This is a shrink-wrapped, discounted packaged for the introduction to American government course. The books included are: Kernell and Jacobson's 'The Logic of American Politics, 3rd ed.'; Kernell and Smith's 'Principles and Practice of American Politics, 3rd ed.' "By state law, graduates of public colleges and universities in Georgia must demonstrate proficiency with both the U.S. and Georgia constitutions. This widely used textbook helps students to satisfy that requirement, either in courses or by examination. This brief and affordable study aid begins with a discussion of the ways that state and local governments, in providing services and allocating funds, affect our daily lives. Subsequent chapters are devoted to the development of our federal system and the importance of constitutions in establishing authority, distributing power, and formalizing procedures how the various state constitutions differ from each other, even as they all complement the U.S. Constitution how constitutions in Georgia have been amended or replaced Georgia's governmental institutions at the state, county, and city levels elections in Georgia, including the basic ground rules for holding primaries, general elections, and runoffs Key terms and concepts are covered throughout the book, as well as important court cases at the national and state level. In addition, helpful lists, diagrams, and tables summarize and compare such information as the structure of Georgia's court system the number of constitutions each of the fifty states has had, the number of times each state's constitution has been amended, and the length of each state's current constitution various procedures used by the states to amend their constitutions Georgia's ten constitutions, with highlights of their major changes or features the number of amendments voted on in Georgia from 1984 to 2012 the executive branch officials elected by the public across states the constitutional boards and commissions in Georgia, with details on the methods by which members are chosen the number and types of local governments in Georgia since 1952 including counties, municipalities, school districts, and special districts the major federal cases in which Georgia has been a party, on issues of discrimination, representation, freedom of speech and the press, the accused or convicted of crimes, and the right to privacy rights and liberties, and how constitutions guarantee and protect them"-- A complete and balanced reference, Public Budgeting Systems, Eighth Edition surveys the current state of budgeting throughout all levels of the United States government. The text emphasizes methods by which financial decisions are reached within a system as well as ways in which different types of information are used in budgetary decision-making. It also stresses the use of program information, since, for decades, budget reforms have sought to introduce greater program considerations into financial decisions. This updated text includes more cases studies and practical information, figures and charts to make the information more accessible, as well as additional student problems. Using this text, students will gain a first-rate understanding of methods by which financial decisions are reached within a system, and how different types of information are used in budgetary decision-making. Get the most up-to-date coverage and analysis of the presidency. Never losing sight of the foundations of the office, The Politics of the Presidency maintains a balance between historical context and contemporary scholarship on the executive branch, providing a solid foundation for any presidency course. In this Revised Tenth Edition, bestselling authors Joseph A. Pika, John Anthony Maltese, and Andrew Rudalevige present a thorough analysis of the change and continuity following the November 2020 presidential election and Biden administration. The revised and updated eighth edition of the bestselling textbook Politics UK is an indispensable introduction to British politics. It provides a thorough and accessible overview of the institutions and processes of British government, a good grounding in British political history and an incisive introduction to the issues facing Britain today. With contributed chapters from respected scholars in the field and contemporary articles on real-world politics from well-known political commentators, this textbook is an essential guide for students of British politics. The eighth edition welcomes brand new material from eight new contributors to complement the rigorously updated and highly valued chapters retained from the previous edition. The eighth edition includes: · Britain in context boxes offering contrasting international perspectives of themes in British politics. · A comprehensive 'who's who' of politics in the form of Profile boxes featuring key political figures. · And another thing ... pieces: short articles written by distinguished commentators including Jonathan Powell, Michael Moran and Mark Garnett. · Fully updated chapters plus new material providing excellent coverage of contemporary political events including: The Leveson Inquiry, the aftermath of the 2011 riots and the House of Lords reform. · A vibrant and accessible new design to excite and engage students as the work through a variety of political topics. · A new epilogue to the book offering a critical perspective of the trials and tribulations of the Coalition Government, including an overview of the major differences that divide the coalition partners. Completely revised and updated to take full account of the most recent and dramatic changes in the nature of American government, the sixth edition provides a clear and concise introduction to US politics for all students of political science and American studies. Explains, analyses and interprets the processes of US government and, crucially, appraises them from a non-US perspective. Includes commentary on the 2004 presidential election. Fills in the social background to American political and economic life, preparing the ground for the central discussion of the book: the institutions of the federal government, Congress, the Supreme Court and the Constitution, the federal system, the Presidency, the party bandwagons and the electoral system. Reduced emphasis on limited government and greater emphasis on foreign and domestic policy linked into the War on Terror. Rewritten throughout to reflect recent developments, with two completely new chapters on The Media and American Politics, and The Security State. Supported by a website, [www.blackwellpublishing.com/mckay](http://www.blackwellpublishing.com/mckay), including information on the book; its detailed contents; the author; controversies; sample chapters; selected tables; related titles; and links to other web resources. It will be regularly updated to ensure teachers and students have access to the most recent data. Every year, editor Kevin Smith pulls cutting-edge selections from publications such as Governing, State Legislatures, State News, and Campaigns & Elections to grab your students' interest with highly