The first book in the Ada's House series, *The Hope of Refuge* is a moving story of love, hope, and new beginnings from New York Times bestselling author Cindy Woodsmall. The widowed mother of a little girl, Cara Moore is struggling against poverty, fear, and a relentless stalker. When her stalker ransacks her home, Cara and her daughter, Lori, flee New York City for an Amish community, eager for a fresh start. But she discovers that long-held secrets about her family history ripple beneath the surface of Dry Lake, Pennsylvania, and it's no place for an outsider. One Amish man, Ephraim Mast, dares to fulfill the command he believes that he received from God—"Be me to her"—despite how it threatens his way of life. While Ephraim tries to do what he believes is right, will he be shunned and lose everything, including the guarded single mother who simply longs for a better life? A complete opposite of the hard, untrusting Cara, Ephraim's sister Deborah also finds her dreams crumbling when the man she has pledged to build a life with begins withdrawing from Deborah and his community, including his mother, Ada Stoltzfus. Can the run-down house that Ada envisions transforming unite them toward a common purpose—or will it push Mahlon away forever? Having defeated the evil that forced the inhabitants of Paxlene, both human and animal to seek refuge at night in well lit locations. They attempt to return to Earth but reach it just before a large asteroid crashes into the Earth. They manage to cocoon a few isolated places then turn their faces back towards Paxlene. Shortly into their journey they discover that they can no longer access their controls and their course has been changed. Intercepted by friends from Paxlene both vessels are pulled towards, but not into, what they believe to be a black hole. They are met by another vessel whose occupants beg for help in sorting a problem on their planet. After much discussion and a visit to Paxlene, they agree to go with the strangers, although they are aware that there is something strange about them. They find that what they believed to be a black hole is in fact a Wormhole through space. They pass through and come out in a new galaxy and land on the planet Traymar. As they come in they are confronted by dragons. Their new friends cannot understand why they are so calm. As when they approached it appeared the whole planet was on fire. Adventure follows and two of our characters are eventually changed. They have to work hard to be accepted into this society. Another form of evil is encountered and defeated followed by another attempt to return to Earth. The story continues with the final book 'Restitution'. Can light and darkness exist together? Darrian is sure the answer is no. What he isnaEUR(tm)t sure of is why. The simple answer is that they are both absolutes, and one must ultimately overtake and destroy the other. But according to his friend Spence, thereaEUR(tm)s more to it than that, something deeper and more complicated. Spence has spent years trying to pull Darrian out of the darkness and into the Light, while forces that can be heard, but not seen, wrestle to keep him where he is. Darrian struggles with the conflict, but finds it easier to remain in the shadows. There, shielded from society, he wrestles with the question: Why is there safety and comfort in the darkness, but anxiety and confusion in the light? On the surface, it seems easier to just let go, to not fight it, but somewhere inside, in a place he tries unsuccessfully to explore, there is a deep-seated longing to at least understand the light. The unrest creates a battle within as he seeks to reconcile what his eyes can see with what his heart can feel. Unfortunately, the answer Darrian is searching for lies in a place beyond his physical vision. There is a darkness that blinds him to the real battle, the one he will eventually have to fight. The one that will truly open his eyes. The one that will help him to finally see that darkness and light have little to do with sight and everything to do with insight. aEURoeThe lamp of the body is the eye. Therefore when your eye is good, your whole body also is full of light. But when your eye is bad, your body also is full of darkness.aEUR (Luke 11:34) Two sworn enemies who can't resist each other. Something has to give. The Blakes and the Cavenders have been going at it since 1870 and Vienna Blake keeps up the family tradition, gunning for the Cavenders at every opportunity. All the same, she's shocked when Mason Cavender confronts her in her office and accuses her of murder. Vienna has the stunningly sexual Mason thrown out by security, but she can't rid herself so easily of her powerful, instant