**Politically Incorrect Guide to the Middle East** Martin Sieff, 2008-01-28 The Middle East is almost never off the front pages yet most Americans know little about the region Why The mainstream media and Ivy League academics instead of helping only make matters worse by casting everything in the usual politically correct mold Arab terrorists are just desperate freedom fighters and the region's one free democracy Israel is the oppressor not least because of its alliance with America And if Islamic extremism is a problem the establishment tells us it's only because it's rooted in that source of all evils religion A different strain of political correctness has seeped into some minds on the right most notably the Bush administration which so ready to buy into the egalitarian myths we are all taught believed that Western style democracy could flourish anywhere Now in The Politically Incorrect Guide to the Middle East veteran Middle East correspondent Martin Sieff puts the lie to all these myths and clichés

giving you everything you need to know about the region to understand its past its present and its possible future

**Politically Incorrect Guide to the Bible** Robert J. Hutchinson,2007-10-16 In the beginning the Bible was regarded as the Good Book but today it is under relentless attack from left wing audiences novelists and screenwriters to justify their own political agendas But fear not award winning religious journalist Robert J Hutchinson refutes the mockers skeptics and deniers in his new book *The Politically Incorrect Guide to the Bible* Using historical evidence and thorough analysis Hutchinson not only proves the Bible to be true and the liberal Left wrong but also takes the truth one step further showing how the Bible built and shaped Western civilization The Bible is the source for the Western ideas of justice science and democracy Hutchinson argues and without it Western civilization would not exist *Ten Ways to Destroy the Imagination of Your Child* Anthony Esolen,2023-07-18 Play dates soccer practice day care political correctness drudgery without facts television video games constant supervision endless distractions these and other insidious trends in child rearing and education are now the hallmarks of childhood As author Anthony Esolen demonstrates in this elegantly written often wickedly funny book almost everything we are doing to children now constricts their imaginations usually to serve the ulterior motives of the constrictors *Ten Ways to Destroy the Imagination of Your Child* takes square aim at these accelerating trends in a bitingly witty style reminiscent of C S Lewis while offering parents and children hopeful alternatives Esolen shows how imagination is snuffed out at practically every turn in the rearing of children almost exclusively indoors in the flattening of love to sex education and sex education to prurience and hygiene in the loss of traditional childhood games in the refusal to allow children to organize themselves into teams in the effacing of the glorious differences between the sexes in the dismissal of the power of memory which creates the worst of all possible worlds in school drudgery without even the merit of imparting facts in the strict separation of the child s world from the adult s and in the denial of the transcendent which places a low ceiling on the child s developing spirit and mind But Esolen doesn t stop at pointing out the problem he offers clear solutions as well With charming stories from his own boyhood and an assist from the master authors and thinkers of the Western tradition *Ten Ways to Destroy the Imagination of Your Child* is a welcome respite from the overwhelming banality of contemporary culture Interwoven throughout this indispensable guide to child rearing is a rich tapestry of the literature music art and thought that once enriched the lives of American children *Ten Ways to Destroy the Imagination of Your Child* confronts contemporary trends in parenting and schooling by reclaiming lost traditions This practical insightful book is essential reading for any parent who cares about the paltry thing that childhood has become and who wants to give a child something beyond the dull drone of today s culture *Out of the Ashes* Anthony Esolen,2017-01-30 *Out of the Ashes* is a full throated stout hearted call to arms soul stirring uncompromising and irresistible ROD DREHER author of *The Benedict Option* *Out of the Ashes* is an astonishing combination of energy humor insight and exceptional erudition topped off by a vivid personal style and a special gift for tweaking the nose of secularist nonsense peddlers If you re looking for a guide to our

