Managerial Statistics Keller G 8th Edition

Managerial Statistics Gerald Keller, 2011-05-02 This worldwide best selling business statistics book teaches readers how to apply statistics to real world business problems through the author's unique three step approach to problem solving. Readers learn to IDENTIFY the right technique by focusing on the problem objective and data type. They then learn to COMPUTE the statistics by hand or by using Excel or Minitab. Finally they INTERPRET the results in the context of the problem. This approach enhances user comprehension as well as practical skills. **Statistics for Management and**

Economics Gerald Keller, 2011-01-30 *Statistics for Management and Economics, Abbreviated Edition* Gerald Keller, 2008-07-30 STATISTICS FOR MANAGEMENT AND ECONOMICS ABBREVIATED 8e emphasizes applications over calculation. It illustrates how vital statistical methods and tools are for today's managers and teaches you how to apply them to real business problems. Using a proven three step ICI approach to problem solving the text teaches you how to IDENTIFY the correct statistical technique by focusing on the problem objective and data type, how to COMPUTE the statistics doing them by hand using Excel or using MINITAB™ and how to INTERPRET results in the context of the problem. This unique approach enhances your comprehension and practical skills. The text's vast assortment of data driven examples, exercises, and cases covers the various functional areas of business demonstrating the statistical applications that marketing managers, financial analysts, accountants, economists, and others use. These comprehensive applications give you hands on practice while solid pedagogical elements make the material more accessible and easy to apply to your world. In addition learning resources such as ThomsonNOW™ and the Student Suite CD ROM maximize study time to help you achieve the results you want. Completely up to date the eighth edition offers comprehensive coverage, current examples, and Excel 2007 and MINITAB 15™ content.
