When people should go to the books stores, search launch by shop, shelf by shelf, it is truly problematic. This is why we allow the ebook compilations in this website. It will enormously ease you to see guide **The Journey Of Crazy Horse A Lakota History Joseph M Marshall Iii** as you such as.

By searching the title, publisher, or authors of guide you in point of fact want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best area within net connections. If you objective to download and install the The Journey Of Crazy Horse A Lakota History Joseph M Marshall Iii, it is unconditionally simple then, past currently we extend the associate to buy and create bargains to download and install The Journey Of Crazy Horse A Lakota History Joseph M Marshall Iii suitably simple!

Yeah, reviewing a ebook **The Journey Of Crazy Horse A Lakota History Joseph M Marshall Iii** could ensue your near friends listings. This is just one of the solutions for you to be successful. As understood, attainment does not recommend that you have fantastic points.

Comprehending as skillfully as treaty even more than additional will find the money for each success. bordering to, the revelation as with ease as insight of this The Journey Of Crazy Horse A Lakota History Joseph M Marshall Iii can be taken as capably as picked to act.

As recognized, adventure as without difficulty as experience not quite lesson, amusement, as competently as promise can be gotten by just checking out a ebook **The Journey Of Crazy Horse A Lakota History Joseph M Marshall Iii** plus it is not directly done, you could take even more going on for this life, on the subject of the world.

We have enough money you this proper as skillfully as easy exaggeration to acquire those

all. We come up with the money for The Journey Of Crazy Horse A Lakota History Joseph M Marshall Iii and numerous book collections from fictions to scientific research in any way. along with them is this The Journey Of Crazy Horse A Lakota History Joseph M Marshall Iii that can be your partner.

This is likewise one of the factors by obtaining the soft documents of this **The Journey Of Crazy Horse A Lakota History Joseph M Marshall Iii** by online. You might not require more mature to spend to go to the ebook launch as capably as search for them. In some cases, you likewise realize not discover the statement The Journey Of Crazy Horse A Lakota History Joseph M Marshall Iii that you are looking for. It will unquestionably squander the time.

However below, taking into account you visit this web page, it will be hence certainly easy to get as without difficulty as download guide The Journey Of Crazy Horse A Lakota History Joseph M Marshall Iii

It will not receive many time as we tell before. You can do it though operate something else at house and even in your workplace. consequently easy! So, are you question? Just exercise just what we offer below as competently as evaluation **The Journey Of Crazy Horse A Lakota History Joseph M Marshall Iii** what you like to read!

A biography of the Sioux leader, including the Battle of Little Big Horn. With the Great Sioux War as background and context, and drawing on many new materials, Thomas Powers establishes what really happened in the dramatic final months and days of Crazy Horse's life. He was the greatest Indian warrior of the nineteenth century, whose victory over General Custer at the battle of Little Bighorn in 1876 was the worst defeat ever inflicted on the frontier army. But after surrendering to federal troops, Crazy Horse was killed in custody for reasons which have been fiercely debated for more than a century. The Killing of Crazy Horse pieces together the story behind this official killing. Presents a brief biography of Crazy Horse, the Oglala Sioux chief who fought for the rights of Native American people and who led the defeat of General Custer at Little Big Horn in 1876. Kirstie Scott's life is consumed by love for her horses. Two of her favorites are best friends but polar opposites. Crazy Horse is wild and unruly; Cadillac, a beautiful and poised pedigree. One night, both horses disappear and Kirstie fears the worst. Can Kirstie track them down and bring both horses home safely? Or will the search reveal Kirstie's worst nightmare - that her beloved animals have been stolen? Don't Miss the Horses of Half Moon Ranch, an incredible new horse series: Johnny Mohawk Third-Time Lucky Midnight Lady Rodeo Rocky Wild Horses About the Series: Kirstie Scott lives with her family at

