"Providing step-by-step instruction in defense of a drunk driving case in California, California Drunk Driving Defense outlines what to anticipate and how to prepare for DUI/DWI pretrial and trial proceedings. The authors provide information on sentencing, license suspension, and revocation, as well as strategy guidance regarding: Field evidence and the arresting officer; What to expect and how to prepare for pretrial and trial proceedings; Methods to challenge the Intoxilyzer, Intoximeter, and blood and urine analyses; Tasks for cross-examination of the chemical expert and the arresting officer; Professional responsibility issues; Civilian witnesses; Substantive offenses; Giving compelling jury instructions; Suppression of evidence, and Successfully attacking prior convictions" --

<http://legalsolutions.thomsonreuters.com/law-products/Treatises/California-Drunk-Driving-Defense-5th/p/104310653> A DUI conviction can CHANGE YOUR LIFE and lead to jail, license suspension, constrictive probation terms, fines and fees, legal costs, heightened insurance rates, and disruption to your professional and personal world. But even these threats often do not suffice to motivate people to defend vigorously against DUI charges. Many people just want to act as quickly as possible to "get the DUI out of the way," so that they won't have to worry about it anymore. In other words, some folks approach DUI charges like they approach traffic tickets. They think they can just "pay the fine," metaphorically speaking, and move on. This is a big, tragic mistake. A DUI is not like a traffic ticket. It's a serious offense. If you plead guilty to a misdemeanor DUI charge, for instance, that means you have a criminal record. So don't plead guilty during your arraignment for DUI. You might have legal defenses that you don't even know exist. Attorney Martens has personally seen people with a 0.05% blood alcohol concentration plead guilty to DUI because they didn't have an attorney. For reference, the legal limit here in California is 0.08% BAC. In other words, he's seen people who were barely more than half way to 0.08% accept a misdemeanor on their records for no good reason. A conviction for driving under the influence can be devastating. The consequences-fines, suspended license, insurance premium hikes, employment hassles, even jail time-can impact you for years into the future. In Michigan alone this year, 36,000 drivers will be arrested for DUI. In his new book, Michigan DUI Law: A Citizen's Guide, defense attorney Patrick T. Barone explains the law and offers drivers advice on how to avoid DUI arrest or conviction. Widely considered to be one of the nation's best DUI defense lawyers, Barone writes in simple language, offering dozens of tips you can use to avoid detection and arrest. If you have already been arrested, Michigan DUI Law will help guide you through Michigan's legal labyrinth, and offers hundreds of proven strategies you can use to avoid a DUI conviction. Barone provides easy-to-follow tips for finding a top DUI defense attorney and advice to help assure you of the best chance of winning in court. Years from now make sure you don't regret not reading Michigan DUI Law: A Citizen's Guide - order your copy today! Driving Under the Influence of alcohol or drugs (DUI) is a very serious offense with potentially extreme consequences. The DUI Handbook for the Accused Vol. II, details the DUI process from beginning to end, including police DUI procedures, field sobriety testing, BAC testing, the court process, how to hire a qualified DUI attorney, more than 360 legal defenses to DUI, and how to avoid a DUI entirely. This second edition updates DUI laws, adds a new chapter on alcohol/drug evaluations, treatment, and alcoholism, and expands growing areas of the DUI arena, including driving under the influence of drugs. This book is a must if you or a loved one has been charged with DUI. The Complete User Guide for DUI Driving Under the Influence of alcohol or drugs (DUI) is a very serious offense with potentially extreme consequences. A DUI conviction will result in jail, fines, higher insurance costs, the installation of an ignition interlock device, loss of license, and may also include loss of job, and

even deportation if you are not a U.S. citizen. The DUI Handbook For the Accused details the DUI process from beginning to end, including discussing police DUI procedures, the court process, how to hire a qualified DUI attorney, how your attorney will, or should, defend your case, possible defenses to a DUI, and how to avoid a DUI entirely. This book is designed to help simplify a very complicated area of law. View the following websites for more information: www.davidjollylaw.com or www.WashDUI.com

