Marketing Management Philip Kotler, 1999-07-01 [Marketing Management, Student Value Edition](#) Philip Kotler, Kevin Keller, 2015-05-28 **Confronting Capitalism** Philip Kotler, 2015-04-15 With one side of the

political aisle proposing increasingly more socialistic and anti capitalistic ideas the other side has been quick to defend our country's great economic model with good reason Capitalism spanning a spectrum from laissez faire to authoritarian shapes the market economies of all the wealthiest and fastest growing nations But does that mean it is perfect as is and that we would not all benefit from an honest evaluation and reconstruction of the free market system that has shaped our country's way of economic growth The truth is trouble is cracking capitalism's shiny veneer In the US Europe and Japan economic growth has slowed down Wealth is concentrated in the hands of a few natural resources are exploited for short term profit and good jobs are hard to find In *Confronting Capitalism* business expert Philip Kotler explains 14 major problems undermining capitalism including Persistent and increasing poverty Automation's effects on job creation High debt burdens Steep environmental costs Boom bust economic cycles And more But this landmark book does not stop with merely revealing the problems It also delivers a heartening message We can turn things around Movements toward shared prosperity and a higher purpose are reinvigorating companies large and small while proposals abound on government policies that offer protections without stagnation Kotler identifies the best ideas linking private and public initiatives into a force for positive change and offers suggestions for returning to a healthier more sustainable capitalism that works for all
