**Christian Writings the Apostolic Fathers. Trnslated by Maxwell Staniforth** Maxwell Staniforth, The Apostolic Fathers ... Joseph Barber Lightfoot, 1898 **Early Christian writings** Maxwell Staniforth, 1972 *To Know Christ Jesus* Frank Sheed, 2011-06-03 This modern spiritual classic by Frank Sheed the renowned author publisher and lecturer is brought back into print for the benefit of new generations of readers to develop a deeper more profound knowledge of Jesus Christ Sheed s concern with the Gospels is to come to know Christ as he actually lived among us interacted with all the various people he encountered from his infancy to his passion and death the God man who was like us in all things except sin Sheed has tried especially to see Our Lord in his effect upon others seeing how they saw him trying to see why they saw him so There is much about Mary and Joseph in their task of bringing up a baby who was literally adorable about John the Baptist about Mary of Bethany and Mary Magdalen about Nicodemus about people we meet only for a moment like the man born blind and the owners of the drowned swine and why the Pharisees not only the worst of them but some of the best would not

accept Christ Faith doctrine prayer worship all the content and consequences of Christian belief rest on the person of Christ Jesus as recorded in the Gospels In this classic study Frank J Sheed employs wide learning theological sophistication spiritual insight and a lucid style to bring the reader to a personal encounter with the living Lord To Know Christ Jesus has been justly called one of the most satisfying studies of the Gospel ever made Frank J Sheed had a distinguished career as a publisher lecturer street corner evangelist and popular writer He and his wife Maisie Ward were the founders of the publishing house Sheed Ward His many books include Christ in Eclipse What Difference Does Jesus Make Theology and Sanity and A Map of Life My concern with the Gospels is to see the Face which through all the centuries has looked out from them upon men The object is not to prove something but to meet someone that we should know Christ Jesus know him as one person may know another As Christians we love him try to live by his law would think it a glory to die for him But how well do we know him Frank Sheed from the Foreword *Christianity in India* Leonard Fernando (s.j.),G. Gispert-Sauch,2004 Written by two of the country s foremost theologians Christianity in India traces the fascinating history of each of these communities and describes the role of Christians in education social services multilingual publishing and the freedom struggle The authors explain to non Christians the tenets and rituals that bind the faithful whether Catholic Protestant or Orthodox prayer the Sunday service baptism and marriage the role of Jesus in daily life Christians understanding of other faiths and examine the controversial issues of caste within Christianity and conversions from other faiths BOOK JACKET *On Marriage and Family Life* Saint John Chrysostom,2021-02-02 Inspired by the epistles of St Paul St John Chrysostom has many important and practical things to say to Christian couples and families *Translating the Message* Lamin Sanneh,2015-02-25 **The Ampleforth Journal** ,1904 **Summa of the Summa** Peter Kreeft,2011-03-01 Saint Thomas Aquinas is universally recognized as one of the greatest philosophers who ever lived His writings combine the two fundamental ideals of philosophical writing clarity and profundity He is a master of metaphysics and technical terminology yet so full of both theoretical and practical wisdom He is the master of common sense His major work the Summa Theologica is timeless but particularly important today because of his synthesis of faith and reason revelation and philosophy and the Biblical and the classical Greco Roman heritages This unique book combines selected essential philosophical passages from Thomas Summa with footnotes and explanations by Kreeft a popular Thomist teacher and writer Kreeft selected those passages from Thomas that are intrinsically important non technical enough to be intelligible to modern readers and most likely to be used in a class or by independent readers who want to study the Summa on their own Kreeft s detailed footnotes explain difficult or technical passages and call attention to points of particular significance for the modern reader This book is the most intelligent clear and useful access to Saint Thomas in print Includes a glossary and an index This book differs from all other books on Saint Thomas because it gives the words of Thomas himself not a modern summary but pared down to essentials and with footnotes which do what a professor in a class would do Peter Kreeft **The Ascetic Imperative in Culture and**

**Criticism** Geoffrey Galt Harpham, 2011-01-15 In this bold interdisciplinary work Geoffrey Galt Harpham argues that asceticism has played a major role in shaping Western ideas of the body writing ethics and aesthetics He suggests that we consider the ascetic as the cultural element in culture and presents a close analysis of works by Athanasius Augustine Matthias Gr newald Nietzsche Foucault and other thinkers as proof of the extent of asceticism s resources Harpham demonstrates the usefulness of his findings by deriving from asceticism a discourse of resistance a code of interpretation ultimately more generous and humane than those currently available to us

