Martin Luther King, the Inconvenient Hero Vincent Harding, 2008-01-01 In these eloquent essays the noted scholar and activist Vincent Harding reflects on the forgotten legacy of Martin Luther King Jr and the meaning of his life today Many of these reflections are inspired by the ambiguous message surrounding the official celebration of King's birthday Harding sees a tendency to freeze an image of King from the period of his early leadership of the Civil Rights movement the period culminating with his famous I Have a Dream Speech Harding writes passionately of King's later years when his message and witness became more radical and challenging to the status quo at every level In those final years before his assassination King took up the struggle against racism in the urban ghettos of the North he became an eloquent critic of the Vietnam war he laid the foundations for the Poor People's Campaign This widening of his message and his tactics entailed controversy even within his own movement But they point to a consistent expansion of his critique of American injustice and his solidarity with the oppressed It was this spirit that brought him to Memphis in 1968 to lend his support to striking sanitation workers It was there that he paid the final price for his prophetic witness

The Domestication of Martin Luther King Jr. Lewis V. Baldwin, Rufus Burrow, 2013-07-03 Clarence B Jones close King advisor and draft speechwriter has done much to reinforce a conservative hijacking of King's image with the publication of his controversial books *What Would Martin Say* 2008 and *Behind the Dream* 2011 King emerges from Jones's books not as a prophetic radical who attacked systemic racial injustice economic exploitation and wars of aggression but as a fiercely conservative figure who would oppose affirmative action and illegal immigration *The Domestication of Martin Luther King Jr* offers a critique of Jones's work and the larger effort on the part of right wing conservatives to make King a useful symbol or the sacred aura in a protracted campaign to promote their own agenda for America This work establishes the need to rethink King's legacy of ideas and activism and its importance for our society and culture Contributors include Lewis V Baldwin Rufus Burrow Jr Adam Fairclough Walter Earl Fluker Shirley T Geiger Cheryl A Kirk Duggan Michael G Long Rosetta E Ross George Russell Seay Jr Traci C West

Rock Music, Authority and Western Culture, 1964-1980 James A. Cosby, 2024-01-26 The history of rock and roll music can be seen in a long arc of Western civilization's struggle for both greater individual expression and societal stability. In the 1960s the West's relationship with authority ruptured in part due to the rock revolution. The lessons and implications of this era have yet to be fully grasped. This book examines the key artists, music, and events of the classic rock era defined here as 1964 to 1980 through a virtual psychoanalysis of the West. Over these years, important truths unfold in the stories of British Invaders, hippies, proto-punks, and more, as well as topics to include drugs, primal scream therapy, the occult, spirituality, and disco, and its detractors, to name just a few. Through a narrative that is equal parts entertaining, scholarly, and even spiritual, readers will gain a greater appreciation for rock music, better understand the confusing world we live in today, and see how greater individuality and social stability may be better reconciled, moving forward.

Going Down Jericho Road: The Memphis Strike, Martin Luther King's Last Campaign Michael K. Honey, 2011-02-07 The definitive history of the epic struggle for economic justice that became Martin Luther King Jr.'s last crusade. Memphis in 1968 was ruled by a paternalistic plantation mentality embodied in its good old boy mayor Henry Loeb. Wretched conditions, abusive white supervisors, poor education, and low wages locked most black workers into poverty. Then two sanitation workers were chewed up like garbage in the back of a faulty truck, igniting a public employee strike that brought to a boil long-simmering issues of racial injustice. With novelistic drama and rich scholarly detail, Michael Honey brings to life the magnetic characters who clashed on the Memphis battlefield: stalwart black workers, fiery black ministers, volatile young black power advocates, idealistic organizers, and tough-talking unionists; the first black members of the Memphis city council; the white upper crust who sought to prevent change or conflagration; and finally, the magisterial Martin Luther King Jr. undertaking a Poor People's Campaign at the crossroads of his life, vilified as a subversive, hounded by the FBI, and seeing in the working poor of Memphis his hopes for a better America.

Race and Ethnicity in America [4 volumes] Russell M. Lawson, Benjamin A. Lawson, 2019-10-11 Divided into four volumes, *Race and Ethnicity in America* provides a complete overview of the history of racial and ethnic relations in America from pre-contact to the present. The five hundred years since Europeans made contact with the indigenous peoples of America have been dominated by racial and ethnic tensions. During the colonial period from 1500 to 1776, slavery and servitude of whites, blacks, and Indians formed the foundation for race and ethnic relations. After the American Revolution, slavery, labor inequalities, and immigration led to racial and ethnic tensions. After the Civil War, labor inequalities, immigration, and the fight for civil rights dominated America's racial and ethnic experience. From the 1960s to the present, the unfulfilled promise of civil rights for all ethnic and racial groups in America has been the most important sociopolitical issue. *Race and Ethnicity in America* tells this story of the fight for equality in America. The first volume spans pre-contact to the American Revolution; the second, the American Revolution to the Civil War; the third, Reconstruction to the Civil Rights Movement; and the fourth, the Civil Rights Movement to the present. All volumes explore the culture, society, labor, war, and politics, and cultural expressions of racial and ethnic groups.
