Throughout this work, Jordan Cooper writes about the essential aspects of how to live as God's child. He writes about the importance of the sacraments, the difference between God's commandments and promises, how to follow Jesus, the nature and purpose of Christian worship, and the different types of relationships that God has called us to. Through an explanation of Scripture, along with theological and practical application, Cooper teaches Christians how to live as those who have been baptized into Christ. The Christian life, as Calvin describes it, is lived simultaneously in the shadow of the cross and in the bright light of the resurrection. That the writer himself knew something of the cost of discipleship is clear from a consideration of his own experience. Many Christians today are feeling unfulfilled in their walk with God, and they have no idea it's because of the little decisions they're making each day that are leading them into lives of compromise. In *Navigate Your Faith* Ron Pratt uses a fictional American family to expose how the enemy lures believers into prioritizing their own pleasure, entertainment, or career goals over their relationship with Christ. This erodes their passion for Jesus and causes them to become spiritually bored and have powerless Christian lives. Rather than claiming that God will approve of Christians no matter what they do, as some modern ministers do, *Navigate Your Faith* challenges readers to take a hard look at their lives and see if they're simply incorporating Jesus into their lifestyles or allowing Him to set them on a course of His choosing. With proven strategies to rebuild lost intimacy with God, this book will help Christians recognize the deceptive tactics of the enemy, break out of complacency, and make a greater impact on the world around them. Half a man's life is bound up in his work, but few men ever learn a biblical framework, or "theology of work", to help think correctly about all those hours, weeks and years they invest in their job. Patrick Morley, author of *The Man in the Mirror* knows that men everywhere want their lives to count, to make a real difference. He has written a book for men in the workforce who want to integrate their faith and work. The best place to answer those life questions is in the context of the local church. It's nothing short of miraculous what God will do through a group of devoted Christians who become committed and selfless church members. Studying *I Believe* with a small group of Christians will give you a solid base of truth on which to anchor your life in Christ. This summary of Christian teaching covers nearly 100 major theological points from a biblical Reformed perspective. Author Kelly Bean broadens our definition of church to include many alternative forms of Christian community. With true stories of those who have given up on church and what they're doing now, this book is also helpful for pastors and churchgoers to help them understand why people leave the church--and what might be done to help them stay.