attraction to the woman she's been groomed since childhood to destroy. Last in a long line of "Cursed Cavenders," as the media describes them, Mason has just walked away from the small plane crash that killed her brother. Now in charge of her family's crumbling business empire, she suspects sabotage and believes beautiful, ruthless Vienna Blake is responsible. Fearing for her life and grieving for her brother, Mason hires a private investigator to get evidence she can take to the police. She is frustrated when the man finds nothing but makes the bizarre suggestion that she hire a psychic to undo the "curse" on her family. He gives her a name. Phoebe Temple. Phoebe's dreams have always centered on the victims of crimes, and she isn't surprised when the woman steps from her dreams into her life, asking for help. Exposing family secrets always comes at a price. With passion and family honor in the balance, Mason is willing to pay her dues. But can she persuade Vienna to accept a truce before it's too late? *Dark Garden* brings together two powerful women who must confront the past if they want to seize the future.The third book in the Dark Vista series. *Tranquility*, a planet from a distant sun, is peaceful. The gobblers, *Tranquility's* bird-like natives, are reserved but friendly, allowing the religious group-The Followers of the Seer-to escape persecution on Earth. Clara, a seventeen-year-old Follower, lives a blissful life inside the Followers' complex. Her peaceful life suffers a sudden turn when her father falls gravely ill during a blackout. The settlers' Communication Center, the Beacon, has its own power source, and Clara must reach it to save her dad's life. The mongrels, *Tranquility's* best-kept secret, have launched a rebellion. Rem, a young and proud mongrel, hates everything about humans. When Clara and Rem cross paths, Rem wants to kill her. However, as hell breaks loose, and they must work together to survive, Clara stirs some unexpected feelings within Rem. Can love flourish amongst fire and rubble? Bestselling author and renowned Buddhist teacher Noah Levine adapts the Buddha's Four Noble Truths and Eight Fold Path into a proven and systematic approach to recovery from alcohol and drug addiction—an indispensable alternative to the 12-step program. While many desperately need the help of the 12-step recovery program, the traditional AA model's focus on an external higher power can alienate people who don't connect with its religious tenets. *Refuge Recovery* is a systematic method based on Buddhist principles, which integrates scientific, non-theistic, and psychological insight. Viewing addiction as cravings in the mind and body, Levine shows how a path of meditative awareness can alleviate those desires and ease suffering. *Refuge Recovery* includes daily meditation practices, written investigations that explore the causes and conditions of our addictions, and advice and inspiration for finding or creating a community to help you heal and awaken. Practical yet compassionate, Levine's successful *Refuge Recovery* system is designed for anyone interested in a non-theistic approach to recovery and requires no previous experience or knowledge of Buddhism or meditation. After Muhammad, his successors, with the help of this One Book, gained confidence and defeated the two superpowers of their time, the Romans and the Persians, despite their inferiority in weaponry and numbers. What is magical about this book that can produce such extraordinary results, in the past and present, no matter who uses it? Is this book really the exact words of God? Did Muhammad write this book? What is

the secret of this book that the superpowers are so afraid of? What is the alch Weeks after an asteroid strikes Earth, hurling Elliot and Adam into a fight for their survival, the two take shelter in an underground compound known as Refuge Inc. Shaking their past seems impossible as it comes back to haunt them, weakening the foundation of their relationship. Elliot, hung up on guilt over his former actions, tries to right his wrongs which leads him face-to-face with the troubling secrets of the compound. Adam's run-in with the enigmatic prophet makes him question Refuge Inc. and the survivors' future. Working together to uncover the mysteries of Refuge Inc. not only reveals much about the sunless world beyond the compound walls, but exposes the truth about the compound's occupants ... including themselves. If their haunting pasts continue to dominate, it will steer them directly into a miserable future and their companionship will forever suffer. Either way, they are forced to prepare for the ultimate fight for survival. Can they fight together and make it out on top?

