Connect to Comprehension Lynn Givens,2007-06-30 Connect to Comprehension is a comprehensive scripted intervention reading program for struggling readers in grades 1-8. It is effective for small group intervention as well as for one-on-one tutoring. This program was developed to provide students who struggle with decoding access to upper-level comprehension instruction. Struggling readers typically don't get practice in these comprehension skills either because the reading materials are too difficult to decode or the lower-level text they can read are not engaging and motivating. As a result, when struggling readers begin to become more fluent, they then have to conquer their gaps in comprehension, especially upper-level skills such as making inferences, determining cause and effect, comparing, and contrasting. In Connect to Comprehension, these upper-level skills are explicitly taught, scaffolded, and practiced while students are learning and practicing basic decoding and structural analysis skills.

Ravenscourt Moving Forward Engelmann,2007-03-15 Ravenscourt Books provide materials and activities for improving the fluency and comprehension of struggling readers. Age-appropriate fiction and non-fiction books encourage students to read independently. These compelling chapter books offer engaging, informative themes and are built to provide students with additional opportunities to read independently. They are based on decoding and reading vocabulary presented in Corrective Reading. Provide students with extra practice to build fluency and comprehension. Ravenscourt Books make an ideal supplement to Corrective Reading Components. Each set contains one of eight titles. Teacher's Guide sold separately.