*No Apologies* Anthony Esolen, 2022-05-24 No more apologies

for being a man Best selling social commentator Anthony Esolen draws on timeless wisdom to defend the masculine virtues of strength drive ambition and determination in building and upholding civilization itself This is a book that should not have to be written Its purpose is to return to men a sense of their worth as men and to give to boys the noble aim of manliness an aim which is their due by right One of the most courageous and penetrating writers of our time Anthony Esolen shows that men and women would both be happier if men came to a just appraisal of their worth The manhood he praises does not boast or swagger but it appreciates its powers It is reluctant to hurt but it does not cringe or cower The whole of civilization rests on the shoulders of men who have done work that most people would not do and that the physically weaker sex could not have done And though the masculine mystique is about more than physical force the differences between the sexes manifold and profound are all related in some way to that one the easiest difference to see and the hardest to deny The feminist who mindlessly asserts that a woman needs a man like a fish needs a bicycle takes her comfortable world including the bicycle for granted And she betrays her lovelessness and ingratitude Worse she poisons the minds and hearts of boys with her talk of toxic masculinity No Apologies with its compelling vision of a strong and effective manhood reminds men that they have powers as men and that those powers must be used for the common good for everyone men women and children all

*Reclaiming Catholic Social Teaching* Anthony Esolen,2014 Many claim that Catholic Social Teaching implies the existence of a vast welfare state In these pages Anthony Esolen pulls back the curtain on these false philosophers showing how they ve undermined the authentic social teachings of the Church in order to neutralize the biggest threat to their plans for secularization the Catholic Church With the voluminous writings of Pope Leo XIII as his guide Esolen explains that Catholic Social Teaching isn t focused exclusively on serving the poor Indeed it offers us a rich treasure of insights about the nature of man his eternal destiny the sanctity of marriage and the important role of the family in building a coherent and harmonious society Catholic Social Teaching explains Pope Leo offers a unified worldview What the Church says about the family is inextricable from what She says about the poor and what She says about the Eucharist informs the essence of Her teachings on education the arts and

even government You will step away from these pages with a profound understanding of the root causes of the ills that afflict our society and thanks to Pope Leo and Anthony Esolen well equipped to propose compelling remedies for them Only an authentically Catholic culture provides for a stable and virtuous society that allows Christians to do the real work that can unite rich and poor We must reclaim Catholic Social Teaching if we are to transform our society into the ideal mapped out by Pope Leo a land of sinners yes but one enriched with love of God and neighbor and sustained by the very heart of the Church's social teaching the most holy Eucharist

[In the Beginning was the Word](#) Anthony Esolen, 2021-12-04  
In this extended meditation Anthony Esolen looks phrase by phrase at the majestic Prologue to the Gospel of John which with good reason he calls the most influential paragraph in the history of man He unfolds its theological richness by showing how the Apostle John has in mind not only what he saw Jesus do and heard him say but also the whole witness of Scripture before the time of Jesus and the way the young Church proclaimed him A unique feature of this remarkable work is how Esolen hears and we with him the Hebrew Aramaic underlying John's Greek which was not his mother tongue echoing those languages in such a way that all at once what we thought could never be more profoundly expressed bursts forth in a renewed poetic splendor that brings into ever keener relief the whole panorama of the theology of the God-Man Esolen's decades long immersion in Christian poetry and Scripture uniquely positions him as a guide to the astonishing and life-changing poem of the Prologue He says it best My hope is not only to illuminate what John wishes us to hear but to show that when it comes to this poetry John is not the originator he is rather the beloved disciple who caught the habit from the Lord Himself

s sweeping gaze in *Life Under Compulsion* This elegantly written book restores lost wisdom about education parenting literature music art philosophy and leisure Esolen shows why the common understanding of freedom as a permission slip to do as you please is narrow misleading and dangerous He draws on great thinkers of the Western tradition from Aristotle and Cicero to Dante and Shakespeare to John Adams and C S Lewis to remind us what human freedom truly means *Life Under Compulsion* also restates the importance of concepts so often dismissed today truth beauty goodness love faith and virtue But above all else it reminds us of a fundamental truth that a child is a human being Countercultural in the best sense of the term *Life Under Compulsion* is an indispensable guide for any parent who wants to help a child remove the shackles and enjoy a truly free and full life