WARNING: Contains graphic language, some violence and brief descriptions of the dead. As above, so below, except when referring to the underground Refuge Inc. compound. A century after an asteroid impact and merely fifteen years after a second collision that turned the world into a noxious wasteland, Cadet Connor Nichols and other Refuge facility residents are making the most of their spherical underground utopia they call home. But when a breach threatens to poison the occupants with toxic air, Connor is forced to make life-altering decisions in an attempt to save lives and his only home. With help from best friend and training partner, Vince Moore, he's reminded that good leadership requires responsibility. His struggle intensifies as everything he knows about the facility, the leaders, and himself becomes twisted, distorted, and turned into the unimaginable when his efforts exposes shocking secrets that threaten their future. Jim Cotter has a rare gift with words that enables him to write prayers that engage the heart and imagination as well as the mind. Here the ancient and beautiful language of night prayer is infused with fresh and striking imagery about God. Simple prayers, Psalm paraphrases and short readings for reflection open us to the mystery of God - a mystery to which we are more open at night, or when we are facing our own dark places. At night we face many things that are kept at bay by the day's distractions. Praying the Dark Hours is a combination of two bestselling titles: Prayer at Night and Waymarks. This new edition offers structured prayer for each night of the week, based on the traditional pattern of Compline, woven together with scriptures and a short reflective reading for each day of the year and further selections for the Christian seasons. "[An important] detailing of the development and evolution of a major institution of the African Diaspora [and] of Brazilian and Afro-Brazilian identity." —Sheila S. Walker The Afro-Brazilian religion Candomblé has long been recognized as an extraordinary resource of African tradition, values, and identity among its adherents in Bahia, Brazil. Outlawed and persecuted in the late colonial and imperial period, Candomblé nevertheless developed as one of the major religious expressions of the Afro-Atlantic diaspora. Drawing principally on primary sources, such as police archives, Rachel E. Harding describes the development of the religion as an "alternative" space in which subjugated and enslaved blacks could gain a sense of individual and collective identity in opposition to the subaltern status imposed upon them by the dominant society. These days, most Americans know that the country has serious problems. Problems that will have to be addressed before the country can move forward. What are these problems? Where did they come from? Before we can move forward we have to know where we are and how we got there. American Heart of Darkness paints an unvarnished picture of the seeds of destruction that were sown into the foundations of the Republic from the very beginning. How did slavery come about in the "land of the free?" How did a pre-Columbian native population, in North America alone, of over eighteen million (yes, you heard it right) native peoples dwindle down to about two hundred thousand? Was it really Small Pox? Why has a people who constantly talk about freedom, democracy, equality, human rights, life, liberty, and the pursuit of happiness continually practiced racism, genocide, and war? How do drugs come into the country, and who is really behind the most profitable product sold in the world? There are also other unanswered questions that need to be explored: Why were thousands of the worst Nazi war criminals given refuge in the U.S.? Who financed Hitler? Where did Hitler get his "master race" and genocidal ideas from? Was Lee Harvey Oswald a C.I.A. agent? Were Oswald, Sirhan Sirhan, Ted Kaczynski, Timothy McVey, and the "Peoples Temple" all mind control, MKULTRA, subjects? What really happened in the Jeffery MacDonald, so-called "Fatal Vision" case? How does hundreds of billions of dollars come into the United States every year without detection? The answers to these questions, and many more, will surprise you! They are not in the History books, although they should be. American Heart of Darkness, Volume I, explores the ugly side of America that has been hidden for far too long, and it is literally killing us. This book is not for the reader looking for an uplifting story to escape everyday life for a few hours. It is for true patriots who are sick and tired of being lied to and stolen from. It is for those who know they need to do something but do not know where to start. It is for those who feel powerless and that America's problems are far too big for "little ol' me" to handle. It is for those with the courage to go from darkness to light. As comedian and activist Dick Gregory once said, "If you been in the DARK for so long, LIGHT will hurt your eyes ." This book will hurt your eyes. The reader will be shocked, then angry, then motivated, and finally, in the author's next two books, empowered