Modern Brazilian Portuguese Grammar Workbook is an innovative book of exercises and language tasks for all learners of Brazilian Portuguese. The book is divided into two sections: Part A provides exercises based on essential grammatical structures Part B practises everyday functions (e.g making social contact, asking questions and expressing needs) A comprehensive answer key at the back of the book enables you to check on your progress. Modern Brazilian Grammar Workbook is ideal for all learners who have a basic knowledge of Brazilian Portuguese, including undergraduates taking Brazilian Portuguese as a major or minor part of their studies, as well as intermediate and advanced students in

schools and adult education. It can be used independently or in conjunction with *Modern Brazilian Portuguese Grammar: A Practical Guide*. An essential, comprehensive guide for all who are interested in learning the Portuguese language and mastering its complexities, *Portuguese: A Reference Manual* supplements the phonetic and grammatical explanations offered in basic textbooks. While the Manual focuses on Brazilian Portuguese, it incorporates European Portuguese variants and thus provides a more complete description of the language. Accessible to non-linguists and novice language learners, as well as informative for instructors of Portuguese and specialists in other languages, this guide incorporates the Orthographic Accord (in effect since 2009–2010), which attempts to standardize Portuguese orthography. The Manual reflects the language as it is currently taught at both the undergraduate and graduate levels by providing detailed explanations of the sound and writing systems and the grammar of the principal Portuguese dialects. A reference guide rather than a textbook, the Manual also provides extensive verb charts, as well as comparisons of Portuguese with English and Spanish. This manual is the first comprehensive account of Brazilian Portuguese linguistics written in English, offering not only linguists but also historians and social scientists new insights gained from the intensive research carried out over the last decades on the linguistic reality of this vast territory. In the 20 overview chapters, internationally renowned experts give detailed yet concise information on a wide range of language-internal as well as external synchronic and diachronic topics. Most of this information is the fruit of large-scale language documentation and description projects, such as the project on the linguistic norm of educated speakers (NURC), the project “Grammar of spoken Portuguese”, and the project “Towards a History of Brazilian Portuguese” (PHPB), among others. Further chapters of high contemporary interest and relevance include the study of linguistic policies and psycholinguistics. The manual offers theoretical insights of general interest, not least since many chapters present the linguistic data in the light of a combination of formal, functional, generative and sociolinguistic approaches. This rather unique feature of the volume is achieved by the double authorship of some of the relevant chapters, thus bringing together and synthesizing different perspectives.

20-2208 Dictionary included in the Living Language Complete Basic Course. ENG: This manual was prepared by medical students for their fellow classmates to introduce them to the growing world of treating and caring for the Portuguese speaking population. Its purpose is to teach the basic skills of history taking and information gathering in Portuguese. POR: Este manual foi criado por estudantes de medicina, para outros estudantes de medicina. O livro contem perguntas basicas relacionadas ao atendimento de pacientes que falam somente Portugues. O livro esta dividido em capitulos de varias especialidades, e contem traducoes de Ingles para Portugues e vice-versa. 0135129397 / 9780135129395 Ponto de Encontro: Portuguese as a World Language Value Package (includes Brazilian Activities Manual for Ponto de Encontro: Portuguese as a World Language) Package consists of: 0131894056 / 9780131894051 Ponto de Encontro: Portuguese as a World Language 0131894080 / 9780131894082 Brazilian Activities Manual for Ponto de Encontro: Portuguese as a World Language This package contains: 0205782760: Ponto de Encontro: Portuguese as a World Language 0205783465: Brazilian Student Activities Manual for Ponto de Encontro: Portuguese as a World Language 425222446: OXFORD PORTUGUESE DICTIONARY Are you ready to
