This was when the cultural and societal concerns of the United States became profoundly reflective of the culture and society that produced it. This vivid collection of plays and source materials is organized around the key thematic perspectives of the period, viewing the artistic output of this era through the socio-political events and controversies that shaped it.

Showcasing challenging and provocative works of theatre, the collection also provides a clear insight into the workings of the genre through author interviews, introductions from the companies and performance images which illustrate the process of creating each piece. *Bystander 9/11* by Meron Langsner is an impressionistic but wholly authentic response to the catastrophe as it unfolded and in the days following. *Big Head* by Denise Uyehara is an interrogation of current perceptions of "the enemy now" as seen through the lens of Japanese American internment during World War II. *Urban Theatre Projects' The Fence* is a tale of love, belonging and healing. It is a tender work that looks at the adult lives of five family and friends who spent their childhoods in orphanages, institutions and foster homes in

Australia. *Come Out Eli: Christmas 2002 in Hackney, London*, saw the longest siege in British history. Using interviews collected at the time and further material gathered in the aftermath, Alecky Blythe's play explores the impact of the siege on the lives of individuals and the community. *The Travels: members of Forced Entertainment undertook a series of journeys during one summer, each travelling alone to locations in the UK to complete tasks determined only partially in advance.* This began a mapping process and the creation of a landscape of ideas, narratives and bad dreams. *On the Record* by Christine Bacon and Noah Birksted-Breen circumnavigates the globe to bring true stories from six independent journalists, all linked by their determination to shed light on the truth. At the Intersection of Disability and Drama Nov 03 2021 "Cripples ain't supposed to be happy" sings Anita Hollander, balancing on her single leg and grinning broadly. This moment--from her multi-award-winning one-woman show, *Still Standing*--captures the essence of this theatre anthology. Hollander and nineteen other playwright-performers craftily subvert and smash stereotypes about how those within the disability community should look, think, and behave. Utilizing the often-conflicting tools of Critical Disability Studies and Medical Humanities, these plays and their accompanying essays approach disability as a vast, intersectional demographic, which ties individuals together less by whatever impairment, difference, or non-normative condition they experience, and more by their daily need to navigate a world that wasn't built for them. From race, gender, and sexuality to education, dating, and pandemics, these plays reveal there is no aspect of human life that does not, in some way, intersect with disability.

The Columbia Anthology of Modern Chinese Drama Dec 17 2022 This condensed anthology reproduces close to a dozen plays from Xiaomei Chen's well-received original collection, along with her critical introduction to the historical, cultural, and aesthetic evolution of twentieth-century Chinese spoken drama. Comprising representative works from the People's Republic of China, the collection encapsulates the revolutionary rethinking of Chinese theater and performance that began in the late Qing dynasty and vividly portrays the uncertainty and anxiety brought on by modernism, socialism, political conflict, and war. Chosen works from 1919 to 1990 also highlight the formation of Chinese national and gender identities during a period of tremendous social, cultural, and political change and the genesis of contemporary attitudes toward the West. PRC theater tracks the rise of communism in China, juxtaposing ideals of Chinese socialism against the sacrifices made for a new society. Post-Mao drama addresses the nation's socialist legacy, its attempt to reexamine its cultural roots, and postsocialist reflections on critical issues such as nation, class, gender, and collective memories. An essential, portable guide for easy reference and classroom use, this abridgement provides a concise yet well-rounded survey of China's theatricality and representation of political life. This work has not only established a canon of modern Chinese drama but also made it available for the first time in English in a single volume.

The Longman Anthology of Modern and Contemporary Drama Sep 01 2021 This collection of 31 American and international plays offers a truly global perspective of the drama and theater that has been produced during the past 150 years. In addition to essential plays from the West's modern canon, this anthology offers a richly varied selection of plays from regions underrepresented in other texts, such as Asia, Africa, Latin America, and the Caribbean. The book's pedagogical features all work together to provide students with the historical and cultural background they need to read plays into context. Accessible, interesting, and inclusive, the broad range of plays in this anthology will inspire, intrigue, and provoke readers to understand more deeply the literary and production history of modern and contemporary drama. One reviewer says, The coverage is great: in terms of geography, gender, race, aesthetics, and cultural issues, the editors have selected plays that

are recognized for their importance within an ongoing narrative history of world drama. I've seen no other anthology like this on the market.