and liberated. It is better to see where we are and where we need to go, right now, before it is too late. Congratulations! If you have read this far this book is probably for you. Please keep in mind the universal truth that with any form of government, the leaders only have the power that the people allow them have. This was true in India when a little skinny guy named Gandhi with no money and only a rag wrapped around his middle took on the British Empire, and won! There is no question that the American people have the power to reclaim a government that is clearly not being run for them. We have to empower ourselves to take this government back from only a handful of selfish and greedy individuals, who have proven that they only care about making more and more money. Let us all stop giving "them" the power that belongs to us. Reading this book is a beginning, and then we will talk about what to do about it in the author's next two books! Daniel Abercrombie, aged eleven, is growing up in the difficult years following the Second World War. Orphaned at an early age, he is cared for by his Uncle Barney, a man of many talents but a man with a terrible secret that weighs heavily on him and, he fears, threatens his future relationship with Daniel. The Shadowlands is set on a distant planet in the future that has been colonized from Old Earth. Its protagonist, Stephen Hardy, is an adventurer and scholar exiled from his native Philos to patrol the wastelands beyond which lie the breakaway civilization of Hedon. When Hardy rescues a teenage boy and his girl lover from the wastes, and finds himself ethically unable to fulfill his duty and see them safely back to his homeland, Philos, his life is changed forever. This sci-fi tale has existentialist philosophic and Taoist and Zen religious undertones and a low-tech slant. This anthology is a thorough introduction to classic literature for those who have not yet experienced these literary masterworks. For those who have known and loved these works in the past, this is an invitation to reunite with old friends in a fresh new format. From Shakespeare's finesse to Oscar Wilde's wit, this unique collection brings together works as diverse and influential as The Pilgrim's Progress and Othello. As an anthology that invites readers to immerse themselves in the masterpieces of the literary giants, it is must-have addition to any library. The Dark Foundations continues the epic story begun in The Shadow and Night. Far beyond the tranquility of the Assembly worlds, Nezhuala, Lord-Emperor of the Dominion, is preparing a merciless and crushing attack on Farholme as a prelude to an onslaught on the Assembly. Back on Farholme, Commander Merral D'Avanos recovers from his wounds after the battle at Fallambet where the intruders were destroyed. Yet even as Merral dreams of a return to peace, he receives a warning of imminent war on a massive scale he cannot ignore. Amid the urgent preparations for battle, Merral and his friends realize the inadequacy of their defenses. Then, with weeks to spare before the predicted eve of war, Merral receives an offer of assistance from the strangest of sources. But can it be trusted? As the wave of war finally crashes over Farholme, Merral must find the answer to other questions in the heat of battle: Can Farholme survive the growing internal strains? Who will pay the price for victory? Will his own weaknesses undo both him and his world? There were shadows I was running from. Ones that haunted and taunted. Ones that made it so I had no choice but to disappear. I'd spent years hiding from the world. My little island haven, the only assurance of safety. It all changed the moment he showed up at my door. The hint of pain in his eyes told me that something haunted him, too. And I couldn't help but be drawn closer. But finding the person I needed most came with risks I never expected. And when our ghosts find us again, neither of us may make it out this time. ***** Read what reviewers are saying about Reckless Refuge: "Addictive, truly suspenseful, and utterly romantic, this is a top read of the year!" - Samantha Young, New York Times Bestseller "Beautiful, emotional and riveting. Catherine Cowles pens a romantic masterpiece that remained in my heart long after the final page was turned." - K.C. Lynn, Bestselling author of the Men of Honor series "Reckless Refuge is absolutely UNPUTDOWNABLE! Beautifully written. Flawlessly executed. An unforgettable 5-Star MUST READ!" - A.L. Jackson, New York Times Bestselling Author ***** Read what others are saying about Catherine Cowles: "I fell in love with these characters, with the writing, and with this unexpected story. I

