## Ironfire David Ball

Ironfire David W. Ball, 2004 In the Mediterranean 16th century a mighty struggle looms between the Christian kingdoms roiled by religious strife and political intrigue and the surging Ottoman Empire All that stands in the sultan's way is a tiny island and its small band of defenders the Knights of Malta

Ironfire David Ball, 2007-12-18 From the acclaimed author of *Empires of Sand* comes a mesmerizing new adventure that Jean Auel cites as crowded with events that both forecast and mirror the conflicts of today Sweeping from the drawing rooms of Paris to the palace of Suleiman the Magnificent to the dark hold of a slave ship racing across the sea here is a dazzling story of love and valor innocence and identity an epic novel of the clash of civilizations on a barren island where the future was forged The Mediterranean the sixteenth century Lying squarely in the midst of the vital sea lanes between the Christian West and the Ottoman Empire in the East and ruled by the ancient Order of the Knights of St John Malta will become the stage upon which the fate of the world turns For one of its sons the hand of violence strikes swiftly when young Nicolo Borg is seized by Barbary slavers and launched on a remarkable journey to the court of the supreme ruler of the Muslim world Renamed Asha plotting his escape even as he swears allegiance to the god of his masters and is schooled in the arts of culture and war the innocent boy will be transformed into one of the Sultan's deadliest commanders For Nico's beloved sister Maria his loss fires her hatred for the knights who did nothing to save him and her dreams of escape from her stifling home As the headstrong girl grows into a fierce beauty she will capture the attention of one man in particular Christien de Vries a surgeon knight torn between duty and desire caught up in Malta's frantic preparations against the coming Ottoman storm Around Nico and Maria are men and women who will share their destinies Dragut Ra's a brilliant corsair arch rival of the knights Giulio Salvago a priest in full flight from his carnal nature Alisa a young beauty hidden away in a harem Jean de La Valette the master knight who is Malta's only hope for survival As the mighty Ottoman fleet bears down on the tiny island as Nico Borg makes his way back to his homeland at the helm of a warship *Ironfire* moves inexorably to a shattering climax where all will face ultimate justice in the murderous cauldron of siege warfare Brilliantly capturing the crosscurrents of a storied age *Ironfire* is historical fiction in the grand tradition a stirring realization of a pivotal moment in time that irrevocably shaped the world we inhabit today **Empires of Sand**

David W. Ball, From the mysteriously beautiful richly hued landscape of the Saharan mountains to the sumptuous splendor of nineteenth century Paris *Empires of Sand* is a novel that takes us on an extraordinary powerfully emotional journey In a clash between two civilizations two men of common blood discover that in war love and even family they are both destined to be outsiders The year is 1870 The proud Republic of France is crumbling under the onslaught of the Prussian army Paris is under siege Too young to understand the shifting fortunes of the empire two boys forge a bond with their breathless adventures in the tunnels beneath the threatened city Paul deVries is the cousin and constant companion of Michel deVries

called Moussa whose world explorer father shocked Paris with his marriage to a noblewoman of the Sahara Moussa will inherit the title of count Paul is destined to be a soldier like his father But tragic events will send Moussa fleeing to his mother s homeland with its brooding mountains its hidden caves and fortresses And the two boys who have been the closest of friends are fated as men to become the bitterest of enemies victims of history and the scheming of scoundrels They meet again on the Sahara s blazing sands one as part of a foolhardy French expeditionary force the other with the nomadic Tuareg a majestic race of veiled warriors who live and die by flashing swords and a harsh desert code of honor On this unforgettable ever shifting landscape Paul and Moussa are swept into another war one far more brutal than anything they have experienced Paul is obsessed with a quest for personal vengeance and honor And Moussa in love with a woman betrothed to an implacable Tuareg warrior searches for the peace he knew as a child in France Now they both face a challenge of sheer harrowing survival whether to follow the call of their shared blood or the destiny written in the treacherous sands Empires of Sand is a grand novel of adventure in the best tradition of historical fiction With its astounding scenes of the desert and its rich cast of characters soldiers lovers slaves and zealots this is a reading experience to be treasured and remembered long after the final page is turned

The Sword and the Scimitar David W. Ball,2019-04-15 Maltese Siblings Nico and Maria are suddenly wrenched apart when young Nico is abducted by slavers Some unforeseen path leads him to the court of Suleiman the Magnificent Sultan of the Ottomans Maria stranded alone in Malta joins a group of Jews forced by their Christian rulers to renounce their faith French aristocrat Christien deVries yearns to prove himself as a surgeon in the Order of St John to which he was pledged as an infant but joined only as a result of a life altering oath When conflict between the Ottoman Empire and the Christian alliance resulting in the Siege of Malta Maria Nico and Christien will be forced together in a sequence of events that may decide the victor A sweeping historical epic set against the backdrop of the desperate conflict between Christian Europe and the Islamic Ottoman Empire The Sword and the Scimitar is a triumph perfect for fans of Simon Scarrow Christian Cameron and Bernard Cornwell

