Marilyn Waring Marilyn Waring,2019-05-10 In 1975 Marilyn Waring was elected to the New Zealand Parliament as the MP for Raglan Aged just twenty three she was one of only a few female MPs who served through the turbulent years of Muldoon s government For nine years Waring was at the centre of major political decisions until her parliamentary career culminated during the debate over nuclear arms When Waring informed Muldoon that she intended to cross the floor and vote for the opposition bill which would make New Zealand nuclear free he called a snap election And the government fell This is an autobiographical account of Waring s extraordinary years in parliament She tells the story of her journey from being elected as a new National Party MP in a conservative rural seat to being publicly decried by the Prime Minister for her feminist anti nuclear stance that threatened to bring down his government Her tale of life in a male dominated and relentlessly demanding political world is both uniquely of its time and still of pressing relevance today

Nietzsche and the Burbs Lars Iyer,2019-12-03 In a work of blistering dark hilarity a young Nietzsche experiences life in a metal band the tribulations of finals season in a modern secondary school When a new student transfers in from a posh private school he falls in with a group of like minded suburban stoners artists and outcasts too smart and creative for their own good His classmates nickname their new friend Nietzsche for his braininess and bleak outlook on life and decide he must be the front man of their metal band now christened Nietzsche and the Burbs With the abyss of graduation not to mention their first gig looming ahead the group ramps up their experimentations with sex drugs and nihilist philosophy Are they as doomed as their intellectual heroes And why does the end of youth feel like such a universal tragedy And as they ponder life s biggies this sly elegant and often laugh out loud funny story of would be rebels becomes something special an absorbing and stirring reminder of a particular exciting yet bittersweet moment in life and a reminder that all adolescents are philosophers and all philosophers are adolescents at heart

The Devil in History Vladimir Tismaneanu, 2014-03-14 The Devil in History is a provocative analysis of the relationship between communism and fascism Reflecting the author's personal experiences within communist totalitarianism this is a book about political passions radicalism utopian ideals and their catastrophic consequences in the twentieth century's experiments in social engineering Vladimir Tismaneanu brilliantly compares communism and fascism as competing sometimes overlapping and occasionally strikingly similar systems of political totalitarianism He examines the inherent ideological appeal of these radical revolutionary political movements the visions of salvation and revolution they pursued the value and types of charisma of leaders within these political movements the place of violence within these systems and their legacies in contemporary politics The author discusses thinkers who have shaped contemporary understanding of totalitarian movements people such as Hannah Arendt Raymond Aron Isaiah Berlin Albert Camus Francois Furet Tony Judt Ian Kershaw Leszek Kolakowski Richard Pipes and Robert C Tucker As much a theoretical analysis of the practical philosophies of Marxism Leninism and Fascism as it is a political biography of particular figures this book deals with the incarnation of diabolically nihilistic principles of human subjugation and conditioning in the name of presumably pure and purifying goals Ultimately the author claims that no ideological commitment no matter how absorbing should ever prevail over the sanctity of human life He comes to the conclusion that no party movement or leader holds the right to dictate to the followers to renounce their critical faculties and to embrace a pseudo miraculous a mystically self centered delusional vision of mandatory happiness
