Christopher, takes you on a Journey through Time, reviewing the Life-long Learning's, and also Living as a Left-Handed Bastard Son of Grace. Christopher creates a "Legendary Super Demon" character with Immeasurable Powers, and the ability to enter the Minds of Believers, to Induce a more Logical Mindset. This "Legendary Super Demon" character, Christopher the Left-Handed Bastard Son of Grace, will be There, Watching, and Waiting, that is If you Believe in that sort of Thing... Imagine your life if you could walk free from sin and keep Satan out of your personal and business affairs. The Bait of Satan exposes one of the most deceptive snares Satan uses to get believers out of the will of God--offense. The modern family is under spiritual attack! In an increasingly hostile culture, traditional family life is mocked and marginalized. Children are bombarded with evil, dysfunction, and death. Too many homes have become a spiritual battleground where the sins of the parents morally pollute the next generation. As a parent, the well-being of your child is a sacred responsibility. Maintaining the emotional health and stability of your marriage is a necessity. Bob and Laura Larson have decades of experience in spiritual warfare, including exorcism and deliverance. They have ministered to tens of thousands worldwide while preserving a spiritually safe environment at home for their marriage and children. In Set Your Family Free, you will learn spiritual warfare strategies to raise children who are equipped to be victorious over the devils attacks. Youll also discover how to recognize a marriage in crisis and the steps to restore healthy, relational bonds. Other helpful tips include: How to heal a home in crisis and give your children a spiritually clean slate. Ways to speak blessings over your family with words that encourage and inspire. Ten unique prayers that break curses and free your family from generational evil. A frank discussion of intimacy and sexuality that couples must confront. Learn the skills of intentional parenting to prepare your children for spiritual battle. YOUR FAMILY CAN BE VICTORIOUS OVER THE POWERS OF DARKNESS! Sadly, too many children are sexually and emotionally abused. Most never know freedom from their past and are instead living self-destructive lives, being robbed of the life and the person they were created to be. This book tells of the journey of a woman who was sexually and emotionally abused for a number of years as a child. This painful journey, with the help of her faith in God and counseling, impacted her life in ways she never imagined. Memories of her childhood led to depression and suicidal thoughts and a greater fear of men. Instead of seeing the man who loved her, she saw the man who hated and hurt her. That and wanting to be with women ended her marriage. Left to raise two young children on her own, memories continued to flood her mind, intensifying hatred for self. She struggled with an eating disorder and used alcohol to block out the nightmares. She was self-harming through cutting became a regular occurrence, while suicidal thoughts occupied her mind. Through Gods strength and relentless love, she persevered, although many times it felt too hard and wanted to give up, she knew God was bigger than what she was going through. Her faith enabled her to overcome fear, guilt, and shame. The devil sought to destroy her life through the lies spoken over her and seeks to do the same in all of us, and there are many areas in which he tries to rob our joy. But Jesus came to give us life, life that abundantly knows healing and freedom from our past through knowing him. This book is written to help the reader know they too can have victory over abuse through God who loves them. "The sustained comedy in this hilarious novel is equaled only by its heart, and the myriad ways there are for it to break. I love this book. Michael Poore writes like an angel." —Daniel Wallace, author of Big Fish John Scratch, the Devil himself, is the protagonist in this stunningly imaginative, sharp, funny, and tender novel, as he tricks, teases, and prods America to greatness in the hope of luring his lost love back down to Earth from Heaven. Up Pops the Devil is fiction with humor and heart, the kind of hilarious, off-beat, and original reading experience that fans of Chris Moore, Joe Hill, Chuck Palahniuk, and Jim Shepard would sell their souls for—a brilliant blending of the occult and the outrageous starring the anti-hero of anti-heroes, the one and only Prince of Darkness. When Tess and Eliot stumble upon an ancient book hidden in a secret tunnel beneath the school library, they accidentally release a devil from his book-bound prison, and he'll stop at nothing to stay free. He'll manipulate all the ink in the library books to do his bidding, he'll murder in the stacks, and he'll bleed into every inch of Tess's life until his freedom is permanent. Forced to work together, Tess and Eliot have to find a way to re-trap the devil before he kills everyone they know and love, including, increasingly, each other. And compared to what the devil has in store for them, school stress suddenly doesn't seem so bad after all. "Compulsively readable."