readable and up-to-date articles that hit close to home. Nearly 40 new articles cover the significant issues facing state and local government with the same context and currency you have come to expect as hallmarks of this reader. The 2011–2012 edition will help bring the latest analysis into your state and local government course. "Governmental and Nonprofit Accounting," Revised Sixth Edition provides a better balance between theory and practice than other texts, with the most up-to-date coverage. It provides readers with a thorough basis for understanding the logic for and nature of all of the funds and account groups of a government, with a unique approach that enables readers to grasp the entire accounting and reporting framework for a government before focusing on specific individual fund types and account groups. Includes coverage of the new reporting model standard: GASB "Statement 34." Includes illustrations of government-wide financial statements and fund-based financial statements presented using the major fund approach. Points out the major changes required from the current guidance and explains and illustrates the requirements of the new model. Explains and illustrates the GASB Statement 31. Contains the latest revision of OMB Circular A-133 on single audits. Appropriate for undergraduate Accounting courses, such as Governmental Accounting, Public Sector accounting, Government and Nonprofit Accounting, and Fund Accounting. Greenberg, Edward S. and Page, Benjamin I., Struggle for Democracy, The: Course Compass Edition, 5th Edition \* This edition seamlessly integrates the online course management capabilities and web activities of Greenberg's Course Compass website with the book. The Greenberg Course Compass website features pre-loaded, text-specific content, including two types of highly engaging web activities: Web Explorations and Longman Participate.com exercises. Icons in the margins of the textbook direct readers to these activities on the Greenberg Course Compass website, tying the book and the website together. For those interested in American Government. For many, American politics and government have never been more interesting--or more important. A new four-color design, up-to-date political news and analysis and an affordable price make AMERICAN GOVERNMENT AND POLITICS TODAY, Brief Edition, 2018-2019, an ideal resource to engage today's learners. Authors Schmidt, Shelley and Bardes help students understand America's complex and fascinating political system--and show them how they can participate in the political process. Praised for its balanced coverage, clarity and readability, the text examines all the key concepts of American Government while providing interesting features that focus on active citizenship. The tenth edition gives ample space to the rise of Donald Trump, his populist campaign and use of the media as well as to other current topics such as security leaks, government surveillance and voting restrictions. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Learn American Government YOUR Way with GOVT 10! This easy-reference textbook presents course content through visually engaging chapters as well as Chapter Review Cards that consolidate the best review material into a ready-made study tool. With the textbook or on its own, MindTap Political Science allows you to learn on your terms. Read or listen to textbooks and study with the aid of instructor notifications, flashcards and practice quizzes. Track your scores and stay motivated toward your goals. Whether you have more work to do or are ahead of the curve, you'll know where you need to focus your efforts. And the MindTap Green Dot will charge your confidence along the way. When it's time to study, everything you've flagged or noted can be gathered into a guide you can organize. Classic Books Library presents this brand new edition of "The Federalist Papers", a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. "The Federalist", as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyze the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755–1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation's finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States. Since its introduction in 1943 Recommended Dietary Allowances has become the accepted source of nutrient allowances for healthy people. These Recommended Dietary Allowances (RDAs) are used throughout the food and health fields. Additionally, RDAs serve as the basis for the U.S. Recommended Daily Allowances, the Food and Drug Administration's standards for nutrition labeling of foods. The 10th Edition includes research results and expert interpretations from years of progress in nutrition research since the previous edition and provides not only RDAs but also "Estimated Safe and Adequate Daily Dietary Intakes" provisional values for nutrients where data were insufficient to set an RDA. Organized by nutrient for ready reference, the volume reviews the function of each nutrient in the human body, sources of supply, effects of deficiencies and excessive intakes, relevant study results, and more. The volume concludes with the invaluable "Summary Table of Recommended Dietary Allowances," a convenient and practical summary of the recommendations. "American Politics and Government Today teaches students exactly what they need to know to succeed in the course and become informed citizens. The part structure and chapter organization clearly maps to the five AP® U.S. Government and Politics units, for close alignment with the course framework. In each chapter, integrated policy coverage allows students to see how social, economic, or foreign policy relates to real-life situations, while AP®-style multiple-choice questions and the full range of free response questions offer students practice opportunities at the end of each chapter"-- The Trusted Authority, Setting A New Standard For The Future. Government and Politics in Australia 10e is the comprehensive and scholarly political science text that provides thorough and accessible content written by authorities in the field. Now in its 10th edition, Government and Politics in Australia continues to provide students with a research-based, in-depth contemporary introduction to the Australian political system. A strengthened focus on government and politics ensures that this classic text remains the most comprehensive and authoritative guide to the structure and institutions of Australian government, as well as political parties, representation, interest groups and the role of the media in Australian politics. The 10th edition has been thoroughly revised and updated by experts in the field led by a new editor team and includes a completely new chapter on Australia in the world. Distinguished by its myth vs. reality framework, AMERICAN GOVERNMENT, 10th EDITION, encourages you to confront your preconceptions about American government and to think critically about the U.S. political system. Up-to-date content addresses issues such as the media, public opinion, the Supreme Court, domestic and international policy, education and environmental policies, and economic and social welfare. The tenth edition also features coverage of the 2010 mid-term elections. Now part of the Advantage Series, AMERICAN GOVERNMENT offers the same quality coverage at a competitive price. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Keyed to the 8th and 9th editions of Wilson/DiIulio's American government, this book includes a diagnostic test, practice questions, full-length practice tests as well as graphs and tables to help students learn to analyze data. This popular text mixes the best classic theory and research on urban politics with the most recent developments in urban and metropolitan affairs. Its very balanced and realistic approach helps students to understand the nature of urban politics and the difficulty of finding effective solutions in a suburban and global age. The eighth edition provides a comprehensive review and analysis of urban policy under the Obama administration and brand new coverage of sustainable urban development. A new chapter on globalization and its impact on cities brings the history of urban development up to date, and a focus on the politics of local economic development underscores how questions of economic development have come to dominate the local arena. The book traces the changing style of community participation, including the emergence of CDCs, BIDs, and other new-style service organizations. It analyzes the impacts of the New Regionalism, the New Urbanism, and much more at an approachable level. The eighth edition is significantly shorter and more affordable than previous editions, and the entire text has been thoroughly rewritten to engage students. Boxed case studies of prominent recent and current urban development efforts provide material for class discussion, and concluding material demonstrates the tradeoff between more ideal and more pragmatic urban politics. Source material provides Internet addresses for further research. American Government: Constitutional Democracy Under Pressure highlights the necessary tension between our constitutional principles and institutions and the populist heat that sometimes roils our national politics, especially at the current political moment. Our constitutional democracy has been under pressure for some time, but few would deny that fears for its fate have deepened in just

the past few years. We assume that our political institutions will limit and contain contemporary populism, just as the Founders intended and as they have in the past, but will they? An increasingly polarized electorate, urging their representatives to fight and never to compromise, may be stressing Constitutional limits. This new edition offers to help American government teachers lead their students to a nuanced theoretical and practical understanding of what is happening in the politics of their Constitutional democracy today. New to the Second Edition Further develops and highlights the distinguishing theme of the book, "Constitutional Democracy Under Pressure," in light of Trump Administration events over the last two years. Expands coverage of all media aspects including fake news, social media, responsible journalism, and related topics including foreign manipulation of the news. Includes the most recent election results. Addresses issues specific to the Trump Administration including unique coverage of the 25th Amendment, cabinet instability, election interferences, executive power and unitary action, and impact on the courts. Updates in all tables, figures, suggested readings plus photo updates throughout. Keeping the Republic gives students the power to examine the narrative of what's going on in American politics, distinguish fact from fiction and balance from bias, and influence the message through informed citizenship. Keeping the Republic draws students into the study of American politics, showing them how to think critically about "who gets what, and how" while exploring the twin themes of power and citizenship. The thoroughly updated Tenth Edition considers the influences of today's technology and social media on politics and civic engagement. With the communication of ideas and information easier than ever, it's increasingly challenging to filter through all the voices and biases to assess the facts and find balance. Throughout the text and its features, authors Christine Barbour and Gerald C. Wright show students how to effectively apply the critical thinking skills they develop to the political information they encounter every day. Students are challenged to deconstruct prevailing political narratives and effectively harness the political power of the information age for themselves. New content analyzes not only the 2020 election results and Supreme Court rulings, but also examines the activism of the Black Lives Matter movement, political outsiders in campaigns and party nominations, the federal government's response to the COVID-19 pandemic, and the presidency of Donald Trump. With students living through one of the most challenging periods in American life, Keeping the Republic, Tenth Edition, is there to be a much-needed resource to help them make sense of politics in America today and become savvy consumers of political information. Learn how American politics affect public policy Government in America : People, Politics and Policy - 2016 Presidential Election(Subscription), 17/e, explores our government's impact on the daily lives of Americans by focusing on public policy. Authors George Edwards and Martin Wattenberg provide a framework for students to understand the difficult questions that decision makers of both political parties are facing: How should we govern? And, what should government do? In order to boost student engagement with key concepts, the 2016 Elections incorporates coverage of contemporary issues that dominate today's headlines, as well as the most up-to-date data. ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Explore American politics through the Constitution Government by the People, Brief 2012 Election Edition offers the most classroom-tested introduction to the foundational principles, processes, and institutions of American government but in a more streamlined and flexible format. Emphasizing the accomplishments of a government of the people, by the people, and for the people, this text highlights the central role people play in a constitutional democracy. Government by the People, Brief 2012 Election Edition inspires students to see how similarities and differences in political beliefs continue to shape government today This text features full integration with the New MyPoliSciLab. MyPoliSciLab includes a wide array of resources to encourage students to look at American politics like a political scientist and analyze current political issues. Political Explorer lets students play the role of a political scientist by investigating issues through interactive data. Core Concept videos discuss the big ideas in each chapter and apply them to key political issues. Simulations allow students to experience how political leaders make decisions.