*The Religion* Tim Willocks,2008-04-29 This is what we dream of to be so swept away so poleaxed by a book that the breath is sucked right out of us Brace yourselves May 1565 Suleiman the Magnificent emperor of the Ottomans has declared a jihad against the Knights of Saint John the Baptist The largest armada of all time approaches the knights Christian stronghold on the island of Malta The Turks know the knights as the Hounds of Hell The knights call themselves The Religion In Messina Sicily a French countess Carla La Penautier seeks passage to Malta in a quest to find the son taken from her at his birth twelve years ago The only man with the expertise and daring to help her is a Rabelaisian soldier of fortune arms dealer former janissary and strapping Saxon adventurer by the name of Mattias Tannhauser He agrees to accompany the lady to Malta where amid the most spectacular siege in military history they must try to find the boy whose name they do not know and whose face they have never seen and pluck him from the jaws of Holy War The Religion is the first book of the Tannhauser Trilogy and from the first page of this epic account of the last great medieval conflict between East and West it is clear we are in the hands of a master Not since James Clavell has a novelist so powerfully and assuredly plunged readers headlong into another world and time Anne Rice transformed the vampire novel Stephen King reinvented horror Now in a

Slave Species of the Gods Michael Tellinger,2012-09-10 Our origins as a slave species and the Anunnaki legacy in our DNA Reveals compelling new archaeological and genetic evidence for the engineered origins of the human species first proposed by Zecharia Sitchin in The 12th Planet Shows how the Anunnaki created us using pieces of their own DNA controlling our physical and mental capabilities by inactivating their more advanced DNA Identifies a recently discovered complex of sophisticated ruins in South Africa as the city of the Anunnaki leader Enki Scholars have long believed that the first civilization on Earth emerged in Sumer some 6 000 years ago However as Michael Tellinger reveals the Sumerians and Egyptians inherited their knowledge from an earlier civilization that lived at the southern tip of Africa and began with the arrival of the Anunnaki more than 200 000 years ago Sent to Earth in search of life saving gold these ancient Anunnaki astronauts from the planet Nibiru created the first humans as a slave race to mine gold thus beginning our global traditions of gold obsession slavery and god as dominating master Revealing new archaeological and genetic evidence in support of Zecharia Sitchin s revolutionary work with pre biblical clay tablets Tellinger shows how the Anunnaki created us using pieces of their own DNA controlling our physical and mental capabilities by inactivating their more advanced DNA which explains why less than 3 percent of our DNA is active He identifies a recently discovered complex of sophisticated ruins in South Africa complete with thousands of mines as the city of Anunnaki leader Enki and explains their lost technologies that used the power of sound as a source of energy Matching key mythologies of the world s religions to the Sumerian clay tablet stories on which they are based he details the actual events behind these tales of direct physical interactions with god concluding with the epic flood a perennial theme of ancient myth that wiped out the Anunnaki mining operations Tellinger shows that as humanity awakens to the truth about our origins we can overcome our programmed animalistic and slave like nature tap in to our dormant Anunnaki DNA and realize the longevity and intelligence of our creators as well as learn the difference between the gods of myth and the true loving God of our universe

**Warhorses** Yusef Komunyakaa,2009-10-13 Warhorses is the haunting electric work of a Pulitzer Prize winning poet who never ceases to challenge and delight his readers This powerful collection of Yusef Komunyakaa s poetry delves with his

characteristic allusiveness intelligence and intensity into an age of war and conflict both global and internal racial and sexual Sweetheart was I talking war in my sleep again he asks and the question is hardly moot Sometimes I hold you like Achilles shield and indeed all relationships in this telling are sites of violence and battle His line is longer and looser than in Taboo or Talking Dirty to the Gods and in long poems like Autobiography of My Alter Ego he sounds almost breathless an exhausted but desperate prophet With the leaps and improvisational flourishes of a jazz soloist Komunyakaa imagines the old masters of Shock Awe daydreaming of lovely Penelope like a trophy **A Collier's Friday Night** D. H. Lawrence,2017-08-09 Not a lot happens in D H Lawrence s A Collier s Friday Night which is one of its chief glories Eschewing the neat plot turns and engineered debates of the writers he called the rule and measure mathematical folk Shaw Galsworthy Barker the 24 year old Lawrence effectively threw away the rulebook and created out of the habitual Friday night activities of a miner s family counting out the pay courting baking bread etc a lovely sense of the inconsequential drift of ordinary experience