—New York Times Book Review From Stuart Turton, author of The 7 1/2 Deaths of Evelyn Hardcastle, comes an extraordinary new locked-room murder mystery. A murder on the high seas. A remarkable detective duo. A demon who may or may not exist. It's 1634, and Samuel PIPPS, the world's greatest detective, is being transported to Amsterdam to be executed for a crime he may, or may not, have committed. Traveling with him is his loyal bodyguard, Arent Hayes, who is determined to prove his friend innocent. Among the other guests is Sara Wessel, a noblewoman with a secret. But no sooner is their ship out to sea than devilry begins to blight the voyage. A strange symbol appears on the sail. A dead leper stalks the decks. Livestock dies in the night. And then the passengers hear a terrible voice, whispering to them in the darkness, promising three unholy miracles, followed by a slaughter. First an impossible pursuit. Second an impossible theft. And third an impossible murder. Could a demon be responsible for their misfortunes? With PIPPS imprisoned, only Arent and Sara can solve a mystery that stretches back into their past and now threatens to sink the ship, killing everybody on board. Shirley Jackson meets Sherlock Holmes in this chilling thriller of supernatural horror, occult suspicion, and paranormal mystery on the high seas. You have heard His whispers and met Him in the shadows, overcome with lust! The Devil of the Bathhouse invites you to become a master of your own lust without shame, empowering you to enjoy the carnality of pleasure! They've begun to remove the people who stand in their way—and replace them with their own sympathizers and puppets. They've already taken out the Speaker of the House—whose death was made to look like an accidental drowning—and the president and vice president are next. Once they have their own people in place, they plan to start a bloody, brutal war on an unimaginable scale. On restricted duty while he recovers from injuries incurred on a previous mission, Dewey Andreas is sent to Paris by CIA Director Hector Calibrisi. The Secretary of State is going there for secret talks, and Dewey is to be an extra layer of security above the State Department team. But what should be an easy mission couldn't go more wrong. The cabal has sent in a hit man to take out the Secretary of State and lay the blame for this murder at the feet of Dewey himself. With the Secretary of State dead, shot by Dewey's weapon, Dewey is on the run and out in the cold, desperately trying to unravel the plot before the conspirators succeed in killing millions of innocents. From New York Times bestselling author comes Ben Coes's Trap the Devil. Have you or your family members given the Enemy "legal access" to your life? Billy Graham once wrote, "the wars among nations on earth are mere popgun affairs compared to the fierceness of battle in the spiritual unseen world." A battle in which mankind is both the pawns--and the prize. And, emotions are one of the devil's favorite tools to engage us in this battle. Do you struggle with poor self-image or low self-worth? Have you held onto grudges or resentments for extended periods of time? When you look into your past, can you recall physical abuse, mental abuse, sexual abuse, fears and phobias, or repeated generational issues? Have you, your parents, or your grandparents ever dabbled in the Occult, witchcraft, Satanism, New Ageism, drug use, Voodoo, Eastern religions, or solicited contact with any demonic entity? If you answered "yes" to any of these questions . . . then you may have given the devil "legal access" to your life. Crack open In the Devil's Toolbox and discover . . . * The spiritual entities we battle, and the weapons of this warfare * The hidden game plans of Satan and his host of demons * The three heavens referred to in Scripture--two of them are battle zones * The Laws of the Spiritual Realm . . . not knowing them leaves you completely exposed to the Enemy * What conduct can give the devil "legal access" to your life * How your emotions can become hiding places for demons * The three different levels of spiritual warfare, and the characteristics of each * Steps to determine if you are suffering from a demonic stronghold or bondage * The mighty weapons of warfare God gives us to demolish Satan's assaults * Instruction for breaking free