To support his case, he reviews a wealth of research from storytellers, teachers, and others who have experienced the power of story firsthand. The author has collected anecdotal experiences from over 100 performing storytellers and from 1,800 story practitioners (mostly teachers) who have made extensive use of stories. He has read more than 150 qualitative and quantitative research studies that discuss the effectiveness of stories and/or storytelling for one or more specific applications (education, organizational management, knowledge management, medical and narrative therapy, etc.). Forty of these studies were literature reviews and comparative studies including analysis of over 1,000 studies and descriptive articles. He has also gathered research evidence from his own story performances for total audiences of over 4 million and from conducting story writing workshops with 200,000 students and 40,000 teachers.

Guts Jun 21 2023 Guess what -- Gary Paulsen was being kind to Brian. He shares special memories, such as the night he attracted every mosquito in the county, or how he met the moose with a sense of humor, and the moose who made it personal. There's a handy chapter on "Eating Eyeballs and Guts or Starving: The Fine Art of Wilderness Nutrition." Recipes included. Readers may wonder how Gary Paulsen survived to write all of his books -- well, it took guts.

Life of a Song Feb 03 2022 Who knew that Paul McCartney originally referred to Yesterday as 'Scrambled Eggs' because he couldn't think of any lyrics for his heart-breaking tune? Or that Patti LaBelle didn't know what 'Voulez-vous couches avec moi ce soir?' actually meant? These and countless other fascinating back stories of some of our best-known and best-loved songs fill this book, a collection of the highly successful weekly The Life of a Song columns that appear in the FT Weekend every Saturday. Each 600-word piece gives a mini-biography of a single song, from its earliest form (often a spiritual, or a jazz number), through the various covers and changes, often morphing from one genre to another, always focusing on the 'biography' of the song itself while including the many famous artists who have performed or recorded it. The selection covers a wide spectrum of the

songs we all know and love - rock, pop, folk, jazz and more. Each piece is pithy, sparkily written, knowledgeable, entertaining, full of anecdotes and surprises. They combine deep musical knowledge with the vivid background of the performers and musicians, and of course the often intriguing social and political background against which the songs were created.

Horror Stories Aug 12 2022 The two-time Grammy-nominated singer-songwriter behind the groundbreaking album Exile in Guyville traces her life and career in a genre-bending memoir in stories about the pivotal moments that haunt her. "Honest, original and absolutely remarkable."—NPR (Best Books of the Year) When Liz Phair shook things up with her musical debut, Exile in Guyville—making her as much a cultural figure as a feminist pioneer and rock star—her raw candor, uncompromising authenticity, and deft storytelling inspired a legion of critics, songwriters, musicians, and fans alike. Now, like a Gen X Patti Smith, Liz Phair reflects on the path she has taken in these piercing essays that reveal the indelible memories that have stayed with her. For Phair, horror is in the eye of the beholder—in the often unrecognized universal experiences of daily pain, guilt, and fear that make up our humanity. Illuminating despair with hope and consolation, tempering it all with her signature wit, Horror Stories is immersive, taking readers inside the most intimate junctures of Phair's life, from facing her own bad behavior and the repercussions of betraying her fundamental values, to watching her beloved grandmother inevitably fade, to undergoing the beauty of childbirth while being hit up for an autograph by the anesthesiologist. Horror Stories is a literary accomplishment that reads like the confessions of a friend. It gathers up all of our isolated shames and draws them out into the light, uniting us in our shared imperfection, our uncertainty and our cowardice, smashing the stigma of not being in control. But most importantly, the uncompromising precision and candor of Horror Stories transforms these deeply personal experiences into tales about each and every one of us.

Ripped from the Headlines! Feb 23 2021 Bestselling true-crime master Harold Schechter explores the real-life headline-making psychos, serial murderers, thrill-hungry couples, and lady-killers who inspired a century of classic films. The necktie murders in Alfred Hitchcock's Frenzy; Chicago's Jazz Age crime of passion; the fatal hookup in Looking for Mr. Goodbar; the high school horrors committed by the costumed slasher in Scream. These and other cinematic crimes have become part of pop-culture history. And each found inspiration in true events that provided the raw material for our greatest blockbusters, indie art films, black comedies, Hollywood classics, and grindhouse horrors. So what's the reality behind Psycho, Badlands, The Hills Have Eyes, A Place in the Sun, Arsenic and Old Lace, and Dirty Harry? How did such tabloid-ready killers as Bonnie and Clyde, body snatchers Burke and Hare, Texas sniper Charles Whitman Jr., nurse-slayer Richard Speck, and Leopold and Loeb exert their power on the public imagination and become the stuff of movie lore? In this collection of revelatory essays, true-crime historian Harold Schechter takes a fascinating trip down the crossroads of fact and fiction to

reveal the sensational real-life stories that are more shocking, taboo, and fantastic than even the most imaginative screenwriter can dream up.

John Lennon Jan 17 2023 "John Lennon's life in the years between 1970 and his tragically young death in 1980 were eventful and fascinating. He moved from stardom in the world's biggest pop group, to global peace campaigner and figurehead for radical causes. He left England for a new life in the USA with Yoko Ono. There was a bizarre interlude of 18 months - his famous 'lost weekend' - when John ran off with Yoko's secretary May Pang and descended into alcoholism. Reunited with Yoko, he abandoned public life and retired to his New York apartment to raise their son and live the life of a recluse. In 1980 he re-emerged with a new album, but the plan to resume his career was cruelly curtailed on that fateful night outside the Dakota Building. Alongside the expected account of architects, dates and styles, it reveals the human history of the buildings and statues: the scandals, the tribulations, the joys and achievements, the humanity, indeed, of the New Yorkers who lived within these walls.

Stories Behind Bars Aug 31 2021 Stories Behind Bars was inspired by the author's job as a Spanish interpreter in the US courts. It consists of four individually bound silkscreen printed booklets: in one, a young man is deported using video teleconferencing, another gives some brief history of immigration detention, and all tell stories of immigrants in U.S. prisons and jails. The stories give the reader an insight into the complex issues surrounding the immigration debate. The four separate pamphlets are housed in a slipcase with a barred window. Silkscreen printed.
