CompTIA Network+ N10-006 Practice Test Questions (Get Certified Get Ahead) includes over 300 realistic practice test questions and a comprehensive list of relevant acronyms. Combined, these study materials will help you take and pass the Network+ exam the first time you take it. If you want to test your readiness for the Network+ exam and reinforce the important material, this book is for you. All practice test questions include in-depth explanations to help you understand why the correct answers are correct, and why the incorrect answers are incorrect. Master the material and no matter how CompTIA words the questions, you'll be able to answer them correctly. The book is organized in five chapters matched to the five Network+ domains. Each chapter includes two sections: 1. Practice mode section. Includes practice test questions without answers. This section presents the questions, but does not give you the answers. You can use this to test yourself to see if you know why the correct answers are correct, and why the incorrect answers are incorrect. 2. Review mode section. Includes practice test questions with answers. This section includes the same questions in the practice mode section, but it combines the questions, answers, and explanations so you can use it as a last minute review for any of the domains. The introduction includes details on the exam to give you an idea of what to expect. Additionally, all of the relevant acronyms are spelled out and defined in the appendix.