of Satan's grasp and experiencing true freedom in Christ The devil's deepest desire is to keep you from accepting Jesus Christ as your personal Lord and Savior. If he fails at this, he attempts to trap you into his strongholds and bondages to destroy your witness for Christ, and lead to your demise. Receive instruction for breaking free from the devil's hold on your life, so you can experience true freedom in Christ. Part true crime story, part religious and literary history, an investigation into the nature of evil and the figure of the Devil by acclaimed journalist Randall Sullivan How we explain the evils of the world – and the darkest parts of ourselves – has preoccupied humans throughout history. A sweeping and comprehensive search for the origins of belief in a Satanic figure across the centuries, The Devil's Best Trick is a keen investigation into the inescapable reality of evil and the myriad ways we attempt to understand it. Instructive, riveting, and unnerving, this is a profound rumination on crime, violence, and the darkness in all of us. In The Devil's Best Trick, Randall Sullivan travels to Catemaco, Mexico, to participate in the "Hour of the Witches" -- an annual ceremony in which hundreds of people congregate in the jungle south of Vera Cruz to negotiate terms with El Diablo. He takes us through the most famous and best-documented exorcism in American history, which lasted four months. And, woven throughout, he delivers original reporting on the shocking story of a small town in Texas that, one summer in 1988, unraveled into paranoia and panic after a seventeen-year-old boy was found hanging from the branch of a horse apple tree and rumors about Satanic worship and cults spread throughout the wider community. Sullivan also brilliantly melds historical, religious, and cultural conceptions of evil: from the Book of Job to the New Testament to the witch hunts in Europe in the 15th through 17th centuries to the history of the devil-worshipping "Black Mass" ceremony and its depictions in 19th-century French literature. He brings us through to the "Satanic Panic"

of the 1980s and the story of one brutal serial killer, pondering the psychology of evil. He weaves in writings by John Milton, William Blake, Oscar Wilde, Edgar Allan Poe, Nathaniel Hawthorne, Herman Melville, Mark Twain, and many more, among them Charles Baudelaire, from whose work Sullivan took the title of the book. Nimble and expertly researched, *The Devil's Best Trick* brilliantly melds cultural and historical commentary and a suspenseful true-crime narrative. Randall Sullivan, whose reportage and narrative skill has been called "extraordinary" and "enthraling" by *Rolling Stone*, takes on a bold task in this book that is both biography of the Devil and a look at how evil manifests in the world. A nonfiction book created about my life This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work. There are many 'modern' sins ensnaring more and more people everyday. Some are blatant, but many are secret, quickly seducing the participant into behavior that separates them from God. Popular pastor and author Erwin Lutzer exposes Satan's seven most common 'traps,' warning readers and giving them hope for liberation from these forms of bondage. Addressing greed, gambling, alcoholism, pornography, sexual freedom, pleasure, and occultism, Lutzer takes on tough and sensitive issues with great compassion and clarity. The inspiring true story of an enslaved woman who liberated an infamous slave jail and transformed it into one of the nation's first HBCUs In *The Devil's Half Acre*, New York Times bestselling author Kristen Green draws on years of research to tell the extraordinary and little-known story of young Mary Lumpkin, an enslaved woman who blazed a path of liberation for thousands. She was forced to have the children of a brutal slave trader and live on the premises of his slave jail, known as the "Devil's Half Acre." When she inherited the jail after the death of her slaveholder, she transformed it into "God's Half Acre," a school where Black men could fulfill their dreams. It still exists today as Virginia Union University, one of America's first Historically Black Colleges and Universities. A sweeping narrative of a life in the margins of the American slave trade, *The Devil's Half Acre* brings Mary Lumpkin into the light. This is the story of the resilience of a woman on the path to freedom, her historic contributions, and her enduring legacy. In the shocking finale to the bestselling series that began with *Stalking Jack the Ripper*, Audrey Rose and Thomas are on the hunt for the depraved, elusive killer known as the White City Devil. A deadly game of cat-and-mouse has them fighting to stay one step ahead of the brilliant serial