can't recommend it enough!" - Alessandra Torre, New York Times Bestseller "Heartwarming, romantic and with an added bit of suspense, Beautifully Broken Pieces had me glued to every page! Catherine Cowles, meet your newest super fan." - Devney Perry, USA Today Bestseller "Cowles writes fresh, addicting, and intensely beautiful stories!" - Susan Stoker, New York Times Bestseller "Catherine Cowles has a way of pulling the reader into the world she has created and leaves you there for days after you have read the last page." - Kelly Elliott, New York Times Bestseller "I walked away knowing I would read every single thing this talented new author ever writes." - Natasha is a Book Junkie *** Perfect for fans of Kristen Ashley, Corinne Michaels, Nora Roberts, and Devney Perry. Caves have been used in various ways across human society, but despite the persistence within popular culture of the iconic caveman, deep caves were never used primarily as habitation sites for early humans. Rather, in both ancient and contemporary contexts, caves have served primarily as ritual spaces. In Sacred Darkness, contributors use archaeological evidence as well as ethnographic studies of modern ritual practices to envision the cave as place of spiritual and ideological power that emerges as a potent venue for ritual practice. Covering the ritual use of caves in Europe, Asia, Australia, Africa, Mesoamerica, and the US Southwest and Eastern woodlands, this book brings together case studies by prominent scholars whose research spans from the Paleolithic period to the present day. These contributions demonstrate that cave sites are as fruitful as surface contexts in promoting the understanding of both ancient and modern religious beliefs and practices. This state-of-the-art survey of ritual cave use will be one of the most valuable resources for understanding the role of caves in studies of religion, sacred landscape, or cosmology and a must-read for any archaeologist interested in caves. "A gripping tale told by a gifted writer."--Beverly Lewis Caroline Fletcher is caught in a nation split apart and torn between the ones she loves and a truth she can't deny The daughter of a wealthy slave-holding family from Richmond, Virginia, Caroline Fletcher is raised to believe slavery is God-ordained and acceptable. But on awakening to its cruelty and injustice, her eyes are opened to the men and women who have cared tirelessly for her. At the same time, her father and her fiance, Charles St. John, are fighting for the Confederacy and their beloved way of life and traditions. Where does Caroline's loyalty lie? Emboldened by her passion to make a difference and her growing faith, will she risk everything she holds dear? In Awakening the Luminous Mind, meditation teacher Tenzin Wangyal Rinpoche guides you to find refuge within instead of searching for support outside of yourself. Using the heart instructions of Dawa Gyaltzen, an 8th-century Tibetan meditation master, as a vehicle to guide contemplative practice, Tenzin Wangyal Rinpoche opens your eyes to the gifts hidden in your ordinary experiences. The meditations presented in the book and on the accompanying audio download provide a direct way to meet the challenges of life as we encounter them. Fully incorporating these practices into daily life will help you open and transform your perceived limitations into unlimited possibilities. They will help you dissolve self-doubt and self-judgment, and discover the wisdom and light inherent within you in every moment. Awakening the Luminous Mind completes a series of three books that present meditation instructions and practices to help readers discover the treasury of the natural mind. Its 1634 and a ship of Puritans struggles through a storm on its way to Boston. Among them are John Lee, an ancestor of two future princes of England, and Grace Newell, both 13-year-old wards of William Westwood, their congregation's lawyer. During the storm, John sees 19-year-old Richard Hawkes, a petty thief and murderer, steal their church's gold inlaid silver chalice. The next day, when the chalice is missing, Richard threatens to kill Grace unless John swears to conceal the theft. John agrees if Richard returns the chalice. With few options, Richard agrees. Over the next 40 years, challenges and opportunities present themselves amidst Indian wars and witchcraft trials. Richard lies, steals, and murders his way to fortune and influence, while John becomes a soldier, civic leader, and Indian teacher. Each attracts followers, while both compete for the affection of the same woman. John's guilt over his oath grows as he blames himself for unleashing Richard's evil upon his community. At the same time, he believes breaking his oath would be a great sin. Nesehegan, one of John's Indian students, tells John how he resolved his conflict between loyalty to his tribe and his belief in God. Months later, Richard calls John as a witness at Richard's murder trial. Confronted with a question he can't answer without breaking either his oath to God or his oath to the court, John remembers Nesehegan's story. While Christian approaches to the problem of evil have been much discussed, the issue of theodicy in Islam is relatively neglected. This book discusses possible solutions to theodicy and the problem of evil through the early philosophy and theology of Islam as well as through a semantic analysis of evil in the Qur'ān. Reflecting on Said Nursi's magnum opus, the Risale-i Nur Collection (Epistles of Light), Yesilhark Ozkan puts Nursi's theodicy into discourse with so called 'secular' theodicy