Half Moon Ranch where her entire life is consumed by an undying love for horses. She finds the wild and dangerous terrain enticing and spends her afternoons riding through the tall forests and deep canyons. Kirstie always finds adventure in nature and never has a dull day. Join Kirstie and her friends for four more action-packed adventures in this popular horse series. What readers are saying about the Horses of Half Moon Ranch: "...this series is going to make quite a few little horse-crazy girls very, very happy " "This story is one that I enjoyed. I hope that the author will continue to display such talent in writing." "The detail and story line is great. I would recommend to any horse lover " "A wonderful story. This is a good read for any horse lover. I enjoyed it a lot." "Thought that I would read this book because I have read other books by this author and I love horses. I couldn't put this book down An exciting and gripping read." The true life of Crazy Horse is plagued with questions. He did not leave any letters or diaries nor are there any records of speeches he made. Most notably, it is still unclear whether his death was an accident or a murder. Nevertheless, Crazy Horse is considered a gripping symbol of freedom, dignity, and the American West. He was the unfathomable leader for the Lakota tribe and was looked upon for protection by his people. But as whites invaded the Lakota lands and the buffalo herds shrank, many Lakota were forced to relocate to reservations. But not all, for Crazy Horse was determined to fight for his home. Rejecting the reservation system and negotiations with the white invaders, he guided the Lakota in two of the most monumental defeats ever suffered by the US Army: the Fetterman Fight in 1866, and the Battle of Little Bighorn in 1876, which was fought against the infamous General George Armstrong Custer. Over twenty illustrations and photographs help kids better understand this crucial figure and pivotal moment in nineteenth-century American history. Crazy Horse, part of the Wild West for Kids series, is a must-read for any young historian hoping to learn about a mysterious man who played an influential role in the Native American battles in the West. Jimmy McClean is a Lakota boy—though you wouldn't guess it by his name: his father is part white and part Lakota, and his mother is Lakota. When he embarks on a journey with his grandfather, Nyles High Eagle, he learns more and more about his Lakota heritage—in particular, the story of Crazy Horse, one of the most important figures in Lakota and American history. Drawing references and inspiration from the oral stories of the Lakota tradition, celebrated author Joseph Marshall III juxtaposes the contemporary story of Jimmy with an insider's perspective on the life of Tasunke Witko, better known as Crazy Horse (c. 1840-1877). The book follows the heroic deeds of the Lakota leader who took up arms against the US federal government to fight against encroachments on the territories and way of life of the Lakota

people, including leading a war party to victory at the Battle of the Little Bighorn. Along with Sitting Bull, Crazy Horse was the last of the Lakota to surrender his people to the US army. Through his grandfather's tales about the famous warrior, Jimmy learns more about his Lakota heritage and, ultimately, himself. American Indian Youth Literature Award Of all the great warriors of Native America, Crazy Horse remains the most enigmatic. Scorned from his childhood for his light hair, he was a man who spurned the love of finery and honors so characteristic of Lakota Sioux warriors. Despite these differences, Crazy Horse led his people to their greatest victory at the Battle of the Little Big Horn where General Custer fell. Crazy Horse's entire life was a triumph of the spirit. In youth, Crazy Horse was set aside by his powerful vision of Rider, the spiritual expression of his future greatness, and by the passion and grief of his overwhelming love for a woman. It was only in battle that his heart could find rest. As his world crumbled, Crazy Horse managed to find his way in harmony with the age-old wisdom of the Lakota—and to beat the US Army on its own terms. He lived, and died, his own man. Eyewitness and newspaper accounts describe the surrender and death of Crazy Horse, a charismatic and influential Oglala Sioux Indian and non-commissioned officer in the U.S. Army, who was apparently stabbed in the back. ONE OF USA TODAY'S "20 SUMMER BOOKS YOU WON'T WANT TO MISS" In the bestselling tradition of works by such authors as Susan Orlean and Mary Roach, a New York Times reporter and Pulitzer Prize finalist explores why so many people—including herself—are obsessed with horses. It may surprise you to learn that there are over seven million horses in America—even more than when they were the only means of transportation—and nearly two million horse owners. Acclaimed journalist and avid equestrian Sarah Maslin Nir is one of them; she began riding horses when she was just two years old and hasn't stopped since. Horse Crazy is a fascinating, funny, and moving love letter to these graceful animals and the people who—like her—are obsessed with them. It is also a coming-of-age story of Nir growing up an outsider within the world's most elite inner circles, and finding her true north in horses. Nir takes readers into the lesser-known corners of the riding world and profiles some of its most captivating figures. We meet Monty Roberts, the California trainer whose prowess earned him the nickname "the man who listens to horses," and his pet deer; George and Ann Blair, who at their riding academy on a tiny island in Manhattan's Harlem River seek to resurrect the erased legacy of the African American cowboy; and Francesca Kelly, whose love for an Indian nobleman shaped her life's mission: to protect an endangered Indian breed of horse and bring them to America. Woven into these compelling character studies, Nir shares her own moving personal narrative. She details her father's harrowing tale of surviving the Holocaust, and describes an enchanted but deeply lonely upbringing in Manhattan, where horses became her family. She found them even in the middle of the city, in a stable disguised in an old townhouse and in Central Park, when she chased down truants as an auxiliary mounted patrol officer. And she speaks candidly