killer---or see their fateful romance cut short by unspeakable tragedy. Audrey Rose Wadsworth and Thomas Cresswell have landed in America, a bold, brash land unlike the genteel streets of London. But like London, the city of Chicago hides its dark secrets well. When the two attend the spectacular World's Fair, they find the once-in-a-lifetime event tainted with reports of missing people and unsolved murders. Determined to help, Audrey Rose and Thomas begin their investigations, only to find themselves facing a serial killer unlike any they've encountered before. Identifying him is one thing, but capturing him---and getting dangerously lost in the infamous Murder Hotel he constructed as a terrifying torture device---is another. Will Audrey Rose and Thomas see their last mystery to the end---together and in love---or will their fortunes finally run out when their most depraved adversary makes one final, devastating kill? [Webnovel provides the latest update of *Married to the Devil's Son*] ?Volume 1 - *Married to the Devil's Son*? A prince, rumored to be the son of the Devil. He is the definition of Danger. THE BEAST AMONGST US Imagine living in a world full of fiery, feral beings, hiding in the shadows, roving in our dreams, creeping under our skin. Eavesdropping, manipulating our minds and exploring our bodies. They are savages, beasts but some of them are companions and childhood friends. Some are dangerous, others even more dangerous. They live amongst us. Some of us call them Demons, others call them Djinn. But some of them should never be called. THE BEAUTY LOOKING FOR LOVE Heaven, the devil's granddaughter and princess of Decresh has everything in life. Loving parents, beauty, wealth, and status. But one thing is missing. And that is love. Heaven dreams of the kind of love her parents have and now that she has come of age to get married she has to find her dream man and the future king of Decresh. And she has to find him soon. There is one man. A mysterious silver-eyed stranger who keeps appearing in her dreams. Who is he and what does he want? As the line of suitors grows, Heaven's dreams become more vivid forcing her to go on a journey to find the man in her dreams. Could he also be the man of her dreams? Or would he turn out to be a nightmare? The Devil has fascinated writers and theologians since the time of the New Testament, and inspired many dramatic and haunting works of art. Today he remains a potent image in popular culture. *The Devil: A Very Short Introduction* presents an introduction to the Christian Devil through the history of ideas and the lives of real people. A Handsome Devil 1762. James Sherbourne, Earl of Whitney, is a gambling man. Not for the money. But for the thrill, the danger--and the company: Whit has become one of the infamous Hellraisers, losing himself in the chase for adventure and pleasure with his four closest friends. Which was how Whit found himself in a gypsy encampment, betting against a lovely Romani girl. Zora Grey's smoky voice and sharp tongue entrance Whit nearly as much as her clever hands--watching them handle cards inspires thoughts of another kind. . . Zora can't explain her attraction to the careless blue-eyed Whit. She also can't stop him and his Hellraisers from a fiendish curse: the power to grant their own hearts' desires, to chase their pleasures from the merely debauched to the truly diabolical. And if Zora can't save Whit, she still has to escape him. . . Praise for Zoë Archer and Her Novels "Archer's nimbly written characters inhabit a world that's at once both elegant and earthy--a most excellent feat." --Shana Abé "A grand mistress of the historical paranormal." --Romantic Times Originally written in 1938 but never published due to its controversial nature, an insightful guide reveals the seven principles of good that will allow anyone to triumph over the obstacles that must be faced in reaching personal goals. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • The Washington Post • Publishers Weekly New Hyde Hospital's psychiatric ward has a new resident. It also has a very, very old one. Pepper is a rambunctious big man, minor-league troublemaker, working-class hero (in his own mind), and, suddenly, the surprised inmate of a budget-strapped mental institution in Queens, New York. He's not mentally ill, but that doesn't seem to matter. He is accused of a crime he can't quite square with his memory. In the darkness of his room on his first night, he's visited by a terrifying creature with the body of an old man and the head of a bison who nearly kills him before being hustled away by the hospital staff. It's no delusion: The other patients confirm that a hungry devil roams the hallways when the sun goes down. Pepper rallies three other inmates in a plot