or 'anthropodicy'. Her study offers a fascinating new perspective on the problem of evil for scholars of comparative religion, philosophy of religion, and Islamic thought. Exam board: Edexcel Level & Subject: AS and A Level English Literature First teaching: September 2015 First examination: June 2017 "The wisdom of cultures that live harmoniously with nature spoken through the heart and mind of a true gnostic intermediary." —Ram Dass In this "masterwork of an authentic spirit person," Buddhist teacher and anthropologist Joan Halifax Roshi delves into "the fruitful darkness"—the shadow side of being, found in the root truths of Native religions, the fecundity of nature, and the stillness of meditation (Thomas Berry). In this highly personal and insightful odyssey of the heart and mind, she encounters Tibetan Buddhist meditators, Mexican shamans, and Native American elders, among others. In rapt prose, she recounts her explorations—from Japanese Zen meditation to hallucinogenic plants, from the Dogon people of Mali to the Mayan rain forest, all the while creating "an adventure of the spirit and a feast of wisdom old and new" Halifax believes that deep ecology (which attempts to fuse environmental awareness with spiritual values) works in tandem with Buddhism and shamanism to discover "the interconnectedness of all life," and to regain life's sacredness (Peter Matthiessen). A STRANGER IN THE NIGHT... He had once been a warrior of the Light, one of the revered Paladin. A protector. But now he lives in darkness, and the shadows are his sanctuary. Every day is a struggle to overcome the bloodlust. Especially the day Karissa shows up at his doorstep. COMES KNOCKING ON THE DOOR She is light and bright and everything beautiful—despite her scratches and torn clothes. Every creature of the night is after her. So is every male Paladin. Because Karissa is the last female of their kind. But she is his. He may not have a soul, but he can't deny his heart. New York Times Bestseller Spring 2013 Kids' Indie Next List Sybella's duty as Death's assassin in 15th-century France forces her return home to the personal hell that she had finally escaped. Love and romance, history and magic, vengeance and salvation converge in this thrilling sequel to Grave Mercy. Sybella arrives at the convent's doorstep half mad with grief and despair. Those that serve Death are only too happy to offer her refuge—but at a price. The convent views Sybella, naturally skilled in the arts of both death and seduction, as one of their most dangerous weapons. But those assassin's skills are little comfort when the convent returns her to a life that nearly drove her mad. And while Sybella is a weapon of justice wrought by the god of Death himself, He must give her a reason to live. When she discovers an unexpected ally imprisoned in the dungeons, will a daughter of Death find something other than vengeance to live for? While the Bible has been documented to be the most-published and most-sold book ever, how many people actually take the time to open, read, and study this precious gift? If we truly believe this Book is from God Himself and contains the Way of salvation, shouldn't we cherish It as the most valuable treasure we could possibly possess? With the help of the Holy Spirit, shouldn't our lives reflect the passion of these priceless Words? My granddaughter likes to wear a necklace to church, so I gave her a necklace of pearls that my wonderful son-in-law had given me upon returning from the Philippines on business. I explained to her that one day this necklace of pearls would belong to her, making them very special because they came from her Daddy. This book contains a few of the verses I love to ponder, share, and cherish. They are Pearls that my Heavenly Father gave to me, to you, and to the entire world as a message of His love and forgiveness. I want to share several of these priceless Pearls and share what each means in my life hoping to encourage you to develop your own string of Pearls. May a true passion inspire each of us not only to collect these Pearls but also to share them with the people in our lives who are in need of help and healing. By the power of the Holy Spirit, may our string of Pearls grow into a necklace of Pearls that will sustain our faith now and throughout eternity. By the grace of God, may we pass on this priceless necklace of Pearls to future generations that they may hold God's love letters, the Bible, close to their heart resting secure in His promises now and throughout eternity. Includes all three installments of the Refuge Inc. series. Before the Darkness (Book 1) After an asteroid strikes Earth, a series of violent earthquakes destroy secluded Phoenix and leave survivor Elliot struggling to stay focused in the bleak aftermath. He meets fellow survivor, Adam, and together they search for reliable shelter and other survivors while distant, murky clouds fast approach. Their hunt for shelter leads them down an alternate path when they find spray painted symbols directing them to a mysterious place: Refuge Inc. Amid the Darkness (Book 2) Weeks after an asteroid strikes Earth, hurling Elliot and Adam into a fight for their survival, the two take shelter in an underground compound known as Refuge Inc. Shaking their past seems impossible as it comes back to haunt them,

