Ainspan,Kristin N. Saboe,2021 Setting the historical context for this book this chapter describes the recent history of civilian veteran employment relaying how the high military veteran unemployment rate in 2010 generated concern and reactions from the government and the public and the private sectors It then provides examples of how government and companies worked together to improve the employment situation of military veterans through legislation corporate hiring programs and corporate partnerships but faced limited success because too few companies were involved The current situation of veteran employment and retention is outlined with examples provided of why military veterans may choose to leave civilian employment and suggestions offered to address the issues veteran employees may have in their jobs so that employers can do a better job of retaining them in their workforces *Key Case Law Rules for Government Contract Formation* Patrick

Butler,Patrick Butler Lt. Col,2014-09 Go Beyond the FAR The guidance contained in the almost 2000 pages of the Federal Acquisition Regulation and the various agency supplements are just a part of the resources government acquisition professionals need to do their jobs effectively Accessing and understanding case law is equally important to a thorough understanding of government contracting Legal decisions explain the Government Accountability Office s and the courts views on how procurement statutes and regulations apply in a wide range of situations Case law also gives potential bid protesters and agencies a way to gauge the likely outcome of a protest Until now it has been difficult to find and understand the legal decisions that could be relevant to a particular situation *Key Case Law Rules for Government Contract Formation* changes that by organizing and explaining the most important protest grounds in a readily accessible and comprehensible way With an emphasis on more recent cases the book is organized around the key protest grounds such as pricing issues allegations that the government wrongfully prevented competition or improper sealed bidding procedures Bridging the gap of understanding between the legal and the contracting communities this book is a much needed addition to the essential resources for acquisition professionals **Make the Department of Veterans Affairs Work for You** Christopher S.

Wright,2009-07 The author draws from the laws and codes that govern the VA and provides context from his direct experience to illustrate how those rules are applied The reader will learn when to make claims what to claim how to claim

and a host of other common sense VA procedures When finished the veteran will have all the knowledge to make the VA function the way it was designed