to fight back: Dorry, an octogenarian schizophrenic who's been on the ward for decades and knows all its secrets; Coffee, an African immigrant with severe OCD, who tries desperately to send alarms to the outside world; and Loochie, a bipolar teenage girl who acts as the group's enforcer. Battling the pill-pushing staff, one another, and their own minds, they try to kill the monster that's stalking them. But can the Devil die? *The Devil in Silver* brilliantly brings together the compelling themes that spark all of Victor LaValle's radiant fiction: faith, race, class, madness, and our relationship with the unseen and the uncanny. More than that, it's a thrillingly suspenseful work of literary horror about friendship, love, and the courage to slay our own demons. Praise for *The Devil in Silver* "A fearless exploration of America's heart of darkness . . . a dizzying high-wire act."—The Washington Post "LaValle never writes the same book and his recent is a stunner. . . . Fantastical, hellish and hilarious."—Los Angeles Times "It's simply too bighearted, too gentle, too kind, too culturally observant and too idiosyncratic to squash into the small cupboard of any one genre, or even two."—The New York Times Book Review "Embeds a sophisticated critique of contemporary America's inhumane treatment of madness in a fast-paced story that is by turns horrifying, suspenseful, and comic."—The Boston Globe "LaValle uses the thrills of horror to draw attention to timely matters. And he does so without sucking the joy out of the genre. . . . A striking and original American novelist."—The New Republic A powerful new novel about Nathan Bedford Forrest, the most reviled, celebrated, and legendary of Civil War generals. With the same eloquence, dramatic energy, and grasp of history that marked his award-winning fictional trilogy of the Haitian Revolution, Madison Smartt Bell now turns his gaze to America's Civil War. We see Forrest on and off the battlefield, in less familiar but no less revealing moments of his life; we see him treating his slaves humanely even as he fights to ensure their continued enslavement; we see his knack for keeping his enemy unsettled, his instinct for the unexpected, and his relentless stamina. As *Devil's Dream* moves back and forth in time, a vivid portrait comes into focus: a rough, fierce man with a life full of contradictions. From a bestselling author, an "incendiary and uproarious" assault on the pretensions of scientific atheists (*National Review*) Militant atheism is on the rise. Prominent thinkers including Richard Dawkins, Sam Harris, Daniel Dennett, and Christopher Hitchens have published bestselling books denigrating religious belief. And these authors are merely the leading edge of a larger movement that includes much of the scientific community. In response, mathematician David Berlinski, himself a secular Jew, delivers a biting defense of religious thought. *The Devil's Delusion* is a brilliant, incisive, and funny book that explores the limits of science and the pretensions of those who insist it is the ultimate touchstone for understanding our world. The Bible reveals much about an unseen power that works behind the scenes, shaping our world to its will and agenda. Life's hard when you're on the run from a vengeful pirate-king... When Niko and her crew find that the intergalactic Gate they're planning on escaping through is out of commission, they make the most of things, creating a pop-up restaurant to serve the dozens of other stranded ships. But when an archaeologist shows up claiming to be able to fix the problem, Niko smells something suspicious cooking. Nonetheless, they allow Farren to take them to an ancient site where they may be able to find the weapon that could stop Tubal Last before he can take his revenge. There, in one of the most dangerous places in the Known Universe, each of them will face ghosts from their past: Thorn attempts something desperate and highly illegal to regain his lost twin, Atlanta will have to cast aside her old role and find her new one, Dabry must confront memories of his lost daughter, and Niko is forced to find Petalia again, despite a promise not to seek them out. Meanwhile, *You Sexy Thing* continues to figure out what it wants from life—which may not be the same desire as Niko and the rest of the crew. It presents an original approach to the study of photography, concentrating on specific possibilities and problems unique to the paddling environment. Most of the 238 black-and-white and colour photographs are discussed through the presentation of one or several pictures on a page, each accompanied by an analysis that includes explanations, tips, recommendations and other useful background information. *Shooting Paddlers* provides a wealth of specialized