of how horses have helped her overcome heartbreak and loss. Infused with heart and wit, and with each chapter named after a horse Nir has loved, Horse Crazy is an unforgettable blend of beautifully written memoir and first-rate reporting. A biography of the Oglala leader who relentlessly resisted the white man's attempt to take over Indian lands. "A juvenile biography of Crazy Horse, warrior chief of the Oglala tribe of the Sioux nation"--Provided by publisher. The Public Broadcasting Service (PBS) and WETA present a biographical sketch of Crazy Horse as part of the West Film Project. Crazy Horse (1842?-1877), whose Indian name was Tashunca-uitco, was an American Indian chief of the Oglala tribe of the Sioux. The sketch highlights Crazy Horse's legendary warrior status, his resistance to his tribe's being placed on a reservation by the U.S. government, and the Battle of Little Bighorn. Originally published in 1949, this book is a gripping collection of reminiscences on the death of the great Indian chief, Crazy Horse, by the military men who were present on that fateful day on September 5, 1877 at old Fort Robinson, Nebraska: Jesse M. Lee, V. T. McGillicuddy, H. R. Lemly, and George McAnulty. Crazy Horse was one of the "irreconcilables" of the Sioux, an Indian who refused to be "reconstructed" and follow the white man's road. Like Sitting Bull he had little or no use for the white man, and especially those in authority at Washington. This is not surprising, considering the unjust treatment the Indian received, and the trickery and deceit practiced upon him. Although but a young man, even at the time of his treacherous murder, Crazy Horse had already won his spurs in the defeat of Col. J. J. Reynolds in the Powder River fight of March 17, 1876, and of his practical defeat of General George Crook's forces in the Rosebud fight of June 17, 1876, to say nothing of the leading part he played in the annihilation of Custer's immediate command of five troops of the Seventh Cavalry, June 25, 1876, at the battle of the Little Big Horn, in South-eastern Montana. After all these brilliant "coups" the reputation of Crazy Horse, as a fighting chief, inspiring leader and strategist, was secure among his own people. Crazy Horse, the legendary military leader of the Oglala Sioux whose personal power and social nonconformity contributed to his reputation as being "strange," fought in many famous battles, including the Little Bighorn, and held out tirelessly against the U.S. government's efforts to confine the Lakotas to reservations. Finally, in the spring of 1877 he surrendered, only to meet a violent death. More than a century later Crazy Horse continues to hold a special place in the hearts and minds of his people. Mari Sandoz offers a powerful evocation of the long-ago world and enduring spirit of Crazy Horse. Chosen as a 2007 One Book, One Nebraska selection, this edition of Crazy Horse includes discussion questions and a comprehensive glossary to enhance the reader's experience with this classic Sandoz text. The Return of Crazy Horse is the story of one of the last great chiefs of the Oglala Sioux, and of a sculptor's determination to carve a huge statue of the fearless warrior into the Black Hills of South Dakota. William Kotzwinkle captures the sadness of the defeat of Crazy Horse and then takes readers to the site where, in 1948,