DUI Law Enforcement Strategies is an authoritative, insiders perspective on the procedures utilized by law enforcement officers for correctly identifying a potential DUI offense and making an arrest. Featuring law enforcement officials from across the country, these experts guide the reader through the key steps in the process of determining whether or not someone is driving while under the influence from the initial traffic stop to testifying in court. Discussing the role and responsibilities of the arresting officer in a DUI case, the authors explain how results from faceto- face observations, roadside field sobriety tests, and scientific blood-alcohol screenings are interpreted and what measures are taken to eliminate error. From the types of DUI training available to law enforcement officers and the most effective ways of documenting evidence to the preparation necessary to appear as a court witness, these officers break down the common misconceptions regarding law enforcement involvement with DUI violations and provide insight on how these cases are handled in court. DUI Law Enforcement Strategies is an eye-opening resource for prosecutors and defense attorneys alike on understanding how law enforcement actions and documentation can impact a case. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great law enforcement minds of today, as these experienced officers offer up their thoughts around the keys to navigating this increasingly-regulated legal issue. Preparing a DUI Defense provides a comprehensive overview on defending individuals accused of driving under the influence of alcohol. From initial client interviews through discovery demands, motions, suppression hearings, and trials, these authors offer detailed information and practice tips for defending DUI cases. Using New York State law, this book guides the reader through the sequence of a DUI trial and gives practical examples of legal and factual strategies to employ when defending a client accused of driving under the influence. In addition, this publication discusses the types of scientific evidence involved in DUI cases, and offers tips for navigating cross-examinations. The authors also provide actual question and answer sequences that can be useful in defending DUI cases at trial, suppression hearings, or Department of Motor Vehicle hearings. This book offers helpful information for both new and experienced DUI defense attorneys, and is a valuable addition to any criminal practitioners library. Drunk Driving Defense: How to Beat the Rap is authored by one of the best DUI lawyers in the country. It is the ultimate answer to any drunk driving (DUI / DWI / OWI) charge. Discover all the secret investigative techniques used by law enforcement to trick motorists into incriminating themselves and getting a drunk driving arrest. Learn all the insider information about classified legal tactics used by prosecutors to get drunk driving convictions. Everything is revealed in this insightful, comprehensive and enlightening book. Dispel the myths and learn all the tactics necessary to prevent a drunk driving arrest and conviction. For example, find out: 1) How to avoid being suspected of drunken driving; 2) What you should never reveal to a police officer; 3) How to properly answer police officer questions; 4) Whether field sobriety tests are mandatory; 5) Things to avoid during a police stop; 6) Creating "reasonable doubt" to a jury; 7) Knowing what evidence persuades a jury to acquit, not convict, and 8) Decreasing the cost of litigation. Understand the legal technicalities of a drunk driving charge: 1) What constitutes probable cause for a legal and valid police stop; 2) What are the flaws in standardized field sobriety tests; 3) Whether chemical tests (breath, urine or blood) are mandatory; and 4) When it is appropriate to leave the scene of an accident. How to Beat the Rap can prevent the embarrassment of an arrest, the loss of driving privileges, months of anxiety, a permanent criminal convictions on your record, and the torture of enduring substance abuse education classes and treatment. Not to mention saving thousands of dollars in legal fees. If you were charged with DUI, you must read this book. Dennis A. Bjorklund is an attorney specializing in drunk driving defense, and one of the best DUI lawyers in the country. He is the only lawyer to write four authoritative books specifically targeting motorists to help them understand every aspect of a drunk driving criminal charge. The ultimate goal is to create universal awareness amongst laypersons to assist them in protecting their constitutional rights against the unlawful infringement of law enforcement officers. The Author has an extensive resume of

scholarly accomplishments--he was hand-selected as a distinguished literary contributor to publish articles within his area of specialty, and appeared on E! Entertainment as an authoritative expert. His list of drunk driving books include: Drunk Driving Defense: How to Beat the RapDrunk Driving: A Survival Guide for MotoristsDUI / DWI Defense: Preventing a Drunk Driving ArrestDrunk Driving Laws: Rules of the Road When Crossing State Lines Currently, the Author works as a DUI expert, legal consultant, and guest lecturer. Using his unparalleled DUI knowledge, trial advocacy skills and legal expertise, he is able to mold the minds of aspiring drunk driving defense attorneys as well as assisting defendants in getting the best legal defense possible. The Rue DUI criminal defense attorneys are ready to help those charged with DUI in Louisiana. The Ultimate Washington State DUI Handbook Being arrested for DUI in Washington State is an introduction to a world of complex law, demanding Judges, fickle prosecuting attorneys, biased Department of Licensing hearing officers, exaggerating police officers, and a multitude of conditions and expenses that seem to never end. Such punishment and conditions may include jail, probation, fines, court dates, a department of licensing hearing, license suspension, ignition interlock device, SR 22 insurance, alcohol evaluation, alcohol

