Making Rounds with Oscar David Dosa,2010-02-02 A remarkable cat A special gift A life changing journey They thought he was just a cat When Oscar arrived at the Steere House Nursing and Rehabilitation Center in Rhode Island he was a cute little guy with attitude He loved to stretch out in a puddle of sunlight and chase his tail until he was dizzy Occasionally he consented to a scratch behind the ears but only when it suited him In other words he was a typical cat Or so it seemed It wasn't long before Oscar had created something of a stir Apparently this ordinary cat possesses an extraordinary gift he knows instinctively when the end of life is near Oscar is a welcome distraction for the residents of Steere House many of whom are living with Alzheimer's But he never spends much time with them until they are in their last hours Then as if this were his job Oscar strides purposely into a patient's room curls up on the bed and begins his vigil Oscar provides comfort and companionship when people need him most And his presence lets caregivers and loved ones know that it's time to say good bye Oscar's gift is a tender mercy He teaches by example embracing moments of life that so many of us shy away from Making Rounds with Oscar is the story of an unusual cat the patients he serves their caregivers and of one doctor who learned how to listen Heartfelt inspiring and full of humor and pathos this book allows readers to take a walk into a world rarely seen from the outside a world we often misunderstand

Making Rounds with Oscar David Dosa,2010-02-02 A remarkable cat A special gift A life changing journey They thought he was just a cat When Oscar arrived at the Steere House Nursing and Rehabilitation Center in Rhode Island he was a cute little guy with attitude He loved to stretch out in a puddle of sunlight and chase his tail until he was dizzy Occasionally he consented to a scratch behind the ears but only when it suited him In other words he was a typical cat Or so it seemed It wasn't long before Oscar had created something of a stir Apparently this ordinary cat possesses an extraordinary gift he knows instinctively when the end of life is near Oscar is a welcome distraction for the residents of Steere House many of whom are living with Alzheimer's But he never spends much

time with them until they are in their last hours Then as if this were his job Oscar strides purposely into a patient s room curls up on the bed and begins his vigil Oscar provides comfort and companionship when people need him most And his presence lets caregivers and loved ones know that it s time to say good bye Oscar s gift is a tender mercy He teaches by example embracing moments of life that so many of us shy away from Making Rounds with Oscar is the story of an unusual cat the patients he serves their caregivers and of one doctor who learned how to listen Heartfelt inspiring and full of humor and pathos this book allows readers to take a walk into a world rarely seen from the outside a world we often misunderstand

Great Is the Truth Amos Kamil, Sean Elder, 2015-11-03 A shocking exposé of sexual abuse and the struggle for justice at one of America's most prestigious schools In June 2012 Amos Kamil's New York Times Magazine cover story Prep School Predators caused a shock wave that is still rippling In his piece Kamil detailed a decades long pattern of sexual abuse at the highly prestigious Horace Mann School in the Bronx After the article appeared Kamil closely observed the fallout While the article revealed the misdeeds of three teachers this was just the beginning an extraordinary twenty two former Horace Mann teachers and administrators have since been accused of abuse In Great Is the Truth Kamil and his coauthor Sean Elder tell the riveting story of how one of the country's leading schools was beset by scandal In 1970 Horace Mann hired R Inslee Inky Clark Jr as its headmaster As Yale's wunderkind dean of admissions Clark had helped revolutionize the Ivy League by recruiting a more diverse student body In the coming years he would raise Horace Mann to new heights of academic distinction even as serious complaints against beloved teachers were ignored Kamil and Elder introduce those teachers among them a popular football coach who had reportedly tried out for the Washington Redskins a distinguished conductor who took his prize students on foreign trips an otherworldly English teacher who discussed Eastern philosophy over tea and helped tend the school's gardens and another English instructor who told his students that they were mere dust under his foot in comparison to Shakespeare In gripping detail Kamil and Elder relate what happened as survivors of abuse came forward and sought redress We see the school and its influential backers circle the wagons We meet Horace Mann alumni who work to change New York State's sexual abuse laws We follow a celebrity lawyer's contentious efforts to achieve a settlement And we encounter a former teacher who candidly recalls his inappropriate relationships with students Kamil and Elder also examine other institutions from prep schools to the Catholic Church that have sought to atone for their complicity in abuse and to prevent it from reoccurring Great is the truth and it prevails may be the motto of Horace Mann but for many alumni the truth remains all too hard to come by This book is essential reading for anyone trying to understand how an elite institution can fail those in its charge and what can be done about it

The Difficulty of Being Good Gurcharan Das, 2010-10-04 Why should we be good How should we be good And how might we more deeply understand the moral and ethical failings splashed across today's headlines that have not only destroyed individual lives but caused widespread calamity as well bringing communities nations and indeed the global economy to the brink of collapse In The Difficulty of Being Good Gurcharan Das seeks answers to these questions in an unlikely source the 2 000 year old Sanskrit epic Mahabharata A sprawling witty ironic and delightful poem the Mahabharata is obsessed with the elusive notion of dharma in essence doing the right thing When a hero does something wrong in a Greek epic he wastes little time on self reflection when a hero falters in the Mahabharata the action stops and everyone weighs in

with a different and often contradictory take on dharma Each major character in the epic embodies a significant moral failing or virtue and their struggles mirror with uncanny precision our own familiar emotions of anxiety courage despair remorse envy compassion vengefulness and duty Das explores the Mahabharata from many perspectives and compares the successes and failures of the poem s characters to those of contemporary individuals many of them highly visible players in the world of economics business and politics In every case he finds striking parallels that carry lessons for everyone faced with ethical and moral dilemmas in today s complex world Written with the flair and seemingly effortless erudition that have made Gurcharan Das a bestselling author around the world and enlivened by Das s forthright discussion of his own personal search for a more meaningful life The Difficulty of Being Good shines the light of an ancient poem on the most challenging moral ambiguities of modern life
