A Journey Round My Skull Frigyes Karinthy

A Journey Round My Skull Frigyes Karinthy, 2008-03-11 The distinguished Hungarian author Frigyes Karinthy was sitting in a Budapest caf wondering whether to write a long planned monograph on modern man or a new play when he was disturbed by the roaring so loud as to drown out all other noises of a passing train Soon it was gone only to be succeeded by another And another Strange Karinthy thought it had been years since Budapest had streetcars Only then did he realize he was suffering from an auditory hallucination of extraordinary intensity What in fact Karinthy was suffering from was a brain tumor not cancerous but hardly benign though it was only much later after spells of giddiness fainting fits friends remarking that his handwriting had altered and books going blank before his eyes that he consulted a doctor and embarked on a series of examinations that would lead to brain surgery Karinthy s description of his descent into illness and his observations of his symptoms thoughts and feelings as well as of his friends and doctors varied responses to his predicament are exact and engrossing and entirely free of self pity **A Journey Round My Skull** is not only an extraordinary piece of medical testimony but a powerful work of literature one that dances brilliantly on the edge of extinction

Voyage to Faramido Frigyes Karinthy, 1966 *Trepanation, Trephining and Craniotomy* José M González-Darder, 2019-09-04 This book takes readers on a journey around the world and through time accompanied by a modern neurosurgeon who reviews historical techniques and instruments used for cranial opening The author draws on original medical and surgical books to provide a comprehensive history of these techniques and tools To complement the general overview and offer readers a more hands on sense of context and atmosphere extensive historical references stories media news and illustrative cases have been included for each historical and geographical scenario In addition original illustrations and plates of these archaic instruments and techniques are supplied Neurosurgical surgeons

nurses technicians medical historiographers paleo pathologists and researchers interested in surgical techniques for cranial opening will find the volume a valuable guide intended to increase the historical and cultural awareness of this core topic in neurological surgery

Dead Man's Fancy Keith McCafferty, 2014-01-02 The third novel starring Montana's fly fisherman cum detective Sean Stranahan for fans of C J Box and Craig Johnson Wolves howl as a riderless horse returns at sunset to the Culpepper Dude Ranch in the Madison Valley The missing woman Nanika Martinelli is better known as the Fly Fishing Venus a red haired river guide who lures clients the way dry flies draw trout As Sheriff Martha Ettinger follows hoof tracks in the snow she finds one of the men who has fallen under the temptress's spell impaled on the antler tine of a giant bull elk a kill that's been claimed by a wolf pack An accident If not is the killer human or animal With painter fly fisherman and sometimes private detective Sean Stranahan's help Ettinger will follow clues that point to an animal rights group called the Clan of the Three Clawed Wolf and to their svengali master whose eyes blaze with pagan fire In their most dangerous adventure yet Stranahan and Ettinger find themselves in the crossfire of wolf lovers wolf haters and a sister bent on revenge and on the trail of an alpha male gone terribly wrong

A House and Its Head Ivy Compton-Burnett, 2001-02-28 A radical thinker one of the rare modern heretics said Mary McCarthy of Ivy Compton Burnett in whose austere savage and bitingly funny novels anything can happen and no one will ever escape The long endlessly surprising conversational duels at the center of Compton Burnett's works are confrontations between the unspoken and the unspeakable and in them the dynamics of power and desire are dramatized as nowhere else New York Review Books is reissuing two of the finest novels of this singular modern genius works that look forward to the blacky comic inventions of Muriel Spark as much as they do back to the drawing rooms of Jane Austen A House and Its Head is Ivy Compton Burnett's subversive look at the politics of family life and perhaps the most unsparing of her novels No sooner has Duncan Edgeworth's wife died than he takes a new much younger bride whose willful ways provoke a series of transgressions that begins with adultery and ends much to everyone's relief in murder

The Information James Gleick, 2011-03-01 From the bestselling author of the acclaimed Chaos and Genius comes a thoughtful and provocative exploration of the big ideas of the modern era Information communication and information theory Acclaimed science writer James Gleick presents an eye opening vision of how our relationship to information has transformed the very nature of human consciousness A fascinating intellectual journey through the history of communication and information from the language of Africa's talking drums to the invention of written alphabets from the electronic transmission of code to the origins of information theory into the new information age and the current deluge of news tweets images and blogs Along the way Gleick profiles key innovators including Charles Babbage Ada Lovelace Samuel Morse and Claude Shannon and reveals how our understanding of information is transforming not only how we look at the world but how we live A New York Times Notable Book A Los Angeles Times and Cleveland Plain Dealer Best Book of the Year Winner of the PEN E O Wilson Literary Science Writing Award

