**The Illusions of Postmodernism** Terry Eagleton, 2013-05-29 In this brilliant critique Terry Eagleton explores the origins and emergence of postmodernism revealing its ambivalences and contradictions Above all he speaks to a particular kind of student or consumer of popular brands of postmodern thought

**Explaining Postmodernism** Stephen R. C. Hicks, 2004 *Fashionable Nonsense* Alan Sokal, Jean Bricmont, 2014-01-14 In 1996 physicist Alan Sokal published an essay in *Social Text* an influential academic journal of cultural studies touting the deep similarities between quantum gravitational theory and postmodern philosophy Soon thereafter the essay was revealed as a brilliant parody a catalog of nonsense written in the cutting edge but impenetrable lingo of postmodern theorists The event sparked a furious debate in academic circles and made the headlines of newspapers in the U S and abroad In *Fashionable Nonsense* Postmodern Intellectuals Abuse of Science Sokal and his fellow physicist Jean Bricmont expand from where the hoax left off In a delightfully witty and clear voice the two thoughtfully and thoroughly dismantle the pseudo scientific writings of some of the most fashionable French and American intellectuals More generally they challenge the widespread notion that scientific theories are mere narrations or social constructions

**The Cultural Turn** Fredric Jameson, 2009-06-09 Fredric Jameson a leading voice on the subject of postmodernism assembles his most powerful writings on the culture of late capitalism in this essential volume Classic insights on pastiche nostalgia and architecture stand alongside essays on the status of history theory Marxism and the subject in an age propelled by finance capital and endless spectacle Surveying the debates that blazed up around his earlier essays Jameson responds to critics and maps out the theoretical positions of postmodernism's prominent friends and foes

*The Troubles With Postmodernism* Stefan Morawski, 2013-06-17 In this original and eye opening study Stefan Morawski sheds light on the often confused debate about postmodernism postmodernity and human values Drawing upon a wide range of evidence from the experience of everyday life in the sciences

religion visual arts literature film television and contemporary music The Troubles with Postmodernism is an indispensable guide to our understanding and evaluation of contemporary literature      **A Teacher's Introduction to Postmodernism** Ray Linn,1996 In this overview of intellectual and artistic trends from the seventeenth century to the present Linn unpacks the logic assumptions and philosophical implications wrapped up in what has become the founding statement of modern rationalism Descartes s I think therefore I am from publisher description      **After Theory** Terry Eagleton,2004-08-26 The golden age of cultural theory the product of a decade and a half from 1965 to 1980 is long past We are living now in its aftermath in an age which having grown rich in the insights of thinkers like Althusser Barthes and Derrida has also moved beyond them What kind of new fresh thinking does this new era demand Eagleton concludes that cultural theory must start thinking ambitiously again not so that it can hand the West its legitimation but so that it can seek to make sense of the grand narratives in which it is now embroiled      **Postmodernism and the Environmental Crisis** Arran Gare,2006-08-21 Postmodernism and the Environmental Crisis is the only book to combine cultural theory and environmental philosophy In it Arran Gare analyses the conjunction between the environmental crisis the globalisation of capitalism and the disintegration of the culture of modernity It explains the paradox of growing concern for the environment and the paltry achievements of environmental movements Through a critique of the philosophies underlying approaches to the environmental crisis Arran Gare puts forward his own controversial theory of a new postmodern world view This would be the foundation for the environmental movement to succeed Arran Gare s work will be a vital reading for advanced students of environmental studies as well as for environmental philosophers and cultural theorists      *Literary Theory : An Introduction, Anniversary Ed.* Terry Eagleton,2008      **Grassroots Postmodernism** Gustavo Esteva,Madhu Suri Prakash,2014-08-14 With the publication of this remarkable book in 1998 Gustavo Esteva and Madhu Suri Prakash instigated a complete epistemological rupture Grassroots Post modernism attacks the three sacred cows of modernity global thinking the universality of human rights and the self sufficient individual Rejecting the constructs of development in all its forms Esteva and Prakash argue that even alternative development prescriptions deprive the people of control over their own lives shifting this control to bureaucrats technocrats and educators Rather than presuming that human progress fits a predetermined mould leading towards an increasing homogenization of cultures and lifestyles the authors argue for a radical pluralism that honours and nurtures distinctive cultural variety and enables many paths to the realization of self defined aspirations This classic text is essential reading for those looking beyond neoliberalism the global project and the individual self      **The Postmodern Representation of Reality in Peter Ackroyd's Chatterton** Arya Aryan,2022-06-08 This book explores the postmodernist representation of reality and argues that historiographic metafictional texts such as Peter Ackroyd s Chatterton 1987 are hetero referential in their creation of a heterocosm as opposed to representational and anti representational views of art It argues that postmodernist historiographic metafiction is not simply self referential but hetero referential consciously

revealing the paradoxes of self referentiality while simultaneously creating a heterocosmic world where the text is capable of referring to an external reality The book highlights Chatterton s narrative strategies and techniques which result in revealing the text s meaning granting process The novel acknowledges the existence of reality and the text s possibility of representation but contends that reality is a human construct In addition the book demonstrates that representation is possible through fictive referents and thus hetero referential

**Ideology** Terry Eagleton,2020-05-05 Ideology has never before been so much in evidence as a fact and so little understood as a concept as it is today In this now classic work originally written for both students and for those already familiar with the debates around the concept the celebrated literary theorist Terry Eagleton unravels its many definitions exploring its tortuous history from the Enlightenment to the present A limpid account of the thought of key Marxist thinkers as well as that of philosophers from Schopenhauer and Nietzsche to Freud and the post structuralists and a political reformulation of a vital set of ideas Ideology An Introduction is an essential text by one of our most important contemporary critics