New Russian Drama Feb 24 2021 New Russian Drama took shape at the turn of the new millennium—a time of turbulent social change in Russia and the former Soviet republics. Emerging from small playwriting festivals, provincial theaters, and converted basements, it evolved into a major artistic movement that startled audiences with hypernaturalistic portrayals of sex and violence, daring use of non-normative language, and thrilling experiments with genre and form. The movement's commitment to investigating contemporary reality helped revitalize Russian theater. It also provoked confrontations with traditionalists in society and places of power, making theater once again Russia's most politicized art form. This anthology offers an introduction to New Russian Drama through plays that illustrate the versatility and global relevance of this exciting movement. Many of them address pressing social issues, such as ethnic tensions and political disillusionment; others engage with Russia's rich cultural legacy by reimagining traditional genres and canons. Among them are a family drama about Anton Chekhov, a modern production play in which factory workers compose haiku, and a satirical verse play about the treatment of migrant workers, as well a documentary play about a terrorist school siege and a postdramatic "text" that is only two sentences long. Both politically and aesthetically uncompromising, they chart new paths for performance in the twenty-first century. Acquainting English-language readers with these vital works, New Russian Drama challenges us to reflect on the status and mission of the theater.

The Broadview Anthology of Restoration and Early Eighteenth-Century Drama Jan 06 2022 This is the first new full-scale anthology of Restoration and eighteenth-century drama in over sixty years. Concentrating on plays from the heyday of 1660-1737, it focuses especially on Restoration drama proper (1660-1688) and Revolution drama (1689-1714), with a smaller selection of plays from the early Georgian period (1715-1737) and a glimpse at the later Georgian period's "laughing comedy" (1770s and 80s). It includes nine sub-genres (heroic romance, political tragedy, personal tragedy, tragicomic romance, social comedy, subversive comedy, corrective satire, menippean satire, and laughing comedy), with the preponderance of exposure given to the jewel of this theatre, its comedy. The core canonical plays from the era—from Dryden's *All for Love* and Behn's *The Rover* to Congreve's *The Way of the World* and Sheridan's *School for Scandal*—are all here, but so are a remarkably wide range of non-canonical works. There are many more plays by women than in any previous general anthology of drama of the period. Also included are a number of works from the neglected 1660s, whose comedies feature delightful, subversive, levelling folk elements. In all there are forty-one plays; each is fully annotated and prefaced with an historical introduction. Also included are a general introduction, head-notes for each genre, and a glossary.

The Broadview Anthology of Romantic Drama Oct 15 2022 The London theatres arguably were the central cultural institutions in England during the Romantic period, and certainly were arenas in which key issues of the time were contested. While existing anthologies of Romantic drama have focused almost exclusively on "closet dramas" rarely performed on stage, *The Broadview Anthology of Romantic Drama* instead

provides a broad sampling of works representative of the full range of the drama of the period. It includes the dramatic work of canonical Romantic poets (Samuel Coleridge's *Remorse*, Percy Shelley's *The Cenci*, and Lord Byron's *Sardanapalus*) and important plays by women dramatists (Hannah Cowley's *A Bold Stroke for a Husband*, Elizabeth Inchbald's *Every One Has His Fault*, and Joanna Baillie's *Orra*). It also provides a selection of popular theatrical genres—from melodrama and pantomime to hippodrama and parody—most popular in the period, featuring plays by George Colman the Younger, Thomas John Dibdin, and Matthew Gregory Lewis. In short, this is the most wide-ranging and comprehensive anthology of Romantic drama ever published. The introduction by the editors provides an informative overview of the drama and stage practices of the Romantic Period. The anthology also provides copious supplementary materials, including an Appendix of reviews and contemporary essays on the theater, a Glossary of Actors and Actresses, and a guide to further reading. Each of the ten plays has been fully edited and annotated.