knowledge, difficult, if not impossible, to find elsewhere. Living a life of sin for many years had me in bondage. I was a slave to sin. I was living my life a lie, wanting to find the truth. I have fought the demon for many years. To defeat the demon, you've got to find out what demons fear. See, the devil and his demons like to plant fear in you and feed off it. If you don't give them no fear to eat, they will soon get weak and die. You can't play around with Satan and his evil army, because they are not playing. If they are not playing, well, neither am I. I fear nobody but God. It wasn't until I gave my life to Jesus Christ that I began to feel free. You see, at the shout of the name "Jesus," we know the demons tremble. I am no longer a friend of this evil world; I am a friend of God's. I am protected, guided, and comforted. I feel like a bird that has been let out of the cage I've been in for years. And these wings that God gave me were meant to fly. I will now soar all the way to my destiny, feeling like a free bird, thanks to my Lord and Savior, Jesus the Christ! Amen! Jesus is the Truth and the Life, and no one comes to the Father except through the Son. And Jesus is the Son of God. He rose from the dead after three days with all power in his hands. God is in control. So if you want true freedom, try Jesus. He's all right. In the course of its extraordinary history, the Jersey Devil has been exorcised, shot, electrocuted, declared officially dead, and scoffed as foolishness--none of which has had any effect on it or the people who persist in seeing it! This mysterious creature is said to prowl the lonely sand trails and mist-shrouded marshes of the Pine Barrens, and emerge periodically to rampage through the towns and cities of New Jersey and eastern Pennsylvania, leaving many communities in near-hysteria. The authors show that while a few appearances have been out-right fraud and others have likely been the result of mass hysteria, this creature has been seen by enough sane, sober, and responsible citizens to keep the possibility of its existence alive and tantalizing. Over 50,000 in print. **Condemned to death for the bloodbaths of World War II, they served their sentence—on the killing fields of Vietnam. The fascinating, true story of the French Foreign Legion's Nazi battalion WHAT THEY DID IN WORLD WAR II WAS HISTORY'S BLOODIEST NIGHTMARE.** The ashes of World War II were still cooling when France went to war in the jungles of Southeast Asia. In that struggle, its frontline troops were the misfits, criminals, and mercenaries of the French Foreign Legion. And among that international army of the desperate and the damned, none were so bloodstained as the fugitive veterans of the German S.S. **WHAT THEY DID IN VIETNAM WAS ITS UGLIEST SECRET—UNTIL NOW.** Loathed by the French, feared and hated by the Vietnamese, the Germans fought not for patriotism of glory but because fighting for France was better than hanging from its gallows. Here now is the untold story of the killer elite whose discipline, ferocity, and suicidal courage made them the weapon of last resort. **Building the Devil's Empire** is the first comprehensive history of New Orleans's early years, tracing the town's development from its origins in 1718 to its revolt against Spanish rule in 1768. Shannon Lee Dawdy's picaresque account of New Orleans's wild youth features a cast of strong-willed captives, thin-skinned nobles, sharp-tongued women, and carousing travelers. But she also widens her lens to reveal the port city's global significance, examining its role in the French Empire and the Caribbean, and she concludes that by exemplifying a kind of rogue colonialism—where governments, outlaws, and capitalism become entwined—New Orleans should prompt us to reconsider our notions of how colonialism works. "[A] penetrating study of the colony's founding."—*Nation* "A brilliant and spirited reinterpretation of the emergence of French New Orleans. Dawdy leads us deep into the daily life of the city, and along the many paths that connected it to France, the North American interior, and the Greater Caribbean. A major contribution to our understanding of the history of the Americas and of the French Atlantic, the work is also a model of interdisciplinary research and analysis, skillfully bringing together archival research, archaeology, and literary analysis."