The Scarlet Letter Nathaniel Hawthorne, 1851 *Scarlet Letter Study Guide* Nathaniel Hawthorne, 1999-01-01 A gripping tale of secret sin and ruthless revenge

A Modest Proposal Jonathan Swift, 2024-05-30 In one of the most powerful and darkly satirical works of the 18th century a chilling solution is proposed to address the dire poverty and overpopulation plaguing Ireland Jonathan Swift presents a shockingly calculated and seemingly rational argument for using the children of the poor as a food source thereby addressing both the economic burden on society and the issue of hunger This provocative piece is a masterful example of irony and social criticism as it exposes the cruel attitudes and policies of the British ruling class towards the Irish populace Jonathan Swift's incisive critique not only underscores the absurdity of the proposed solution but also serves as a profound commentary on the exploitation and mistreatment of the oppressed A Modest Proposal remains a quintessential example of satirical literature its biting wit and moral indignation as relevant today as it was at the time of its publication JONATHAN SWIFT 1667 1745 was an Anglo Irish author poet and satirist His deadpan satire led to the coining of the term Swiftian describing satire of similarly ironic writing style He is most famous for the novel *Gulliver's Travels* 1726 and the essay *A Modest Proposal* 1729

Scarlet A Katie Watson, 2018-01-02 Winner of the NCTE George Orwell Award for Distinguished Contribution to Honesty and Clarity in Public Language Although *Roe v Wade* identified abortion as a constitutional right in 1973 it still bears stigma a proverbial scarlet A Millions of Americans have participated in or benefited from an abortion but few want to reveal that they have done so Approximately one in five pregnancies in the US ends in abortion Why is something so common which has been legal so long still a source of shame and secrecy Why is it so regularly debated by politicians and so seldom divulged from friend to friend This book explores the personal stigma that prevents many from sharing their abortion experiences with friends and family in private conversation and the structural stigma that keeps it that way In public discussion both proponents and opponents of abortion's legality tend to focus on extraordinary cases This tendency keeps the national debate polarized and contentious and keeps our focus on the cases that occur the least Professor Katie Watson focuses instead on the cases that happen the most which she calls ordinary abortion *Scarlet A* gives the reflective reader a more accurate impression of what the majority of American abortion practice really looks like It explains how our silence around private experience has distorted public opinion and how including both ordinary abortion and abortion ethics

could make our public exchanges more fruitful In *Scarlet A* Watson wisely and respectfully navigates one of the most divisive topics in contemporary life This book explains the law of abortion challenges the toxic politics that make it a public football and private secret offers tools for more productive private exchanges and leads the way to a more robust public discussion of abortion ethics *Scarlet A* combines storytelling and statistics to bring the story of ordinary abortion out of the shadows painting a rich rarely seen picture of how patients and doctors currently think and act and ultimately inviting readers to tell their own stories and draw their own conclusions The paperback edition includes a new preface by the author addressing new cultural developments in abortion discourse and new legal threats to reproductive rights and updated statistics throughout

The Giver Lois Lowry,2014 *The Giver* the 1994 Newbery Medal winner has become one of the most influential novels of our time The haunting story centers on twelve year old Jonas who lives in a seemingly ideal if colorless world of conformity and contentment Not until he is given his life assignment as the Receiver of Memory does he begin to understand the dark complex secrets behind his fragile community This movie tie in edition features cover art from the movie and exclusive Q A with members of the cast including Taylor Swift Brenton Thwaites and Cameron Monaghan

Coming Apart Charles Murray,2013-01-29 NEW YORK TIMES BESTSELLER A fascinating explanation for why white America has become fractured and divided in education and class from the acclaimed author of *Human Diversity* I ll be shocked if there s another book that so compellingly describes the most important trends in American society David Brooks New York Times In *Coming Apart* Charles Murray explores the formation of American classes that are different in kind from anything we have ever known focusing on whites as a way of driving home the fact that the trends he describes do not break along lines of race or ethnicity Drawing on five decades of statistics and research *Coming Apart* demonstrates that a new upper class and a new lower class have diverged so far in core behaviors and values that they barely recognize their underlying American kinship divergence that has nothing to do with income inequality and that has grown during good economic times and bad The top and bottom of white America increasingly live in different cultures Murray argues with the powerful upper class living in enclaves surrounded by their own kind ignorant about life in mainstream America and the lower class suffering from erosions of family and community life that strike at the heart of the pursuit of happiness That divergence puts the success of the American project at risk The evidence in *Coming Apart* is about white America Its message is about all of America