Korczak Ziolkowski takes on the gargantuan task of sculpting Crazy Horse from a mountain. Kotzwinkle's prose vividly describes the creation of a monumental work of art as well as the mystical certainty that Crazy Horse will ride again. Crazy Horse was the mystic Lakota warrior who inspired his braves by his daring leadership, but he was not brutal or cruel. He was always in command of himself, a practiced trait that was essential to his code of honor and spirituality. To find the real Crazy Horse it is necessary to focus on his spiritual nature as well as his skills on the battlefield. He will be remembered now in the mountain sculpture by Korczak Ziolkowski in the Black Hills of South Dakota, the largest monument we have in America, and by the elegant line of the poet, Stephen Spender: Born of the sun he traveled a short while towards the sun and left the vivid air signed with his honor. Crazy Horse is one of the most famous chiefs of the Oglala Sioux. He spent his entire life defending his tribe and their land. Crazy Horse may be best known for his leadership and victory at the Battle of Little Bighorn. There are no known pictures of Crazy Horse. The illustration for this book is based on the Crazy Horse Memorial in Crazy Horse, South Dakota! These popular readers include easy-to-read information, fun facts and trivia, humor, activities and a whole lot more. They are great for ages 7-12 (grades 2-6), because although simple, these readers have substance and really engage kids with their stories. They are great for social studies, meeting state and national curriculum standards, individual and group reading programs, centers, library programs, and have many other terrific educational uses. Get the Answer Key for the Quizzes! Click [HERE](#). Determined to save the Sioux hunting grounds from the white men, Crazy Horse fought relentlessly for many years. Turn the Stars Upside Down is the compelling and little-known story of Crazy Horse's surrender in 1877 only months after his last fight with the U.S. Army at Battle Butte, his futile attempts to find peace for his warrior heart among the reservation Indians, and his eventual undoing at the hands of his own Oglala people. For all his life, this warrior has been a defender of the weak and helpless. But surrounded now on a tiny red island in a sea of white, he finds himself powerless against the forces arrayed against him in what will ultimately be his battle, waged against deceptive army officers, and even against Oglala leaders who whisper, connive, and conspire behind his back to bring about his fall. Even more disastrous will be those friends who once fought at his side against the encroaching white tide--friends who now turn against him, joining his enemies in plotting against this last great hero of the Lakota people. Award-winning and bestselling frontier author Terry C. Johnston brings all his talent to bear in this tragic tale of betrayal, with all the immediacy and emotion he has so skillfully created in thirty previous novels. No story of the Indian Wars would be complete without this final episode in the short life of Crazy Horse, a story of treachery and deception, but also--ultimately--of the victory of the human spirit. An "indescribably touching, extraordinarily intelligent" (Los Angeles Times Book Review) chronicle of a fatal gun-battle between FBI agents and American Indian Movement activists

by renowned writer Peter Matthiessen (1927-2014), author of the National Book Award-winning *The Snow Leopard* and the novel *In Paradise*. On a hot June morning in 1975, a desperate shoot-out between FBI agents and Native Americans near Wounded Knee, South Dakota, left an Indian and two federal agents dead. Four members of the American Indian Movement were indicted on murder charges, and one, Leonard Peltier, was convicted and is now serving consecutive life sentences in a federal penitentiary. Behind this violent chain of events lie issues of great complexity and profound historical resonance, brilliantly explicated by Peter Matthiessen in this controversial book. Kept off the shelves for eight years because of one of the most protracted and bitterly fought legal cases in publishing history, *In the Spirit of Crazy Horse* reveals the Lakota tribe's long struggle with the U.S. government, and makes clear why the traditional Indian concept of the earth is so important at a time when increasing populations are destroying the precious resources of our world. Drawing on vivid oral histories, Joseph M. Marshall's intimate biography introduces a never-before-seen portrait of Crazy Horse and his Lakota community. Most of the world remembers Crazy Horse as a peerless warrior who brought the U.S. Army to its knees at the Battle of Little Bighorn. But to his fellow Lakota Indians, he was a dutiful son and humble fighting man who—with valor, spirit, respect, and unparalleled leadership—fought for his people's land, livelihood, and honor. In this fascinating biography, Joseph M. Marshall, himself a Lakota Indian, creates a vibrant portrait of the man, his times, and his legacy. Thanks to firsthand research and his culture's rich oral tradition (rarely shared outside the Native American community), Marshall reveals many aspects of Crazy Horse's life, including details of the powerful vision that convinced him of his duty to help preserve the Lakota homeland—a vision that changed the course of Crazy Horse's life and spurred him confidently into battle time and time again. The Journey of Crazy Horse is the true story of how one man's fight for his people's survival roused his true genius as a strategist, commander, and trusted leader. And it is an unforgettable portrayal of a revered human being and a profound celebration of a culture, a community, and an enduring way of life. "Those wishing to understand Crazy Horse as the Lakota know him won't find a better account than Marshall's." -San Francisco Chronicle Life story of the Oglala Sioux chieftain from boyhood to his death in 1877. "A treat . . . Insightful . . . Refreshing . . . A must-have . . . Not only is Sajna's work a valuable historical resource, it makes for a compelling read as well." -American History "There has to be someone left to tell the tale." Little did the legendary war chief Crazy Horse know when he spoke these words in battle that it was his tale that people would be telling long after his death. Now, author Mike Sajna brings the renowned warrior back to life in this book about his epic struggle to save his culture and homeland amid the westward movement of white settlers. Sajna follows Crazy Horse from his days as a young boy chasing down wild horses to his later years as "one of the bravest of the brave," and includes new views on his role in the Battle of