—*Laurent Dubois, Duke University* The first complete account of America's most dangerous foreign policy miscalculation--60 years of support for Islamic fundamentalism--is the gripping story of America's misguided efforts, stretching across decades, to dominate the strategically vital Middle East by courting and cultivating Islamic fundamentalism. This collection brings together new papers addressing the philosophical challenges that the concept of a Devil presents, bringing philosophical rigor to treatments of the Devil. Contributors approach the idea of the Devil from a variety of philosophical traditions, methodologies, and styles, providing a comprehensive philosophical overview that contemplates the existence, nature, and purpose of the Devil. While some papers take a classical approach to the Devil, drawing on biblical exegesis, other contributors approach the topic of the Devil from epistemological, metaphysical, phenomenological, and ethical perspectives. This volume will be relevant to researchers and scholars interested in philosophical conceptions of the Devil and related areas, such as philosophers of religion, theologians, and scholars working in philosophical theology and demonology. **BE FREE FROM DEMONIC POWERS** It is indeed true that many people have been bound by the demonic powers and their lives have been restricted from moving forward. The demonic forces are bent on destroying people's lives and stopping them from enjoying the full blessings of God. This is simply because of their sheer ignorance to the operations of the enemy, which has opened the door for these powers to continue to hold them in captivity. In short, the enemy seems to be working ceaselessly to make people's lives a hell house and hinder them from making any meaningful progress in their endeavours. It will interest you to know that the devil's kingdom is so organized for destruction. Indeed, they operate their kingdom in military fashion and that makes them very effective in carrying out their evil operations over humanity. The devil knows that he has already been sentenced to eternal destruction, so he wants to do as much damage as he can along with his demons across the globe to bring untold suffering to people. He wants to destroy marriages, families, businesses and possess people's lives along with his demons. He thrives in inflicting sicknesses and diseases on people and make their lives miserable. He is the sole cause of cancer, hypertension, heart disease, stroke, depression, multiple sclerosis, poverty, lack, misery, mental disturbances and what have you in people's lives. It is his desire to cause so much suffering and pain in the world and make people feel completely frustrated and hopeless. They want to create so much pain and suffering in the world so that people will not believe that God has any control over their lives. If we take a cursory look at the world today, we will see the devil's footprint in many of the events that people tend to face in their lives. We hear of wars in different parts of the world, and we see confusion and conflicts in marriages that even lead to divorces. Also, in families we see the evil works of the enemy ravaging lives and bringing untold suffering upon many. We also see rape, greed, corruption, murders and all kinds of atrocities going on in the world on a grand scale. Equally, we see hunger and famine ravaging lives and it appears that the devil and his demons seem to be having a field day in this rampant destruction and calamities. Our hospitals are filled with people with all kinds of cases that seem to put many in a state of misery and depression. We have countless people suffering from mental illnesses and overwhelming depression. In today's world, many seem to find themselves battling with high blood pressure, stress and one form of crisis or the other. We need to understand that the devil has his demonic forces almost everywhere. He seems to be monitoring people's lives and influencing them to indulge in things that traps them and opens the door for their lives to be invaded. Many are being trapped into sexual escapades that opens the door for the enemy to come into their lives to cause them all kinds of afflictions. Many too are equally bound by drugs, alcohol, greed, sex, and all kinds of material pursuits at the expense of their inner wellbeing. We must understand what the devil and his forces are doing in the world and be able to rise above it and save oneself from their control. Many people are walking in ignorance and they don't seem to have any clue of the devil's operations in the world. When people are blinded to the spiritual reality of life, they would unconsciously open the door for the enemy to penetrate their lives and hold them in bondage. When people are ignorant, they can't see what is going on spiritually, and they become a toy in the hands of the demonic forces. The devil thrives on people's ignorance and if people remain in that ignorance, he is happy because he can then carry out his evil plans without them having any knowledge of what he's doing. Your awareness will give you the ability to foil his plans over your life and break free.