awareness class or treatment, and a DUI victim's panel, among many possible requirements. This is why most people feel overwhelmed after they face the sobering fact that they are in for a long and difficult journey. It is therefore important that a person who has been arrested for DUI immediately educate themselves about the many requirements demanded of them. The first thing you should do is confirm whether you have been provided a court date. Not every jurisdiction provides an immediate court date but many do, and in these jurisdictions you will need to appear within a few days of your arrest. As such you must prepare to appear in court so that you do not risk a bench warrant for your arrest. Washington Courts that typically demand you appear in court for an arraignment immediately following your DUI arrest include Seattle, Everett, Lynnwood, Edmonds, Mukilteo, Skagit County and Island County, just to name a few. The next thing you must do following a DUI arrest is to contact a qualified DUI attorney. Such an attorney should be a good sounding board and will be able to advise you about the immediate concerns. This is particularly true if you must immediately appear in Court as there may be a risk of harsh conditions or imposed by the Judge. Preparation and knowledge is the key. If you have been arrested you must immediately be aware of the following: -If there a court date you must immediately make plans to appear in court; -If you have a prior DUI arrest or the facts of your case are severe you must prepare to bail yourself out from custody at your first court appearance (read the section on bail in the upcoming chapter); -You must complete and mail (or apply online) the Department of Licensing (DOL) Driver's Hearing Request Form (within 20 days of your arrest) if your BAC was over 0.08 or if you refused the breath or blood test; - Your DOL Hearing will be set within 60 days of your arrest; -If your license is suspended you may be eligible for a restrictive license; -You will be required to undertake an alcohol evaluation; -You must contact an experienced DUI attorney to discuss your options. For the first time in Washington State there is a book that is designed to help an individual accused of driving under the influence. The Washington State DUI Handbook provides the reader information on DUI laws, the DUI process, DUI court procedures, how to choose an attorney, information on the court, prosecuting attorney and plea negotiation, options for the DUI defendant, DUI defenses, DUI Penalties, Department of Licensing issues, legal defenses to the charge of DUI, the alcohol/drug evaluation and treatment process, alcohol/drugs and the human body, and the many other collateral consequences of driving under the influence. If you have been charged with a DUI in Washington, please read this book thoroughly and seek advice from an experienced, reputable, and DUI focused attorney. Their advice is invaluable and no book can replace competent representation. Ultimately the goal of any attorney in the DUI realm is to protect you and your valuable rights, fight hard for the best result possible and, speaking personally, do everything to ensure that you do not find yourself in this difficult position again. With legislative developments, the introduction of blood alcohol-testing techniques, and an increasingly harsh prosecutorial climate, mounting a successful DUI defense in Oklahoma is more difficult than ever. With our brand new Oklahoma DUI Defense: The Law and Practice, though, you are equipped with a powerful weapon. This book ensures that you understand the chemical, biological, and technological concepts and issues underlying DUI prosecution and defense, with Oklahoma-specific advice that you couldn't get from any other book. Many practical tools and applications designed to streamline and simplify the complex DUI defense process are available on a bonus CD-ROM so you can locate, review and print them out in a matter of seconds. Among this bonus material are DRE and NHSTA student and instructor manuals, and numerous validation studies. Preventing a DUI Arrest is the most comprehensive guide to discuss how to prevent a drunk driving arrest (other terms include DUI, DWI, OWI). Other books discuss what to do AFTER being arrested for DUI, but no other book thoroughly covers what to do to PREVENT a DUI arrest. The Preventing book is an essential addition to your library collection. However, it must be read from cover-to-cover to fully extract the breadth of knowledge, information and insight. Learn various investigative techniques used by law enforcement officers to manipulate motorists into a confession and how drivers are profiled for a DUI arrest. Also learn effective techniques on how to leave the scene to avoid a DUI arrest. Basically, learn everything you need to know to prevent a DUI arrest, and it is all inside this easy-to-understand empowerment manual. The contents contain all the information you need to prevent a drunk driving arrest. The topics include the following: 1) The legal definition of driving under the influence; 2) Preparing for a night of drinking and driving; 3) Essential vehicle contents to conceal alcohol consumption; 4) Techniques to avoid signs of driving impairment; 5) Geographic implications on a DWI; 6)