Little Big Horn and his eventual surrender and murder. Using an extensive collection of historic records, Crazy Horse is one of the most accurate accounts of the great Oglala chief, separating the facts from the many myths that have been passed down by other writers. Drawing on vivid oral histories, Joseph M. Marshall's intimate biography introduces a never-before-seen portrait of Crazy Horse and his Lakota community. Most of the world remembers Crazy Horse as a peerless warrior who brought the U.S. Army to its knees at the Battle of Little Bighorn. But to his fellow Lakota Indians, he was a dutiful son and humble fighting man who—with valor, spirit, respect, and unparalleled leadership—fought for his people's land, livelihood, and honor. In this fascinating biography, Joseph M. Marshall, himself a Lakota Indian, creates a vibrant portrait of the man, his times, and his legacy. Thanks to firsthand research and his culture's rich oral tradition (rarely shared outside the Native American community), Marshall reveals many aspects of Crazy Horse's life, including details of the powerful vision that convinced him of his duty to help preserve the Lakota homeland—a vision that changed the course of Crazy Horse's life and spurred him confidently into battle time and time again. The Journey of Crazy Horse is the true story of how one man's fight for his people's survival roused his true genius as a strategist, commander, and trusted leader. And it is an unforgettable portrayal of a revered human being and a profound celebration of a culture, a community, and an enduring way of life. "Those wishing to understand Crazy Horse as the Lakota know him won't find a better account than Marshall's." -San Francisco Chronicle Legends cloud the life of Crazy Horse, a seminal figure in American history but an enigma even to his own people in his own day. This biography looks back across more than one hundred and twenty years at the life and death of this great Sioux warrior who became a reluctant leader at the Battle of the Little Bighorn. With his uncanny gift for understanding the human psyche, Larry McMurtry animates the character of this remarkable figure, whose betrayal by white representatives of the U.S. government was a tragic turning point in the history of the West. A mythic figure puzzled over by generations of historians, Crazy Horse emerges from McMurtry's sensitive portrait as the poignant hero of a long-since-vanished epoch. "A family account of the life of Tashunke Witko, their great Sioux relative . . . For the first time, the Clown family members tell their oral history."—True West The Edward Clown family, nearest living relatives to the Lakota war leader, presents the family tales and memories told to them about their famous grandfather. In many ways the oral history differs from what has become the standard and widely accepted biography of Crazy Horse. The family clarifies the inaccuracies and shares their story about the past, including what it means to them to be Lakota, the family genealogy, the life of Crazy Horse and his motivations, his death, and why they chose to keep quiet with their knowledge for so long before finally deciding to tell the truth as they know it. This book is a compelling addition to the body of works about Crazy Horse and the complicated and often conflicting events of that time period in American History.

"For the first time the first-hand account of Crazy Horse is told . . . The stories were faithfully passed down through the generations . . . It includes Crazy Horse's account of the last moments of Custer and the near-killing of Maj. Marcus Reno by Crazy Horse's father."—Capital Journal "After many years of keeping quiet, the family of Lakota warrior Crazy Horse decided to tell their story of his life and legacy . . . The truth behind the history of Crazy Horse—an iconic Native American warrior—until recently has been kept hidden for more than a century."—The Monroe News A New York Times bestseller from the author of *Band of Brothers: The biography of two fighters forever linked by history and the battle at Little Bighorn*. On the sparkling morning of June 25, 1876, 611 men of the United States 7th Cavalry rode toward the banks of Little Bighorn in the Montana Territory, where three thousand Indians stood waiting for battle. The lives of two great warriors would soon be forever linked throughout history: Crazy Horse, leader of the Oglala Sioux, and General George Armstrong Custer. Both were men of aggression and supreme courage. Both became leaders in their societies at very early ages. Both were stripped of power, in disgrace, and worked to earn back the respect of their people. And to both of them, the unspoiled grandeur of the Great Plains of North America was an irresistible challenge. Their parallel lives would pave the way, in a manner unknown to either, for an inevitable clash between two nations fighting for possession of the open prairie. With photographs and stunning illustrations from acclaimed author-artist S.D. Nelson, this thrilling double biography juxtaposes the lives of two enemies whose conflict changed American history: Crazy Horse and George Custer. In 1876, Lakota chief Crazy Horse helped lead his people's resistance against the white man's invasion of the northern Great Plains. One of the leaders of the US military forces was Army Lt. Col. George Armstrong Custer. The men had long been enemies. At the height of the war, when tribalism had reached its peak, they crossed paths for the last time. In this action-packed double biography, S. D. Nelson draws fascinating parallels between Crazy Horse and Custer, whose lives were intertwined. These warriors were alike in many ways, yet they often collided in deadly rivalry. Witness reports and reflections by their peers and enemies accompany side-by-side storytelling that offers very different perspectives on the same historical events. The two men's opposing destinies culminated in the infamous Battle of the Greasy Grass, as the Lakota called it, or the Battle of the Little Bighorn, as it was called by the Euro-Americans. In *Crazy Horse and Custer*, Nelson's gripping narrative and signature illustration style based on Plains Indians ledger art, along with a mix of period photographs and paintings, shines light on two men whose conflict forever changed Lakota and US history. The book includes an author's note, timeline, endnotes, and bibliography. The New York Times calls Ann Hood's thrilling *The Treasure Chest* series "delightful!" In book five, Felix and Maisie re-enter *The Treasure Chest* and suddenly find themselves in the midst of a Lakota village. While exploring they meet a young man, soon to be known as Crazy Horse—

