an indispensable guide to thinking clearly about the world Bill Gates Hans Rosling tells the story of the secret silent miracle of human progress as only he can But Factfulness does much more than that It also explains why progress is so often secret and silent and teaches readers how to see it clearly Melinda Gates Factfulness by Hans Rosling an outstanding international public health expert is a hopeful book about the potential for human progress when we work off facts rather than our inherent biases Former U S President Barack Obama Factfulness The stress reducing habit of only carrying opinions for which you have strong supporting facts When asked simple questions about global trends what percentage of the world s population live in poverty why the world s population is increasing how many girls finish school we systematically get the answers wrong So wrong that a chimpanzee choosing answers at random will consistently outguess teachers journalists Nobel laureates and investment bankers In Factfulness Professor of International Health and global TED phenomenon Hans Rosling together with his two long time collaborators Anna and Ola offers a radical new explanation of why this happens They reveal the ten instincts that distort our perspective from our tendency to divide the world into two camps usually some version of us and them to the way we consume media where fear rules to how we perceive progress believing that most things are getting worse Our problem is that we don t know what we don t know and even our guesses are informed by unconscious and predictable biases It turns out that the world for all its imperfections is in a much better state than we might think That doesn t mean there aren t real concerns But when we worry about everything all the time instead of embracing a worldview based on facts we can lose our ability to focus on the things that threaten us most Inspiring and revelatory filled with lively anecdotes and moving stories Factfulness is an urgent and essential book that will change the way you see the world and empower you to respond to the crises and opportunities of the future This book is my last battle in my life long mission to fight devastating ignorance Previously I armed myself with huge data sets eye opening software an energetic learning style and a Swedish bayonet for sword swallowing It wasn t enough But I hope this book will be Hans Rosling February 2017 Seeking Mandela Heribert Adam,Kogila Moodley,2005 The ongoing violence despair and paralysis among Israelis and Palestinians resemble the gloomy period in South Africa during the late 1980s **Professional English in Use: Engineering** Mark Ibbotson,2009 Authored by a qualified engineer with professional experience in both engineering and English language teaching the book covers essential technical English vocabulary in context Over 1000 words and phrases are presented to help engineers or engineering students better communicate in English on the job using a format designed to make self study more intuitive words and expressions are explained on the left hand pages and practice activities are on the right hand pages Suitable for Upper Intermediate level learners of English CEF B1 B2 **New English File** Clive Oxenden,Christina Latham-Koenig,2009 100% new New Practical English video featuring authentic interviews with real people Shorter syllabus for Beginner level students Destination B1 Malcolm Mann,Steve Taylore-Knowles,2008 Longman Advanced Learners' Grammar Mark Foley,Diane Hall,2003 **New Language Leader** David Cotton,David