**The Great Controversy Between Christ and Satan** Ellen Gould Harmon White, 2020-09-28 Before the entrance of sin Adam enjoyed open communion with his Maker but since man separated himself from God by transgression the human race has been cut off from this high privilege By the plan of redemption however a way has been opened whereby the inhabitants of the earth may still have connection with heaven God has communicated with men by His Spirit and divine light has been imparted to the world by revelations to His chosen servants Holy men of God spake as they were moved by the Holy Ghost 2 Peter 1 21 During the first twenty five hundred years of human history there was no written revelation Those who had been taught of God communicated their knowledge to others and it was handed down from father to son through successive generations The preparation of the written word began in the time of Moses Inspired revelations were then embodied in an inspired book This work continued during the long period of sixteen hundred years from Moses the historian of creation and the law to John the recorder of the most sublime truths of the gospel The Bible points to God as its author yet it was written by human hands and in the varied style of its different books it presents the characteristics of the several writers The truths revealed are all given by inspiration of God 2 Tim 3 16 yet they are expressed in the words of men The Infinite One by His Holy Spirit has shed light into the minds and hearts of His servants He has given dreams and visions symbols and figures and those to whom the truth was thus revealed have themselves embodied the thought in human language The ten commandments were spoken by God Himself and were written by His own hand They are of divine and not of human composition But the Bible with its God given truths expressed in the language of men presents a union of the divine and the human Such a union existed in the nature of Christ who was the Son of God and the Son of man Thus it is true of the Bible as it was of Christ that the Word was made flesh and dwelt among us John 1 14 Written in different ages by men who differed widely in rank and occupation and in

mental and spiritual endowments the books of the Bible present a wide contrast in style as well as a diversity in the nature of the subjects unfolded Different forms of expression are employed by different writers often the same truth is more strikingly presented by one than by another And as several writers present a subject under varied aspects and relations there may appear to the superficial careless or prejudiced reader to be discrepancy or contradiction where the thoughtful reverent student with clearer insight discerns the underlying harmony As presented through different individuals the truth is brought out in its varied aspects One writer is more strongly impressed with one phase of the subject he grasps those points that harmonize with his experience or with his power of perception and appreciation another seizes upon a different phase and each under the guidance of the Holy Spirit presents what is most forcibly impressed upon his own mind a different aspect of the truth in each but a perfect harmony through all And the truths thus revealed unite to form a perfect whole adapted to meet the wants of men in all the circumstances and experiences of life God has been pleased to communicate His truth to the world by human agencies and He Himself by His Holy Spirit qualified men and enabled them to do this work He guided the mind in the selection of what to speak and what to write The treasure was intrusted to earthen vessels yet it is none the less from Heaven The testimony is conveyed through the imperfect expression of human language yet it is the testimony of God and the obedient believing child of God beholds in it the glory of a divine power full of grace and truth

**A Biblical Defense of Catholicism** Dave Armstrong,2003 Author David Armstrong shows that the Catholic Church is the Bible Church par excellence and that many common Protestant doctrines are in fact not Biblical *Encyclopedia of the World's Religions* Robert Charles Zaehner,1997 Covers many world religions such as Judaism Christianity Islam Zoroastrianism Hinduism Jainism Buddhism Shinto Confucianism Taoism Sikhism Dialectical materialism etc **Misquoting Jesus** Bart D.

Ehrman,2009-10-06 When world class biblical scholar Bart Ehrman first began to study the texts of the Bible in their original languages he was startled to discover the multitude of mistakes and intentional alterations that had been made by earlier translators In *Misquoting Jesus* Ehrman tells the story behind the mistakes and changes that ancient scribes made to the New Testament and shows the great impact they had upon the Bible we use today He frames his account with personal reflections on how his study of the Greek manuscripts made him abandon his once ultraconservative views of the Bible Since the advent of the printing press and the accurate reproduction of texts most people have assumed that when they read the New Testament they are reading an exact copy of Jesus s words or Saint Paul s writings And yet for almost fifteen hundred years these manuscripts were hand copied by scribes who were deeply influenced by the cultural theological and political disputes of their day Both mistakes and intentional changes abound in the surviving manuscripts making the original words difficult to reconstruct For the first time Ehrman reveals where and why these changes were made and how scholars go about reconstructing the original words of the New Testament as closely as possible Ehrman makes the provocative case that many of our cherished biblical stories and widely held beliefs concerning the divinity of Jesus the Trinity and the divine

origins of the Bible itself stem from both intentional and accidental alterations by scribes alterations that dramatically affected all subsequent versions of the Bible **The Origins of the Christian Mystical Tradition** Andrew Louth, 2007-01-25 Scholars of the patristic era have paid more attention to the dogmatic tradition in their period than to the development of Christian mystical theology Andrew Louth aims to redress the balance Recognizing that the intellectual form of this tradition was decisively influenced by Platonic ideas of the soul's relationship to God Louth begins with an examination of Plato and Platonism The discussion of the Fathers which follows shows how the mystical tradition is at the heart of their thought and how the dogmatic tradition both moulds and is the reflection of mystical insights and concerns This new edition of a classic study of the diverse influences upon Christian spirituality includes a new Epilogue which brings the text completely up to date **Selected Writings** Meister Eckhart, 1994-08-25 Composed during a critical time in the evolution of European intellectual life the works of Meister Eckhart c 1260 1327 are some of the most powerful medieval attempts to achieve a synthesis between ancient Greek thought and the Christian faith Writing with great rhetorical brilliance Eckhart combines the neoplatonic concept of oneness the idea that the ultimate principle of the universe is single and undivided with his Christian belief in the Trinity and considers the struggle to describe a perfect God through the imperfect medium of language Fusing philosophy and religion with vivid originality and metaphysical passion these works have intrigued and inspired philosophers and theologians from Hegel to Heidegger and beyond