and embark on an adventure that includes fascinating vision quests and exciting battles. Crazy Horse is among the most famous Native Americans in history, thanks to his success in the Battle of the Little Bighorn in 1876. This historical biography offers a comprehensive history of Crazy Horse's life, detailing his early years, his role in the Oglala Lakota tribe, his successes in battle, and his death. The text also provides historical context to Crazy Horse's life, which helps support elementary social studies curricula. Crazy Horse comes to life through historical photographs and primary sources. Sidebars and a detailed timeline help readers gain a full understanding of this fascinating figure's life. Discusses the life of Crazy Horse, his years as a Lakota warrior and leader, his involvement in the Battle of the Little Bighorn, and his death. Includes activities, a map and a chronology. On June 25, 1876, 611 men of the United States 7th Cavalry rode towards the banks of the Little Bighorn where three thousand Indians stood waiting for battle. The lives of two great war leaders would soon become forever linked: Crazy Horse, leader of the Oglala Sioux, and General George Armstrong Custer. This masterly dual biography tells the epic story of the lives of these two men: both were fighters of legendary daring, both became honoured leaders in their societies when still astonishingly young, and both died when close to the supreme political heights. Yet they - like the nations they represented - were as different as day and night. Custer had won his spurs in the American Civil War; his watchword was 'To promotion - or death!' and his restless ambition characterized a white nation in search of expansion and progress. Crazy Horse fought for a nomadic way of life fast yielding before the buffalo-hunters and the incursions of the white man. The Great Plains of North America provided the stage - and the prize. Strips away the tall tales of legend to reveal the essence of the great Sioux leader Crazy Horse, profiling him as a brilliant and ascetic warrior-hero whose life encapsulated Native American tragedy and the end of the untamed West. Reprint. Crazy Horse, the military leader of the Oglala Sioux whose personal power and social nonconformity set him off as "strange," fought in many famous battles, including the one at the Little Bighorn. He held out boldly against the government's efforts to confine the Sioux on reservations. Finally, in the spring of 1877 he surrendered, one of the last important chiefs to do so, only to meet a violent death. Mari Sandoz, the noted author of *Cheyenne Autumn* and *Old Jules*, both available as Bison Books, has captured the spirit of Crazy Horse with a strength and nobility befitting his heroism. Crazy Horse was as much feared by tribal foes as he was honored by allies. His war record was unmatched by any of his peers, and his rout of Custer at the Little Bighorn reverberates through history. Yet so much about him is

unknown or steeped in legend. *Crazy Horse: A Lakota Life* corrects older, idealized accounts—and draws on a greater variety of sources than other recent biographies—to expose the real Crazy Horse: not the brash Sioux warrior we have come to expect but a modest, reflective man whose courage was anchored in Lakota piety. Kingsley M. Bray has plumbed interviews of Crazy Horse's contemporaries and consulted modern Lakotas to fill in vital details of Crazy Horse's inner and public life. Bray places Crazy Horse within the rich context of the nineteenth-century Lakota world. He reassesses the war chief's achievements in numerous battles and retraces the tragic sequence of misunderstandings, betrayals, and misjudgments that led to his death. Bray also explores the private tragedies that marred Crazy Horse's childhood and the network of relationships that shaped his adult life. To this day, Crazy Horse remains a compelling symbol of resistance for modern Lakotas. *Crazy Horse: A Lakota Life* is a singular achievement, scholarly and authoritative, offering a complete portrait of the man and a fuller understanding of his place in American Indian and United States history. "This production offers an engaging, original way for children to learn about a Native American hero. Renowned Abenaki author Bruchac has selected interesting facts that reveal how a young boy is transformed into brave Crazy Horse. ..." AudioFile Magazine