Equipment and moving violations that increase DUI arrests; 7) How distractions and behavioral actions cause drunk driving arrests; 8) Anonymous tips reporting a possible drunk driver; 9) Vehicle breakdowns and accidents, and when to leave the scene; 10) Police tracking techniques; 11) Appropriate conduct when being stopped by the police; and 12) DUI laws in other countries. Preventing a DUI Arrest is the official guide for any motorist interested in preventing a DUI arrest. Drunk driving is considered the most socially abhorrent criminal offense of our time. Police departments are spending money at an exorbitant rate to deter this offense (and raising revenue for the state). MADD Mothers are nationally organized to influence state and federal legislation to impose harsher penalties (fines, jail, and license suspensions). It is time to fight back. Knowledge is power. Read this book and you will have all the necessary tools at your disposal to avoid a drunk driving arrest. How to Beat the Rap is authored by one of the best DUI lawyers in the country. It is the ultimate answer to any drunk driving (DUI / DWI / OWI) charge. Discover all the secret investigative techniques used by law enforcement to trick motorists into incriminating themselves and getting a drunk driving arrest. Learn all the insider information about classified legal tactics used by prosecutors to get drunk driving convictions. Everything is revealed in this insightful, comprehensive and enlightening book. Dispel the myths and learn all the tactics necessary to prevent a drunk driving arrest and conviction. For example, find out: 1) How to avoid being suspected of drunken driving; 2) What you should never reveal to a police officer; 3) How to properly answer police officer questions; 4) Whether field sobriety tests are mandatory; 5) Things to avoid during a police stop; 6) Creating "reasonable doubt" to a jury; 7) Knowing what evidence persuades a jury to acquit, not convict, and 8) Decreasing the cost of litigation. Understand the legal technicalities of a drunk driving charge: 1) What constitutes probable cause for a legal and valid police stop; 2) What are the flaws in standardized field sobriety tests; 3) Whether chemical tests (breath, urine or blood) are mandatory; and 4) When it is appropriate to leave the scene of an accident. How to Beat the Rap can prevent the embarrassment of an arrest, the loss of driving privileges, months of anxiety, a permanent criminal convictions on your record, and the torture of enduring substance abuse education classes and treatment. Not to mention saving thousands of dollars in legal fees. If you were charged with DUI, you must read this book. If you have been arrested for DUI in Washington State or know someone who has, it is imperative to become educated about the DUI process quickly. The Washington State DUI Pocket Handbook provides the reader all the information on the Washington DUI process in an easy to read, concise yet thorough format. This book "trims the fat" that exists in other DUI guidebooks and gives the reader all of the necessary information immediately. The Washington State DUI Pocket Handbook clarifies a difficult legal environment and gives the reader all the information they will need to completely prepare for their legal battle. This book investigates and exposes the ultimate goal of DUI law enforcement, which is to generate a steady income for their policing business. Their claim, of course, is that their only goal is keeping the public safe, and has nothing to do with money. The author, George Damusis, reveals the deceitfulness and hypocrisy of that claim. He argues that it's a form of tyranny and a violation of human rights to arrest, criminalize, extort, and virtually enslave common, decent citizens for a year just for drinking moderately before driving. Mr. Damusis suggests that the arrests and criminalization of common, decent citizens for the very common human act of drinking moderately before driving is the real crime. Unbiased traffic accident research indicates that moderately intoxicated drivers cause no more accidents than alcohol free drivers. So, what rule of logic allows law enforcement to declare these common citizens to be criminals? While Mr. Damusis does agree that the best and most rational safety policy is to not drink any alcohol at all before driving, he also insists that those who do drink in moderation before driving are not criminals by any stretch of the imagination. They are, after all, doing only what millions of social drinking drivers do so naturally every weekend in this our government supported, alcohol permissive culture. These common citizens are only charged with an actual crime in order to make it legal to arrest and fine them repeatedly. It's clearly a case of policing for profit, and not a case of policing for public safety. Mr. Damusis is not a law professional, and received no professional mentoring in the writing of this book. His arguments are a product of his personal experiences, the experiences of others, and his serious internet research. This book severely criticizes our oppressive DUI laws and DUI enforcement policies, but also offers constructive proposals for bringing moral reform to the entire DUI law enforcement system. Protect your rights on the road and in court. Learn what to do if you are stopped, how to win your case, and how to fight an unjust penalty or have your fine reduced. Includes traffic safety facts, effects of alcohol, profile of drinking drivers, penalties for alcohol-related offenses, DUI arrest and conviction, summary suspension reinstatement, license revocations, underage drinking and driving, youth DUI program, citizen involvement, victims' rights, and much more. Graphs, black and white photos. This text is a guide to help people charged with DUI in Georgia get answers to their questions. It is written in plain language and here to help the reader understand what to do when charged with a DUI. Facing a DUI Charge in California is essential reading for anyone arrested and charged with driving under the influence in the state of California. Written by a nationally-known and respected criminal defense lawyer, this thorough reference explains everything you need to know about what you are up against, and how to bring

about the best possible results in your case. This book provides answers to the most frequently asked questions, as well as many you may never have thought to ask. Why was my driver's license taken away? Do I have to appear in court? What are possible punishments that I face? How can I avoid trial? If I go to trial, what should I be prepared for? Facing a DUI Charge in California helps you answer all of these questions, as well as provides a deep understanding of the two different cases that are triggered by a single arrest incident: one with the court, and the other with the California DMV. You'll be an informed and educated client after reading this material, able to select an appropriate lawyer and, perhaps most importantly, sleep better at night. Book jacket. "Alabama DUI, traffic, and driver license law handbook, Third Edition"--ECIP d.v.
