Vanishing Dreams Devils Bend 2 Nicole Edwards

Vanishing Dreams Nicole Edwards, 2014-10-21 Dalton Calhoun hadn't always planned on a life up on the big stage beneath the bright lights but that was where he found himself. A second chance of sorts. An opportunity that had come along after his real dreams vanished when he was eighteen years old. Although country music was more than he could've expected, he'd never dismissed the notion that there was still something missing. When Dalton followed his buddy Cooper Krenshaw to Devil's Bend, Texas, it didn't take long before Dalton realized just what that was. But just because he has topped the country music charts and made his fair share of women swoon doesn't mean that everything comes easy to him. And when he sets his sights on the black-haired, gray-eyed waitress at The Rusty Nail, Dalton realizes he might just have to work for what he wants. Katie Clarren's life has been a series of unfortunate events starting from the time her mother left on her eighteenth birthday. Not exactly how she had planned to spend one of the major turning points in her young life. Nor had she planned to spend the next five years dealing with the fallout. Somewhere along the way, Katie adapted, doing exactly what she needed to do in order to survive. But Katie has secrets that even her closest friends don't know. Secrets she has worked hard to protect. Although she longs for handsome, charming country music sensation Dalton Calhoun, she knows that anything that starts between them can't last. Too bad her heart doesn't seem to be on the same page. Katie gives in to her love for Dalton, needing that human connection that has been missing for so long. But when it comes time to make the hard decisions, Katie forces herself to walk away from him. To protect her secrets and him. The last thing she wants to do is hurt Dalton, no matter how much pain she has to endure in the process. She loves him. Can the two of them overcome the secrets and lies? Can they look to the future and stop living in the past? Or will they keep dwelling on the dreams that vanished, not seeing what is right in front of them? Each other.

All In Nicole Edwards, 2020-05-12 Brantley Walker has dedicated his life to serving his country. Having given seventeen years to the US Navy, the last ten as a SEAL, the mission was the only thing he knew, the only thing that mattered. He never even considered what life would look like after the mission was over. Until he's forced to. After months of recovering from career-ending injuries, Brantley finds himself back in his hometown of Coyote Ridge, Texas. Once again a permanent resident with the full support of his family and friends, he embarks on a journey to start over, forced to figure out what to do with the rest of his life, a task that is far easier said than done. Then the unthinkable happens. When his cousin Travis's daughter is kidnapped, Brantley puts himself right back in the action, partnering up with Reese Tavoularis to find the little girl and bring her home where she belongs. As events unfold, Brantley and Reese find themselves undertaking another mission. Only this one results in a journey that takes them in a direction neither of them expected to go.

The Cult of Smart Fredrik deBoer, 2020-08-04 Named one of *Vulture's* Top 10 Best Books of 2020. Leftist firebrand Fredrik deBoer exposes the lie at the heart of our educational system and demands top to bottom reform.

Everyone agrees that education is the key to creating a more just and equal world and that our schools are broken and failing. Proposed reforms variously target incompetent teachers, corrupt union practices, or outdated curricula, but no one acknowledges a scientifically proven fact that we all understand intuitively: Academic potential varies between individuals and cannot be dramatically improved. In *The Cult of Smart*, educator and outspoken leftist Fredrik deBoer exposes this omission as the central flaw of our entire society, which has created and perpetuated an unjust class structure based on intellectual ability. Since cognitive talent varies from person to person, our education system can never create equal opportunity for all. Instead, it teaches our children that hierarchy and competition are natural and that human value should be based on intelligence. These ideas are counter to everything that the left believes, but until they acknowledge the existence of individual cognitive differences, progressives remain complicit in keeping the status quo in place. This passionate, voice-driven manifesto demands that we embrace a new goal for education: equality of outcomes. We must create a world that has a place for everyone, not just the academically talented. But we will never achieve this dream until the Cult of Smart is destroyed.

She Reads Truth Raechel Myers, Amanda Bible Williams, 2016-10-04 Born out of the experiences of hundreds of thousands of women who Raechel and Amanda have walked alongside as they walk with the Lord, *She Reads Truth* is the message that will help you understand the place of God's Word in your life.

Speak Laurie Halse Anderson, 2011-05-10 The groundbreaking National Book Award Finalist and Michael L. Printz Honor Book with more than 3.5 million copies sold, *Speak* is a bestselling modern classic about consent, healing, and finding your voice. Speak up for yourself; we want to know what you have to say. From the first moment of her freshman year at Merryweather High, Melinda knows this is a big lie: part of the nonsense of high school. She is friendless, an outcast, because she busted an end-of-summer party by calling the cops. Now nobody will talk to her, let alone listen to her. As time passes, Melinda becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back and refuses to be silent.

From Astrid Lindgren Memorial Award laureate Laurie Halse Anderson comes the extraordinary landmark novel that has spoken to millions of readers. Powerful and utterly unforgettable, *Speak* has been translated into 35 languages, was the basis for the major motion picture starring Kristen Stewart, and is now a stunning graphic novel adapted by Laurie Halse Anderson herself with artwork from Eisner Award winner Emily Carroll. Awards and accolades for *Speak*: A New York Times Bestseller, A National Book Award Finalist for Young People's Literature, A Michael L. Printz Honor Book, An Edgar Allan Poe Award Finalist, A Los Angeles Times Book Prize Finalist, A TIME Magazine Best YA Book of All Time, A Cosmopolitan Magazine Best YA Book, Everyone Should Read Regardless of Age.
