French Grammar Basics and Beyond Annick Stevenson, Céline Van Loan, 2020-09-14 This practical grammar book is the result of 16 years of teaching online to adults and young students located all over the world I believe that French grammar should not be a stumbling block to learning the language and should not discourage learners of French to embrace the beautiful journey of becoming fluent Hence I felt that it was important to explain the grammar rules in English and in the simplest way possible without including too much grammar jargon so that a beginner could grasp the essential elements of grammar to build sentences Every grammar point is followed with exercises to practice what has been taught Whenever possible the answers are included in the back of the book some answers are open ended questions and therefore have no right or wrong answers This grammar book is aimed to teach A1 levels total beginners to the B1 level intermediate level Perfect for self study but also ideal for supplementary grammar activities in the classroom Step by step with a teacher or on their own French learners can learn to construct their sentences and gain plenty of practice **Modern French Course**

Wuthering Heights Emily Bronte, 2020-09-28 *Wuthering Heights* is the name of Mr Heathcliff's dwelling *Wuthering* being a significant provincial adjective descriptive of the atmospheric tumult to which its station is exposed in stormy weather Pure bracing ventilation they must have up there at all times indeed one may guess the power of the north wind blowing over the edge by the excessive slant of a few stunted firs at the end of the house and by a range of gaunt thorns all stretching their limbs one way as if craving alms of the sun Happily the architect had foresight to build it strong the narrow windows are deeply set in the wall and the corners defended with large jutting stones Before passing the threshold I paused to admire a quantity of grotesque carving lavished over the front and especially about the principal door above which among a wilderness of crumbling griffins and shameless little boys I detected the date 1500 and the name Hareton Earnshaw I would have made a few comments and requested a short history of the place from the surly owner but his attitude at the door appeared to demand my speedy entrance or complete departure and I had no desire to aggravate his impatience previous to inspecting the penetralium One stop brought us into the family sitting room without any introductory lobby or passage they call it here the house pre eminently It includes kitchen and parlour generally but I believe at *Wuthering Heights* the kitchen is forced to retreat altogether into another quarter at least I distinguished a chatter of tongues and a clatter of culinary utensils deep within and I observed no signs of roasting boiling or baking about the huge fireplace nor any glitter of copper saucepans and tin cullenders on the walls One end indeed reflected splendidly both light and heat from ranks of immense pewter dishes interspersed with silver jugs and tankards towering row after row on a vast oak dresser to the very roof The latter had never been under drawn its entire anatomy lay bare to an inquiring eye except where a frame of wood laden with oatcakes and clusters of legs of beef mutton and ham concealed it Above the chimney were sundry villainous old guns and a couple of horse pistols and by way of ornament three gaudily painted canisters disposed along its ledge The floor was of smooth white stone the chairs high backed primitive structures painted green one or two heavy black ones lurking in the shade In an arch under the dresser reposed a huge liver coloured bitch pointer surrounded by a swarm of squealing puppies and other dogs haunted other recesses