weakening the foundation of their relationship. Elliot, hung up on guilt over his former actions, tries to right his wrongs which leads him face-to-face with the troubling secrets of the compound. Adam's run-in with the enigmatic prophet makes him question Refuge Inc. and the survivors' future. Beyond the Darkness (Book 3) Phoenix-a dark, vast ruin, speckled with sporadic rays of light pushing its way through the dark, dense clouds. Adam and Elliot wander the collapsed city for days before taking shelter at the nearly-standing Arrowhead hospital. Their days are filled with hopes of rescue and a deep need for emotional and mental closeness, until a harsh reality take over their thoughts-their food and supplies are dwindling, and they are in desperate need of assistance and reprieve. They're forced to return to the hellish compound, also known as Refuge Inc. WARNING: Contains explicit male-male sexual practices, graphic language, some violence and brief descriptions of the dead. The Blessing: Splendor of Our Father's Word is an inspirational daily read. It is full of valuable life lessons on the important of humility, forgiveness, and fellowship with others. It provides reminders to avoid the many vices and attitudes that can keep us from leading a fulfilling, joyful life. The collection of personal reflections can inspire happiness and peace in all readers, and bring them closer to God. Someone, or something, is ripping the hearts from living men. Justinian, Lord Sterling, has lived for centuries, serving an ancient entity known only as the Dragon. Immortality is Justin's reward. But to keep it, he must keep killing. Lt. Sandra McCormick is a dedicated cop, a loner whose job is her refuge from a twisted past. But to keep it, she must stop the killing. Two loners, each stalking the other. Each destined to be the other's savior--and downfall. For love, unexpected, unstoppable, draws them together. And love is the one vice the Dragon will not allow . . . To survive is a challenge. To survive for each other is more than they expected.After an asteroid strikes Earth, a series of violent earthquakes destroy secluded Phoenix and leave survivor Elliot struggling to stay focused in the bleak aftermath. And then he meets fellow survivor Adam. Together, the two search for reliable shelter and other survivors while distant murky clouds fast approach. Their hunt for shelter leads them down an alternate path when they find spray painted symbols directing them to a mysterious place: Refuge Inc. As ominous clouds slowly shut off all light to their devastated world, they are forced to come to terms with their pasts and their growing attraction for each other.Neither thought their pasts and personal crises would affect their ability to endure the horrors they're forced to live through. Neither thought they would be drawn so close to one another in the aftermath of an unimaginable catastrophe. By working together, can they continue to survive? Or will the mystery of Refuge Inc. cause diverse expectations and lead them to decisions that further threaten their lives?WARNING: Contains explicit male-male sexual practices, graphic language, some violence and descriptions of death.Bonus content: Includes the original (deleted) scene from Chapter Twelve: Lying for Gain. When Brandy, an African American senior in high school, begins tutoring Ian, a popular white student, the other students react with hate. An all-in-one UPDATED guide to the National Wildlife Refuge system that describes over 530 U.S. wildlife reserves. This guide contains detailed explanations of each refuge's habitat and wildlife, as well as refuge amenities. Butcher provides information helpful to both the novice wildlife observer and the expert environmentalist. Butcher's work also contains 240 full-color photographs that show the magnificent beauty held within these refuges. Find comfort in dark times and grow your trust and faith in God with this inspiring and insightful guide from Lakewood Church pastor and #1 New York Times bestselling author Joel Osteen. All of us will go through dark times that we don't understand: a difficulty with a friend, an unfair situation at work, a financial setback, an unexpected illness, a divorce, or the loss of a loved one. Those types of experiences are part of the human journey. But when we find ourselves in such a place, it's important that we keep a positive perspective. Joel Osteen writes that if we stay in faith and keep a good attitude when we go through challenges, we will not only grow, but we will see how all things work together for our good. Through practical applications and scriptural insight, Blessed in the Darkness focuses on how to draw closer to God and trust Him when life doesn't make sense. If we will go through the dark place in the valley trusting, believing, and knowing that God is still in control, we will come to the table that is already prepared for us, where our cup runs over.
