenched past of this small town is about to come to life once more just in time for this year's August Moon Ball

The Right Hand of Evil John Saul, 1999-09-24 When the Conways move into their ancestral home in Louisiana after the death of an estranged aunt it is with the promise of a new beginning But the house has a life of its own Abandoned for the last forty years surrounded by thick trees and a stifling sense of melancholy the sprawling Victorian house seems to swallow up the sunlight Deep within the cold cellar and etched into the very walls is a long dark history of the Conway name a grim bloodline poisoned by suicide strange disappearances voodoo rituals and rumors of murder But the family knows nothing of the soul shattering secrets that snake through generations of their past They do not know that terror awaits them For with each generation of the Conways comes a hellish day of reckoning

In the Dark of the Night John Saul, 2007-06-26 Summer vacation becomes a season in hell for an ordinary family who unwittingly stir something invisible insidious and insatiable from its secret slumber unleashing a wave of horror only the darkest evil could create that only a master of spine tingling terror like John Saul could orchestrate For deep in the shadows in the dark of the night lurks something as big as life and as real as death It has waited seven years for someone to come back to the rambling lakeside house called Pinecrest which has stood empty since its last owner went missing For upscale Chicago couple Dan and Merrill Brewster the old midwestern manse is an ideal retreat and for their kids Eric and Marci it's the perfect place to spend a lazy summer exploring Which is how Eric and his teenage friends discover the curious cache of discarded objects stowed in a hidden room of Pinecrest's carriage house The bladeless hacksaws shadeless lamps tables with missing legs headless axe handle and other unremarkable items add up to a pile of junk Yet someone took the trouble to inventory each worthless relic in a cryptic ledger It has all the makings of a great mystery whispering coaxing demanding to be solved But the more the boys devote themselves to restoring the forgotten possessions and piecing together the puzzle behind them the more their fascination

deepens into obsession Soon their days are consumed with tending the strange secret collection while their nights become plagued by ever more ghastly dreams nightmares that soon seep into reality And when a horrifying discovery surfaces so does the chilling truth about the terrifying events that rocked the town seven years before the mysterious disappearance of Pinecrest s last resident and a twisted legacy with a malevolent life of its own and a bottomless hunger for new victims