The House Of Splendid Isolation Edna

O'Brien,2013-12-19 A powerful complex fable mysteriously conceived and deeply felt Brilliant Irish Times When Josie confined to bed in her dilapidated country mansion sees the door swing back and the hooded face appear she knows who it is Into her world comes McGreevy bloody crusader for a united Ireland who has chosen her house for sanctuary Within the incarcerating walls of the house an undercurrent of love develops between two people who think differently but feel the same Destiny has flung them together and as the police net closes in fear dawns in Josie that McGreevy has used her house for more than refuge And there may be no escape for either of them A writer at the height of her powers Tatler A work of insight sympathy and breath holding suspense Daily Mail O'Brien at her shrewd and lyrical best Sunday Times So well written you won't be disappointed whatever you are looking for Literary Review A sharp and thoughtful depiction of the modern Irish question poetically written The Times Everything in Its Place Oliver Sacks,2019-04-23 From the legendary author of *The Man Who Mistook His Wife for a Hat* a volume of essays on everything from primordial life and the mysteries of the brain to the ancient ginkgo and the power of the written word *Magical Everything in Its Place* showcases the neurologist's infinitely curious mind People Magazine In this volume Oliver Sacks examines the many passions that defined his life both as a doctor engaged with the central questions of human existence and as a polymath conversant in all the sciences *Everything in Its Place* brings together writings on a rich variety of topics Why do humans need gardens How and when does a physician tell his patient she has Alzheimer's What is social media doing to our brains In several of the compassionate case histories included here we see Sacks consider the enigmas of depression psychosis and schizophrenia for the first time In others he returns to conditions that have long fascinated him Tourette's syndrome aging dementia and hallucinations In counterpoint to these elegant investigations of what makes us human this volume also includes pieces that celebrate Sacks's love of the natural world and his final meditations on life in the twenty-first century *Katalin Street* Magda Szabo,2017-09-12 FINALIST FOR THE 2017 PEN TRANSLATION PRIZE From the author of *The Door* selected as one of the New York Times 10 Best Books of 2015 this is a heartwrenching tale about a group of friends and lovers torn apart by the German occupation of Budapest during World War II In prewar Budapest three families live side by side on gracious Katalin Street their lives closely intertwined A game is played by the four children in which Blint the promising son of the Major invariably chooses Irn Elekes the headmaster's dutiful elder daughter over her younger sister the scatterbrained Blanka and little Henriette Held the daughter of the Jewish dentist Their lives are torn apart in 1944 by the German occupation which only the Elekes family survives intact The postwar regime relocates them to a cramped Soviet style apartment and they struggle to come to terms with social and political change personal loss and unstated feelings of guilt over the deportation of the Held parents and the death of little Henriette who had been left in their protection But the girl survives in a miasmal afterlife and reappears at key moments as a mute witness to the inescapable power of past events As in *The Door* and *Iza's Ballad* Magda Szabo conducts a clear-eyed investigation into the ways in which we inflict suffering on those we love *Katalin Street* which won the 2007 Prix C

vennes for Best European novel is a poignant somber at times harrowing book but beautifully conceived and truly unforgettable

The Professional Recruiter's Handbook Jane Newell Brown, Ann Swain, 2012-07-03 As recruitment becomes ever more important to a business achieving its corporate objectives recruiters must raise their game delivering new and innovative solutions while also doing their job well and achieving the results needed for their clients and candidates The Professional Recruiter's Handbook second edition is a complete guide to achieving success in recruitment The authors explore the techniques used by the most successful recruiters both agency and client side to understand what creates excellence in recruitment Containing up to date practical advice on attracting the right candidates and finding and retaining new clients it explains how to develop a recruitment strategy to ensure the recruitment professional can successfully fulfil the roles taken on The book is supported by numerous case studies and interviews with recruitment professionals

Six Septembers: Mathematics for the Humanist Patrick Juola, Stephen Ramsay, 2017 Scholars of all stripes are turning their attention to materials that represent enormous opportunities for the future of humanistic inquiry The purpose of this book is to impart the concepts that underlie the mathematics they are likely to encounter and to unfold the notation in a way that removes that particular barrier completely This book is a primer for developing the skills to enable humanist scholars to address complicated technical material with confidence This book to put it plainly is concerned with the things that the author of a technical article knows but isn't saying Like any field mathematics operates under a regime of shared assumptions and it is our purpose to elucidate some of those assumptions for the newcomer The individual subjects we tackle are in order logic and proof discrete mathematics abstract algebra probability and statistics calculus and differential equations
