T4 – Part B Case Study Examination

Tuesday 25 February 2014

Instructions to candidates

You are allowed three hours to answer this question paper.
You are allowed 20 minutes reading time before the examination begins during which you should read the question paper and, if you wish, make annotations on the question paper. However, you will not be allowed, under any circumstances , to begin using your computer to produce your answer or to use your calculator during the reading time.
This booklet contains the examination question and both the pre-seen and unseen elements of the case material.
Answer the question on page 17, which is detachable for ease of reference. The Case Study Assessment Criteria, which your script will be marked against, is also included on page 17.
Maths Tables and Formulae are provided on pages 24 to 27.
Your computer will contain two blank files – a Word and an Excel file. Please ensure that you check that the file names for these two documents correspond with your candidate number.
